NOTE 1 – DESCRIPTION OF PLAN

The following description of the plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General
Fross Zelnick Lehrman & Zissu P.C. 401(k) and Profit Sharing Plan (the "Plan") was established effective April 1, 1982 as a defined contribution plan for eligible employees of Fross Zelnick Lehrman & Zissu, P.C. (the "Sponsor" or "Employer"), as defined.

Effective June 1, 2000, the Sponsor amended and restated the Plan to ensure continued qualification. Effective January 1, 2002, the Plan was amended to incorporate the changes required by the Economic Growth Tax Relief Reconciliation Act 'EGTRRA'. Effective January 1, 2008, the Plan was further amended to allow automatic enrollment. Effective January 1, 2009, the Plan was amended and restated to make various clarifying changes. Effective January 1, 2010, the Plan was amended to allow for more frequent date changes in deferral election and investment choices. Effective January 1, 2012, the Plan was amended and restated to revise the automatic enrollment provision.

Effective January 1, 2013, the Plan was amended to make changes to the vesting schedule for participants with an employment commencement date after December 31, 2012.

Effective January 1, 2014, the Plan was amended to revise the commencement of participation for the purpose of receiving discretionary contributions and the 401(k) contributions.

Effective January 1, 2015, the Plan was amended and restated to revise the automatic enrollment for participants hired or re-hired after December 31, 2014, as well as to make various clarifying changes.

Effective January 1, 2017, the Plan was amended and restated to incorporate the change made to the portion of Discretionary Contribution allocated to Partners, and to add a provision for additional Discretionary Contribution.

Effective January 1, 2018, the Plan was amended and restated to clarify certain discretionary contribution provisions.

Effective October 31, 2018, the Plan transferred all Plan assets from Wells Fargo Bank, N.A. to Great-West Trust Company LLC which was appointed as the new trustee and custodian of the Plan.

Effective January 1, 2019, the Plan was amended to create an additional allocation group for purposes of receiving Discretionary Contributions. The Employer may, in its sole and absolute discretion and as necessary in order to satisfy the nondiscrimination testing requirements of the Internal Revenue Code, make a supplemental Discretionary Contribution to an active participant, in which case each active participant who receives such a supplemental discretionary contribution will be treated as his own allocation group.

Effective January 1, 2019, the Plan was amended to clarify the sources available for hardship distributions under the Plan, and to implement certain changes to the rules governing hardship distributions pursuant to changes in law contained in the Bipartisan Budget Act of 2018 and related Treasury Regulations.

Effective January 1, 2020, the Plan was amended to permit Roth Contributions and in-plan Roth conversions in accordance with procedures adopted by the Plan Administrator.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Eligibility for Participation

All employees are eligible to participate in: (i) the profit-sharing portion of the Plan upon completing one year of service, as defined, provided that they have attained the age of 21, and (ii) the 401(k) portion of the Plan upon completing three months of service, as defined. For purposes of receiving the discretionary contributions, the date of enrollment is January 1st, April 1st, July 1st or October 1st coincident with or next following the date the employee meets the eligibility requirements. For all other purposes, the date of enrollment is the first day of the month of the Plan year coincident with or next following the date the employee meets the eligibility requirements.

Eligibility for Contribution

I. *Salary Deferral Contributions*. The maximum contribution for the calendar year 2020 was limited to $19,500, plus up to $6,500 in a catch-up contribution for participants of age 50 or over. Participants direct the investment of their contributions into various investment options offered by the Plan. At December 31, 2020 and 2019, the Plan's investments were maintained in fixed annuities and mutual funds. The Plan maintains an individual account for each participant-directed investment showing the participant's interest in each fund. Each participant's share of investment income is allocated on a pro-rata basis. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

II. *Employer Discretionary Contributions*. The Employer's contributions (profit sharing contributions) are made at the discretion of the Plan Sponsor for eligible employees. The allocation of discretionary contributions is made with respect to the participant allocation group: partners and non-partners. The amount of the discretionary contribution for partners is allocated among the eligible partners in the same ratio that each partner's compensation bears to the total compensation of all eligible partners. For the Plan year ended December 31, 2020, the maximum amount for partners was $25,000. For the Plan year ended December 31, 2020, the Sponsor's contributions for non-partners were 3.00% of eligible compensation.

Participants file an election designating the proportion in which contributions on their behalf are to be allocated among investment funds. Participants may change their investment options (participant-directed).

Participant Accounts

Each participant's account is credited with the employee-elected salary deferral contribution, employer discretionary contributions, qualified distributions from other retirement plans, and an allocation of Plan earnings, (and charged with an allocation of administrative expenses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their voluntary contributions plus actual earnings thereon.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Vesting of the employer's profit sharing contributions is as follows:

1) For participants with an employment commencement date before January 1, 2013:

Year(s) of Service	Percentage
Less than 1	0%
At least 1 but less than 2	25%
At least 2 but less than 3	50%
At least 3 but less than 4	75%
4 and more	100%

2) For participants with an employment commencement date after December 31, 2012:

Year(s) of Service	Percentage
Less than 2	0%
At least 2 but less than 3	20%
At least 3 but less than 4	40%
At least 4 but less than 5	60%
At least 5 but less than 6	80%
6 and more	100%

Notes Receivable from Participants

Participants are permitted to take loans from the Plan. Participants are allowed to borrow up to one-half of their vested interest up to a maximum of $50,000 pursuant to the Plan agreement. The loans have terms that range from one to five years, (unless the loan is used for the purchase of a primary residence, in which case the repayment period may be up to 30 years), are secured by the balance in the participant's accounts and bear interest at a rate set by the Plan Sponsor, which is currently 1% over the prime rate. Principal and interest are paid ratably through monthly payroll deductions. A loan that is considered in default is reported as a deemed distribution which is a taxable event for the participant. Effective March 27, 2020, the Plan Sponsor adopted the relief provisions included in the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"). Participants may borrow from their accounts the lesser of (1) $100,000 (minus outstanding plan loans to the individual) or (2) 100 percent of their vested account balance for loans made from March 27, 2020 through September 22, 2020. In addition, the CARES Act permits a delay of repayment of loans due from March 27, 2020 through December 31, 2020, up to one year. Effective December 27, 2020, the expanded loan provisions were also included in the Consolidated Appropriations Act of 2021 (the "CAA").

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The terminating participant may elect to defer distribution to a later date, up to age 70½. The CARES Act waived required minimum distribution (RMD) requirements for the calendar year 2020 for employee benefit plans. In addition, the CARES Act changed the age requirement from 70½ to 72 after January 1, 2020. The CARES Act allows participants to elect to have their coronavirus-related distribution ratably taxed over a three-year period or taxed in full in the year of the distribution. In addition, starting January 1, 2020, a six-month suspension of salary deferrals for participants taking hardship distributions is no longer required.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

At December 31, 2020 and 2019, forfeited non-vested accounts totaled $51,978 and $73,013, respectively. During the year ended December 31, 2020, $60,538 was used to pay Plan administrative expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

New Accounting Standards Adopted

Accounting Standards Update ("ASU") No. 2018-13 *Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement* eliminated and modified certain disclosure requirements for fair value as part of its disclosure framework project. This ASU was effective for annual periods beginning after December 15, 2019 and was adopted as of January 1, 2020. This standard did not have a material impact on the Plan's financial statements.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and Great West. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019.

NOTE 3 – INVESTMENTS – UNAUDITED INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Great-West Trust Company LLC ("Great West"), the trustee of the Plan for the years ended December 31, 2020 and 2019.

	2020	2019
Investments at fair value	$ 39,433,737	$ 35,649,457
Fully benefit-responsive investment contracts at contract value	$ 3,374,835	$ 3,831,402
Net appreciation in fair value of investments	$ 5,808,471	
Dividends and interest income	$ 1,399,233	

Notes receivable from participants for the years ended December 31, 2020 and 2019 of $141,807 and $155,643, respectively, and interest income on notes receivable from participants of $6,644 for the year ended December 31, 2020 have also been certified by the trustee.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual Funds:

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

	Assets at fair value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 39,433,737	$ -	$ -	$ 39,433,737

	Assets at fair value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 35,649,457	$ -	$ -	$ 35,649,457

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan entered into a fully benefit-responsive guaranteed investment contract ("GIC") with Great-West. Great West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the GIC meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the GIC. The GIC is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Great West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the GIC at December 31, 2020 and 2019 was $3,374,835 and $3,831,402, respectively.

Great West is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with Great West. The average yield earned by the Plan for the Benefit Responsive fund was 1.28% and 1.45% for the years ended December 31, 2020 and 2019, respectively. The actual yield earned by the Plan for the Benefit Responsive fund was 1.53% and 1.70% for the years 2020 and 2019, respectively. Such interest rates are reviewed on a semi-annual basis for resetting. The crediting rate of the product will be established based on current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account. These rates are established without the use of a specific formula.

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (CONTINUED)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

The investment contract does not have any restrictions that impact the ability of the Plan to collect the full contract value. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. Great West may not terminate the contract at any amount less than the contract value.

NOTE 6 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

At December 31, 2020 and 2019, certain Plan assets were invested in the Guaranteed Interest Fund. The Guaranteed Interest Fund is a Fixed Account that is part of the General Account of Great-West of New York. Great-West Trust Company LLC is the Trustee of the Plan, and therefore, these transactions qualify as party-in-interest transactions.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Sponsor may determine.

NOTE 8 – TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Sponsor by a letter dated February 1, 2018, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – COVID-19 IMPACT

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus ("COVID-19") as a pandemic, which continues to spread throughout the United States. The pandemic has adversely affected economic activity and greatly contributed to significant deterioration and instability in the financial markets. The full impact of COVID-19 continues to evolve as of the date of this report. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that may be recognized, if any, in a subsequent period is not determinable at this time.

On March 27, 2020, the CARES Act was passed by Congress. The CARES Act contains several provisions that temporarily impact retirement savings plans. These provisions include waiver of required minimum distributions for 2020, a new hardship withdrawal option related to the COVID-19 pandemic, certain increased loan limits and suspension of certain loan repayments. The provisions of the CARES Act was effective and operationalized March 27, 2020. The Plan sponsor has adopted the relief provisions included in the CARES Act but was not required to, and did not, amend the Plan to allow for the provisions of the CARES Act.

NOTE 11 – SUBSEQUENT EVENTS

Management has evaluated, for potential recognition and disclosure, events subsequent to the date of the statement of net assets available for benefits through October 12, 2021, the date the financial statements were available to be issued.
