Management's Responsibility for the Financial Statements

The Plan's management is responsible for the preparation and fair presentation of these financial statements in accordance with a modified cash basis of accounting described in Note 2; this includes determining that a modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee as of December 31, 2020 and 2019, and for the year ended December 31, 2020, that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Plan Transfer

As described in Notes 1 and 7 to the financial statements, the Board of Directors and the Pension Finance and Administration Committee of Hillenbrand, Inc., approved a resolution and amendment on December 30, 2020, to transfer certain participant accounts from the Plan to the Process Equipment Group 401(k) Savings Plan, effective December 31, 2020.

Supplemental Schedule

The supplemental schedule of assets (held at end of year) as of December 31, 2020, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

HILLENBRAND, INC. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2020 and 2019

NOTE 1 - DESCRIPTION OF PLAN

The following description of Hillenbrand, Inc. Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General: The Plan was organized effective April 1, 2008, as a defined contribution retirement savings plan covering all eligible employees of Hillenbrand, Inc. (the Plan Sponsor) and its subsidiaries (collectively, the Employer) who meet the Eligible Employee requirements based on classifications more fully described in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Pension Finance and Administrative Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance and reports to the Board of Directors of the Employer.

Plan Transfer: The Plan Sponsor also sponsors the Process Equipment Group 401(k) Savings Plan (PEG Plan). Effective December 31, 2020, the Plan Agreement was amended in order to authorize the transfer of all contributions and other funds held in the accounts of non-bargaining participants into the PEG Plan, except for Puerto Rico participants. On December 31, 2020, such non-bargaining participants had their respective account balances transferred directly to the PEG Plan. Net assets totaling \$226,342,415 were transferred from the Plan to the PEG Plan. The transfer included investments, an other payable, and a note receivable from a participant (participant loan) of \$225,772,558, \$541,987, and \$27,870, respectively.

Contributions: Each year, eligible employees of the Employer that are bargaining employees (bargaining participants) may authorize the Employer to contribute to the Plan up to 100% (reduced to 75% effective December 31, 2020, see Note 7) of their eligible annual compensation, as defined in the Plan Agreement. The Employer contributes to each bargaining participant's account an amount equal to 40% of the first 5% of compensation that each bargaining participant contributes to the Plan if the bargaining participant is still accruing a pension benefit.

Eligible employees of the Employer that are non-bargaining employees (non-bargaining participants) may authorize the Employer to contribute to the Plan up to 100% (reduced to 75% effective December 31, 2020, see Note 7) of their eligible annual compensation, as defined in the Plan Agreement. The Employer contributes a percentage of each eligible non-bargaining participant's compensation, depending on their classification.

Non-bargaining employees hired after July 1, 2003, are no longer eligible to participate in the Hillenbrand, Inc. Pension Plan (the Pension Plan). Employees hired prior to July 1, 2003, made an election to continue to participate in the Pension Plan or to freeze their Pension Plan accruals effective December 31, 2003. Continuing Plan participants (those who did not elect to freeze their Pension Plan benefit accruals) and commissioned participants receive 3% Employer contributions to the Plan. Participants with a hire date on or after July 1, 2003, and frozen Pension Plan participants receive 4% Employer contributions and Employer matching contributions of 50% of eligible compensation that each participant contributes to the Plan up to 6%. The benefits of Pension Plan frozen participants will be paid out in accordance with the Pension Plan provisions with future service considered only under the Plan.

The Plan includes an auto-enrollment provision whereby all newly and rehired eligible bargaining and non-bargaining employees are automatically enrolled in the Plan unless an affirmative election not to participate in the Plan is executed. Automatically enrolled bargaining and non-bargaining participants have their contribution rate set at 6% of eligible compensation and their contributions are invested in a designated fund until changed by the participant.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Participant contributions are subject to annual limitations under the United States of America or Puerto Rico Internal Revenue Code.

Participants may also make rollover contributions from amounts representing distributions from other qualified plans. Puerto Rico participants may only make rollover contributions from another Puerto Rico and United States of America dual qualified plan.

Participants direct the investment of their contributions, as well as those made by the Employer, into various investment options offered by the Plan.

Participant Accounts: Each participant's account is credited with the participant's contributions and Employer contributions, as well as allocations of Plan earnings. Participant accounts may also be charged with an allocation of certain administrative expenses of the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting and Forfeitures: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their account is based on years of service. A participant becomes 100% vested after three years of credited service.

At December 31, 2020 and 2019, forfeited nonvested accounts of terminated participants totaled \$59,905 and \$10,749, respectively. These accounts will be used to reduce future Employer contributions or pay Plan expenses. In 2020, forfeited nonvested accounts of \$211,286 were used to reduce Employer contributions.

Note Receivable from Participant: The Plan does not permit participants to borrow from their accounts. However, participants merged in from an acquisition could have borrowed from their account, prior to the merger, a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The payment terms of the notes could not exceed five years except for the purchase of the participant's principal residence, for which the terms could exceed five years per the Plan Agreement. The remaining note was secured by the balance in the participant's account and bore interest at a rate which was commensurate with local prevailing rates at the time of issuance. Principal and interest were paid ratably through regular payroll deductions. The note was transferred from the Plan during 2020 as described above in the *Plan Transfer* section.

Benefits: Upon the occurrence of a distributable event due to separation from service by termination, death, disability, or retirement, as defined by the Plan Agreement, a participant may elect to receive a lump-sum cash distribution equal to the value of the participant's vested interest in his or her account. Hardship and in-service withdrawals, as defined in the Plan Agreement, are also permitted from a participant's account.

Plan Termination: Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants will become 100% vested in their accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on a modified cash basis of accounting. This method of accounting differs from accounting principles generally accepted in the United States of America in that contributions and income are recorded when received, rather than when earned and expenses are recorded when paid, rather than when the obligation is incurred. Although a modified cash basis of accounting represents a departure from accounting principles generally accepted in the United States of America, it is an acceptable method of accounting for employee benefit plans under the requirements of ERISA.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates: The preparation of financial statements in accordance with a modified cash basis of accounting requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value, except fully benefit-responsive investment contracts are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Pension Finance and Administration Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note Receivable from Participant: The Plan's note receivable from participant was measured at its unpaid principal balance. Interest income was recorded when received. No allowance for credit losses was recorded as of December 31, 2020 or 2019.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Administrative expenses for maintaining the Plan may be paid by the Employer or the Plan, at the Employer's discretion. Certain administration fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Tax Status: The Internal Revenue Service (IRS) has determined and informed the Employer by a letter dated October 6, 2015, that the Plan and related trust are designed in accordance with applicable sections of the United States Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed in compliance with the applicable requirements of the IRC. The Plan Administrator intends to correct insignificant operational errors utilizing the applicable correction program available under the Employee Plans Compliance Resolution System (EPCRS). Therefore, the Plan Administrator believes that the Plan is qualified, and the related trust is tax-exempt.

The Puerto Rico Department of the Treasury determined and informed the Employer by a letter dated March 10, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Puerto Rico Internal Revenue Code of 2011, as amended (PR Code). The Plan has been amended since receiving the determination letter. The Employer received a letter dated August 18, 2020 from the Puerto Rico Department of Treasury indicating that the Plan's first and second amendments, effective January 1, 2015 and January 1, 2017, respectively, will not adversely affect the previously issued determination letter dated March 10, 2017. The Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the PR Code. Therefore, the Plan Administrator believes that the Plan is qualified, and the related trust is tax-exempt.

The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in process.

Subsequent Events: The Plan Administrator has evaluated the financial statements for subsequent events occurring through October 11, 2021, the date the financial statements were available to be issued. See Note 10.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan has categorized its assets and liabilities that are measured at fair value into a three-level fair value hierarchy. The hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement. In situations where there is little or no market activity for the asset or liability, the Plan makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

Following is a description of the valuation methodologies used by the Plan for assets that are measured at fair value on a recurring basis. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Registered Investment Companies and Money Market Fund Shares: Valued at the daily closing price as reported by the funds. These funds are required to publish their daily net asset value (NAV) and to transact at that price. These funds held by the Plan are deemed to be actively traded.

Collective Trust Funds: Valued at the unit price reported by the sponsoring trust company. The underlying investments owned by the funds can include money market funds, stable value funds, fixed-income securities, registered investment companies, common stocks, corporate bonds, U.S. Government securities, other collective trust funds, or guaranteed investment contracts priced by the sponsoring insurance company using applicable interest rates and contract provisions. The unit price is based on the fair value of these underlying investments owned, less any accrual of fees and expenses borne by the fund, and divided by the number of units outstanding. The unit price is readily determinable and quoted on the active private market on which participants can transact daily with no redemption restrictions on these investments.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain assets could result in a different fair value measurement at the reporting date.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a summary, within each level of the fair value hierarchy, of the Plan's assets that are measured at fair value on a recurring basis as of December 31, 2020 and 2019:

2020	Level 1	Level 2	Total
Registered investment companies	\$10,967,069		\$ 10,967,069

Total Investments at Fair Value	<u>\$11,061,505</u>	<u>\$22,713,095</u>	<u>\$ 33,774,600</u>
2019			
Registered investment companies	\$83,242,893		\$ 83,242,893
Money market fund shares	123,150		123,150
Collective trust funds		<u>\$142,056,651</u>	<u>142,056,651</u>
Total Investments at Fair Value	<u>\$83,366,043</u>	<u>\$142,056,651</u>	<u>\$225,422,694</u>

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE (UNAUDITED INFORMATION)

All Plan information related to investments and notes receivable from participants held at December 31, 2020 and 2019, and net appreciation or depreciation in fair value of investments, interest and dividends for the year ended December 31, 2020, disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information provided to the Plan Administrator and certified as complete and accurate by Fidelity Management Trust Company, the Plan's trustee, in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 - JOINT INVESTMENT IN SYNTHETIC GUARANTEED INVESTMENT CONTRACT

In December 2011, the Plan Sponsor entered into a contract with The Prudential Insurance Company of America to invest in a synthetic guaranteed investment contract (GIC) currently held jointly between the Plan and Process Equipment Group 401(k) Savings Plan. Each plan's allocation of the contract is based on participant-directed investment elections, with interest income allocated daily based on the contract value owned by each respective plan.

The contract value of the synthetic GIC was \$39,071,695 and \$30,737,669 at December 31, 2020 and 2019, respectively. Interest income earned under the GIC totaled \$645,600 in 2020. The Plan's proportionate share in the contract was \$9,888,120 and \$23,001,558 at December 31, 2020 and 2019, respectively, and included interest income of \$472,079 in 2020.

NOTE 6 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The GIC meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

NOTE 6 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (CONTINUED)

In a synthetic investment contract, the Plan owns the underlying assets of the synthetic investment contract. A synthetic investment contract includes a wrapper contract, which is an agreement for the wrap issuer, such as a bank or insurance company, to make payments to the Plan in certain circumstances. The wrapper contract typically includes certain conditions and limitations on the underlying assets owned by the Plan. The synthetic investment contract is designed to accrue interest based on crediting rates established by the contract issuers.

The interest in the synthetic investment contract held by the Plan includes a wrapper contract that provides a guarantee that the crediting rate will not fall below 0%. Cash flow volatility (for example, timing of benefit payments) as well as asset underperformance can be passed through to the Plan through adjustments to future contract crediting rates. Formulas are provided in the contract that adjust renewal crediting rates to recognize the difference between the fair value and the book value of the underlying assets. Crediting rates are reviewed quarterly for resetting.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the IRC or the failure of the trust to be tax-exempt under Section 501(a) of the IRC
2. Premature termination of the contract
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

NOTE 7 - PLAN AMENDMENTS

Effective January 1, 2020, the Plan Agreement was amended in order to provide conforming changes to the Plan relating to the freeze for Batesville Steelworker bargaining participants under the Hillenbrand, Inc. Pension Plan, and specifically to allow such participants to receive enhanced contributions under the Plan.

Effective March 31, 2020, the Plan Agreement was amended to update the name of the union representing certain Plan participants.

On December 30, 2020, the Plan Agreement was amended in order to cease contributions for Puerto Rico participants, effective January 1, 2021. Such Puerto Rico participants will no longer be active participants, but any established participant accounts will be held until benefit payments are distributed in accordance with the provisions of the Plan Agreement.

NOTE 7 - PLAN AMENDMENTS (CONTINUED)

As described in Note 1, effective December 31, 2020, the Plan Agreement was amended in order to authorize the transfer of all contributions and other funds held in the accounts of non-bargaining participants into the PEG Plan. Such non-bargaining participants who were actively employed by the Employer on December 31, 2020, became eligible participants in the PEG Plan and immediately became fully vested in their respective account balance transferred to the PEG Plan.

Effective December 31, 2020, the Plan Agreement was amended in order to change the maximum amount of eligible compensation that participants may authorize the Employer to contribute to the Plan. The maximum amount was reduced from 100% to 75% of participants' eligible compensation, as defined in the Plan Agreement.

The Employer intends to formally amend the Plan Agreement to incorporate certain provisions implemented under the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act), and the Coronavirus Aid, Relief and Economic Security Act of 2020 (CARES Act) related to the Plan's distribution, hardship and in-service withdrawal, loan, and other provisions, prior to the applicable due date as set forth under each Act.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

Certain Plan investments are managed by Fidelity Management Trust Company, the trustee of the Plan and/or its affiliates; therefore, transactions in these investments qualify as exempt party-in-interest transactions under ERISA. The Trustee and/or its affiliates also receive indirect fees from investments which are deducted from investment returns. Direct fees paid by the Plan to the Trustee and/or its affiliates, the Plan's investment advisor, and to other Plan service providers (consulting, legal and auditing) totaled \$107,194, \$157,709, and \$74,572, respectively, in 2020.

The Plan's interest in the fully benefit-responsive investment contract is issued by The Prudential Insurance Company of America. The underlying collective trust fund in the contract is sponsored by Prudential Trust Company. The Plan's allocation of direct fees paid from the contract to these related parties were \$135,929 in 2020.

The Employer provides certain accounting, administrative and investment management services to the Plan for which it receives no compensation.

Note receivable from participant is a permitted party-in-interest transaction.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan's investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Plan's financial statements.

NOTE 10 - SUBSEQUENT EVENT

On May 21, 2021, the Plan Agreement was amended, effective January 1, 2021, to stipulate that when bargaining employees subsequently become non-bargaining employees of the Employer, such employees that are Plan participants will have their account balances automatically transferred from the Plan into the PEG Plan. Similarly, when non-bargaining employees subsequently become bargaining employees of the Employer, such employees that are Plan participants will have their account balances automatically transferred into the Plan from the PEG Plan.
