NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Hughes Enterprises, Inc. 401K Retirement Plan (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of Hughes Enterprises, Inc. and Blue Kangaroo LLC. The Plan is subject to the provisions of ERISA. All regular full-time and part-time employees of Hughes Enterprises, Inc. and Blue Kangaroo LLC. except employees covered by collective bargaining agreements, residents of Puerto Rico and nonresident aliens are immediately eligible to participate in the Plan at age 21. Participants are eligible to participant in the Plan's matching contributions and non-elective contributions after 6 months of service.

During March 2020, the Coronavirus Aid Relief and Economic Security Act ("CARES Act") was signed into law. Under the CARES Act, certain qualified participants impacted by COVID-19 may take penalty-free distributions, not to exceed $100,000 during the taxable year between January 1, 2020 and December 31, 2020. Additionally, COVID-19 related distributions are not subject to the 20% federal tax withholding but are subject to a 10% federal tax withholding requirement with the option to spread the applicable income tax resulting from the COVID-19 distribution over a 3-year period. Finally, the CARES Act allows a participant who obtains a distribution to repay the distribution to an eligible retirement plan within the three-year period following the distribution to defer taxation. The CARES Act also temporarily increases the maximum thresholds for retirement plan loans under Internal Revenue Code ("IRC") Section 72(p) to the lesser of: (1) $100,000 (increased from $50,000), or (2) 100% (increased from 50%) of the present value of the participant's vested account balance. This is only available for plan loans made during the period from March 27, 2020 to September 22, 2020. The CARES Act also provides relief to qualified participants with outstanding plan loans (on or after March 27, 2020) by allowing for a suspension of the loan payments (due from March 27, 2020 through December 31, 2020). During the suspension period, interest will continue to accrue. The term of the loan may be extended for a period of up to one year without violating the original term period.

Contributions

Each year participants may contribute a maximum of 60% of their compensation to the Plan not to exceed the maximum allowable IRC 402(g) limit of $19,500 for 2020. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also rollover amounts representing distributions from other qualified plans. Roth elective deferrals are permitted under the Plan.

The Company's matching contribution equals 100% on the first 7% of the participant's compensation. The Company may also make a discretionary nonelective contribution. For Plan year 2020 the Company did not make a nonelective contribution. The maximum IRC 415 limit for total contributions made on behalf of a participant (deferrals and employer contributions) is $57,000 for 2020. Catch-up contributions can be made in excess of this limit.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Participants direct the investment of their contributions into various investment options offered by the plan. The plan currently offers various mutual funds, money market funds, self-brokerage accounts and common collective trust as options for participants.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the company's contribution and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in employer matching contributions are based on a 6--year graded schedule as such:

Vesting Schedule Matching Contributions	
Years of Service	Percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan must bear a reasonable amount of interest. The interest rate for 2020 range from 4.25% to 6.50%. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or installment payments. The Plan also provides for in-service withdrawals due to hardship and at age 59 ½.

The distributable amount is equal to the value of the participant's vested interest in his or her account. Employees who elect to have their benefit payments deferred continue to share in allocations of investment income and losses but do not share in subsequent allocations of discretionary contributions.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Forfeitures

At December 31, 2020 and 2019, forfeited non-vested accounts totaled $4.708 and $0 respectively. These accounts will be used to reduce future employer contributions and administrative expenses. In 2020, employer contributions were reduced by $17.436 from forfeited non-vested accounts.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded in the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of December 31, 2020 or 2019.

Excess Contribution Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2019 excess contribution to the applicable participants prior to March 15, 2020.

Payments of Benefits

Benefits are recorded when paid.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investments related expenses are included in net appreciation (depreciation) of the fair value of investments.

Recently Adopted Accounting Standard

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2018-13, Fair Value Measurement (Topic 820) – Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement. The ASU modifies the disclosure requirements for the fair value measurements in Topic 820, including the elimination, modification to, and addition of certain disclosures. The ASU is effective for fiscal years beginning after December 15, 2019. The provisions of the ASU did not have a material impact on the Plan's financial statement disclosures.

Subsequent Events

The plan has evaluated subsequent events through October 8, 2021 the date of the financial statements were available to be issued.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following is a summary of the unaudited information regarding the Plan, as included in the accompany financial statements and supplemental schedules prepared by or derived from information reported by the trustee of the Plan, Fidelity Management Trust Company for 2020 and 2019. The Plan Administrator has obtained certifications from the trustee that such information is complete and accurate at December 31, 2020 and 2019 and for the year ended December 31, 2020, as follows:

	2020	2019
Statement of net assets available for benefits:		
Investments at fair value	$ 13,224,764	$ 15,173,990
Notes Receivable	107,953	271,824
Statement of changes in net assets available for benefits:		
Investment income:		
Interest and dividends	880,885	
Net appreciation/ (depreciation) in fair value of investments		
Common Collective Trust	61	
Registered Investment Companies	434,293	

NOTE 4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 as described as follows:

Level 1	*Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.*
Level 2	*Inputs to the valuation methodology include* • *quoted prices for similar assets or liabilities in active markets;* • *quoted prices for similar assets or liabilities in inactive markets;* • *inputs other than quoted prices that are observable for the asset or liability;* • *inputs that are derived principally from or corroborated by observable market data by correlation or other means.* *If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.*
Level 3	*Inputs to the valuation methodology are unobservable and significant to the fair value measurement.*

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for asset measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Money market funds: Valued at cost, which approximates fair value,

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish at their daily net asset value (NAV) and to transact at the price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Valued at NAV of units of a bank collective trust fund. The NAV as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust fund, the investment adviser reserves the right to temporarily delay withdrawal from the fund in order to ensure that the securities' liquidations will be carried out in an orderly business.

Self-directed brokerage accounts: Within the self-directed brokerage accounts, registered investment companies and publicly traded common stocks are valued by obtaining quoted prices on nationally recognized securities exchanges.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2020 and 2019:

	Asset at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total

Registered Investment Companies	13,560,577	-	-	13,560,577
Total asset at fair value	15,105,469	-	-	15,105,469
Common Collective Trust at NAV*	-	-	-	68,521
Total Investments	$ 15,105,469	$ -	$ -	$ 15,173,990

*****_Common Collective Trust are measured at fair value using the net asset value per share or its equivalent as a practical expedient and are therefore not required to be classified in the fair value hierarchy._

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2020 and 2019, respectively:

Fund Name	2020 Fair Value	2019 Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
FID MANAGED INCOME PORTFOLIO FUND	$14,586	$68,521	None	Daily	Daily

The Fidelity Managed Income Portfolio Fund is a common collective trust. The trust's investment objective is to seek preservation of capital and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity. Under the terms of the MIP's Declaration of Trust, withdrawals directed by the Plan Sponsor must be preceded by a 12-month written notice to the MIP. As of December 31, 2020, the Plan had not provided the MIP with advance written notice to terminate the Plan's investment in the MIP.

NOTE 5. NONPARTICIPANTS-DIRECTED INVESTMENTS

The Plan's participants direct all investments. There are no non-participant directed investments as of December 31, 2020 and 2019.

NOTE 6. RELATED-PARTY TRANSACTIONS

Certain Plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee for the Plan and, therefore, these transactions qualify as party in interest transactions. The Plan also made direct payments to third party administrators of $3,220. The Plan Sponsor pays directly any other fees related to the plan's operations. The Plan Trustee receives fees from administration and investment management.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the rights under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100 percent vested in their employer contributions

NOTE 8. TAX STATUS

The IRS has determined and informed the Company by letter March 31, 2014 in which the Internal Service stated that the Plan, is designed, in accordance with the applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and therefore, believe that the Plan is qualified and tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant’s account balances and the amounts reported in the statement of net assets available for benefits.

The COVID-19 outbreak continues as of the date of this report. There are many uncertainties related to the COVID-19 global pandemic that could negatively affect the Plan’s statement of net assets available for benefits and statement of changes in net assets available for benefits. The Plan’s individual investments fluctuate in response to changing market conditions, therefore the effect of the COVID-19 pandemic on its investment values in subsequent periods, if any, cannot be determined.
