NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the **Oberer Companies 401(k) Plan** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - On January 1, 1996, **Oberer Residential Construction, Ltd. and affiliates** (the "Company") adopted a Section 401(k) profit-sharing plan. The Plan allows all eligible employees of the Company who have 90 days of service and have attained age 18 to participate. Upon satisfaction of the eligibility requirements, employees may enter the Plan on the first day of the first month immediately following the service requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - The Plan provides for employee salary deferrals within statutory limits, as defined in the Plan, each year as an elective deferral. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Employer matching contributions are discretionary, and participants become eligible for these contributions upon eligibility to participate in the Plan. For the years 2020 and 2019, the Company contributed 50% of the first 4% of elective deferrals.

The Company may make non-elective contributions equal to a portion of all participant pretax annual compensation or a non-elective discretionary amount. For the years 2020 and 2019, the Company did not make these types of contributions to the Plan. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amounts allocated to exceed the limitations allowed by the Internal Revenue Service.

Participant Accounts - Fidelity Management Trust Company is the Trustee and Custodian of Plan investments. Each participant's account is credited with the participant's contributions, Company contributions, net earnings or losses, forfeitures, distributions, and withdrawals. Company contributions are allocated based on participants' compensation as defined by the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs both separately, and distinctly, into which investment the participant contribution, employer match, and discretionary contribution are to be invested.

OBERER COMPANIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Vesting - Participants are immediately vested in their voluntary contributions, rollovers, and corresponding earnings. The following schedule will be used to determine vesting in the Company contributions and earnings:

<u>Completed Years of Service</u>	<u>Vesting Percentages</u>
Fewer than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants - Participants may borrow from the Plan in any amount between \$1,000 and \$50,000, but not more than 50% of their vested account balance. Loans bear interest at an agreed-upon percentage based on prevailing market rates, subject to applicable usury limits. Loan terms are for a period not exceeding five years. A longer term may be approved by the Plan if proceeds are to be used for the purchase of a primary residence. Loans are secured by the balance in the participants' accounts. Principal and interest are paid ratably through payroll deductions.

Benefits Paid - Upon termination of service by reason of retirement, death, permanent disability, or otherwise, participants, or designated beneficiaries, may elect to receive their vested balance either in a lump-sum amount, or payments over a period of time in cash installments, or in a form agreeable to the Plan Administrator. If the participant's account balance is \$5,000 or less, the Plan Administrator may elect to automatically distribute the balance to the participant in a single-sum payment. In addition, participants may receive distributions of the employee deferral amount for qualified financial hardships.

Forfeitures - Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions and pay Plan expenses. Forfeitures in the amount of \$33,035 were used to reduce Company contributions during the year 2019. No forfeitures were used during 2020. Unallocated forfeitures at December 31, 2020 and 2019 were \$18,201 and \$1,545.

Investment Options - Upon enrollment in the Plan, a participant may direct contributions in investment options in increments of one percent. Participants may change their investment options at any time via phone or the Internet.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of net assets, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

OBERER COMPANIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowances for credit losses have been recorded as of December 31, 2020 and 2019. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Company pays certain administrative expenses of the Plan, and the Plan participants will bear the responsibility of the remaining expenses. Investment related expenses are included in net appreciation in fair value of investments.

Reclassifications - Certain amounts in the 2019 financial statements have been reclassified to conform to the 2020 financial statement presentation.

Subsequent Events - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 1, 2021, the date the financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2020 and 2019, net appreciation in fair value of investments, and interest and dividends for the years 2020 and 2019, was obtained or derived from information supplied by the Plan Administrator and certified as complete and accurate by Fidelity Management Trust Company (the Trustee of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting standards provide a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

OBERER COMPANIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

The three levels of the fair value hierarchy under the accounting standards are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs, and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020.

Registered investment companies: Valued at the quoted market prices of shares held by the Plan at year-end.

Money market fund: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

Common collective trust: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

OBERER COMPANIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Fair Value
Registered investment companies	\$ 9,239,628	\$ -	\$ -	\$ 9,239,628
Money market fund	18,147			18,147
Common collective trust	728,821	-	-	728,821
	<u>\$ 9,986,596</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,986,596</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019:

	Level 1	Level 2	Level 3	Fair Value
Registered investment companies	\$ 7,401,733	\$ -	\$ -	\$ 7,401,733
Money market fund	1,502	-	-	1,502
Common collective trust	599,723	-	-	599,723
	<u>\$ 8,002,958</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,002,958</u>

NOTE 5 - RELATED PARTY TRANSACTIONS

Certain Plan assets are invested with Fidelity Management Trust Company. Thus, Fidelity Management Trust Company, as Trustee defined by the Plan, qualifies as a party-in-interest.

Fidelity Management Trust Company also provides recordkeeping and administrative services for the Plan. Fees paid by the Plan for the years 2020 and 2019 totaled \$1,952 and \$1,459.

The Plan Sponsor provides certain accounting, record keeping, and administrative services to the Plan, for which it receives no compensation.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants will become 100% vested in the employer portion of contributions.

OBERER COMPANIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 7 - TAX STATUS

The Plan adopted a Volume Submitter Profit Sharing and 401(k) Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - BENEFITS ALLOCATED TO WITHDRAWN PARTICIPANTS

At December 31, 2020 and 2019, there were no amounts due to participants who have withdrawn from the Plan and requested benefit payment prior to year-end.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the years 2020 and 2019, there were no differences between the financial statements and the Form 5500.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the **Oberer Companies 401(k) Plan** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - On January 1, 1996, **Oberer Residential Construction, Ltd. and affiliates** (the "Company") adopted a Section 401(k) profit-sharing plan. The Plan allows all eligible employees of the Company who have 90 days of service and have attained age 18 to participate. Upon satisfaction of the eligibility requirements, employees may enter the Plan on the first day of the first month immediately following the service requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - The Plan provides for employee salary deferrals within statutory limits, as defined in the Plan, each year as an elective deferral. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Employer matching contributions are discretionary, and participants become eligible for these contributions upon eligibility to participate in the Plan. For the years 2020 and 2019, the Company contributed 50% of the first 4% of elective deferrals.

The Company may make non-elective contributions equal to a portion of all participant pretax annual compensation or a non-elective discretionary amount. For the years 2020 and 2019, the Company did not make these types of contributions to the Plan. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amounts allocated to exceed the limitations allowed by the Internal Revenue Service.

Participant Accounts - Fidelity Management Trust Company is the Trustee and Custodian of Plan investments. Each participant's account is credited with the participant's contributions, Company contributions, net earnings or losses, forfeitures, distributions, and withdrawals. Company contributions are allocated based on participants' compensation as defined by the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs both separately, and distinctly, into which investment the participant contribution, employer match, and discretionary contribution are to be invested.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Vesting - Participants are immediately vested in their voluntary contributions, rollovers, and corresponding earnings. The following schedule will be used to determine vesting in the Company contributions and earnings:

<u>Completed Years of Service</u>	<u>Vesting Percentages</u>
Fewer than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants - Participants may borrow from the Plan in any amount between \$1,000 and \$50,000, but not more than 50% of their vested account balance. Loans bear interest at an agreed-upon percentage based on prevailing market rates, subject to applicable usury limits. Loan terms are for a period not exceeding five years. A longer term may be approved by the Plan if proceeds are to be used for the purchase of a primary residence. Loans are secured by the balance in the participants' accounts. Principal and interest are paid ratably through payroll deductions.

Benefits Paid - Upon termination of service by reason of retirement, death, permanent disability, or otherwise, participants, or designated beneficiaries, may elect to receive their vested balance either in a lump-sum amount, or payments over a period of time in cash installments, or in a form agreeable to the Plan Administrator. If the participant's account balance is \$5,000 or less, the Plan Administrator may elect to automatically distribute the balance to the participant in a single-sum payment. In addition, participants may receive distributions of the employee deferral amount for qualified financial hardships.

Forfeitures - Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions and pay Plan expenses. Forfeitures in the amount of \$33,035 were used to reduce Company contributions during the year 2019. No forfeitures were used during 2020. Unallocated forfeitures at December 31, 2020 and 2019 were \$18,201 and \$1,545.

Investment Options - Upon enrollment in the Plan, a participant may direct contributions in investment options in increments of one percent. Participants may change their investment options at any time via phone or the Internet.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of net assets, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowances for credit losses have been recorded as of December 31, 2020 and 2019. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Company pays certain administrative expenses of the Plan, and the Plan participants will bear the responsibility of the remaining expenses. Investment related expenses are included in net appreciation in fair value of investments.

Reclassifications - Certain amounts in the 2019 financial statements have been reclassified to conform to the 2020 financial statement presentation.

Subsequent Events - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 1, 2021, the date the financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2020 and 2019, net appreciation in fair value of investments, and interest and dividends for the years 2020 and 2019, was obtained or derived from information supplied by the Plan Administrator and certified as complete and accurate by Fidelity Management Trust Company (the Trustee of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting standards provide a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

OBERER COMPANIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

The three levels of the fair value hierarchy under the accounting standards are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs, and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020.

Registered investment companies: Valued at the quoted market prices of shares held by the Plan at year-end.

Money market fund: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

Common collective trust: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 - RELATED PARTY TRANSACTIONS

Certain Plan assets are invested with Fidelity Management Trust Company. Thus, Fidelity Management Trust Company, as Trustee defined by the Plan, qualifies as a party-in-interest.

Fidelity Management Trust Company also provides recordkeeping and administrative services for the Plan. Fees paid by the Plan for the years 2020 and 2019 totaled \$1,952 and \$1,459.

The Plan Sponsor provides certain accounting, record keeping, and administrative services to the Plan, for which it receives no compensation.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants will become 100% vested in the employer portion of contributions.

OBERER COMPANIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 7 - TAX STATUS

The Plan adopted a Volume Submitter Profit Sharing and 401(k) Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - BENEFITS ALLOCATED TO WITHDRAWN PARTICIPANTS

At December 31, 2020 and 2019, there were no amounts due to participants who have withdrawn from the Plan and requested benefit payment prior to year-end.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the years 2020 and 2019, there were no differences between the financial statements and the Form 5500.
