NOTE A: DESCRIPTION OF THE PLAN

The following description of the NexFirm LLC & Member Firms' 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document, including amendments, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan covering substantially all employees of NexFirm LLC (the "Sponsor" and "Plan Administrator") and Member Firms who meet the eligibility requirements defined below. The Plan also offers this 401(k) arrangement option to multiple employers (the "Companies").

All participating employers of this multiple employer plan may, with the consent of the sponsoring employer, make elections with respect to the plan provisions that will apply only to the employees of such adopting employer, provided such elections are made in accordance with any terms and conditions prescribed by the sponsoring employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act ("ERISA").

Participant requirements

An employee may become eligible to participate in the Plan after they have completed one year of service as defined as 1,000 hours of service and reach the age of 21 years old. Entry into the Plan is permitted on January 1st or July 1st upon fulfillment of these requirements.

Contributions

Each year, eligible employees may contribute up to 100% of their eligible compensation, as defined in the Plan, subject to Internal Revenue Service limitations.

The Companies will contribute and allocate to each participant's account a safe harbor non-elective contribution equal to 100% of the participant's salary deferrals up to 3% of eligible compensation to the Plan. In addition, the Companies may make a discretionary profit-sharing contribution to the Plan based on an amount determined by management for eligible employees employed on the last day of the Plan year. The safe harbor non-elective contributions for the years ended December 31, 2020 and 2019 was $88,220 and $80,635 respectively. The discretionary profit-sharing contributions for the years ended December 31, 2020 and 2019 was $515,096 and $593,405, respectively.

Participant accounts

Each participant's account is credited with the participant's contribution and the allocation of (a) the Companies' contribution and (b) Plan earnings or losses. Participants direct all investment contributions into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are also immediately vested in employer safe harbor non-elective contributions and employer discretionary profit-sharing contributions.

NOTE A: DESCRIPTION OF THE PLAN, Cont'd

Payment of benefits

Distributions may be made from account balances, with participant consent, under the following conditions: separation from service or upon participant's attainment of age of 59 1/2 as provided for in the Plan and in government regulations. Account balances that are more than $5,000 but greater than $1,000 upon separation of service will be paid in one lump-sum distribution or directly rolled over to an IRA if no distribution election is made in accordance with the provisions of the Plan. Account balances under $1,000 will be paid in one lump-sum distribution in accordance with the provisions of the Plan. The Plan does not allow participants to receive benefits in case of hardship.

Participant notes receivable

Participants are entitled to borrow from their accounts subject to certain limitations. The Plan allows participants to borrow from their vested account balance. The maximum number of outstanding loans at any one time is one and the minimum amount of each loan is $1,000. The maximum amount of borrowings permitted cannot exceed the lesser of (1) $50,000, reduced by the highest outstanding loan balance, if any, the participant had at any one time during the previous twelve-month period ending on the day before the loan is made; or (2) 50% of a participant's vested account balance. The notes must generally be repaid through payroll withholding in equal installments consisting of principal and interest, at a reasonable interest rate determined by the Plan Administrator, over a period not to exceed five years. Principal and interest payments on the loans are redeposited in the participants' accounts based on their current allocation elections. Notes receivable from participants are measured and valued at their unpaid principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual method of accounting.

Payment of benefits

Benefits paid to participants are recorded as of the date paid.

Use of estimates in the preparation of financial statements

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

Plan expenses

The Plan's expenses are paid either by the Plan or the Companies, as provided by the Plan document. Expenses that are paid directly by the Companies are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation or depreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits. These expenses are party-in-interest transactions.

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year as well as mutual fund dividends and capital gain distributions.

Subsequent events

The Plan has conducted an evaluation of potential subsequent events occurring after the statement of net assets available for benefits date through October 8, 2021, which is the date the financial statements are available to be issued. No subsequent events requiring disclosure were noted.

NOTE C: FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Valuation is based upon quoted prices for identical instruments traded in active markets that the Plan has the ability to access.

Level 2 - Valuation is based upon:

- Quoted prices for similar instruments in active markets;
- Quoted prices for identical or similar instruments in inactive markets;
- Inputs other than quoted prices that are observable for the instruments;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE C: FAIR VALUE MEASUREMENTS, Cont'd

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds: These investments are valued at the daily closing price as reported by the fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

	Assets at Fair Value			
	Level 1	Level 2	Level 3	Total
December 31, 2020				
Mutual funds	$ 9,471,547	$ -	$ -	$ 9,471,547
Total assets at fair value	$ 9,471,547	$ -	$ -	$ 9,471,547
December 31, 2019				
Mutual funds	$ 4,927,898	$ -	$ -	$ 4,927,898
Total assets at fair value	$ 4,927,898	$ -	$ -	$ 4,927,898

NOTE D: FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule that was prepared by Nationwide Trust Company, FSB and/or Nationwide Life Insurance Company, custodian, as of and for the years ended December 31, 2020 and 2019 and furnished to the Plan administrator. The Plan administrator has obtained certifications from the custodian that such information is complete and accurate:

Net appreciation in fair value of investments	1,084,484	

All information presented above is included in the attached supplemental Schedule of Assets Held for Investment Purposes at End of Year - December 31, 2020.

NOTE E: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and their accounts will be paid to them as provided by the Plan document.

NOTE F: TAX STATUS

The underlying volume submitter plan has received an advisory letter from the IRS dated March 31, 2014 stating that the form of the Plan is qualified under Section 401 of the Internal Revenue Code (the "Code") and therefore, the related trust is tax-exempt. The plan administrator has determined that it is eligible to, and has chosen to, rely on the current IRS volume submitter advisory letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America, require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or reduce an asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or reduction in an asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes they are no longer subject to income tax examinations for the years prior to December 31, 2017.

NOTE G: TRANSACTIONS WITH PARTY-IN-INTEREST

Nationwide Trust Company, FSB, and/or Nationwide Life Insurance Company is the custodian of the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transactions rules. As described in Note B, the Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

NOTE H: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I: FINANCIAL IMPACT OF THE COVID-19 OUTBREAK

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and contributed to volatility in financial markets. Since the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

The Plan has not implemented any features specified in Federal regulations of the Coronavirus Aid Relief and Economic Security Act.
