THE SPORT CLIPS GAME PLAN
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of The Sport Clips Game Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General:
The Plan is a defined contribution plan covering substantially all employees of Sport Clips, Inc., VBlotique, Inc., GBS Texas, LLC, and KTNSC, LLC (effective March 16, 2020) (collectively, the Sponsor) who have completed 1,000 hours of service in a period of 12 consecutive months and who are 20 years of age or older. VBlotique, Inc. ceased operations during March 2020. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan. The Retirement Plan Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), which contained several provisions that temporarily impacted retirement plan sponsors and their participants. The provisions of the CARES Act included the waiver of required minimum distributions, a new hardship withdrawal option, increased loan limits, and a loan repayment pause option. The Plan opted into the provisions of the CARES Act, and some participants took advantage of the new hardship withdrawal and loan repayment pause options. These temporary provisions expired at the end of 2020. The Plan will be amended to reflect these changes prior to the December 31, 2022 deadline.

Contributions:
Each year participants may contribute any amount or percentage up to 100% of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated fund until changed by the participant.

The Sponsor has adopted the Safe Harbor matching contribution in which the employer will match each eligible participant's contribution in the amount equal to 100% of the first 3% of compensation contributed by the participant and 50% of the next 2% of compensation contributed by the participant. The Sponsor may make discretionary contributions; however, none were made in 2020. Contributions are subject to certain IRS limitations.

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

Participant accounts:
Each participant's account is credited with the participant's contributions, Sponsor contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:
Participants are vested immediately in their contributions and the Sponsor's Safe Harbor match contributions plus earnings thereon. Any discretionary employer contributions are vested over a six-year period, with an initial 20% vested upon two years of service and continued vesting at the rate of 20% per subsequent year until fully vested.

Notes receivable from participants:
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The term of the loan shall not exceed five years, except for loans associated with the purchase of a primary residence. The loans are secured by the balance in the participant's account and must bear a reasonable rate of interest. A participant is permitted no more than three loans outstanding at one time. Loan repayments are made through payroll deductions, and each payment, which includes interest, is credited to the participant's loan account. The provisions of the CARES Act included a delay of loan repayments during the period March 27, 2020 to December 31, 2020. Any payments after the suspension period will be adjusted to reflect the delay and any interest accruing during the delay.

Payment of benefits:
The Plan provides for distributions to participants or their beneficiaries upon retirement, death or termination of services from the Sponsor. A participant's account may be distributed in a single lump sum. Partial withdrawals or installments are only permitted for participants who must receive required minimum distributions. Participant consent is required if the distribution is over $5,000. Distributions less than $5,000 may be made as soon as administratively feasible following severance of employment. Distributions are subject to the applicable provisions of the Plan document.

In-service withdrawals of all or a portion of a participant's account balance may be withdrawn by a participant after reaching age 59 ½. In-service withdrawals of all or a portion of a participant's rollover account balance may be withdrawn at any time.

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

Payment of benefits - continued:
Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with the provisions specified in the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS) and a participant must exhaust available alternatives prior to requesting a hardship withdrawal. The provisions of the CARES Act included a new hardship withdrawal option that some participants took advantage of during the year ended December 31, 2020. These participants have the option to pay back the funds during a three year period without the withdrawal being recognized as income for tax purposes.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to IRS penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

Forfeitures:
At December 31, 2020 and 2019, forfeited non-vested accounts totaled $3,925 and $1,343, respectively. This account will be used to pay administrative expenses and/or reduce Sponsor contributions. During 2020, Sponsor contributions were reduced by $215 from forfeited non-vested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting:
The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, Trustee, and insurance company. See Note 7 for discussion of fair value measurements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment valuation and income recognition - continued:
Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019.

Administrative expenses:
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payment of benefits:
Benefits are recorded when paid.

Subsequent events:
The Plan has evaluated subsequent events through October 13, 2021, the date the financial statements were available to be issued.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Sponsor discretionary contributions.

NOTE 4 - TAX STATUS

The Plan has adopted the Fidelity Management & Research Co. Volume Submitter Defined Contribution Plan Adoption Agreement No. 001. On March 31, 2014, the Internal Revenue Service stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirement of the IRC and therefore, the related trust is exempt from taxation. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 - INVESTMENT INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the Trustee of the Plan, has certified that the following data included in the financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, as shown in the statements of net assets available for benefits as of December 31, 2020 and 2019.
- Total investment income, as shown in the statement of changes in net assets available for benefit for the year ended December 31, 2020.
- Notes receivable from participants outstanding as of December 31, 2020 and 2019.
- Interest income on notes receivable from participants for the year ended December 31, 2020.
- Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2020.

NOTE 7 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Valued at the NAV of underlying investments of participant units held by the Plan as of the last trading day of the period, as reported by the managers of the trust.

NOTE 7 - FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

Assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 12,426,548	$ -	$ -	$ 12,426,548
Investments measured at NAV[1]				
Common collective trust				2,049,521
Investments at fair value				$ 14,476,069

Assets at fair value as of December 31, 2019:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 10,943,066	$ -	$ -	$ 10,943,066
Investments measured at NAV[1]				
Common collective trust				1,676,227
Investments at fair value				$ 12,619,293

[1]In accordance with ASC Subtopic 820-10, certain investments that were measured at net asset value (NAV) per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the Statements of Net Assets Available for Benefits.

NOTE 8 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The following transactions qualify as party-in-interest transactions under ERISA:

- Certain investments managed by Fidelity Management Trust Company, the Plan's recordkeeper and Trustee,
- All service providers including those paid by the Sponsor, and
- Notes receivable from participants.
