HGC 401K SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

1. DESCRIPTION OF PLAN

The following description of the HGC 401k Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of HGC Construction Co. and related employees (the "Sponsor"). Employees become eligible after completing 3 months of service as defined in the Plan document and after reaching age eighteen. They may enter the Plan on the 1st day of each calendar month after they have met the eligibility requirements. Employees become eligible to receive prevailing wage contributions as soon as they begin employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute up to the maximum amount allowable by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. The Plan allows participants to elect pre-tax contributions and/or Roth after-tax contributions. The Plan has an auto-enrollment provision for all newly eligible employees for pre-tax contributions unless they affirmatively elect otherwise. Contributions are invested in a designated balanced fund until changed by the participant.

The Sponsor contributes 25 percent of the first 7 percent of eligible compensation contributed to the Plan. The Sponsor may also, in its sole discretion, make profit sharing contributions and qualified non-elective contributions to the Plan in an amount necessary to meet the Sponsor's requirement under an applicable prevailing wage statute. Prevailing wage contributions will be made by the Sponsor at the hourly rate designated for each prevailing wage employee's employment classification for the construction project at which the work was performed.

Participants direct the investments of their contributions and the Plan Sponsor's contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, plus the Sponsor's contributions, and plan earnings. Participant's accounts are charged with an allocation of administrative expenses by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

HGC 401K SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

Vesting

Participants are immediately vested in their voluntary contributions and Sponsor prevailing wage contributions, plus actual earnings thereon. Vesting in the Sponsor's discretionary contributions is based on years of continuous service as noted in the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 but less than 2	10%
2 but less than 3	50%
3 but less than 4	75%
4 years and over	100%

Notes Receivable from Participants

Participants may borrow from their funds a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.5%, which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid in level payments generally through payroll deductions on at least a quarterly basis over a period not to exceed 5 years unless the loan is for the purchase of a principal residence upon which the loan repayment period may extend to 10 years.

Hardship Withdrawals

Participants are able to withdraw amounts from their accounts in case of financial hardship as defined by the Plan. The withdrawal is subject to tax withholding and a 10 percent penalty, as required by the Internal Revenue Service (IRS). A participant's elective contributions are suspended for six months following a hardship withdrawal.

Payment of Benefits

Upon termination of service, a participant receives a lump-sum amount equal to the value of the participant's vested interest in his or her account or partial withdrawal distributions.

Forfeited Accounts

As of December 31, 2020 and 2019, forfeited non-vested accounts totaled \$7,684 and \$1,563, respectively. These accounts can be used to reduce future Sponsor contributions or to pay Plan expenses. For the year ended December 31, 2020, Sponsor contributions were reduced by \$4,784.

HGC 401K SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

TRLIC, the Custodian, maintains the Plan's investment funds. Investments in pooled separate accounts are credited with earnings and gains or losses on the pooled investments. The separate accounts are stated at fair value as reported to the Plan by Massachusetts Mutual Life Insurance Company, based on the quoted prices of the underlying mutual funds. Investment transactions are recorded as of the settlement date, which does not differ materially from the trade date.

The investment strategies for the pooled separate accounts vary based on the degree of investment risk chosen by the participants. There are no restrictions on withdrawals from the pooled separate accounts.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. If a participant ceases to make loan payments and the plan administrator deems the note receivable to be in default, the note receivable balance is reduced and a benefit payment is recorded.

HGC 401K SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

Payment of Benefits

Benefits are recorded when paid.

Expenses

Except for loan origination fees associated with notes receivable from participants and participant specific investment and distribution fees, all administrative expenses of maintaining the Plan are paid by the Sponsor at its discretion or by use of forfeited non-vested accounts. Investment-related expenses are included in net change in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 5, 2021, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Massachusetts Mutual Life Insurance Company, the administrative service provider for TRLIC, the plan custodian, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2020 and 2019, and investment related activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2020.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market

HGC 401K SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

- *Pooled Separate Accounts* – Investments in pooled separate accounts are credited with earnings and gains or losses on the pooled investments. The separate accounts are stated at fair value as reported to the Plan by the Custodian, based on the quoted prices of the underlying mutual funds. The unit value of the separate account is calculated by dividing the total value of the assets of the separate account by the number of units in the separate account. For separate accounts that invest exclusively in mutual funds, the total value of the assets of the separate account is based on the Net Asset Value (NAV), or price per share, of the underlying mutual fund. The mutual fund calculates its NAV by dividing the mutual fund's net assets by the mutual fund's outstanding number of shares.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

In accordance with Subtopic 820-10, pooled separate accounts measured at NAV (or its equivalent) have not been classified in the fair value hierarchy. The pooled separate accounts comprise \$14,959,579 and \$13,410,451 of investments at fair value at December 31, 2020 and 2019, have no unfunded commitments, can be redeemed daily with no specified redemption notice period.

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan entered into a fully benefit-responsive group variable funding agreement with TRLIC. TRLIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Since this agreement meets the fully benefit-responsive contract criteria, the contract is included

HGC 401K SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

in the financial statements at contract value as reported to the Plan by TRLIC. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a semi-annual basis for resetting. The crediting interest rate was 3.0% and 1.55% as of December 31, 2020 and 2019, respectively. The crediting rate is based on a formula agreed upon with the issuer, but it may not be less than 1%.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include, but may not be limited to the following: (1) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Sponsor's business; (2) removal from the Plan of one or more groups or classifications of participants; (3) partial or complete Plan termination; or (4) Plan disqualification. The Sponsor does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

6. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are investments in a group variable funding agreement managed by TRLIC. TRLIC is the custodian for the plan, and, therefore, these transactions qualify as party-in-interest transactions.

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Sponsor and certain others. Investment management fees are paid by the Plan to TRLIC, the custodian. Administrative fees are paid by the Plan to Massachusetts Mutual Life Insurance Company, the administrative service provider for TRLIC, the custodian. Actuarial & Employee Benefit Services is the Plan's third party administrator and, at its discretion, the Sponsor paid the non-participant initiated fees for the year ended December 31, 2020. Woodbury Financial Services is the investment advisor for the Plan and, at its discretion, the Sponsor paid the related fees for the year ended December 31, 2020. Blue & Co., LLC is the independent auditor for the Plan and received payments from the Plan.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of

HGC 401K SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

ERISA. In the event of Plan termination, participants would become 100 percent vested in their Sponsor contributions.

8. TAX STATUS

The Plan is based on a Volume Submitter Profit Sharing Plan with Cash or Deferred Arrangement which has received a favorable opinion letter dated March 31, 2014, from the IRS that the Plan is designed to qualify as being exempt from Federal income taxes. The Plan has not separately applied for an opinion letter from the IRS. However, the Plan's management believes that the Plan was designed and is currently being operated as a tax-exempt plan in compliance with the applicable requirements of the Internal Revenue Code and, therefore, no income taxes have been provided.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the relevant taxing authorities. Management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions. However, as of the date the financial statements were available to be issued, there were no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for years prior to 2017.

9. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

10. CONTINGENCY

On March 11, 2020, the World Health Organization declared Coronavirus (COVID-19) a pandemic. The continued spread of COVID-19, or any similar outbreaks in the future, may adversely impact the local, regional, national and global economies. The extent to which COVID-19 impacts the Plan's operating results is dependent on the breadth and duration of the pandemic and could be affected by other factors management is not currently able to predict.

HGC 401K SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

Potential impacts include, but are not limited to, reduced employee participation, decreases in employer discretionary contributions, and investment portfolio declines. Management believes the Plan is taking appropriate actions to respond to the pandemic; however, the full impact is unknown and cannot be reasonably estimated at the date the financial statements were available to be issued.
