INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
401(k) Plan for Employees of Utilities & Industries
Management Corporation & Affiliates

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of 401(k) Plan for Employees of Utilities & Industries Management Corporation & Affiliates (the "Plan"), which comprise the statement of net assets available for benefits - modified cash basis as of December 31, 2020, and the related statement of changes in net assets available for benefits - modified cash basis for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2(a); this includes determining that the modified cash basis of accounting is an acceptable basis for preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4 and the supplemental schedule, which was certified by Principal Trust Company, the custodian of the Plan, except for comparing this information with the related information included in the 2020 financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2020, and for the year then ended, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements, referred to in the first paragraph.

Basis of Accounting

We draw attention to Note 2(a) of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our disclaimer of opinion is not modified with respect to this matter.

Other Matter - Report on Supplementary Information

The supplemental schedule, Schedule 1 - modified cash basis, as of December 31, 2020, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purposes of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Other Matter - 2019 Financial Statements

The financial statements of the Plan, as of and for the year ended December 31, 2019, were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the other auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Principal Trust Company. The other auditors' report, dated October 7, 2020, indicated that (i) because of the significance of the information that they did not audit, they were unable to, and did not, express an opinion on the 2019 financial statements taken as a whole, and (ii) the form and content of the information included in the 2019 financial statements, other than that derived from the information certified by Principal Trust Company, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Report on Form and Content in Compliance with DOL Rules and Regulations - 2020 Financial Statements

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 - PLAN DESCRIPTION AND FUNDING

The following description of the 401(k) Plan for Employees of Utilities & Industries Management Corporation & Affiliates (the "Plan") is provided for general information purposes only. Participants should refer to the plan agreement for a more comprehensive description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan with salary reduction features which is commonly referred to as a 401(k) plan. It covers all eligible employees of Utilities & Industries Management Corporation and its affiliates (the Corporation; collectively, plan co-sponsors), including Lee Spring Company LLC (collectively, the "Company"). Additionally, the Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The third-party administrator of the Plan's assets is Principal Life Insurance Company, Principal Life Insurance Company on behalf of Principal Global Investors Trust Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (collectively, "Principal"), and the investment advisor is Leumi Investment Services Inc. ("Leumi"). The Plan is administered by the Company and Principal. Employees of the Company are eligible to participate in the Plan upon attaining the age of 21 and the completion of one year of service.

The Plan is in the process of operationally being amended to implement certain changes permitted by the Coronavirus Aid, Relief, and Economic Security Act and the Setting Every Community Up for Retirement Enhancement Act of 2019, which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related distributions, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service (IRS) guidance.

(b) Contributions

Participants may contribute up to 75% of pretax annual compensation to the Plan on a tax-deferred basis (subject to limitations as determined under the Internal Revenue Code (IRC) of 1986, as now in effect or as hereafter amended). Participants over the age of 50 were allowed an additional catch-up contribution of $6,500 and $6,000 for the years ended December 31, 2020 and 2019, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

(continued)

NOTE 1 - PLAN DESCRIPTION AND FUNDING (Continued)

The Company matches 100% of participant pretax contributions, up to 1% of base compensation, then 50% of participant pretax contributions up to 2% of base salary, as defined in the Plan. Matching contributions may only be made to those eligible nonunion participants who work over 500 hours during the plan year. The Company may also make discretionary contributions each year, determined at the beginning of the year, to both highly compensated nonshareholders and shareholders. Additional discretionary profit-sharing contributions may be made at the option of the Company's board of directors. To be eligible for discretionary profit-sharing contributions, a participant must work 1,000 hours in the given plan year and be a nonunion participant employed on the last day of the plan year. Any contributions made to highly compensated nonshareholders are enough to meet top-heavy requirements.

(c) Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the employer's matching contributions, discretionary profit sharing, and plan earnings. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's matching and discretionary profit sharing contribution portion of participant accounts, plus actual earnings thereon, is as follows:

Years of Service	Vesting
0-1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

(e) Payment of Benefits and Other Costs

Under the terms of the Plan, eligible participants are entitled to distributions upon retirement, death, or disability. The value of a participant's distribution will be paid in a single lump-sum payment. The Plan allows for early withdrawals by participants, provided the participant has attained age 59-1/2, or, if the participant is able to prove financial hardship as provided in the plan document. Benefits are recorded when paid. Administrative expenses are primarily comprised of record keeping fees. These expenses are paid directly by the Plan. Other expenses related to the Plan are paid directly by the Company.

(continued)

NOTE 1 - PLAN DESCRIPTION AND FUNDING (Continued)

(f) Investment Options

The plan trustees determine and approve the investment options set up for the Plan. Upon enrollment in the Plan, a participant can direct contributions into various investment options offered by the Plan. The Plan's assets are held in trust. Principal Trust Company is the custodian of the Plan. The custodian invests monies according to participant directions.

(g) Notes Receivable from Participants

A participant may borrow from their vested accounts a minimum of $1,000, up to a maximum equal to the lesser of $50,000 or 50% of the participant's vested account balance. The period of repayment of any loan cannot exceed five years unless the loan is for the purchase of a primary residence, in which case the loan term cannot exceed 10 years. Loans are secured by the balance in a participant's account and bear interest at a reasonable rate, as determined by the trustee, which ranged from 4.25% to 6.50% during each of the years ended December 31, 2020 and 2019.

(h) Forfeited Accounts

The Plan allows for all forfeitures to reduce future Company contributions and plan expenses. Any excess may be used to reduce the discretionary matching contributions, and then any remaining amounts may be allocated to participants. Forfeitures of $3,962 and $4,420 were used to reduce company contributions during the years ended December 31, 2020 and 2019. Forfeitures of $15 and $3 were used to pay plan expenses during the years ended December 31, 2020 and 2019. Forfeiture balances as of December 31, 2020 and 2019 were $8,045 and $3,962, respectively.

(i) Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan and/or discontinue its contributions at anytime, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan would then be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The financial statements are prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The modified cash basis of accounting is a cash basis that adjusts securities to fair market value and allows for accrual for contributions receivable or payable. Interest and dividends are recorded when received; expenses are recorded when paid.

(continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(b) Investments

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend rate. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year. See Note 3 for discussion of fair value measurements.

(c) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2020 and 2019.

(d) Accounting Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities, if any, at the date of the financial statements and the reported amounts of additions to and reductions from net assets available from benefits during the reporting periods. Actual results could differ from those estimates.

(e) Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to participants' accounts and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

Certain investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads, or 12b-1 fees. 12b-1 fees are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940. These annual fees are used to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

(continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(f) Adopted Accounting Pronouncement

In August 2018, the Financial Accounting Standards Board issued Accounting Standards Update (ASU) 2018-13, "Fair Value Measurement - Disclosure Framework (Topic 820)." The updated guidance improves the disclosure requirements on fair value measurements. The updated guidance is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. The Plan adopted ASU 2018-13 for the year ended December 31, 2019, and there was no material impact to the financial statements.

(g) Reclassifications

Certain prior year amounts have been reclassified to conform to current year presentation.

(h) Subsequent Events

The Plan has evaluated subsequent events after December 31, 2020 through October 13, 2021, the date that the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Based on the observability of the inputs used in the valuation techniques, the Plan is required to provide the following information according to the fair value hierarchy. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

- Level 1 - Valuation is based upon quoted prices for identical instruments traded in active markets.
- Level 2 - Valuation is based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market.
- Level 3 - Unobservable inputs supported by little or no market activity for financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination for fair value requires significant management judgment or estimation.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

(continued)

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019:

- Mutual funds - Valued at the closing price reported in the active market in which the individual security is traded.
- Collective investment trusts - Valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the investments held by the collective investment trusts, less its liabilities. This practical expedient is not used when it is determined to be probable that the collective investment trusts will sell the investment for an amount different than the reported NAV. Included with the collective investment trusts is a stable value fund. The stable value fund is composed primarily of fully benefit-responsive investment contracts and is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value.
- Pooled separate accounts (PSAs) - Valued at accumulated unit value. Because benefit plans own and transact units of PSAs, not the underlying assets, the unit of account would be at the fund level, not at the underlying investments level.

The following tables summarize the Plan's investments as of December 31, 2020 and 2019, based on the inputs used to value them:

	Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,057,274	$ -	$ -	$ 3,057,274
Pooled separate accounts	-	222,458	-	222,458
Total assets in fair value hierarchy	$ 3,057,274	$ 222,458	$ -	3,279,732
Investments measured at net asset value				8,727,919
				$ 12,007,651

	Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 2,321,615	$ -	$ -	$ 2,321,615
Pooled separate accounts	-	226,299	-	226,299
Total assets in fair value hierarchy	$ 2,321,615	$ 226,299	$ -	2,547,914
Investments measured at net asset value				7,456,963
				$ 10,004,877

(continued)

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2020 and 2019. The redemption notice period is applicable only to the Plan.

December 31, 2020	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Collective investment trusts	$ 8,727,919	N/A	Daily	One day*

December 31, 2019	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Collective investment trusts	$ 7,456,963	N/A	Daily	One day*

* Collective investment trusts include the stable value fund, which has a redemption notice period of 12 months. Principal, in its sole discretion, may choose to disburse withdrawals at the plan and participant levels in less than the required notice period.

NOTE 4 - INFORMATION CERTIFIED BY CUSTODIAN

The plan administrator has elected the method of annual reporting and compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's custodian, Principal Trust Company, has certified that the following data included in the accompanying financial statements and supplementary information is complete and accurate for the years ended December 31, 2020 and 2019:

	2020	2019
Investments - at fair value:		
Mutual funds	$ 3,057,274	$ 2,321,615
Collective investment trusts	8,727,919	7,456,963
Pooled separate accounts	222,458	226,299
Total investments - at fair value	$ 12,007,651	$ 10,004,877

During the years ended December 31, 2020 and 2019, the Plan's investments (including investments bought, sold, and held during the year) appreciated in fair value by $1,391,796 and $1,582,481, respectively.

During the years ended December 31, 2020 and 2019, the Plan received interest and dividend income of $35,484 and $40,896, respectively.

Notes receivable from participants were $237,666 and $126,568 as of December 31, 2020 and 2019, respectively. During the years ended December 31, 2020 and 2019, the Plan received interest income of $12,080 and $8,302, respectively, from these notes receivable from participants.

NOTE 5 - TAX STATUS

The Plan has adopted a Volume Submitter Profit Sharing Plan ("VS"), with CODA Plan, sponsored by PPC Inc. On June 30, 2020, the IRS stated in an advisory letter that the Volume Submitter adopted by the Plan, as then designed, was in compliance with applicable requirements of the IRC and, therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

The extent of the impact of the coronavirus ("COVID-19") outbreak on the financial performance of the Plan and the Plan's investments will depend on future developments, including the duration and spread of the outbreak and related advisories and restrictions, and the impact of COVID-19 on the financial markets and the overall economy, in addition to the underlying industries of the Plan's investments, all of which are highly uncertain and cannot be predicted. If the financial markets and/or the overall economy are impacted for an extended period, the Plan's investment results may be materially adversely affected.

NOTE 7 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Principal Trust Company. Principal Trust Company is the custodian, as defined by the Plan, and, therefore, these transactions are considered as party-in-interest transactions.
