INDEPENDENT AUDITORS' REPORT

To the Plan Administrator

THE UNION HOSPITAL MONEY PURCHASE RETIREMENT PLAN

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Union Hospital Money Purchase Retirement Plan (the "Plan"), which comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2020, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust from July 1, 2020 through December 31, 2020 and State Street Bank and Trust from January 1, 2020 through June 30, 2020, the trustee and custodian, respectively, of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee and custodian hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained certifications from the trustee and custodian as of December 31, 2020 and for the year then ended, that the information provided to the plan administrator by the trustee and custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the trustee and custodian, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter – 2019 Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2019 were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the other auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by State Street Bank and Trust, the custodian of the Plan. Their report, dated August 4, 2020, indicated that (a) because of the significance of the information that they did not audit, they were unable to, and did not, express an opinion on the financial statements taken as a whole and (b) the form and content of the information included in the financial statements, other than that derived from the information certified by the custodian was presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Basis of Accounting

We draw attention to Note 2 of the financial statements which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

UNION HOSPITAL MONEY PURCHASE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan

The following description of the Union Hospital Money Purchase Retirement Plan ("Plan") provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions. Copies of these documents are available from the Total Rewards Department at The Cleveland Clinic Foundation ("Foundation").

General - The Plan is a defined contribution plan sponsored by and covering certain employees of The Union Hospital Association (the "Hospital"). Effective January 1, 2019, the Plan was frozen to new participants and the employer matching provision that was previously included in the Plan is included in the Union Hospital 403(b) Savings Plan. Prior to January 1, 2019, employees who worked more than 18 hours per week were eligible to participate in the plan upon attainment of age 18 and 90 days of service for non-union employees or one year of service for union employees. To participate in the Plan, non-union employees had to contribute 3% of eligible compensation to the Union Hospital 403(b) Savings Plan and union employees had to contribute 3.5% of eligible compensation to the Union Hospital 403(b) Savings Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On April 1, 2018, the Foundation became the full member of the Hospital pursuant to a Member Substitution Agreement.

The Plan Administrator is the Hospital. The Board of Directors of the Hospital has authorized the Retirement Committee of the Foundation to act on behalf of Union Hospital to perform its duties as Plan Administrator. The Retirement Committee has overall responsibility for the operation and administration of the Plan, including actions with respect to contracts, trusts, evaluation and engagement of investment fund managers and other Plan matters as required.

On March 27, 2020, President Trump signed into law the "Coronavirus Aid, Relief, and Economic Security (CARES) Act." The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000 (for the period January 1, 2020 through July 31, 2020)
- Temporary relief on required minimum distributions

The Plan was amended subsequent to year end to implement the special coronavirus distribution provision. The plan will be amended for the required minimum distribution provision implemented under the CARES Act by the time prescribed.

Contributions - Prior to January 1, 2019, the Hospital contributed 100% of the first 6.5% of salary deferral contributions for union employees and 100% of the first 6% of salary deferral contributions for non-union employees. Participants directed the investment of Hospital contributions into various investment options offered by the Plan. After January 1, 2019, the Hospital no longer made contributions to this Plan.

UNION HOSPITAL MONEY PURCHASE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Participant investment account options - All participants' account balances held in the Plan have been deposited in accounts maintained by Fidelity Management Trust Company ("Fidelity"). All participants' account balances and earnings are to be invested as directed by the participants in any of the various mutual funds or a guaranteed investment contract held by Fidelity. Additionally, self-directed brokerage account investments are available through Fidelity Brokeragelink. Separate accounts are maintained for each participant.

Participant accounts – Each participant's account is credited with allocations of Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – All participants are 100% vested in the employer contributions plus actual earnings on the contributions.

Payment of benefits - On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, a joint and survivor annuity, a series of installment payments over five years, or a combination of these. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

The CARES Act permits eligible Plan participants to request special penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons. These reasons include the participant, spouse or dependent being diagnosed with COVID-19, adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced or being unable to work due to a lack of childcare due to COVID-19. The special coronavirus-related distributions waive the 10% early withdrawal penalty.

(2) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared on the modified cash basis of accounting. Consequently, certain Plan additions and related assets are recognized when received rather than when earned and certain Plan deductions and liabilities are recognized when paid rather than when the obligation is incurred. Although the modified cash basis of accounting represents a departure from accounting principles generally accepted in the United States of America, it is an allowable method of accounting for employee benefit plans under the reporting requirements of ERISA.

UNION HOSPITAL MONEY PURCHASE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(2) Summary of significant accounting policies (continued)

Master Trust - The investments of the Plan, along with the investments of certain other defined contribution plans sponsored by the Foundation and its affiliates, were pooled for investment purposes into a master trust during 2020 pursuant to an agreement between Fidelity, the trustee, and the Foundation – The Cleveland Clinic Foundation DC Plans Master Trust. The Plan's interest in the Master Trust and all changes in that interest are presented in separate line items in both the statements of net assets available for benefits and the statements of changes in net assets available for benefits in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2017-06, *Plan Accounting: Defined Benefit Pension Plans (Topic 960): Employee Benefit Master Trust Reporting*. ASU 2017-06 also requires that the Plan disclose the general types of investments held by the Master Trust and also the dollar amount of the Plan's interest in each of those general types of investments. These disclosures are provided in Note 4. The pooling of the Plan's assets into the Master Trust had no impact on the Plan's net assets available for benefits.

Use of estimates - The preparation of financial statements in accordance with the modified cash basis requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

New accounting pronouncement – In August 2018, the FASB issued ASU No. 2018-13, *Fair Value Measurement, Disclosure Framework (Topic 820)*. The updated guidance improves the disclosure requirements on fair value measurements and was adopted by the Plan effective January 1, 2020. The adoption of ASU 2018-13 did not have a material impact on the Plan's financial statements.

Administrative expenses - Certain expenses of the Plan are paid by the Hospital and are not included in the statements of changes in net assets available for benefits. The Hospital may obtain reimbursement from the Plan for certain administrative expenses paid on behalf of the Plan. Investment related expenses are included in net investment income – participation in Master Trust and in net appreciation (depreciation) of fair value of investments.

Valuation of investments held by the Plan and the Master Trust – Investments are reported at fair value (except for the fully benefit-responsive investment contracts which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment trustee. See Note 5 for discussion of fair value measurements.

Recognition of income by the Plan and Master Trust - Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividend income is recorded on the modified cash basis of accounting recognizing income and related assets when received. Net appreciation (depreciation) and Net investment income – participation in Master Trust include gains and losses on investments bought and sold, as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

(2) Summary of significant accounting policies (continued)

Payment of benefits - Benefits are recorded when paid.

(3) Information prepared and certified by the trustee and custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity (August 10, 2020 through December 31, 2020) and State Street Bank and Trust ("State Street") (January 1, 2020 through August 9, 2020), the trustee and custodian of the Plan, respectively, have certified that the following data included in the accompanying financial statements is complete and accurate with respect to investments:

- Investments at fair value
- Investments at contract value
- Net investment income – participation in Master Trust
- Net appreciation (depreciation) in fair value of investments
- Dividends and interest

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

(4) Master Trust

The following is financial information with respect to the Master Trust:

While certain of the investments of the participating plans are deemed part of the Master Trust, each plan maintains a separate accounting of its share of the investments and its participation in the net appreciation or depreciation of the Master Trust's investments based on fair value measured using the methodologies described in Note 5.

(5) Fair value measurements

Authoritative guidance provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

UNION HOSPITAL MONEY PURCHASE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(5) Fair value measurements (continued)

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments held by the Plan and the Master Trust and measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan and Master Trust are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (NAV) and to transact at that price. The mutual funds held by the Plan and the Master Trust are deemed to be actively traded.

Self-directed brokerage accounts: Accounts primarily hold investments in mutual funds.

Pooled separate accounts: Guaranteed pooled fund: The Guaranteed Pooled Fund is a guaranteed pooled separate account provided under a group annuity contract issued by Transamerica Financial Life Insurance Company ("TFLIC"). The fair value equals the fair value of Plan's share of assets invested in the underlying portfolio of assets and investments in insurance contracts that are considered fully benefit-responsive and measured at contract value.

The following table sets forth by level, within the fair value hierarchy, the Master Trust's investments at fair value at December 31, 2020:

	Master Trust Investments at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,580,724,801	\$ -	\$ -	\$ 2,580,724,801
Self-directed brokerage accounts	109,336,756	-	-	109,336,756
Investments at fair value	<u>\$ 2,690,061,557</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,690,061,557</u>

UNION HOSPITAL MONEY PURCHASE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(5) Fair value measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value at December 31, 2019:

Plan Investments at Fair Value at December 31, 2019				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 36,597,578	\$ -	\$ -	\$ 36,597,578
Pooled separate account- Guaranteed pooled fund		6,234,020	-	6,234,020
Investments at fair value	<u>\$ 36,597,578</u>	<u>\$ 6,234,020</u>	<u>\$ -</u>	<u>\$ 42,831,598</u>

(6) Fully benefit-responsive investment contract

The Master Trust holds a fully benefit-responsive guaranteed investment contract (GIC) issued by Prudential Insurance Company of America ("Prudential") at December 31, 2020 and 2019. Contributions to this contract are maintained in the general account of the contract issuer. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed for a specified period of time as outlined in the GIC. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1.0%. The crediting interest rate is reviewed on a quarterly or annual basis for resetting using a portfolio rate approach where a single interest crediting rate is applied to all contributions made regardless of the timing of those contributions. The contract is evergreen and does not have a maturity date.

The GIC meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Fidelity, represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on each issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

UNION HOSPITAL MONEY PURCHASE RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(6) **Fully benefit-responsive investment contract (continued)**

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events could include the following: (1) amendment to the Plan document (including complete or partial termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. These events could cause contract value to be reduced subject to the application of market value adjustments, as defined in the contract. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

There are no events that permit the issuer to terminate the contract which would require the Plan to transact at amounts different than contract value.

(7) **Related party transactions and party-in-interest transactions**

Certain Plan investments were pooled separate accounts held by TFLIC. TFLIC was a record keeper as defined by the Plan, and, therefore, these transactions qualified as party-in-interest transactions.

Fees for legal, accounting, trustee, and other services are paid by the Hospital. Administrative fees charged by the trustee and custodian, including penalties for withdrawals, are deducted from the individual accounts of applicable participants. Other party-in interest transactions include the purchase and sale of investments through the trustee and custodian. Such transactions are exempt from being prohibited transactions. The trustee and custodian provide certain management services to the Plan pursuant to plan service agreements. Fees incurred by the Plan for investment management services are included in investment income - participation in Master Trust and net appreciation (depreciation) in fair value of the investments, as they are deducted from the NAV of the respective mutual fund, rather than through a direct payment.

(8) **Plan termination**

Although it has not expressed any intent to do so, the Hospital has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

(9) **Tax status**

The Plan terms were adopted using the Fidelity 401(a) Money Purchase Pension Volume Submitter Plan Document (Basic Plan Document #16 and Adoption Agreement #001).

(9) **Tax status (continued)**

The Fidelity 401(a) Money Purchase Pension Volume Submitter Plan has received a favorable opinion letter from the IRS dated March 31, 2014. The adoption of the Plan terms was executed in accordance with the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe the Plan is currently being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2020 and 2019, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(10) **Risks, uncertainties and concentrations**

The Plan and the Master Trust invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of the novel coronavirus ("COVID-19") creating risks to the international community as the virus spread globally. On March 11, 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 pandemic continues to evolve as of the date of this report. The pandemic has impacted global economic activity and contributed to instability in financial markets. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the outcome and ultimate effect of the pandemic on the Plan cannot be determined at this time. Plan Management will continue to monitor the impact of COVID-19 on the Plan and will reflect the results in the Plan's financial statements, as necessary.
