To the Administrator of
Pasadena Refining System, Inc. Union Employees' Savings Plan

We have audited the financial statements of Pasadena Refining System, Inc. Union Employees' Savings Plan (the Plan) for the year ended December 31, 2020, and have issued our report thereon dated October 8, 2021. Professional standards require that we provide you with the following information related to our audit.

Our Responsibility Under Auditing Standards Generally Accepted in the United States of America

As stated in our engagement letter dated April 14, 2021, our responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your responsibilities.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to you in our planned scope and timing memo dated April 14, 2021.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2020. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. There are no significant transactions that have been recognized in the financial statements in a period different than when the transaction occurred.

Pasadena Refining System, Inc. Union Employees' Savings Plan

Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. However, no such sensitive estimates were noted.

Financial Statement Disclosures

The disclosures in the financial statements are neutral, consistent and clear. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

- Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, as discussed in Note 3 to the financial statements.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. No such misstatements were identified during the audit.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting or auditing matter, whether or not resolved to our satisfaction, which could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management, which are included in the management representation letter dated October 8, 2021.

To the Administrator of
Pasadena Refining System, Inc. Union Employees' Savings Plan

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention and during the engagement as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information, we made certain inquiries of management and evaluated the form, content and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Intended Use of this Letter

This report is intended for the information and use of the Administrator and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of
Pasadena Refining System, Inc. Union Employees' Savings Plan

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of Pasadena Refining System, Inc. Union Employees' Savings Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2020; the related statement of changes in net assets available for benefits for the year then ended; and the related notes to the financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we

To the Participants and Administrator of
Pasadena Refining System, Inc. Union Employees' Savings Plan

express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

OPINION

In our opinion, the financial statements referred to above present fairly, in all material respects, information regarding Pasadena Refining System, Inc. Union Employees' Savings Plan's net assets available for benefits as of December 31, 2020, and changes therein for the year then ended in accordance with accounting principles generally accepted in the United States of America.

PRIOR-PERIOD FINANCIAL STATEMENTS

The financial statements of Pasadena Refining System, Inc. Union Employees' Savings Plan as of December 31, 2019, were audited by other auditors whose report, dated October 15, 2020, expressed an unmodified opinion on those statements.

OTHER REGULATORY REQUIREMENTS

Our audit of the financial statements of Pasadena Refining System, Inc. Union Employees' Savings Plan for the year ended December 31, 2020, was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The additional information, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year), is presented for the purpose of additional analysis and is not a required part of the basic financial statements. Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the

audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

PASADENA REFINING SYSTEM, INC. UNION EMPLOYEES' SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

NOTE 1. DESCRIPTION OF THE PLAN

The following description of Pasadena Refining System, Inc. Union Employees' Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - Pasadena Refining System, Inc. (the "Employer") maintains a defined contribution retirement plan with an originally effective date of January 1, 2005. Effective May 1, 2019, Chevron Corporation acquired Pasadena Refining System, Inc.

The Plan was most recently restated effective January 1, 2018. The Plan restatement is compliant with the most recent law changes, as required by the Pension Protection Act of 2006. The Plan covers all full-time, union employees (excluding employees who are residents of Puerto Rico) of the Employer who have six months of service and who are age 21 or older.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Each year, participants may contribute a percentage of their pre-tax annual compensation, as defined by the Plan. Participants may also make voluntary contributions to the Plan on an after-tax basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catchup contributions. The maximum contribution amount on a before-tax basis was the annual IRC limit of \$19,500 and \$19,000, in 2020 and 2019, respectively, for participants under age 50, and \$26,000 and \$25,000, in 2020 and 2019, respectively, for participants age 50 and up. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover).

The Employer matches the employee's contribution based on years of service. For participants with less than ten years of service, the Employer matches 100% of employee deferrals limited to 4% of compensation. For participants with ten or more years of services, the Employer matches 100% of elective deferrals limited to 6% of compensation. The Employer match contribution is invested in the same ratio of investment options as the participant's contributions.

NOTE 1. DESCRIPTION OF THE PLAN (CONT'D)

Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants' Accounts - Each participant's account is credited with the participant's contribution and the Employer's contribution, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately fully vested in their contributions and rollovers, plus earnings on contributions. The vesting schedule for Employer contributions is a three-year cliff; 0% before three years of service and 100% after a three-year service requirement is met by the participant.

Full vesting of the participant's Employer contribution occurs upon death and disability.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account.

The loans bear a reasonable rate of interest determined by prime rate plus one point, and the rate remains fixed for the duration of the loan. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits - Under the terms of the Plan agreement, participants are eligible for distributions on retirement or at date of termination, if earlier. Distributions are made as lump-sum cash payments, installment payments, annuity payments or rollover to other qualified plans. The Plan also makes provisions for death and disability payments.

In-service distributions are allowable if the participant has attained age 59½.

The Plan allows hardship withdrawals in accordance with Internal Revenue Service regulations. Among other requirements, the withdrawal must be necessary in light of immediate and heavy financial needs of the employee and is limited to certain purposes.

NOTE 1. DESCRIPTION OF THE PLAN (CONT'D)

Forfeitures - Forfeitures of non-vested participant plan benefits are used to reduce future Employer contributions and/or to pay Plan expenses.

As of December 31, 2020, and 2019, forfeitures available totaled \$5,999 and \$5,972, respectively. During 2020 and 2019, forfeited participant accounts were not used to reduce the Employer's contributions or pay Plan expenses.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of Pasadena Refining System, Inc. Union Employees' Savings Plan have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Please see Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants is measured at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are recorded as distributions as required by the Plan.

Benefit Payments - Benefits are recorded as paid.

Plan Costs - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid directly by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of distributions and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United State of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820, *Fair Value Measurements and Disclosures*, are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities within active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

NOTE 3. FAIR VALUE MEASUREMENTS (CONT'D)

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1).

Self-directed brokerage accounts - These accounts primarily consist of mutual funds and common stock that are valued on the basis of readily determinable market prices (Level 1).

Common/collective trust ("CCT") - The fair value of the units in the common/collective trust is estimated based on the net asset value (NAV) per unit of the investments. Participant transactions (purchases and sales) may occur daily. If the plan initiates a full redemption of the CCT, the issuer reserves the right to require a 12-month notification in order to ensure that securities liquidations will be carried out in an orderly business manner. The CCT is a direct filing entity with the Department of Labor; therefore, information regarding the investment's strategy is not disclosed.

NOTE 3. FAIR VALUE MEASUREMENTS (CONT'D)

The following tables detail the Plan's investments at fair value, by value within the fair value hierarchy, as of December 31, 2020 and 2019:

Investments, at net asset value		
Common collective trust	1,657,350	
Total investments	<u>\$ 26,258,278</u>	

NOTE 4. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Employer provides administrative services to the Plan and absorbs administrative costs for the Plan. Transactions with the Employer, as Plan Sponsor and Plan administrator, qualify as party-in-interest transactions.

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6. TAX STATUS

The IRS has determined, and the Plan has received a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan believes it is no longer subject to income tax examinations for the years prior to 2017.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to risks such as interest rate, market risk and credit risk. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 for 2020 and 2019:
