NOTE A - DESCRIPTION OF THE PLAN

The following description of the Redwood Logistics, LLC Profit Sharing 401(k) Plan and Trust ("the Plan") (Note L) provides only general information. Interested parties should refer to the plan document for a more complete description of the Plan's provisions.

1. General

The Company operates under multiple legal entities, including, but not limited to, Redwood Logistics, LLC (“Redwood”), Simplified Logistics, LLC (“Simplified”), Strive Logistics, LLC ("Strive"), Freight Exchange of North America, LLC ("FX"), FXE Warehouse, LLC ("FXE"), 3PLogic, LLC (“SCS”), and Transportation Solutions Group, LLC ("TSG"). The Plan is a defined contribution profit sharing and 401(k) plan covering eligible employees of Redwood, FENA, FXE, SCS, TSG and effective January 1, 2020, Simplified and Strive. (collectively, "the Plan Sponsor") (Note K). Employees are eligible to participate by making pre-tax and/or post-tax (Roth) contributions upon completion of one month of service from their respective employment commencement date and attaining age 21. Additionally, participants are eligible for a discretionary matching contribution if they have completed 1,000 hours of service and are employed on the last day of the plan year. Furthermore, participants are eligible for discretionary Plan Sponsor profit sharing contributions if they have completed 12 consecutive months of service, are employed on the last day of the plan year, and have attained age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

2. Contributions

The Plan is funded by voluntary contributions of participants and discretionary matching and profit sharing contributions of the Plan Sponsor. Participants may contribute to the Plan, through regular payroll deductions, an amount subject to limitations imposed by the Internal Revenue Code. Participants may also roll over amounts representing distributions from other qualified employee benefit plans. The Plan Sponsor made discretionary matching contributions totaling $400,923 to the Plan for the year ended December 31, 2020. No discretionary profit sharing contributions were made or accrued for the year ended December 31, 2020.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

3. Investment Options

Participants must direct their salary deferral contributions and the Plan Sponsor's contributions into a variety of investment funds made available and determined by the Board of Trustees. Participants may also direct the investment of their salary deferral contributions through self-directed brokerage accounts offered by the Plan. Participants may change their investment options at any time.

4. Participant Accounts

Each participant's account is credited with the participant's contribution, an allocation of the Plan Sponsor's discretionary matching and profit sharing contributions, and an allocation of plan earnings. The Plan Sponsor's discretionary matching contribution is allocated as of the last day of the Plan year and is based on a percentage of the participant's contribution for all eligible participants employed on the last day of the Plan year. The Plan Sponsor's discretionary profit sharing contribution is allocated as of the last day of the plan year and is based on a ratio of each eligible participant's compensation to total compensation for all eligible participants employed on the last day of the Plan year. Plan earnings are allocated to participants' accounts in direct proportion to their respective account balances, based on the performance of participants' investment selections. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

5. Vesting

Participants are immediately fully vested in participant and rollover contributions plus the actual earnings thereon. The portion of the participants' accounts attributable to the Plan Sponsor's contributions becomes 20% vested after two years of service and continues to vest at the rate of 20% for each successive year until 100% vested after six years of service. In the event of death, disability, or retirement at designated ages, participants become fully vested.

6. Payment of Benefits

On termination of service, a participant may elect to receive a single, lump-sum payment equal to the value of his or her vested account balance, installments over a specified period of time, or a direct rollover distribution. In-service withdrawals starting at age 59 1/2, in-service withdrawals for participants with 100% vested balances and hardship withdrawals are also permitted by the Plan.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

6. Payment of Benefits (Continued)

Under the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), participants who self-certify that they meet certain criteria of the CARES Act are eligible for in-service distributions up to $100,000 without penalty. These distributions are taxed ratably over a three year period, but may be repaid by the participant over the same three year period to avoid such taxes. Under the CARES Act, provisions may be implemented prior to a formal amendment being executed. The Plan has until the last day of the Plan year in 2022 to amend the Plan for the provisions of the CARES Act. There were no formal adoptions of the CARES act in the current year.

7. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Participants are permitted to take loans from the Plan up to a maximum equal to the lesser of $50,000 or the greater of 50% of their vested account balance. The loans are collateralized by the borrowers' respective vested account balances and bear interest ranging from 3.25% to 6.50%. Principal and interest are paid through payroll deductions over a period not to exceed five years, unless for the purchase of a primary residence.

Under the CARES Act discussed in A-6, participants who self-certify that they meet certain criteria of the CARES Act are permitted to take loans up to a maximum equal to the lesser of $100,000 or 100% of their vested account. Self-certifying individuals may also elect to defer payments on outstanding loans until January 1, 2021.

8. Administrative Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Investment-related expenses are included in net appreciation in value of investments.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

9. Forfeitures

At December 31, 2020 and 2019, unallocated plan assets resulting from forfeited nonvested accounts totaled $26,632 and $4,591, respectively. These accounts will be used to reduce future discretionary Plan Sponsor contributions or pay the Plan's administrative expenses. Forfeitures of $5,116 and $4,318 were used to reduce discretionary Plan Sponsor contributions and pay the Plan's administrative expenses during 2020, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

2. Fair Value Measurements

Current accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Fair Value Measurements (Continued)

Level 2 Inputs to the valuation methodology include the following:

* Quoted prices for similar assets or liabilities in active markets;
* Quoted prices for identical or similar assets or liabilities in inactive markets;
* Inputs other than quoted prices that are observable for the asset or liability;
* Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for the Plan's investments measured at fair value. There have been no changes in the methodology used at December 31, 2020 and 2019.

Pooled separate accounts: Valued at net asset value ("NAV") per unit as determined by the insurance company or contract administrator. Such NAV is based on the value of the underlying assets and liabilities of the account. Participants may transfer in and out of such trusts on a daily basis without any prohibitive restrictions.

Self-directed brokerage accounts: Accounts primarily consist of common stocks and insured deposits that are valued on the basis of readily determinable market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes that its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020 and 2019. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Plan Investments at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Self-directed brokerage accounts	$ 40,027	$ -	$ -	$ 40,027
Total assets in the fair value hierarchy	$ 40,027	$ -	$ -	40,027
Investments measured at NAV*				27,354,131
Investments, at fair value				$ 27,394,158

	Plan Investments at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Self-directed brokerage accounts	$ 31,275	$ -	$ -	$ 31,275
Total assets in the fair value hierarchy	$ 31,275	$ -	$ -	31,275
Investments measured at NAV*				9,154,296
Investments, at fair value				$ 9,185,571

* Certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments, at fair value line item presented in the statements of net assets available for benefits.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Fair Value Measurements (Continued)

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2020 and 2019, respectively. There are no participant or Plan redemption restrictions for these investments.

	December 31, 2020			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	$ 27,354,131	$ -	Immediate	None

	December 31, 2019			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	$ 9,154,296	$ -	Immediate	None

3. Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the custodian. See Note B-2 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

4. Use of Estimates

In preparing the Plan's financial statements, management is required to make estimates and assumptions that affect the reported amounts of net assets, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

5. Payment of Benefits

Benefits are recorded when paid.

6. Accounting for Uncertainty in Income Taxes

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

NOTE C - INFORMATION CERTIFIED BY MINNESOTA LIFE INSURANCE COMPANY

The following is a summary of the Plan's asset information as of December 31, 2020 and 2019, and for the year ended December 31, 2020, included throughout the Plan's financial statements and supplemental information, that was prepared by or derived from information provided by the custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental information related to the following assets:

NOTE C - INFORMATION CERTIFIED BY MINNESOTA LIFE INSURANCE COMPANY
(Continued)

	2020	2019
Investments, at fair value		
Pooled separate accounts	$ 27,354,131	$ 9,154,296
Self-directed brokerage accounts	40,027	31,275
Investment, at contract value		
Guaranteed investment contract	426,424	112,150
Notes receivable from participants	318,043	134,489
	$ 28,138,625	$ 9,432,210

The custodian also certified the completeness and accuracy of $4,165,418 of net appreciation in value of investments, and $17,918 of interest from notes receivable from participants for the year ended December 31, 2020.

NOTE D - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan holds a fully benefit-responsive guaranteed investment contract with Minnesota Life Insurance Company through the Minnesota Life Insurance Company's Guaranteed Return Account which is reported at contract value. Contract value represents contributions made to the contract, plus earnings, less participant withdrawals and administrative expenses.

Minnesota Life Insurance Company maintains the contributions in its Guaranteed Return Account. Minnesota Life Insurance Company guarantees the Plan a return of principal and interest under the terms of the contract. The interest crediting rating is updated annually based upon contract provisions, and it may not be less than 1.54%. Minnesota Life Insurance Company's general account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

The Plan’s ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE D - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following: (1) the Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code, (2) premature termination of the contracts, (3) Plan termination or merger, (4) changes to the Plan's prohibition on competing investment options, or (5) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreements without the consent of the issuer.

NOTE E - INCOME TAX STATUS

The Plan adopted a nonstandardized form of a volume submitter sponsored by Minnesota Life Insurance Company. The volume submitter plan has received an opinion letter from the Internal Revenue Service as to the volume submitter's qualified status. The volume submitter plan opinion letter has been relied upon by this Plan. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with applicable provisions of the Internal Revenue Code.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become fully vested in their respective account balances.

NOTE G - RISKS AND UNCERTANTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The direct and indirect future impacts of the current COVID-19 outbreak on the Plan are currently unknown, as is the duration and severity of any impacts that the Plan Sponsor may experience. Plan management is currently unable to quantify the future effects on the Plan.

NOTE H - PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by Minnesota Life Insurance Company. Minnesota Life Insurance Company is the custodian, as defined by the Plan; therefore these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each investment.

The Plan issues loans to participants, which are secured by the vested balance in the participant's accounts and certain administrative fees related to the administration of the Plan were paid by the Plan or by the Plan Sponsor. These transactions qualify as party-in-interest. Employees of the Plan Sponsor provide administrative services to the Plan for which no fees are charged.

NOTE I - EXCESS CONTRIBUTIONS PAYABLE

Excess contributions and earnings payable represents amounts withheld from participants in excess of Internal Revenue Service ("IRS") limitations that are to be refunded at year end. As of December 31, 2019, $43,401 of excess contributions were required to be refunded in the subsequent year. Excess contributions and earnings are netted against contributions in the statements of changes in net assets available for benefits. There were no excess contributions as of December 31, 2020.

NOTE J - PROHIBITED TRANSACTIONS

The Plan Sponsor failed to deposit participant contributions within the required timeframe as stated by the DOL during 2020. The DOL considers late deposits to be prohibited transactions as disclosed in the accompanying supplemental information. The Plan Sponsor intends to correct these deficiencies in 2021 pursuant to the DOL's Voluntary Fiduciary Correction Program ("VFCP").

NOTE K - PLAN AMENDMENTS AND MERGERS

Effective January 1, 2019, the Plan was amended to modify certain compliance calculations related to the 415 annual additions limit test and the top heavy test.

Effective April 1, 2019, the Plan was amended to exclude former employees of Strive from entering the Plan.

The Plan Sponsor merged with Strive and Simplified in 2019 and 2017, respectively. Effective January 1, 2020, the Plan was amended to merge the retirement plans sponsored by these acquired entities into the Plan. Accordingly, assets totaling $12,537,203 were transferred into the Plan. The participants' vested account balances in the Plan will equal the vested account balances in this Plan upon the transfer. The merger does not impact participant benefits as the benefit provisions were incorporated into the Plan. Additionally, Strive and Simplified were named as participating employers in the Plan. With this amendment, employees of Strive and Simplified are now allowed to participate in the Plan once the relevant eligibility requirements have been met.

Effective February 21, 2020, the Plan was amended to implement an automatic force out distribution for all terminated participants with vested balances of less than $5,000. The previous force out limit was vested balances of less than $1,000.

The Plan has been retroactively amended in 2020, effective January 1, 2019, to incorporate provisions of the Bipartisan Budget Act ("BB Act"). Certain provisions of the BB Act have impacted the Plan for certain eligible participants. The BB Act has allowed for the availability of immediate participant contributions to the Plan following a hardship distribution. Interested parties should refer to the BB Act and related amendment for a more complete description of the provisions.

Significant provisions of the amended plan document are consistent with those of the current plan document. Interested parties should refer to the plan document for a more complete description of the Plan's provisions.

NOTE L - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 12, 2021, the date that these financial statements were available to be issued. Plan management has determined that no events or transactions, other than noted below, have occurred subsequent to the statement of net assets available for benefits date that require disclosure in the financial statements.

Effective January 2021, the Plan adopted a volume submitter plan sponsored by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, and all plan assets totaling approximately $29,657,000 were transferred to Principal Trust Company, the new custodian. As a part of the Plan amendment and restatement the name of the Plan was changed to the Redwood Logistics, LLC 401(k) Plan. There were no significant changes to plan provisions as a result of the amendment and restatement. Interested parties should refer to the Plan document for a complete description of the Plan's provisions.
