Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Great-West Life & Annuity Insurance Company and Great-West Trust Company LLC, the trustees of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustees hold the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustees as of and for the year ended December 31, 2020, that the information provided to the Plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter - Supplemental Schedule

The supplemental schedule of assets (held at end of year) as of December 31, 2020 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Other Matter - 2019 Financial Statements

The financial statements of the Plan as of December 31, 2019 were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Great-West Life & Annuity Insurance Company and Great-West Trust Company LLC, the trustees of the Plan. Their report, dated October 8, 2020 indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements, and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustees, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations - 2020

The form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

JAMESON HEALTH SYSTEM, INCORPORATED 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Jameson Health System, Incorporated 403(b) Plan (Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General - The Plan is a defined contribution 403(b) plan established for the benefit of the employees of Jameson Health System, Inc. and affiliated companies Jameson Care Center, Inc.; Jameson Medical Care, Inc.; and Children's Advocacy Center of Lawrence County, Inc. (collectively, the Company or Plan Sponsor). The Jameson Health System, Inc. and the University of Pittsburgh Medical Center (UPMC) completed an affiliation between the organizations and the Jameson Health System, Inc. was renamed UPMC Jameson. The Plan was intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was amended to cease all new loans obtainable under the Plan effective December 24, 2016. Effective December 31, 2016, the Plan was frozen to new participants. Accordingly, no additional elective deferrals, catch up contributions, rollover contributions, matching contributions, nonelective contributions or direct transfers were permitted to be made to the Plan as of December 31, 2016. Participants continue to have access to their accounts and continue to receive earnings on their investments

Participant Accounts - Effective after the plan freeze at December 31, 2016, each participant's account is credited with allocations of plan earnings and charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of his or her respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant was able to elect to have his or her contributions and employer contributions invested in any of the funds offered by the Plan.

Vesting - Effective January 1, 2017, all active participants and terminated participants who had not yet forfeited their nonvested account balances became fully vested in their account balances.

Notes Receivable From Participants - Prior to December 24, 2016, a participant could borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his or her vested account balance. Loan terms could not exceed five years, however if the loan was for the purchase of a principal residence, the Plan Administrator could permit a longer repayment term, not to exceed 10 years. Loans are collateralized by the percentage of the participant's vested account balance equal to the amount borrowed, divided by the vested account balance. The interest rate for these loans was fixed for the life of the loan.

Payment of Benefits - On termination of service due to death, disability, retirement or severance from employment or at age 59½, a participant can elect to receive a lump-sum distribution or installments of his or her vested account balance. The Plan Sponsor could initiate a mandatory distribution for those terminated participants whose vested account balance is \$1,000 or less. Hardship withdrawals from the Plan are permitted as defined in the Plan document.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Transfers - Effective June 1, 2017, the Plan permits fully vested eligible participants who participate in the UPMC 403(b) Retirement Savings Plan and/or the UPMC 401(a) Retirement Savings Plan to elect a plan-to-plan transfer to those plans. Transfers to those plans were \$848,713 in 2020.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates - The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments held by the Plan (except for fully benefit-responsive investment contracts) are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for further discussion and disclosures related to fair value measurements and Note 5 for the discussion of fully benefit-responsive investment contracts.

Purchases and sales of investments are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date and interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants - Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. If a participant ceases to make repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payments of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Plan's administrative expenses are paid by either the Plan or the Plan Sponsor as provided by the Plan document. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN TRUSTEES (UNAUDITED)

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at fair value, fully benefit-responsive investment contracts at contract value and notes receivable from participants at December 31, 2020 and 2019, and net appreciation in fair value of investments, interest and dividends, other income, and interest on notes receivable from participants for the year ended December 31, 2020, was obtained or derived from information provided to the Plan administrator and certified as complete and accurate by Great-West Life & Annuity Insurance Company and Great-West Trust Company LLC, the trustees of the Plan.

NOTE 4 - FAIR VALUE MEASUREMENT

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below.

- Level 1 - Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.
- Level 2 - Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:
 - Quoted prices for similar assets and liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in markets that are not active
 - Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means
- Level 3 - Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2020 and 2019.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 4 - FAIR VALUE MEASUREMENT (Continued)

Following is a description of the valuation methodology used for assets measured at fair value.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, with the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

		2020			
		Level 1	Level 2	Level 3	Total
Mutual funds	\$	24,768,060	-	-	\$ 24,768,060
Total assets at fair value	\$	<u>24,768,060</u>	<u>-</u>	<u>-</u>	\$ <u>24,768,060</u>
		2019			
		Level 1	Level 2	Level 3	Total
Mutual funds	\$	24,008,531	-	-	\$ 24,008,531
Total assets at fair value	\$	<u>24,008,531</u>	<u>-</u>	<u>-</u>	\$ <u>24,008,531</u>

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan invests in the Guaranteed Interest Fund, a fully benefit-responsive investment contract (a traditional investment contract), with Great-West Life & Annuity Insurance Company (Great-West). The issuer maintains the contributions in a general account. The account is credited with participant contributions, prior to the freeze on December 31, 2016, plus earnings and charged for participant withdrawals and administrative expenses. The issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer with a minimum guaranteed interest rate of 1%. The crediting rate is reviewed on an annual basis for resetting.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by the participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuers' ability to meet their financial obligations, which may be affected by future economic and regulatory developments.

The contract with Great-West does not have a termination date.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (Continued)

Certain events might limit the ability of the Plan to transact at contract value, including a spinoff, sale, merger, partial plan termination, termination by a political subdivision of a governmental 457(b) plan, or a layoff of at least 20% of the workforce in any 12-month period. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply. Market value adjustment amounts will never be deducted from participant accounts. The Plan administrator does not believe that the occurrence of any such events that would limit the Plan's ability to transact at contract value with participants is probable.

The issuer may terminate the contract with advance written notice to the contract owner. There are no events that allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value.

NOTE 6 - RELATED-PARTY AND -PARTY-IN-INTEREST TRANSACTIONS

The Plan holds a fully benefit responsive investment contract that is issued and managed by one of the trustees. Additionally, the Plan holds loans to participants, which are secured by the participant's account balances.

Certain administrative expenses were paid directly by the Company for which it is not reimbursed. Certain administrative functions are performed by officers or employees of the Company. No such officers or employees received compensation from the Plan.

These transactions qualify as party-in-interest transactions, however they are exempt from the prohibited transaction rules under ERISA.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

NOTE 8 - TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the IRC. Terms of the Plan have been prepared to conform with sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for Plan participants under Section 403(b).

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions, however there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2017.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENTS

Subsequent events are defined as events or transactions that occur after the statement of net assets available for benefits date, but before the financial statements are issued or available to be issued. Management has evaluated subsequent events through October 13, 2021, the date that the financial statements were issued and determined that there have been no events that have occurred that would require adjustments to disclosures in the financial statements.
