LIMA MEMORIAL HEALTH SYSTEM
401(K) RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF PLAN

The following description of the Lima Memorial Health System 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) retirement plan which was formed for the purpose of providing retirement benefits to substantially all employees of Lima Memorial Health System (the Company). Employees become eligible to participate in the Plan upon reaching age 18 and 90 days of service as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors is responsible for oversight of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Directors.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was signed into law and impacted certain aspects of the Plan. See Note 10 for additional discussion regarding the CARES Act.

Contributions

Each year, participants may elect to contribute up to 75% of their pre-tax annual compensation or make Roth contributions, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Effective January 1, 2020, the Plan was amended to become a safe harbor plan, contributing non-elective contributions of 3% of compensation. These contributions are funded bi-weekly. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated default fund until changed by the participant. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant-Directed Investment Options

Upon enrollment in the Plan, a participant may direct the investment of their contributions into any of several investment options with varying degrees of risk and volatility, allowing participants to allocate their investments in accordance with their own risk tolerances and time horizons. Participants may change their investment options at any time.

Vesting

Participants are immediately vested in their contributions and employer safe harbor contributions plus actual earnings thereon. Vesting in the Company's discretionary contributions is based on years of service. A participant is 100% vested after 5 years of credited service.

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. Such loans bear interest at a reasonable rate commensurate with current interest rates charged for loans made under similar circumstances by persons in the business of lending money as determined by the plan administrator. Principal and interest are paid directly by the participants to the trustee. See Note 10 which describes temporary provisions adopted due to the CARES Act.

Payment of Benefits

Upon termination of service due to death, disability, retirement, attainment of 59 ½, or termination for other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, annual installments over a future period or partial withdrawals at amounts specified by the participant, as defined. Distributions of a participant's balance may also be authorized at any time by the plan administrator under certain hardship conditions. See Note 10 which describes temporary provisions adopted due to the CARES Act.

Forfeited Accounts

Forfeited nonvested accounts are used to pay Plan expenses or reduce future Employer contributions. At December 31, 2020 and 2019, forfeited nonvested accounts totaled $86,473 and $66,188 respectively. During 2020, $90,556 was used to reduce employer contributions and $3,353 was used to pay administrative expenses.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019.

Payment of Benefits
Benefits are recorded when paid.

Administrative Expenses
Expenses of maintaining the Plan, including participant recordkeeping, are paid by the Plan and are included in administrative expenses. Certain fees related to distributions and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events
Plan management has evaluated subsequent events through October 5, 2021, the date the financial statements were available to be issued.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY FIDELITY MANAGEMENT TRUST COMPANY

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2020 and 2019, and net appreciation in fair value of investments, interest and dividends, for the year ended December 31, 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

NOTE 4: FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; or
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE 4: FAIR VALUE MEASUREMENTS (CONTINUED)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value by level, within the fair value hierarchy, are comprised of the following at December 31, 2020:

Description	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 92,543,799	$ -	$ -	$ 92,543,799
Investments at Fair Value	$ 92,543,799	$ -	$ -	$ 92,543,799

Assets measured at fair value by level, within the fair value hierarchy, are comprised of the following at December 31, 2019:

Description	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 75,924,275	$ -	$ -	$ 75,924,275
Investments at Fair Value	$ 75,924,275	$ -	$ -	$ 75,924,275

For the year ended December 31, 2020, the Plan did not hold any Level 2 or Level 3 assets.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 5: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, such transactions and associated administrative expenses qualify as party-in-interest transactions.

The Plan also paid investment advisory fees to Strategic Advisors, Inc., which qualify as party-in-interest transactions.

Additionally, the Plan holds party-in-interest receivables of $1,119,834 and $1,100,596 as of December 31, 2020 and 2019, respectively, in the form of notes receivable from participants.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 7: TAX STATUS

Fidelity Management & Research Co., sponsor of the Volume Submitter Profit Sharing Plan with CODA, has obtained an opinion letter dated March 31, 2014, in which the IRS stated that the restated volume submitter plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The plan sponsor adopted this restated volume submitter plan document on September 1, 2017. The Plan was most recently amended January 1, 2020. The volume submitter plan opinion letter has been relied upon by this Plan. Prior to September 1, 2017, the Plan had previously adopted a non-standardized 401(k) profit sharing prototype plan document sponsored by Metropolitan Life Insurance Company, which also received a favorable opinion letter from the IRS stating that the document was in compliance with the applicable requirements of the IRC. The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

In accordance with GAAP, Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2020 statement of net assets available for benefits.

NOTE 8: RISKS AND UNCERTAINTIES (CONTINUED)

As of December 31, 2020, the Plan held $50,242,185 of Fidelity investments, which was approximately 54% of total investments. Therefore, net assets available for benefits are particularly sensitive to changes related to these investments.

NOTE 9: RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

NOTE 10: CARES ACT

The CARES Act had impact on several matters and the Plan adopted the following provisions:

- Participants who were currently receiving required minimum distributions were offered the option to waive their 2020 distribution and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived.
- Eligible Plan participants were allowed to request penalty-free distributions of up to $100,000 for qualifying coronavirus-related reasons. These reasons included adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced or being unable to work due to a lack of childcare due to COVID-19.

NOTE 10: CARES ACT (CONTINUED)

- Eligible Plan participants were allowed to request loans of up to $100,000 or 100% of their vested balance from date of signing of the CARES Act through September 23, 2020.
- Temporary loan repayment deferrals allowed qualified Plan participants with Plan loan repayments to defer such repayments until December 31, 2020.

The Plan has not formalized an amendment regarding the adoption of provisions related to the CARES Act as of December 31, 2020. Under the terms of the CARES Act adoption of a formalized amendment is not required until December 31, 2022.

NOTE 11: OPERATIONAL ERRORS

The Company is in the process of self-correcting certain operational errors. These errors do not have a material impact on the Plan's net assets available for benefits, and the Company does not expect those errors to affect the Plan's tax status.
