INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Silverlining Interiors, Inc. 401(k) Plan

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Silverlining Interiors, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certifications from qualified institutions as of and for the year ended December 31, 2020, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNL).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental schedule H - line 4i - assets (held at end of year) and schedule H, line 4a - delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

CITRINCOOPERMAN®

Supplemental Information Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Silverlining Interiors, Inc. 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Silverlining Interiors, Inc. 401(k) Plan (the "Plan") as of December 31, 2019, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2019 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Fidelity Personal Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained certifications from the trustee as of December 31, 2019, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statement. Accordingly, we do not express an opinion on the 2019 financial statements.

NOTE 1. DESCRIPTION OF PLAN

The following description of SilverLining Interiors, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Silverlining Interiors, Inc. and its affiliates, Premium Grade Millwork Corp. and Metropolitan Painting and Interiors, Inc. (collectively, the "Company" or "Plan Sponsor"). The Plan is offered to all employees of the Company who are at least 21 years of age and have completed three months of service. Eligible employees are enrolled into the Plan on the first day of the month after eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

As of January 16, 2020, the Plan's assets were transferred from Fidelity Personal Trust Company to Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company.

Contributions

Participants may contribute a portion of their annual eligible compensation as a pre-tax deferral, up to the maximum allowed by the Internal Revenue Code ("IRC"), as defined in the Plan. The Plan also allows participants to make after-tax Roth contributions subject to certain limitations determined by the IRC. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions not to exceed IRC limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

Participants are eligible to receive safe harbor matching contributions after completing one year of service with the Company and upon attaining 21 years of age. Participants who are eligible to receive employer matching contributions and who are employed at the Company as of the last day of the year, may be entitled to an additional discretionary profit-sharing contribution. The Company contributes safe harbor matching contributions in an amount equal to 3% of a participant's eligible compensation contributed to the Plan. Employer safe harbor matching contributions are subject to certain limitations under the IRC. For the year ended December 31, 2020, the Company made safe harbor matching contributions of $403,410.

The Company may also elect to contribute a discretionary profit sharing contribution on behalf of non-highly compensated participants, as defined by the Plan document. Employer discretionary profit sharing contributions are subject to certain limitations under the IRC. The Company did not make any discretionary profit sharing contributions during the year ended December 31, 2020.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Participant accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, an allocation of investment earnings or losses, and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Company's safe harbor matching contributions plus actual earnings thereon. Vesting of the Company's discretionary profit sharing contributions and related earnings vest according to the following schedules:

Years of Vesting Service, as Defined	Vesting Interest
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The maximum term of a note for general purpose may not exceed five years. Participants are allowed to have two outstanding notes at any given time. Principal and interest are paid ratably through payroll deductions. The notes are secured by the balance in the participant's account and bear interest at a rate of prime rate plus 1%, which is commensurate with local prevailing rates as determine by the Plan administrator.

Payment of benefits

Participants may receive all or a portion of their account balance if they terminate employment, become disabled, reach age 59-1/2 or on account of financial hardship, as defined in the IRC. Benefits may be paid in the form of a lump sum, partial payments, or installment payments.

The Plan allows for hardship withdrawals from a participant’s elective deferral account. During the year ended December 31, 2019, the Plan was restated and amended to no longer require participants to try to obtain a Plan loan before requesting a hardship withdrawal, to no longer suspend deferral contributions for a six-month period after receiving a hardship withdrawal, and to include all earnings on elective deferral contributions as part of a hardship withdrawal.

Forfeited accounts

Forfeitures of the non-vested portion of terminated participants' accounts are used to pay administrative expenses or reduce future employer contributions. At December 31, 2020 and 2019, there were no forfeited nonvested accounts. For the year ended December 31, 2020, there were $8,085 of forfeitures used to reduce employer matching contributions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements of the Plan are prepared using the accrual method of accounting, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment valuation and income recognition

The Plan's investments are stated at fair value, except for the guaranteed investment contract that is measured at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

The investment in collective trust fund is valued at the net asset value (the "NAV") per unit, as determined by the trustee at year end. The NAV is used as the practical expedient to estimate fair value and is based on the fair value of the underlying investment held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair value measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair value measurements (continued)

The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Unobservable inputs based on the Plan's assessment of the assumptions that market participants would use in pricing the asset or liability.

For investments in certain entities that calculate NAV per share on a recurring basis, the Company has measured fair value using the practical expedient allowed under FASB ASC 820. Under the practical expedient, investments valued under the NAV per share method are not categorized in accordance with the fair value hierarchy.

Notes receivable from participants

Notes receivable from participant are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and in-service withdrawal processing fees are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Payment of benefits

Benefits are recorded when paid by the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent events

The Plan has evaluated subsequent events through October 13, 2021, the date on which these financial statements were available to be issued, there are no subsequent events that require disclosure under FASB ASC 855, *Subsequent Events*.

NOTE 3. FAIR VALUE MEASUREMENTS

The following tables summarize the Plan's investments measured at fair value on a recurring basis, categorized by U.S. GAAP's valuation hierarchy, at December 31, 2020 and 2019:

Description	Total at December 31, 2020	Level 1	Level 2	Level 3
Assets in fair value hierarchy:				
Mutual funds	$ 802,820	$ 802,820	$ -	$ -
Investments measured at net asset value*	8,226,193			
Total investments at fair value	$ 9,029,013			

Description	Total at December 31, 2019	Level 1	Level 2	Level 3
Investments at fair value:				
Money market funds	$ 10,655	$ 10,655	$ -	$ -
Mutual funds	7,273,194	7,273,194	-	-
Total assets in fair value hierarchy	7,283,849	$ 7,283,849	$ -	$ -
Investments measured at net asset value*	1,480,100			
Total investments at fair value	$ 8,763,949			

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits. See Note 4 for further information.

During the year ended December 31, 2020, there were no transfers between levels of the fair value hierarchy.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Money Market Funds: Valued at the quoted price reported in an active market in which the individual security is traded.

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual Funds: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily NAV and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Pooled Separate Accounts: are valued using the NAV provided by the custodian. The investment objectives are determined by the underlying investments owned by each pooled separate account. The NAV per share is based on the value of the underlying assets owned by the trust, minus its liabilities, and then divided by the number of shares outstanding.

Common Collective Trust Fund: is valued using NAV. The NAV of a common collective investment trust fund is based on the market values of the underlying securities in an active market. The beneficial interest of each participant is represented in units. Units are issued and redeemed daily at the fund's closing NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4. NET ASSET VALUE PER SHARE

The following tables set forth a summary of the Plan's investments with a reported NAV per share at December 31, 2020 and 2019:

	Fair Value Estimated Using Net Asset Value per Share December 31, 2020				
Investment	Fair Value	Unfunded Commitments	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Pooled separate accounts	$ 8,226,193	$ -	Daily	None	None

	Fair Value Estimated Using Net Asset Value per Share December 31, 2019				
Investment	Fair Value	Unfunded Commitments	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Common collective trust	$ 1,480,100	$ -	Daily	None	None

NOTE 5. INFORMATION CERTIFIED BY THE PLAN CUSTODIAN AND TRUSTEE

The following tables summarize investment and other asset information regarding the Plan as of December 31, 2020 and 2019, and for the year ended December 31, 2020, included in the Plan's financial statements and supplemental schedules, that were prepared by or derived from information prepared by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (the "Custodian") and Fidelity Personal Trust Company (the "Trustee"), and furnished to the Plan administrator. The Plan administrator has obtained certifications from the Custodian and Trustee that such information is complete and accurate.

	2020	2019
Investments:		
Pooled separate accounts	$ 8,226,193	$ -
Guaranteed investment contract	1,514,598	-
Mutual funds	802,820	7,273,194

Total investments	10,543,611	8,763,949
Notes receivable from participants	300,398	198,115
Total certified assets	$ 10,844,009	$ 8,962,064
Net appreciation in fair value of investments	$ 1,256,489	
Interest and dividends	$ 3,786	
Interest income on notes receivable from participants	$ 9,601	

* Included in money market funds at December 31, 2019, was $8,824, which was not certified by the Trustee.

NOTE 6. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

During the year ended December 31, 2020, the Plan offered participants an option to invest in the Principal Fixed Income Guaranteed Option Account, a guaranteed investment contract ("GIC"). The contract underlying this investment option is considered to be fully benefit-responsive. Generally, contract value is equal to participant deposits minus participant withdrawals plus credited interest. Contract value may be subject to adjustments in connection with contract holder-directed withdrawals that are subject to a market value adjustment. Under limited circumstances, contract value may be adjusted as a result of a market value adjustment.

Because the GIC meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the GIC. The GIC is presented on the face of the statements of net assets available for benefits at contract value. A contract value, as reported to the Plan by the Custodian, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 6. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

The average yield based on actual earnings for the contract for the year ended December 31, 2020, for the Principal Fixed Guaranteed Option Account ranged from 1.60% to 1.80%. The crediting interest rate to participants for the contract, as of December 31, 2020, was 1.60%. The Custodian makes these guarantees, and although the Custodian may credit a higher interest rate, the credited rate will never fall below the lifetime guaranteed minimum of 1.05%.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants or the issuer are probable of occurring.

The GIC does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 7. PARTY-IN-INTEREST TRANSACTIONS

Parties in interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. The Custodian is the Plan’s service provider and, therefore, these transactions and the Plan’s payment of fees to the Custodian qualify as party-in-interest transactions. The Plan held units of money market funds that were previously managed by the Trustee. Notes receivable from participants also reflect party-in-interest transactions.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

During 2020, the World Health Organization declared COVID-19 to constitute a "Public Health Emergency of International Concern." The pandemic has disrupted economic markets and the financial impact, duration and spread of the COVID-19 virus are uncertain at this time. The financial performance of the Plan's investments may be impacted by the market's response to the uncertainty of the situation; however, the duration of disruption and related financial impact cannot be reasonably estimated at this time.

NOTE 9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 10. TAX STATUS

The Plan has adopted a volume submitter plan ("VSP") which received an opinion letter from the Internal Revenue Service ("IRS") dated August 8, 2014, stating that the VSP is designed in accordance with the applicable sections of the IRC.

Although the VSP has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

NOTE 11. CARES ACT PROVISIONS

The Plan has implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the "CARES Act") and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE Act"). These laws permit the Plan to (a) allow certain eligible individuals to receive coronavirus-related relief for distribution payments and loan repayment, (b) suspend required minimum distributions for 2020, and (c) delay the commencement date for required minimum distributions from age 70-1/2 to age 72 beginning January 1, 2020. Written amendments to the Plan document to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

The Plan adopted the provisions to allow for coronavirus-related distributions, taken prior to December 31, 2020, of up to $100,000 for participants impacted by COVID-19. Such distributions are permitted to be paid back over a three-year period.

The Plan also adopted the provisions to allow for coronavirus-related loans, taken from March 27, 2020 through September 22, 2020, of up to $100,000 for participants impacted by COVID-19. In addition, the Plan allowed for suspension of loan payments for participants impacted by COVID-19 for loans made from March 27, 2020 through December 31, 2020. Such loans are permitted to be paid back over a five-year period. The adopted provisions are required to be executed in a Plan amendment. The Plan has not yet been amended, but it has until the last day of the Plan year that begins in 2022 to fully execute the amendment, according to the CARES Act.

NOTE 12. DELINQUENT PARTICIPANT CONTRIBUTIONS

During the Plan year ended December 31, 2020, the Company failed to remit certain participant contributions and loan repayments aggregating $10,906 to the Plan on a timely basis as prescribed in the applicable Department of Labor ("DOL") regulations. Defined contribution plans must remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. The Company computed the lost earnings on these deferrals and loan repayments, and made contributions for lost earnings to the Plan in 2020 and 2021.
