October 8, 2021

To the Plan Administrator and Investment Committee
Champion Laboratories, Inc. 401(k) Retirement Plan
Cleveland, OH

We have conducted a Department of Labor ("DOL") limited-scope audit of the financial statements of the UCI Employee 401(k) Savings Plan (the "Plan") for the year ended December 31, 2020, and we will issue our report thereon dated October 8, 2021. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated December 7, 2020. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2020. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no corrected and/or uncorrected adjustments noted.

Disagreements with Management

For the purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 8, 2021.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it had not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Investment Committee and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Champion Laboratories, Inc. 401(k) Retirement Plan (formerly UCI Employee 401(k) Savings Plan) (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the Trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the Trustee as of and for the year ended December 31, 2020, that the information provided to the Plan administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on

the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements referred to in the first paragraph.

Other Matter – 2019 Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2019 were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the other auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the Trustee. Their report, dated July 28, 2020, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, was presented in compliance with the DOL's Rules and Regulations for reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedule

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2020 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Champion Laboratories, Inc. 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. Effective January 1, 2020, the name of the Plan was changed from UCI Employee 401(k) Savings Plan to Champion Laboratories, Inc. 401(k) Retirement Plan.

General

The Plan was established as of July 1, 2016. The Plan covers all employees of the United Components LLC (the "Company"), and its affiliates who meet the eligibility requirements. Effective January 15, 2019, the employees of ASC Industries, Inc. and Airtex Products, LP are no longer covered under the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Each year participants may contribute up to 85% of pretax annual compensation, as defined in the Plan. Participants may also make voluntary contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan includes an auto-enrollment provision whereby eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation for the non-bargaining employees, and their contributions invested in a designated balanced fund until changed by the participant. The Plan is designed to meet the safe harbor requirement.

Employees were entitled to receive an employer matching contribution from their respective employer equal to the first 5% of eligible compensation contributed by the participant. Effective May 1, 2020 the Plan eliminated the matching contribution.

Qualified nonelective contributions may be contributed at the option of the Plan's oversight committee. No such contribution was made to the Plan for the year ended December 31, 2020..

Vesting & Payment of Benefits

Participants are vested immediately in their contributions and qualified nonelective employer contributions plus actual earnings thereon. Vesting in employer matching contributions of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.

On termination of service, a participant may elect to receive either a lump sum amount equal to the value of the participant's account, or rollover the amount into another eligible form of investment. Withdrawals from participant accounts are permitted in accordance with terms in the Plan document. In certain circumstances,

CHAMPION LABORATORIES, INC. 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

participants may make “hardship withdrawals” as defined in the Plan. Active participants may also take distributions from the Plan upon attainment of age 59½.

Forfeitures

At December 31, 2020, forfeited non-vested accounts totaled \$109,724. Forfeitures of former participants’ non-vested account balances may first be used to pay administrative expenses. Forfeitures of employer contributions that relate to excess amounts that have not been used to pay administrative expenses, may be applied to reduce employer contributions made after the forfeitures are determined. For the year ended December 31, 2020 there were \$7,701 of forfeitures used to pay administrative expenses.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, the employer matching contributions and the year-end qualified non-elective employer contributions, as applicable, and investment income and is charged with withdrawals and an allocation of the Plan earnings and administrative expenses, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Notes Receivable from Participants

Participants may borrow from their vested account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer from the investment fund to the participant loan fund. Loan terms range from one to five years, except 25 years in the case of a loan used to acquire a dwelling unit that will be used as the principal residence of the participant. The loans are secured by the balance in the participant’s account and bear interest at a rate reasonable at the time of application. Principal and interest are repaid through payroll deductions.

Retirement, Death and Disability

A participant is entitled to 100% of his or her account balance upon retirement, death, or disability.

Termination Provisions

The Company has the right under the plan agreement to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contributions and earnings thereon.

Coronavirus Aid, Relief and Economic Security (CARES)

On March 11, 2020, the World Health organization declared the COVID-19 outbreak a global pandemic. Following this declaration, the U.S. Federal government passed the “Coronavirus Aid, Relief, and Economic Security (“CARES”) Act” on March 27, 2020. The CARES Act allowed eligible plan participants to request penalty-free distributions of up to \$100,000 before December 31, 2020 for qualifying reasons associated with the COVID-19 pandemic, permitted plan sponsors to increase the limit for plan loans, permitted suspension

December 31, 2020 and 2019

of loan payments due through December 31, 2020, and permitted individuals to stop receiving 2020 required minimum distributions. The Plan implemented these changes during 2020.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits and Administrative Expenses

All Plan expenses are paid by participants unless paid by the Company at its discretion and in accordance with the Plan document.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Subsequent Events

The Plan has evaluated subsequent events through October 8, 2021, the date the financial statements were available to be issued.

December 31, 2020 and 2019

NOTE 3 – TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated November 5, 2018, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the determination letter, plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax exempt as of the financial statement date. Effective January 1, 2020, the plan adopted a prototype, which the IRS issued an opinion letter dated August 8, 2014 and indicated that the prototype, as then designed, was in compliance with applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is subject to federal income tax examinations for all periods subsequent to its inception.

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan, included in the Plan’s financial statements, which was prepared by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (PTC), the Trustee, as of and for the years ended December 31, 2020 and 2019 and furnished to the Plan Sponsor. The Plan Sponsor has obtained certifications from the Trustee, that such information is complete and accurate.

NOTE 5 – FAIR VALUE MEASUREMENT

The fair value framework requires categorization of assets and liabilities into three levels based upon the assumptions (inputs) used to price the assets or liabilities. Level 1 provides the most reliable measure of fair value; whereas, Level 3 generally requires significant management judgment. The three levels are defined as follows:

- Level 1 - Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.
- Level 2 - Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3 - Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Mutual Fund: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges.

Units of Collective Trusts: The fair values of participation units held in collective trusts are based on the net asset values per unit as reported by the fund managers. All of the collective trusts provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

Units of Pooled Separate Accounts: The fair values of participation units held in pooled separate accounts are based on the net asset values reported by the fund managers as of the financial statement dates and recent transaction prices. The pooled separate accounts are restricted to one redemption per 30-day period.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 – PARTY-IN –INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee, and therefore, these transactions qualify as party-in-interest transactions.
