1. DESCRIPTION OF PLAN

The following description of the Sheppard, Mullin, Richter & Hampton LLP Retirement and Savings Plan (the Plan) provides only general information of the Plan. Participants should refer to Plan documents for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all non-union employees and individual partners of Sheppard, Mullin, Richter & Hampton LLP (the Firm) who have completed the required qualified service, as defined below, other than non-resident aliens who receive no U.S. source income. The Plan also covers an employee of any professional corporation that is a partner (Participating PC). It is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA).

Contributions

The Firm contribution for partners who have not attained at least age 40 by December 31, 2020, is four percent of eligible earnings (up to the Internal Revenue Code section 401(a)(17) limit of $285,000). The Firm contribution for partners who have attained at least age 40 by December 31, 2020, is $37,000 regardless of the amount of his or her eligible earnings. Firm contributions for 2020 are available to those who have completed two years of qualified service before July 1, 2020. In addition, beginning with the earlier of the entry date following the completion of 90 consecutive days of employment, or the entry date following the completion of one year of service, participants may make the following types of contributions to the Plan, 1) contribute up to 100% of their eligible earnings directly to a deferred income account under Section 401(k), and/or as an after-tax Roth contribution (maximum aggregate combined contribution of $19,500 for 2020); and/or 2) rollover eligible funds from another qualified plan. The maximum combined Firm and participant contributions (exclusive of rollover contributions) for any participant is $56,500 in 2020. In addition, participants 50 years or older may make catch-up 401(k) and/or Roth contributions of up to $6,500 in 2020.

Participant Accounts

The accounts of each participant are credited with the participant's interest in all contributions and the investment income of the Plan.

Vesting

All participants are 100% vested in their deferrals to their accounts, including employer contributions.

Payment of Benefits to Participants

A participant's benefit is the sum of the amounts credited to that participant's account. A participant may generally receive or elect to receive benefits in a lump-sum or another optional form.

1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Each participant may obtain loans against his or her account balance, up to $50,000 or 50%, whichever is less, of his or her vested account balance. Interest on loans is 1% over the rate published in the Wall Street Journal as the prime rate that is in effect on the first business day of the month. Outstanding loans have interest rates between 4.25% and 6.50%, maturing through October 2026. Each loan is secured by the participant's vested interest in the Plan.

Investment - Self-Directed Brokerage Account

Under the investment policy established by the Plan Administrator, participants can direct how their investment is invested under the Charles Schwab Personal Choice Retirement brokerage account. This account allows participants greater investment flexibility in their investment choices. Certain investments, such as options, are prohibited by the Plan.

ERISA Bond Requirement

ERISA requires that every person who handles funds or other property of the Plan be bonded. The bond coverage is to be determined by the balance of the total Plan assets and is required to be at least equal to the lesser of 10% of the Plan's assets at the beginning of the Plan year or $500,000. During the Plan year 2020, the Plan was in compliance with the bonding requirement.

Plan Termination

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting.

Valuation of Investments

Investments are stated at fair value. Mutual funds and investments included in the self-directed brokerage account are reported at fair value based on quoted market prices. The common collective fund is valued at net asset value per share (or its equivalent) of the fund, which is based on the fair value of the fund's underlying net assets.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Loans to participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits to Participants

Benefits are recorded when paid.

Plan Expenses

Administrative expenses of the Plan are generally paid from the Plan. For the year ended December 31, 2020, the Plan recognized administrative expenses of $329,454.

Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Risk and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

3. CERTIFICATION BY TRUSTEE

T. Rowe Price Trust Company, the trustee of the Plan, has certified that the following information included in the financial statements and schedules as of December 31, 2020 and 2019, and for the year ended December 31, 2020 is complete and accurate:

A. Investments as included in the Statements of Net Assets Available for Benefits as of December 31, 2020 and 2019

B. All information pertaining to investment income and investment expenses-fees in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2020

C. Schedule of Assets (Held at End of Year) - December 31, 2020

4. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds sponsored by T. Rowe Price Trust Company, the trustee of the Plan. Therefore, these transactions qualify as party-in-interest. Notes receivables from participants also qualify as party-in-interest transactions. Fees paid by the Plan for T. Rowe Price Trust Company's administrative services amounted to $115,175 for the year ended December 31, 2020.

5. FAIR VALUE FINANCIAL INSTRUMENTS

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 - Quoted prices are available in active markets for identical investments as of the reporting date. The type of investments in Level 1 include listed equities and other securities held in the name of the Company, and exclude listed equities and other securities held indirectly through commingled funds.

Level 2 - Pricing inputs, including broker quotes, are generally those other than exchange quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value is determined through the use of models or other valuation methodologies.

Level 3 - Pricing inputs are unobservable for the investment and include situations where there is little, if any market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. Investments that are included in this category generally include privately held investments and partnership interests.

The following tables set forth by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020 and 2019:

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total

Investments measured at NAV as a practical expedient:

Total investments, at fair value				$ 671,195,747

5. FAIR VALUE FINANCIAL INSTRUMENTS (Continued)

	Assets at Fair Value as of December 31, 2019

Investments measured at NAV as a practical expedient:				
Common collective fund (1)				53,773,605
Total investments, at fair value				$ 580,368,292

(1) Class represents investment in a stable value common trust fund. Trust units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by the Plan. Under the terms of the Declaration of the Trust, the Plan is required to provide 12 months' advance written notice to the trustee prior to redemption of trust units. Trust units are generally issued and redeemed only on a valuation date and at the net asset value per unit computed on that date. There were no unfunded commitments within this class.

6. TAX STATUS

The Plan obtained its latest determination letter on April 7, 2016, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions.

7. SUBSEQUENT EVENT

Subsequent events have been evaluated through October 6, 2021, the date the financial statements were available to be issued. The Plan Administrator has determined that there were no subsequent events and transactions that require recognition and disclosure.
