INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
The Suddath Companies Retirement Savings Plan
Jacksonville, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements

We have performed an audit of the financial statements of Suddath Companies Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2020 financial statements (2020 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2020, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2020 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2020 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and

- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2020 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2020 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2020 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2020 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2020 Supplemental Schedule Required by ERISA

The 2020 supplemental Schedule of Assets (Held at End of Year) as of December 31, 2020 is presented for purposes of additional analysis and is not a required part of the 2020 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2020 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 financial statements or to the 2020 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2019 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2019. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, October 6, 2020 indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2019 financial statements, and (b) the form and content of the information included in the 2019 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of Plan:

The following description of The Suddath Companies Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Retirement Savings Plan is a defined contribution retirement plan covering all employees of The Suddath Companies (the Company) who have ninety days of continuous service, excluding nonresident aliens, leased employees or salaried employees and hourly employees exempt from collective bargaining agreements. The Plan Committee of the Board of Directors of the Company controls and manages the operation and administration of the Plan. The Retirement Savings Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the CARES Act) was passed by Congress. The CARES Act, among other things, includes several temporary relief provisions available to tax qualified retirement plans and their participants. Plan management evaluated the impact of the CARES Act on the Plan and approved changes to the Plan in 2020 to temporarily (i) increase the limit on Plan loans for eligible participants up to $50,000 or 100% of the participant's vested balance, (ii) suspend payments on Plan loans otherwise due in 2020 for eligible participants, (iii) add COVID-19-related distributions of up to $50,000 for eligible participants and (iv) suspend the mandatory 20% federal tax withholding for COVID-19-related distributions. These temporary CARES Act provisions expired at the end of 2020. The Plan will be amended to reflect these changes prior to the December 31, 2022 deadline.

On January 1, 2020, the Plan adopted certain changes to comply with the Bipartisan Budget Act of 2018. These changes include allowing participants to take a hardship withdrawal (i) from earnings on safe harbor contributions and corrective contributions, (ii) without first taking a plan loan, and (iii) for expenses or losses incurred on account of a FEMA-declared disaster. The Plan has until December 31, 2021 to amend the Plan for these changes.

Contributions

Each year participants may contribute compensation, as defined in the Plan document, subject to certain Internal Revenue Code (IRC) limitations. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company may make a discretionary matching contribution on an annual basis. For the year ended December 31, 2020, the Company contributed 25% of the first 5% of base compensation that a participant contributed to the Plan, not to exceed $1,250. An additional discretionary match amount may be contributed based on a profitability scale established by the Company's Board of Directors. For the year ended December 31, 2020, there was no additional discretionary matching contribution contributed to the Plan. Contributions are subject to certain IRC limitations.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds and common collective trust funds as investment options for participants.

1. Description of Plan (Continued):

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, an allocation of the Company's discretionary contributions, if any, and an allocation of the Plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus earnings thereon is based on years of continuous service. A minimum of 1,000 hours of service during a Plan year is required to receive credit for a year of service. A participant is 100% vested after three years of continuous service. In the event of death, disability, retirement upon attaining age 65 or termination of the Plan the participants' account becomes fully vested.

Forfeitures

Forfeited participant account balances may be used to reduce the employer matching contribution or pay Plan expenses. During the Plan year ended December 31, 2020 there were forfeited balances totaling $100,425 used to offset employer contributions and pay Plan expenses. There were forfeitures of $125,179 and $22,966 available for future use at December 31, 2020 and 2019, respectively.

Participant Loans Receivable

Participants are permitted to borrow from the Plan using their vested account balance as security for the loan. The minimum loan permitted under the terms of the Plan is $1,000, up to a maximum equal to the lesser of $50,000 or 50% of the participant's vested account balance. A participant may only have one loan outstanding at any time. Loans are required to be repaid within five years, or up to fifteen years when used to purchase a primary residence, in equal payments made at least quarterly. Loan repayments will be deducted from the participant's payroll over the term of the loan. Loans bear interest at the prevailing rate used by commercial lending institutions plus a fixed percentage.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive a lump sum or various installment and annuity options as provided by the Plan up to the participants' vested account balance. The Plan allows for in-service distributions for participants who are 100% vested and have attained the age of 59½ or qualify for a hardship distribution. If the participant's vested balance does not exceed $1,000, the Plan will distribute the entire account balance automatically.

2. Summary of Accounting Policies:

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements requires the use of significant estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent

Investment Valuation

The Plan's investments are presented at fair value which represents the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are reported at amortized principal balance plus accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributed based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses of the Plan may be paid by the Company or Plan. Unless paid by the Company, administrative expenses are allocated to 1) participant accounts proportionally based on the value of the account balances, 2) as an equal dollar amount based on the number of participants of the Plan, or 3) charged to the related participant's account, based on the nature of the expense.

2. Summary of Accounting Policies (Continued):

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is as least reasonably possible that changes in risk in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

3. Fair Value Measurements:

The Financial Accounting Standards Board, Accounting Standards Codification Topic 820 (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy prioritizing the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

> Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
>
> Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.
>
> Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

In many cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

3. Fair Value Measurements (Continued):

The following table sets forth by level within the fair value hierarchy the Plan investment assets and investment liabilities at fair value, as of December 31, 2020 and 2019.

December 31,		Fair Value	
	Level	2020	2019
Mutual funds	1	$ 23,984,606	$ 13,833,244
Common collective trust funds	*(a)*	43,055,392	46,574,732
		$ 67,039,998	$ 60,407,976

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Common Collective Trust Funds

Wells Fargo Stable Return Fund

The Wells Fargo Stable Return Fund (Stable Return Fund), held in a common collective trust fund, invests in conventional and synthetic guaranteed investment contracts (GICs) issued by life insurance companies, banks and other financial institutions with excess cash invested in cash equivalents. These investments are valued at the net asset value (NAV) per unit as of the close of business on the valuation date as a practical expedient for the estimated fair value. The NAV is quoted on a private market that is not active; however, the unit price is based on the value of the underlying investment assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV for the Stable Return Fund is based on the contract value of fully benefit-responsive contracts, conventional and synthetic GICs, which represents invested principal plus accrued interest thereon. The Stable Return Fund seeks to provide preservation of capital and relatively stable returns regardless of the volatility of the financial markets.

The Wells Fargo Stable Return Fund is valued at the NAV of the units held by the Plan. NAV would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. There are no significant redemption restrictions or unfunded commitments on these investments.

Wells Fargo Collective Investment Funds

The value of the Wells Fargo Collective Investment Funds are based on the NAV of the units as a practical expedient to estimate fair value. NAV is determined by the security process of the underlying investments which are listed on national securities exchanges and valued on the basis of year-end closing prices. While the underlying security process are quoted process, the NAV of a collective investment fund is not publicly traded.

3. Fair Value Measurements (Continued):

The following table summarizes investments measured at fair value utilizing NAV as the practical expedient as of December 31, 2020 and 2019.

December 31,	2020	2019
Wells Fargo Stable Return Fund	$ 7,989,624	$ 14,411,859
Wells Fargo Collective Investment Funds	35,065,768	32,162,873
	$ 43,055,392	$ 46,574,732

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Information Certified by the Plan's Trustee:

The investments included in the statements of net assets available for benefits as of December 31, 2020 and 2019 and the interest and net appreciation in fair value of investments included in the statement of changes in net assets available for benefits for the year ended December 31, 2020 have been derived from information certified as complete and accurate by Wells Fargo Bank, N.A., trustee of the Plan, in accordance with 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as follows:

December 31,	2020	2019
Mutual funds	$ 23,984,606	$ 13,833,244
Common collective trusts	43,055,392	46,574,732

Year ended December 31,	2020
Net appreciation in fair value of investments	$ 7,657,668
Dividends	300,131
Other income	10,932
Interest on participant loans	65,847

5. Tax Status:

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the letter, however the Plan administrator believes the Plan continues to be operated in compliance with applicable requirements of the IRC and the related trust continues to be tax exempt.

Management evaluated the Plan's tax positions and concluded that as of December 31, 2020 and 2019 the Plan had taken no uncertain tax positions that require recognition of a liability (or asset) in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2017.

6. Party-In-Interest Transactions:

Plan investments in the common collective trust and mutual funds are managed by Wells Fargo Bank, N.A., the trustee of the Plan. Therefore, these investment transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services and transaction fees amounted to $230,772 for the year ended December 31, 2020 and are included in administrative expenses in the accompanying statements of changes in net assets available for benefits.

7. Plan Termination:

The Company has the right under the Plan to discontinue its contributions at any time or to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974. Although no intent to do so has been expressed, in the event of Plan termination, participants will become immediately vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner, as the Company may determine, which is in compliance with ERISA.

8. Reconciliation of Financial Statements to the Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2020 and 2019:

December 31,	2020	2019
Net assets available for benefits per the financial statements	$ 68,240,989	$ 61,913,583
Contribution receivable not reflected on Form 5500	-	(285,298)
Net assets available for benefits per Form 5500	$ 68,240,989	$ 61,628,285

The following is a reconciliation of the increase in Plan assets per the financial statements to the Form 5500 for the year ended December 31, 2020:

Year ended December 31,	2020
Net increase in Plan assets per the financial statements	$ 6,327,406
Change in contribution receivable	285,298
Net increase in Plan assets per Form 5500	$ 6,612,704

9. Subsequent Events:

Effective May 25, 2021 Principal Financial Services, Inc. became Trustee of the Plan and third party administrators of the Plan administration, succeeding Wells Fargo Bank, N.A..

The Company acquired Daryl Flood, Inc. and effective March 31, 2021, the Plan was amended to allow participants of the Daryl Flood, Inc. 401(k) Plan to participate in the Plan and rollover their assets to The Suddath Companies Retirement Savings Plan.

Management has evaluated subsequent events through October 14, 2021, the date the financial statements were available to be filed and has determined that, other than the items discussed above, there were no material events requiring recognition or disclosure.
