Note 1. DESCRIPTION OF THE PLAN

The following description of the One World 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which became effective on January 1, 2020, is a defined contribution plan covering substantially all employees of One World Ventures, LLC (the Plan sponsor) and the following members of its controlled group: One World CPG, LLC, One World Beef, LLC, One World Meat Company, LLC, OWB Packers, LLC, and OWB Restaurant Group, LLC (collectively with the Plan sponsor, the Companies). The Plan excludes employees covered by a collective bargaining agreement, leased employees, and non-resident aliens. Employees are eligible to participate in the Plan after completing six months of elapsed time service and attaining 21 years of age. Initial plan entry dates are defined as the first day of each calendar month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to make salary deferral contributions to the Plan of up to 100% of eligible compensation, subject to annual limits established by the Internal Revenue Service (IRS). Under the terms of the Plan, participants are permitted to designate a portion or all of the deferral contributions they are otherwise eligible to make as Roth deferral contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions, subject to IRS annual limits. The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their pre-tax deferral rate set at 3% of eligible compensation and their contributions invested in a designated fund until changed by the participant. On January 1st of each year, the pre-tax deferral rate for an automatically enrolled participant is increased by 1% until a maximum of 6% is reached.

Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers).

The Companies are not permitted to make matching contributions or profit sharing contributions to the Plan. The Companies may make qualified non-elective contributions to the Plan, which would be allocated in the same ratio as each eligible participant's compensation bears to the total compensation of all eligible participants.

Note 1. DESCRIPTION OF THE PLAN (continued)

Contributions (continued)

Participants may direct the investment of their contributions (including the Companies' contributions) into various investment options offered by the Plan. Participants may change their investment allocations at any time.

Participant Accounts

Each participant has an individual investment account that is credited with his or her salary deferral and rollover contributions, qualified non-elective contributions, and actual earnings or losses thereon. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their salary deferral and rollover contributions, qualified non-elective contributions, and all related earnings.

Notes Receivable from Participants

Participants loans are not permitted under the terms of the Plan.

Payment of Benefits

Upon termination of service, normal retirement, or attainment of age 59.5, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account. In the event of death, extended payment terms for beneficiaries are allowed.

Participants may also be eligible to request a distribution from their vested account balance for reasons of financial hardship. The Plan does not initiate a six month suspension on salary deferral contributions following a hardship distribution.

Coronavirus Aid, Relief, and Economic Security (CARES) Act

In 2020, the Plan adopted the expanded distribution option available to qualified individuals, as defined, under Section 2202 of the CARES Act. The provisions allow for coronavirus-related distributions of up to $100,000 to qualified individuals through December 31, 2020, which are exempt from the normal 10% early withdrawal penalty.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the fully benefit-responsive guaranteed investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's publicly traded mutual funds are valued at the daily closing prices as reported by the funds and are categorized as level 1 in the fair value hierarchy. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of investments are recorded on a settlement date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold during the year as well as held at year end.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses of the Plan are paid directly by the Companies. Administrative expenses are recorded when incurred. Investment related expenses are included in the net realized and unrealized appreciation in fair value of investments.

Note 3. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include (a) quoted prices for similar assets or liabilities in active markets, (b) quoted prices for identical or similar assets or liabilities in inactive markets, (c) inputs other than quoted prices that are observable for the asset or liability, or (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Fair Value Measurements as of December 31, 2020:

	Fair Value	Level 1	Level 2	Level 3
Investments:				
Mutual funds	$ 186,175	$ 186,175	$ -	$ -
Total investments, at fair value	$ 186,175	$ 186,175	$ -	$ -

Note 4. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan invests in a fully benefit-responsive guaranteed investment contract, the Great-West Investments Fixed Account (GWI Fixed Account), through a group annuity contract with Great-West Life & Annuity Insurance Company. The GWI Fixed Account guarantees principal and a minimum rate of interest, and is an obligation of Great-West Life & Annuity Insurance Company's general account. The interest rate credited under the contract is reset on a quarterly basis, and may be higher than the guaranteed minimum interest rate. As of December 31, 2020, the contract value of the Plan's GWI Fixed Account was $567. The interest rate equaled the guaranteed minimum interest rate of 1.05% per annum during the year ended December 31, 2020. All guarantees are based on the financial strength and claims-paying ability of Great-West Life & Annuity Insurance Company, who is solely responsible for the obligations under its contracts.

Certain events may limit the Plan's ability to execute transactions at contract value with the issuer (e.g., premature termination of the contract by the Plan, plant closings, layoffs, Plan termination, bankruptcy, mergers, and early retirement incentives, among others); however, the plan administrator has determined that those events that would limit the ability of the Plan to transact at contract value with plan participants are not probable of occurring.

Note 5. INFORMATION CERTIFIED BY THE PLAN TRUSTEES

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared by and certified to as complete and accurate by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the trustees of the Plan.

	2020
Mutual funds, at fair value	$ 186,175
Guaranteed investment contract, at contract value	567
Dividend income	2,604
Net realized and unrealized gain in fair value of investments in mutual funds	6,204

Note 6. PARTY-IN-INTEREST TRANSACTIONS

Certain expenses of the Plan are paid for by the Companies and, therefore, these transactions qualify as party-in-interest transactions. The most significant of these costs are the salaries for the employees responsible for plan administration and fees paid to third party administrators.

Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, as trustees and investment managers for the Plan's assets, disburse benefit payments and execute all investment transactions. As a result, certain investment transactions qualify as party-in-interest transactions.

Note 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8. TAX STATUS

The Plan uses a prototype, non-standardized document sponsored by Premier Plan Consultants, Inc. An opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, states that the prototype document satisfies the applicable requirements of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax period in progress. The Plan's tax returns for all tax years since inception remain subject to examination by taxing authorities.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for an uncertain position if it is not more likely than not that the position would be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

Note 9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

Note 10. SUBSEQUENT EVENTS

Subsequent events were evaluated for accrual and disclosure through October 13, 2021, which is the date that the 2020 financial statements were available to be issued.
