The Plan Administrator and Management of
Boxer Property 401(k) Plan

Dear Plan Administrator and Management:

We are pleased to present the results of our audit of the 2020 financial statements of the Boxer Property 401(k) Plan (the "Plan").

This report to the Plan Administrator and management summarizes our audit, the report issued and various analyses and observations related to the Plan's accounting and reporting. The document also contains the communications required by our professional standards.

We were engaged to perform a Department of Labor (DOL) limited-scope audit of those financial statements as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Our audit did not include all of the procedures required by auditing standards generally accepted in the United States of America (U.S. GAAS) and did not include a consideration of internal control relating to the information summarized in Note 3 to the Plan's financial statements. Because of the significance of the information that we did not audit, we were unable to, and did not, express an opinion on the Plan's financial statements. We considered the Plan's current and emerging business needs, along with an assessment of risks that could materially affect the financial statements, and aligned our audit procedures accordingly. We conducted the audit with the objectivity and independence that you, the Plan Administrator and Management. We received the full support and assistance of the Plan's personnel.

At Carr, Riggs & Ingram, LLC ("CRI"), we are continually evaluating the quality of our professionals' work in order to deliver audit services of the highest quality that will meet or exceed your expectations. We encourage you to provide any feedback you believe is appropriate to ensure that we do not overlook a single detail as it relates to the quality of our services.

This report is intended solely for the information and use of the Committee, the Plan Administrator, Management, and others within the Plan, and should not be used by anyone other than these specified parties.

We appreciate this opportunity to work with you. If you have any questions or comments, please contact me at 832-333-7506 or wsnelson@cricpa.com.

Very truly yours,

Carr, Riggs & Ingram, L.L.C.

Carr, Riggs & Ingram, LLC

As discussed with the Plan Administrator and Management during our planning process, our audit plan represented an approach responsive to the assessment of risk for the Plan. Specifically, we planned and performed our audit to:

- Perform limited scope audit services, as requested by the Plan Administrator and permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), in accordance with U.S. GAAS, in order to express an opinion on the Plan's financial statements for the year ended December 31, 2020;

- Communicate directly with the Plan Administrator and Management regarding the results of our procedures;

- Address with the Plan Administrator and Management any accounting and financial reporting issues;

- Anticipate and respond to concerns of the Plan Administrator and Management; and

- Other audit-related projects as they arise and upon request.

We have audited the financial statements of Boxer Property 401(k) Plan (the "Plan") for the year ended December 31, 2020, and have issued our report thereon dated October 14, 2021. Professional standards require that we provide you with the following information related to our audit:

MATTER TO BE COMMUNICATED	AUDITORS' RESPONSE
Auditors' responsibility under Generally Accepted Auditing Standards	As stated in our engagement letter dated July 1, 2021, as described by professional standards and as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedules taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As part of our audit, we considered the internal control of the Plan. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.
Client's responsibility	Management, with oversight from those charged with governance, is responsible for establishing and maintaining internal controls, including monitoring ongoing activities; for the selection and application of accounting principles; and for the fair presentation in the Plan's financial statements of net assets available for benefits and statement of changes in net assets available for benefits in conformity with the applicable framework. Management is responsible for the design and implementation of programs and controls to prevent and detect fraud.
Planned scope and timing of the audit	Our initial audit plan was not significantly altered during our fieldwork.
Management judgments and accounting estimates *The process used by management in forming*	Please see the following section titled "Accounting Policies, Judgments and Sensitive Estimates and CRI

MATTER TO BE COMMUNICATED	AUDITORS' RESPONSE
particularly sensitive accounting estimates and the basis for the auditors' conclusion regarding the reasonableness of those estimates.	Comments on Quality."
Potential effect on the financial statements of any significant risks and exposures *Major risks and exposures facing the Plan and how they are disclosed.*	No such significant risks or exposures were noted.
Significant accounting policies, including critical accounting policies and alternative treatments within generally accepted accounting principles and the auditors' judgment about the quality of accounting principles • *The initial selection of and changes in significant accounting policies or their application; methods used to account for significant unusual transactions; and effect of significant policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.* • *The auditor should also discuss the auditors' judgment about the quality, not just the acceptability, of the Plan's accounting policies as applied in its financial reporting. The discussion should include such matters as consistency of accounting policies and their application, and clarity and completeness of the financial statements, including disclosures.* *Critical accounting policies and practices applied by the Plan in its financial statements and our assessment of management's disclosures regarding such policies and practices (including any significant modifications to such disclosures proposed by us but rejected by management), the reasons why certain policies and practices are or are not considered critical, and how current and anticipated future events impact those determinations;* • *Alternative treatments within GAAP for accounting policies and practices related to material items, including recognition, measurement, presentation and disclosure alternatives, that have been discussed with client management during the current audit period, the ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the auditor;* *Furthermore, if the accounting policy selected by management is not the policy preferred by us, discuss the reasons why management selected that policy, the policy preferred by us, and the reason we preferred the other policy.*	Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the Plan's financial statements. The application of existing policies was not changed during 2020. The Plan adopted ASU 2018-13 effective January 1, 2020, however, the adoption did not have a significant impact on the Plan's financial statements. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period. Further, the Plan's financial statement disclosures are neutral, consistent, and clear. Certain Plan financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the Plan's financial statements is the disclosure regarding fair value measurements of investments in Note 4.

MATTER TO BE COMMUNICATED	AUDITORS' RESPONSE
Significant difficulties encountered in the audit *Any significant difficulties, for example, unreasonable logistical constraints or lack of cooperation by management.*	None.
Disagreements with management *Disagreements, whether or not subsequently resolved, about matters significant to the financial statements or auditors' report. This does not include those that came about based on incomplete facts or preliminary information.*	None.
Other findings or issues *Matters significant to oversight of the financial reporting practices by those charged with governance.*	None.
Matters arising from the audit that were discussed with, or the subject of correspondence with, management *Business conditions that might affect risk or discussions regarding accounting practices or application of auditing standards.*	None.
Corrected and uncorrected misstatements *All significant audit adjustments arising from the audit, whether or not recorded by the Plan, that could individually or in the aggregate have a significant effect on the financial statements. We should also inform the Committee about uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented, that were determined by management to be immaterial, both individually and in the aggregate, to the financial statements taken as a whole. Any internal control deficiencies that could have prevented the misstatements.*	Please see the following section titled "Summary of Audit Adjustments."
Major issues discussed with management prior to retention *Any major accounting, auditing or reporting issues discussed with management in connection with our initial or recurring retention.*	None.
Consultations with other accountants *When management has consulted with other accountants about significant accounting or auditing matters.*	None of which we are aware.

MATTER TO BE COMMUNICATED	AUDITORS' RESPONSE
Written representations *A description of the written representations the auditor requested (or a copy of the representation letter).*	See "Management Representation Letter" section.
Internal control deficiencies *Any significant deficiencies or material weaknesses in the design or operation of internal control that came to the auditors' attention during the audit.*	See "Internal Control Findings" section.
Fraud and illegal acts *Fraud involving senior management, the Plan Administrator or those responsible for internal controls, or causing a material misstatement of the financial statements, where the auditor determines there is evidence that such fraud may exist. Any illegal acts coming to the auditors' attention involving senior management and any other illegal acts, unless clearly inconsequential.*	We are unaware of any fraud or illegal acts involving management or causing material misstatement of the financial statements.
Parties in interest and prohibited transactions *Any parties in interest in the plan, prohibited transactions as defined by ERISA, and other reportable transactions.*	No prohibited transactions were noted. Transactions with parties in interest were properly disclosed in the notes to the financial statements. The delinquent participant contributions supplemental schedule was included in the 2020 financial statements as the delinquent contributions from a prior year were corrected during the year ended December 31, 2020.
Other information in documents containing audited financial statements *The external auditors' responsibility for information in a document containing audited financial statements, as well as any procedures performed and the results.*	Our responsibility related to documents (including annual reports, websites, etc.) containing the financial statements is to read the other information to consider whether: • Such information is materially inconsistent with the financial statements; and • We believe such information represents a material misstatement of fact. We have not been provided any such items to date and are unaware of any other documents that contain the audited financial statements. The 5500 will be considered.
Other matters *Communication of other pertinent matters.*	None noted.

Accounting estimates are an integral part of the Plan's financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the Plan's financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

We are required to communicate our judgments about the quality, not just the acceptability, of the Plan's accounting principles as applied in its financial reporting. We are also required to communicate critical accounting policies and sensitive accounting estimates. The Plan administrator may wish to monitor throughout the year the process used to compute and record these accounting estimates. The table below summarizes our communications regarding these matters.

AREA	ACCOUNTING POLICY	CRITICAL POLICY?	JUDGMENTS & SENSITIVE ESTIMATE	COMMENTS ON QUALITY OF ACCOUNTING POLICY & APPLICATION
Investments	Based on the limited scope procedures we performed with respect to the Plan's investments, we noted that it appears the Plan accounts for investments in accordance with all applicable standards and guidelines of ERISA. The Plan follows the provisions of Accounting Standards Codification (ASC) 820, *Fair Value Measures*, when reporting investments.	X	The Plan relies on valuations from the Custodian for 100% of the asset values. The allocation between Levels 1-3 under ASC 820 is based on a detailed management review of the underlying investments.	The Plan's policies are in accordance with all applicable accounting guidelines and ERISA.

During the course of our audit, we accumulate differences between amounts recorded by the Plan and amounts that we believe are required to be recorded under accounting principles generally accepted in the United States of America (U.S. GAAP) and ERISA reporting guidelines. Those adjustments are either recorded (corrected) by the Plan or passed (uncorrected).

The following is a list of adjustments recorded (corrected) by the Plan:

Adjusting Journal Entries			
Adjusting Journal Entries JE # 1			
Tp accrue refundable 2020 excess contributions per compliance testing results			
501	Corrective Distributions paid to participants	17,443.00	
200	Excess Contributions Refundable		17,443.00
Total		**17,443.00**	**17,443.00**
	Total Adjusting Journal Entries	**17,443.00**	**17,443.00**

There were no passed adjustments (uncorrected) in the current year.

QUALITATIVE MATERIALITY CONSIDERATIONS

In evaluating the materiality of audit differences when they do arise, we consider both quantitative and qualitative factors, for example:

- Whether the difference arises from an item capable of precise measurement or whether it arises from an estimate, and, if so, the degree of imprecision inherent in the estimate.
- Whether the difference masks a change in earnings or other trends.
- Whether the difference changes a net decrease in assets to addition, or vice versa.
- Whether the difference concerns an area of the Plan's operating environment that has been identified as playing a significant role in the Plan's operations or viability.
- Whether the difference affects compliance with regulatory requirements.
- Whether the difference involves concealment of an unlawful transaction.
- Whether the difference involves concealment of a prohibited transaction, or transaction with a party in interest, as defined by ERISA.

This representation letter is provided in connection with your audit of the financial statements and supplemental schedules of Boxer Property 401 (K) Plan ("the Plan"), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements, for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedules are fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the custodians, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedules. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedules as a whole. We understand that the form and content of the information in the financial statements and supplemental schedules, other than that derived from the information certified by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

25) The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

26) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows:

Mutual Funds – valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust – valued based on NAV per share or unit as a practical expedient as reported by the fund manager, multiplied by the number of shares or units held as of the measurement date. Accordingly, the NAV based investments have been excluded from the fair value hierarchy.

Key Guaranteed Portfolio Fund – valued at contract value due to being a fully benefit responsive guaranteed investment contract with Great-West Life and Annuity Insurance Company.

The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

27) All required amendments to and filings of plan documents with the appropriate agencies have been made. The Plan operates under a prototype plan sponsored by Empower. Empower received an opinion letter from the Internal Revenue Service dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code. The prototype plan has been amended since receiving the opinion letter. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

28) The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The Plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

29) The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.

30) The Plan has complied with the fidelity bonding requirements of ERISA.

31) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

32) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

33) We intend to formally amend the plan documents to adopt the provisions of the CARES and SECURE Act as disclosed in the financial statements.

34) We acknowledge our responsibility for presenting the Schedule H, Line 4i – Schedule of Assets (held at end of year) and Schedule H, Line 41 – Schedule of Delinquent Participant Contributions (collectively, the "supplemental schedules"), in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the form and content of the supplemental schedules are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedules have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedules.

35) We acknowledge that administrative expenses paid by the Plan Sponsor on behalf of the Plan will not be reimbursed by the Plan and the Plan Sponsor will not seek reimbursement of such expenses.

36) We have reviewed the draft of the audited financial statements and prepared by Carr, Riggs & Ingram, LLC and acknowledge our approval of, and responsibility for, those statements to be issued as drafted.

The Plan Administrator and Management of
Boxer Property 401(k) Plan

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Boxer Property 401(k) Plan (the "Plan") as of and for the year ended December 31, 2020, in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"), we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of issuing our reports on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform a DOL limited-scope audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Our audit did not include all of the procedures required by U.S. GAAS and did not include a consideration of internal control relating to the information summarized in Note 3 to the Plan's financial statements. Because of the significance of the information that we did not audit, we were unable to, and did not, express an opinion on the Plan's financial statements.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, there can be no assurance that all such deficiencies have been identified.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses. We included in the accompanying chart control deficiencies and other internal control recommendations for management's consideration.

This communication is intended solely for the information and use of the Plan Administrator, Management, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

The following legend should be used in conjunction with reviewing the "Rating" of each of the identified internal control items:

IP = Improvement Point	D = Control Deficiency	SD = Significant Deficiency	MW = Material Weakness

CONTROL NUMBER	RATING	AREA	ITEM NOTED	SUGGESTION
20-1	IP	Declination forms documentation	CRI noted that although employees who do not want to participate in the plan will fill opt-out forms or put "0%" on the enrollment forms, for participants that opt-out afterward, the process can be informal as employees can just send an e-mail or drop by HR to verbally inform HR they wish to opt-out. These declinations are not retained in personnel files.	We recommend Plan management have all employee who choose not to participate in the Plan sign a declination forms or put "0%" on enrollment forms both at the time of hire and when changing the deferral afterwards, for the plan sponsor's records. The burden of proof for establishing eligible participants were given the option to participate would fall upon the plan sponsor.

CONTROL NUMBER	RATING	AREA	ITEM NOTED	SUGGESTION
19-2	IP	Plan Management meetings	During our audit, we noted that the Plan's oversight group meets periodically with the third party administrator and investment advisor to discuss matters relating to the Plan however minutes of those meetings are not maintained and should be prepared on a timely basis to provide a permanent record of committee discussions and decisions.	We recommend that Plan management implement a policy to meet regularly and document these meetings and any important decisions or discussion held during these meetings. The following should be documented, if applicable: • Date, time and location of the meeting • Identification of the people present at the meeting • Report of the investment advisor • Participation issues such as education, goals for increasing the number of participants or deferral rates • Plan expenses review and evaluation • Fund performance review and evaluation • Consideration of approval of Plan amendments • Decisions made

CONTROL NUMBER	RATING	AREA	ITEM NOTED	SUGGESTION
20-3	IP	Contributions	During our testing we noted three instances where employee deferrals exceeded the 2020 maximum limit of $26,000.	Although these amounts were identified and refunded to these three participants in 2021, we would recommend establishing a limit in the payroll system that would not allow deductions greater than the maximum limit for each year.
20-4	IP	Review of annual SOC reports for service providers	We noted for 2020 there was no review of the SOC report for outside service providers Empower and Paycom.	We recommend management obtain and review the annual SOC reports for each service provider paying close attention to the complementary user controls and ensuring these are implemented as applicable.
20-5	IP	Participant loan approvals	Supporting documentation of the approval of a participant loan request was not retained by the Company.	We would suggest the Company retain supporting documentation of the approval for all participant loan requests.
20-6	CD	Distributions	We noted a hardship distribution for which no documentation to support the immediate and heavy financial need was obtained and two other CARES Act related distributions for which documentation of the participant's self-certification was not retained.	We recommend management discuss the hardship and CARES Act distribution documentation requirements with Empower to ensure each party is performing the appropriate steps including obtaining and retaining supporting documentation as applicable. The Company believes Empower is responsible for obtaining supporting documentation but Empower is not doing so.
