INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of
the Future Ford of Concord 401(k) Plan

Report on the Financial Statements
We were engaged to audit the accompanying financial statements of the Future Ford of Concord 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion
As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the custodian of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustees hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained a certification from the trustees as of and for the year ended December 31, 2020 and 2019 that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion
Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

INDEPENDENT AUDITORS' REPORT (continued)

Other Matter - Supplemental Schedules
The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2020, and the Schedule of Delinquent Participant Contributions are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Other Matter - 2019 Financial Statements
The financial statements of the Plan as of December 31, 2012, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the custodian of the Plan. Their report, dated October 12, 2020, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of he information included in the financial statements other that that derived from the information certified by the Trustee, were presented incompliance with the Department of Labor's rules and Regulations for Reporting and Disclosure under ERISA.

Note 1: Description of Plan

The following description of the Future Ford of Concord 401(k) Plan provides only general information. Participants should refer to the Plan agreement and Summary Plan Description for a more complete description of the Plan's provisions.

General. The Future Ford of Concord 401(k) Plan is a defined contribution plan and was established to provide retirement benefits for the employees of the participating companies ("the Company"). The participating companies are Future Ford of Concord, LLC, the Plan sponsor, and Future Automotive Concord, Inc. All employees of the Company, excluding employees covered under collective bargaining agreements, non-resident aliens, and leased employees, are eligible to participant in the Plan upon completing 780 hours of service during the first 6 months of employment or a year of service (1,000 hours in a 12-month period) and attaining the age of 21. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions. Each year, participants may contribute 1-100% of their compensation, as defined in the Plan, and subject to IRS annual limits. The Company may make matching contributions equal to a discretionary percentage of the participant's salary deferral. For the 2020 plan year, the Company made an annual matching contribution of 50% of each participant's deferral amount, with a maximum of 3% of eligible compensation for the year ended December 31, 2020.

Participant Accounts and Vesting. Each participant's account is credited with the participant's contribution, the employer's contribution, if any, and an allocation of the Plan's earnings. The Plan's earnings are allocated according to participants' relative account balances in the investment options.

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. That portion of the participants' account attributable to employer matching contributions vests ratably over five years of service. Participants' accounts become fully vested upon attainment of the normal retirement age of sixty five, early retirement age as defined in the Plan Agreement, or in the event of death or total disability.

Net assets available for benefits includes the accounts of active participants, as well as certain separated, vested and retired participants who have elected to defer receipt of their benefit until a later date. These participants share in the earnings of the investments held in their account.

Forfeitures. The forfeited non-vested portion of terminated employees account balances are used as additional employer contributions or pay administrative expenses. In 2020, there were $4,507 of forfeitures generated from forfeited non-vested accounts. No forfeitures were used during 2020. As of December 31, 2020, there were $5,083 of unused forfeitures available to pay plan expenses or to be used to reduce future employer contributions.

Risks and Uncertainties. The Plan provides for various investment options which are exposed to a various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is possible that changes in the values of investments will occur in the near term and would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Payment of Benefits. On termination of service, normal retirement, or death, a participant may elect to receive a distribution of their vested account balance in a single lump-sum in cash, in equal installments, or in any amounts and at any time (Ad-Hoc). All investments available in the plan will allow for daily redemptions with no redemption notice period required.

In certain hardship situations, as described in the plan agreement, participants may withdraw part of their account balances while actively employed, but such withdrawals are limited to the amount dictated by the hardship.

Note 1: Description of Plan (continued)

Notes Receivable from Participant. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. Loan balances may be paid over a reasonable period of time not to exceed five years, except in the case that the proceeds of the loan are used to acquire a dwelling to be used as the Participant's principal residence. The loans are secured by the balance in the participant's account and bear interest at the rate of the prime rate published in The Wall Street Journal on the fie first business day of each month, plus 1%. Under the CARES Act, the Company voluntarily allowed eligible participants to borrow up to $100,000 from their vested account balance from March 27, 2020 through September 22, 2020 and allowed suspension loan payments from March 27, 2020 through December 31, 2020 for up to one year.

Plan Termination. Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time. In the event of termination, the respective participant interest, net of any termination fees, will become fully vested and will be distributed to each participant in accordance with Plan documents.

Investment Options. Upon enrollment in the Plan, a participant may direct their contributions in various increments to the investments administered by Empower Retirement. Participants may change their investment options among various mutual funds or the Key Guaranteed Portfolio Fund.

Amendments - The plan was amended on April 1,2020 to remove the requirement to suspend participant contributions after receiving a hardship distribution. The Plan adopt the provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act (2020). These provisions include allowing COVID affected participants to: withdraw up to $100,000 through December 31, 2020; suspend loan payments through December 31, 2020; and request loans up to $100,000 or 100% of their vested balance. The required minimum distribution (RMD) requirements for 2020 were also suspended for all participants.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting. The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition. The Plan's investments with Empower Retirement at December 31, 2020 consist of registered investment company (Mutual Funds) and General Account Investments. Mutual funds are stated at fair value based on quoted market prices and the General Account Investment (the Key Guaranteed Portfolio) is stated at contract value as determined by Empower Retirement. Contract value is based on amounts contributed or transferred into the Key Guaranteed Account plus all accrued interest, less withdrawals or transfers out.

Use of Estimates. The preparation of financial statements in conformity with generally accepted accounting principles in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits - Benefits are recorded when paid.

Subsequent Events. Plan management has evaluated subsequent events for disclosure in these financial statements through October 14, 2021 the date the financial statements were available to be issued.

Note 3: Information Certified by Trustee

Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the custodian of the Plan, has certified as to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2020 and 2019, the investment activities and interest income from participant notes reflected on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2020, and all investment information reflected in the supplemental Schedule of Assets Held for Investment Purposes at December 31, 2020, in accordance with 29 CFR 2520.103-8(c) of the Department of Labor's Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This information has been certified as complete and accurate to the best of their knowledge and is summarized below:

	2020	2019
Investments at fair value (Mutual Funds)	$ 3,960,944	$ 3,565,387
Investments at contract value (Key Guaranteed Portfolio)	611,338	310,567
Notes Receivable from Participants	185,104	114,013
Interest/Dividend income	132,199	
Net appreciation in value of investments	368,622	

Note 4: Fair Value Measurements

Financial Accounting Standards Board ASC 820-10 (formerly FASB Statement No. 157, Fair Value Measurements), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets:

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 4: Fair Value Measurements - continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds: Valued at the net asset value ('NAV') of shares held by the plan at year end based on quoted open market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, the Plan's assets at fair value as of December 31, 2020 and 2019:

Asset Hierarchy as of December 31, 2020

	Level 1	Level 2	Level 3	Total
Assets in the fair value hierarchy:				
Mutual Funds	$ 3,960,944	$ -	$ -	$ 3,960,944
Total assets at fair value	$ 3,960,944	$ -	$ -	$ 3,960,944

Asset Hierarchy as of December 31, 2019

	Level 1	Level 2	Level 3	Total
Assets in the fair value hierarchy:				
Mutual Funds	$ 3,565,387	$ -	$ -	$ 3,565,387
Total assets at fair value	$ 3,565,387	$ -	$ -	$ 3,565,387

Note 5: Investment Contract With Insurance Company - Key Guaranteed Portfolio Fund

The Plan has entered into a deposit contract with Great-West Life & Annuity Company ("Great-West"), the parent of Empower Retirement, to provide participants in the Plan the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is an obligation of Great-West, and invested assets are commingled with the other assets in Great-West's general account. There is no specific portfolio of assets in which the Plan's Key Guaranteed Portfolio Fund assets are invested. The crediting interest rate is backed by the income received from assets held in the general account and Great-West's guarantee. Amounts allocated to the Key Guaranteed Portfolio Fund will earn interest at the higher of the rate guaranteed under the contract or the current rates established each quarter and declared in advance by Great-West. The crediting interest rate may change each quarter and applies to all money deposited in the plan's Key Guaranteed Portfolio Fund. The crediting rate at December 31, 2020 was .90%

Note 5: Investment Contract With Insurance Company (continued)

The investment is considered fully benefit responsive and normal participant withdrawals and transfers from the Key Guaranteed Portfolio Fund are processed at contract value. If the Plan were to request a liquidation, surrender charges and/or market value adjustments may apply. A significant deterioration in the creditworthiness of Great-West may result in participants' receiving less than full contract value. Contract Value for the Key Guaranteed Portfolio Fund is as follows:

	2020	2019
Traditional Insurance Company General Account Investment Contract	$ 611,338	$ 310,567

Note 6: Tax Status

The Plan has adopted the Great-West Trust Company Defined Contribution Prototype Plan And Trust prototype plan document. The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service dated March 31, 2014. The Plan has been amended since receiving the determination letter, and the Plan sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan administrator evaluates tax positions taken by the plan and recognizes a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administration has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2020, there are no uncertain positions. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

Note 7: Investment and Administrative Fees

The Plan paid administrative and advisory fees of $31,401 for the year ending December 31, 2020. Empower receives a record keeping charge of .75% of average assets. Empower also receive indirect compensation paid by each mutual fund. Total investment expenses charged by each mutual fund at December 31, 2020, not including the record keeping fees of .75%, range from .02% to .71% of average assets depending on which investments are selected.

Note 8: Party-In-Interest Transactions

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Plan's investment in the Key Guaranteed Portfolio Fund is managed by Great-West, the trustee. Great-West is the investment advisor for this investment and receives indirect compensation, and therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions.

Note 9: Delinquent Participant Contributions

During the 2020 plan year, the Plan sponsor inadvertently failed to deposit $14,034 of participant deferrals and loan payments within the required timeframe as stated by the United States Department of Labor (DOL). The DOL considers late deposits to be prohibited transactions. The plan sponsor anticipates contributing the lost earnings to the affected participants in November 2021, and filing the required Form 5330 with the Internal Revenue Service.
