22) We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

23) Except as made known to you, we have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and Internal Revenue Service ("IRS") regulations).

25) The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.

26) We have no:

    a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

    b) Intentions to terminate the Plan.

27) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements. See attachment, Plan Updates - 2020 Impact, for a list of formal amendments and informal changes made to the Plan affecting the plan year ended December 31, 2020, as applicable.

28) The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

29) The methods and significant assumptions used to estimate fair values of financial instruments, including any nonreadily marketable securities, result in a measure of fair value appropriate for financial measurement and disclosure purposes.

30) All required amendments to and filings of Plan documents with the appropriate agencies have been made.

31) The Company has not applied for a determination letter from the IRS to determine if the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan document is based upon a prototype plan instrument from the Recordkeeper which received an IRS opinion letter dated January 1, 2018. Although the prototype plan instrument has been amended since receiving the IRS opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

32) The Plan (and the trust established under the Plan) is qualified under the appropriate section of the IRC and we intend to continue them as a qualified plan (and trust). The Plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

33) The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.

34) The Plan has complied with the fidelity bonding requirements of ERISA.

35) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

36) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

DocuSign Envelope ID: 97E2ED1F-372C-425B-8466-B860562E500C

37) We believe the form and content of the supplemental schedule are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

38) We did not self-correct any Plan errors, as applicable, during the year ended December 31, 2020.

39) The Plan Sponsor made an employer match contribution equal to $0.50 for every $1.00 of participant contributions, not to exceed 7% of eligible compensation for the year ended December 31, 2020, for a total of $671,104, net of forfeitures as applicable.

40) We have obtained the service auditors' (or SOC 1) report from our service organization (Ascensus, LLC). We have reviewed such report, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the year ended December 31, 2020.

41) We have provided you with all of the information that is relevant to our plans to mitigate the adverse effects of conditions or events, including the effects of COVID-19, that are relevant to the Plan's ability to continue as a going concern for at least one year after the date the financial statements are available to be issued, including our evaluation of the likelihood that those plans can be effectively implemented.
