INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
High Flying Foods, Inc. 401(k) Plan
Sausalito, California

We were engaged to audit the accompanying financial statements of High Flying Foods, Inc. 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any audit procedures with respect to the information referred to in Note 4 which was certified by John Hancock Life Insurance Company (U.S.A.), the Custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the Custodian as of December 31, 2020 and 2019, and for the year ended December 31, 2020, that the information provided to the plan administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As further discussed in Note 1, on March 11, 2020, the World Health Organization declared the novel strain of coronavirus ("COVID19") a global pandemic and recommended containment and mitigation measures worldwide. The COVID19 outbreak in the United States has caused economic disruption through mandated and voluntary closings of business and shelter in place orders. It is at least reasonably possible that this matter will negatively impact the Plan. However, the financial impact and duration cannot be reasonably estimated at this time. Our opinion is not modified with respect to this matter.

Other Matter

The supplemental schedule of assets (held at end of year) as of December 31, 2020, ("supplemental schedule") is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. DESCRIPTION OF THE PLAN

The following description of High Flying Foods, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan, a defined contribution plan sponsored by High Flying Foods, Inc. (the "Company") intended to qualify under section 401(a) and related provisions of the Internal Revenue Code ("IRC"), was established effective November 1, 2015. The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination or financial hardship. The Plan covers all employees of the Company who meet certain eligibility requirements. The affiliated service groups including D&G Company, LLC, Meyers Company, LLC, Gotham Foods Two, LLC, Gotham Enterprises, LLC, HFF-HPH DFW, LLC, High Flying Foods SFO, LLC, High Flying Foods San Diego Partnership, HFF-BRH SFO, LLC, HFF-LEI-HPH DEN, LLC, and HFF Oak Venture, LLC, are also adopters of the Plan, pursuant to the January 1, 2019 Plan restatement. The Plan is subject to the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") and the IRC.

On March 11, 2020, the World Health Organization declared the novel strain of coronavirus (On March 11, 2020, the World Health Organization declared the novel strain of coronavirus ("COVID-19") a global pandemic and recommended containment and mitigation measures worldwide. In response to the economic disruption caused by COVID-19, the U.S. Government enacted the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act, which includes provisions to provide relief and assistance to affected organizations. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration of COVID-19 and the ultimate impact of the CARES Act and other government initiatives. It is at least reasonably possible that this matter will negatively affect the Plan. However, the ultimate financial impact and duration cannot be reasonably estimated by management at this time.

Effective March 27, 2020, the Plan adopted the provisions of the CARES Act related to notes receivable from participants and participant distributions. See "Notes receivable from participants" and "Payment of benefits" disclosures below for a description of the provisions adopted by the Plan.

Plan administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. Custodial services are provided by John Hancock Life Insurance Company (U.S.A.) (the "Custodian") and recordkeeping services are provided by John Hancock Retirement Plan Services (collectively "John Hancock").

1. DESCRIPTION OF THE PLAN (continued)

Plan administration (continued)

Certain administrative expenses of the Plan were paid directly by the Company for 2020. Investment fees, which may vary according to the individual funds selected, are paid indirectly out of the assets of the Plan.

Eligibility

Employees of the Company are eligible to participate in the Plan upon attaining the age of 18 and completing either 3 months of service with 83.3 hours in each month, or completing one year of service, defined as 1,000 hours during the computation period. Employees covered by a collective bargaining agreement, leased employees, self-employed individuals, independent contractors, and non-resident aliens are prohibited from participating in the Plan. Employees may enter the Plan, make elective deferrals and receive Company contributions, if any, on the first day of each calendar year quarter, following the date that Plan eligibility requirements are met.

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings, and charged with an allocation of administrative expenses and Plan losses. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions

Participants may elect to contribute through payroll deductions amounts up to 100% of their annual compensation as defined by the plan document, on a pre-tax and/or Roth after-tax basis, up to the maximum amount allowed by the IRC. The maximum allowed deferral amount was $19,500 for calendar year 2020. Participants who have attained age 50 before the end of the year may contribute an additional $6,500 in catch-up contributions to the Plan for calendar year 2020. Participants may also roll over eligible amounts from other qualified plans into the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make discretionary non-elective contributions to the Plan. In order to be eligible to receive Company contributions, participants must complete 1,000 hours of service and be employed by the Company on the last day of the Plan year. There were no Company contributions made for the year ended December 31, 2020.

Vesting

Participants are immediately fully vested in their contributions plus earnings thereon.

1. DESCRIPTION OF THE PLAN (continued)

Vesting (continued)

Discretionary non-elective contributions plus earnings thereon vest according to the following schedule:

Years of Service	Percentage
Less than 1	0 %
1	20 %
2	40 %
3	60 %
4	80 %
5	100 %

In the event of death, disability or attaining normal retirement age, participants are immediately fully vested in all Company contributions plus earnings thereon.

Notes receivable from participants

Under the terms of the Plan, participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50%, of the value of their vested account balance. Loans are secured by the balance in the participant's account, bear interest at rates ranging from 5.00% to 5.75%. Loan terms range from one to five years except for primary residence loans which may exceed 5 years.

With the adoption of the CARES Act, qualifying participants impacted by COVID-19 were able to borrow up to $100,000 or 100% of their vested account balance. The increase in the borrowing limit for loans was available from March 27, 2020 through September 22, 2020. Additionally, repayment of outstanding loans for qualifying participants was able to be suspended for up to one year for payments due from March 27, 2020 through December 31, 2020. Interest continues to accrue during the suspension period.

Payment of benefits

Distributions and withdrawals are payable upon attainment of age 59 1/2, retirement, termination, financial hardship, disability or death. If a participant's account balance is equal to or less than $5,000 upon termination, the balance is distributed immediately. If the account balance is over $1,000 upon termination, and the participant does not consent to either a distribution paid in the form of a lump-sum cash payment or a direct rollover into another qualified plan, the distribution will be paid as a direct rollover to an Individual Retirement Account designated by the plan administrator. Participants with an immediate and heavy financial need may be eligible for a hardship withdrawal, subject to certain restrictions as described in the plan document.

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits (continued)

With the adoption of the CARES Act, qualified participants were able to take coronavirus-related distributions up to $100,000 or 100% of their vested account balance from January 1, 2020 through December 30, 2020. Mandatory tax withholdings and early withdrawal penalties were waived, and ordinary income taxes may be paid over a three-year period. Participants are permitted to repay the distribution over a three-year period. In addition, required minimum distributions for individuals who have reached age 70 ½ have been waived.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The financial statements of the Plan are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes therein (see Note 1).

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes receivable from participants

Notes receivable from participants (or "loans") are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. If a participant ceases to make loan repayments and the plan administrator deems the loan to be a distribution, the loan balance is reduced and a benefit payment is recorded.

Contributions

Contributions from participants are recorded based on the date the contributions have been separated from a participant's pay by the Company, which is the pay date.

Rollover contributions from participants are recorded based on the date the rollover contributions have been received by the Custodian.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Expenses are recorded when incurred.

Accounting standards update

During August 2018, the Financial Accounting Standards Board issued Accounting Standards Update No. 2018-13 ("ASU 2018-13"), Fair Value Measurement (Topic 820) *Disclosure Framework-Changes to the Disclosure Requirements for Fair Value Measurement*. The amendments eliminate, add, and modify certain fair value disclosure requirements. ASU 2018-13 is effective for fiscal years beginning after December 15, 2019, and interim periods within those fiscal years. The Plan elected to adopt ASU 2018-13 as of and for the year ended December 31, 2020. The adoption of this standard did not have a material effect on the Plan’s financial statements.

Subsequent events

The Plan has evaluated subsequent events through October 13, 2021, the date the financial statements were available to be issued. Plan management is not aware of any subsequent events which would require disclosure in the financial statements.

3. FAIR VALUE MEASUREMENTS

The fair value measurements standard establishes a framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of fair value hierarchy are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2020 and 2019.

Pooled separate accounts: Valued at the net asset value ("NAV") of units of the separate account. The NAV, as provided by the Custodian, is used as a practical expedient to estimating fair value. Participant transactions (purchases and sales) may occur daily. There is no redemption notice period, however, were the Plan to initiate a full redemption of the separate account, the investment advisor reserves the right to temporarily delay withdrawal from the account in order to ensure securities liquidation will be carried out in an orderly business manner. There are no unfunded commitments.

3. FAIR VALUE MEASUREMENTS (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investment in pooled separate accounts measured at NAV practical expedient totaling $1,101,659 and $987,862 at December 31, 2020 and 2019, respectively, is not measured within the fair value hierarchy.

4. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of ERISA. Accordingly, the Custodian has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2020 and 2019.
- Net appreciation in fair value of investments, and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2020.
- Investments and notes receivable from participants reflected on the schedule of assets (held at end of year) as of December 31, 2020.

Accordingly, as requested by the plan administrator, the Plan's independent auditor performed no audit procedures on the certified information other than to agree the certified information to the related information included in the financial statements and supplemental schedule.

5. TAX STATUS

The Plan adopted Hicks Pension Services Volume Submitter Defined Contribution Trust Basic Plan 12. Hicks Pension Services received an opinion letter from the Internal Revenue Service dated March 31, 2014, stating that the written form of the volume submitter document is designed in accordance with the applicable sections of the IRC for use by employers for the benefit of their employees. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

7. PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by John Hancock or its affiliates. John Hancock provides custodial, recordkeeping, and administrative services to the Plan through its various affiliated entities. Certain fund level fees incurred by the funds in which the Plan invests such as investment management fees and shareholder services are paid through fund level revenue sharing arrangements. These fees reduce fund earnings, thereby impacting Plan revenue applied to participants' accounts. The Plan's sponsor pays certain fees and expenses on behalf of the Plan. These transactions qualify as exempt party-in-interest transactions specifically exempted from the prohibited transaction rules of ERISA.
