Independent Auditor's Report

To the Trustees of
National Molding, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements

We have performed an audit of the financial statements of National Molding, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2020 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2020 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA ("ERISA Section 103(a)(3)(C) audit"). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution, as of December 31, 2020, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2020 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2020 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and

- the certified investment information in the accompanying 2020 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion on the 2020 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2020 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2020 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2020 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2020 Supplemental Schedule Required by ERISA

The 2020 supplemental Schedule H, Line 4i- Schedule of Assets (Held at End of the Year) is presented for purposes of additional analysis and is not a required part of the 2020 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the 2020 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 financial statements or to the 2020 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on 2019 Financial Statements

The 2019 financial statements of National Molding, LLC 401(k) Plan were audited by Morrison Brown Argiz & Farra, LLC ("MBAF"), whose partners and professional staff joined BDO USA, LLP as of January 16, 2021, and has subsequently ceased operations. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed MBAF not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their audit report, dated October 12, 2020 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2019 financial statements, and (b) the form and content of the information included in the 2019 financial statements, other than that derived from the information certified by a qualified institution, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following brief description of the National Molding, LLC 401(k) Plan (the "Plan") provides only general information. Reference to the Plan agreement should be made for a more complete description of the Plan's provisions.

General

The Plan, effective February 8, 2002, is a defined contribution plan covering all full-time employees of National Molding, LLC (the "Company" or "Employer") who have six months of service. The Plan was amended effective March 1, 2016 to allow former employees of Ven-Tel Plastics Corp to participate in the Plan effective March 1, 2016. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Standard Insurance Company (the "Standard") is the custodian and recordkeeper.

Contributions

Contributions to the Plan are made by the participants and the Company. Participants with six months of service may elect to have salary deferral contributions made to the Plan in an amount up to 100% of their compensation on a pre-tax basis, subject to limitations as provided under the law. Participants that obtained age 50 before the close of the calendar year may make additional pre-tax catch-up contributions. Participants also may contribute amounts representing distributions from other eligible retirement plans ("rollover contributions"). The Employer may contribute a matching contribution equal to a percentage of the participant's elective contribution. Employer matching contributions are subject to certain limitations and are discretionary as defined by the Plan. For the year ended December 31, 2020, there were Employer matching contributions of approximately $100,000. For the Plan year ended December 31, 2020, the Company matched 50% of each participant's deferral contributions, up to 2% of the participant's eligible compensation.

All contributions are participant-directed and may be invested in various fund choices, subject to certain limitations set forth in the Plan. Changes in allocation of contributions among funds are permitted pursuant to Plan provisions. Under the terms of the Plan, Employer matching contributions are invested in the same funds at the same percentages as chosen by the participants for their own contributions.

Participant Accounts

Each participant's account is credited with the participant's voluntary contributions and allocations of (a) the Employer's contribution and, (b) the Plan's earnings and appreciation/depreciation in the value of investments. The Plan administrator will make deductions for administrative expenses, withdrawals or distributions made to the participant. Allocations are based on the participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Under the provisions of the Plan, a participant may elect to receive distributions from the Plan upon reaching the age of 59-1/2, retirement, termination of employment, death, or if they become permanently disabled. Amounts equal to the value of the participant's account are available to a participant's beneficiary in the event of their death. All distributions are subject to the provisions of the Plan document. Distributions can be made in the following ways, as long as the participant's vested account balance exceeds $5,000: lump sum payment, installments not to exceed the participant's assumed life expectancy, or partial withdrawals of at least $1,000. Upon termination of service, including death, disability, or retirement, a participant may elect to either receive a lump sum amount equal to the value of the participant's vested interest in his or her account, or cash installments for a period not to exceed the participant's life expectancy or the life expectancy of his or her designated beneficiary. However, if the value of the participant's vested benefit is less than $5,000 (excluding amounts attributable to rollovers), a participant may only receive a lump sum distribution. A participant also is eligible for in-service withdrawals. Types of in-service withdrawals available under the Plan are withdrawals after attaining 59 ½ years of age and hardship withdrawals.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contributions portion of their accounts plus earnings thereon is based on years of continuous service. A participant vests in Company contributions at a rate of 20% each year after achieving one year of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate. As of December 31, 2020, participant loans have maturities through June 2025 at interest rates of 3.25% through 5.50%. Principal and interest is paid ratably through payroll deductions over periods of up to 5 years.

Forfeitures

If a participant's employment with the Company ends for any reason other than retirement, permanent disability, or death, the non-vested portions of the Company contributions and earnings thereon are forfeited. Forfeitures or terminated participants' non-vested accounts can be used to either reduce Company contributions to the Plan in accordance with the Plan document or pay for Plan expenses.

As of December 31, 2020 and 2019, forfeited nonvested accounts totaled $7,182 and $3,837, respectively.

CARES Act

On March 27, 2020, the President signed into law the Coronavirus Aid, Relief, and Economic Security (the "CARES Act"). The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to $100,000
- Increased the available loan amount as described above to the lesser of $100,000 or 100% of the participant's vested account balance
- Extended the period for loan repayments, if applicable, up to one year
- Suspended required minimum distributions for 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America ("U.S. GAAP") and have been consistently applied in the preparation of the financial statements.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with U.S. GAAP.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

All expenses related to maintaining the Plan are paid either by the Company or the Plan and are expensed as incurred. Expenses that are paid by the Company are excluded from these financial statements. Fes related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments. Administrative expenses paid by the Plan for the year ended December 31, 2020 related to Standard contract administration fees were $7,245.

Investment Valuation and Income Recognition

Investments are reported at fair value (see Note 7). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's management determines valuation policies.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are stated at their unpaid principal balance plus any accrued interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019.

Benefit Payments

Benefits are recorded when paid.

Income Tax Status

The Plan has adopted a prototype non-standardized profit-sharing plan, which obtained an Internal Revenue Service ("IRS") opinion letter dated March 31, 2014, in which the IRS stated that the Plan was acceptable under provisions of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the use of estimates and assumptions made by management affecting the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates and those differences may be material.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2021, which is the date the financial statements were available to be issued. There were no other subsequent events requiring adjustments or disclosures to the financial statements.

3. INSURANCE CONTRACT

The Plan entered into a non "fully benefit-responsive" group annuity investment contract with the custodian. The custodian receives the contributions and deposits them into either a guaranteed portfolio fund or into pooled separate accounts. The pooled separate accounts' income consist of interest less administrative expenses. The net appreciation in fair value of investments represents the net change in the market value of the pooled separate accounts exclusive of changes due to deposits, withdrawals, and investment income. The investment yield is the overall percentage gain or loss experienced by the pooled separate accounts during the year. The pooled separate accounts and the insurance company general account are reported at fair value.

4. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian of the Plan, Standard, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of:

	December 31, 2020	December 31, 2019
Investments, at fair value:		
Pooled separate accounts	$ 4,228,682	$ 3,727,549
Funds held in insurance company general account	482,733	496,357
Total investments	**$ 4,711,415**	**$ 4,223,906**
Notes receivable from participants	**$ 129,304**	**$ 124,388**

	Year Ended December 31, 2020
Investment income:	
Net appreciation in value of investments	$ 598,165
Interest income	5,463
Total Investment income	**$ 603,628**
Interest income on notes receivable from participants	**$ 6,275**

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

5. PARTY-IN-INTEREST AND RELATED TRANSACTIONS

Certain Plan investments include pooled separate accounts and funds held in an insurance company general account managed by Standard. Standard is the custodian and recordkeeper of the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid for investment management services were included as a reduction of the return earned on each fund. Certain officers and employees of the Company, who may be participants in the Plan, perform administrative and other duties for the Plan at no cost to the Plan. The Plan issues notes receivable to participants, which are secured by the vested balances in the participants' accounts. Notes receivable from participants also qualify as exempt party-in-interest transactions.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, the participants will be entitled to their entire account balance since they will become 100 percent vested in their accounts.

7. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 establishes a framework which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 Inputs to the valuation methodology include:
  - quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability; and
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation method used for assets measured at fair value. There have been no changes of the method used as of December 31, 2020 and 2019.

Funds in insurance company general account: Valued at fair value as they are non-fully benefit-responsive. Fair value represents the amount Plan sponsors would receive if they terminated the contract at the reporting date, which is book value less an early withdrawal charge.

7. FAIR VALUE MEASUREMENTS (CONTINUED)

Pooled separate accounts: Underlying investments are valued based on daily quoted market prices, which represent the published daily net asset value ("NAV") of shares held by the Plan at year end. The NAV is determined by Standard and is based on the underlying investments of each pooled separate account ("PSA"). The NAV is used as a practical expedient to estimate fair value. There were no unfunded commitments as of December 31, 2020 and 2019.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan had no financial assets that were measured at fair value on a nonrecurring basis during the years ended December 31, 2020 and 2019.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

		Fair Value Measurements at Reporting Date Using:		
Description	**Fair Value December 31, 2020**	**Quoted Prices in Active Markets for Identical Assets (Level 1)**	**Significant Other Observable Inputs (Level 2)**	**Significant Unobservable Inputs (Level 3)**
Assets in fair value hierarchy:				
Funds held in insurance company general account	$ 482,733	$ -	$ 482,733	$ -
Investments measured at NAV:				
Pooled separate accounts (a)	4,228,682	-	-	-
Investments at fair value	**$ 4,711,415**	**$ -**	**$ 482,733**	**$ -**

		Fair Value Measurements at Reporting Date Using:		
Description	**Fair Value December 31, 2019**	**Quoted Prices in Active Markets for Identical Assets (Level 1)**	**Significant Other Observable Inputs (Level 2)**	**Significant Unobservable Inputs (Level 3)**
Assets in fair value hierarchy:				
Funds held in insurance company general account	$ 496,357	$ -	$ 496,357	$ -
Investments measured at NAV:				
Pooled separate accounts (a)	3,727,549	-	-	$ -
Investments at fair value	**$ 4,223,906**	**$ -**	**$ 496,357**	**$ -**

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the items presented in the Statements of Net Assets Available for Benefits.

7. FAIR VALUE MEASUREMENTS (CONTINUED)

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes the pooled separate accounts measured at fair value based on NAV per unit as of December 31, 2020 and 2019.

Description	Fair Value at December 31, 2020	Fair Value at December 31, 2019	Frequency (if currently eligible)	Redemption Notice Period
Target Date (a)	$ 1,961,708	$ 1,812,828	Daily	Daily
Target Risk (b)	339,788	271,230	Daily	Daily
Aggressive Growth (c)	907,949	776,250	Daily	Daily
Growth (d)	643,925	540,908	Daily	Daily
Growth & Income (e)	12,641	21,442	Daily	Daily
Income (f)	308,223	261,696	Daily	Daily
Conservative (g)	54,448	43,195	Daily	Daily
	$ 4,228,682	**$ 3,727,549**		

(a) Target Date - Seeks high total return through its target retirement date, with a greater focus on income beyond the target date.
(b) Target Risk - Seeks to achieve long-term growth of capital by investing 100% of the portfolio's assets in underlying portfolios that invest primarily in equity securities.
(c) Aggressive Growth - Seeks long term growth of capital.
(d) Growth - Seeks to achieve the approximate aggregate total return of a broad U.S. domestic equity market index.
(e) Growth & Income - Seeks to achieve conservation of capital, current income and long-term growth of capital and income.
(f) Income - Seeks a high level of current income.
(g) Conservative - Seeks to preserve capital and provide stability of principal while earning current income that exceeds money market rates over the long term.

8. RISKS AND UNCERTAINTIES

The Plan's investment fund options provide participants with a variety of investment alternatives with differing levels of risk, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

COVID-19

On January 30, 2020, the World Health Organization (“WHO”) announced a global health emergency because of a new strain of coronavirus (“the COVID-19 outbreak”) and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and contributed to volatility in financial markets. The rapid development and fluidity of this situation precludes any prediction as to the ultimate material adverse impact of the COVID-19 outbreak. Nevertheless, the COVID-19 outbreak presents material uncertainty and risk with respect to the Plan, its performance, and its financial results.

Although, the Plan cannot estimate the length or gravity of the impact of the COVID-19 outbreak at this time, it may have an adverse effect on the Plan’s results of future operations, financial operations, financial position, and liquidity in 2021.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 as of December 31:

	2020	2019
Net assets available for benefits per the financial statements	$ 4,835,950	$ 4,305,881
Excess contribution payable	4,769	42,413
Net assets available for benefits per the Form 5500	**$ 4,840,719**	**$ 4,348,294**

The following is a reconciliation of the net changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31:

	2020
Net increase in net assets available for benefits per the financial statements	$ 530,069
Less: Prior year excess contributions payable	42,413
Plus: Current year excess contributions payable	4,769
Increase in net assets available for benefits per the Form 5500	**$ 492,425**

10. EXCESS CONTRIBUTIONS PAYABLE

Corrective distributions were required to be made to certain active participants to return excess deferral contributions as required to satisfy the relevant non-discrimination provisions of the Plan and totaled $4,769 and $42,413 for the years ended December 31, 2020 and 2019.
