Notes to Financial Statements

December 31, 2020 and 2019

Plan Description

The following description of the Fresh Encounter, Inc. Union 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan covering employees of Chief Supermarket, Inc. and Fresh Encounter, Inc., the Plan Sponsor and affiliated companies (collectively, the "Company") who are represented by the United Food and Commercial Workers Local 75 and Local 1059 and are age 20½ or older. Employees of Needler Enterprises, Inc. employed on August 1, 2015 who had reached the age of 18 and met the service requirement were automatically eligible to participate in the Plan. Covered employees are eligible to enter the Plan after completion of three months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was effective as of December 1, 2005.

Contributions

Each year, participants may contribute a portion of their annual compensation, as defined in the Plan agreement. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan's participants covered by the collective bargaining agreement with United Food and Commercial Workers (UFCW) Local 75 Union working at certain stores receive matching contributions as mandated by the agreement. The matching contributions are 30% of the first 6% of participants' deferrals. In 2020, the collective bargaining agreement was renegotiated and the matching contribution requirement was removed effective January 1, 2020. The Plan Sponsor, made discretionary matching contributions through February 1, 2020. All contributions are participant directed based on their existing fund allocation. All contributions are subject to compliance with the Internal Revenue Code regulations.

Forfeited Accounts

Forfeitures, if any, of employer nonvested contributions shall be used to pay Plan administrative expenses and any remaining forfeiture amounts will then be used to reduce employer matching contributions. Forfeited employer contributions totaled \$5,312 and \$4,018 at December 31, 2020 and 2019, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocation of the Company's contributions, Plan earnings (losses), and charged with an allocation of Plan administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

FRESH ENCOUNTER, INC. UNION 401(K) PLAN

Notes to Financial Statements

December 31, 2020 and 2019

Plan Description (continued)

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. The participants are 100% vested in the Company's matching contributions and the earnings thereon, after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts the lesser of 50% of their vested account balance, or \$50,000. The minimum loan amount permitted is \$1,000. The outstanding loan balance at December 31, 2020 and 2019 was \$167,473 and \$207,020, respectively. The loans are secured by the balance in the participant's account. The loan interest rate is determined on a per loan basis as defined in the Plan document ranging from 3.25% to 5.50%. Principal and interest is paid ratably through weekly payroll deductions.

Payment of Benefits

Upon termination of employment, retirement, disability, or death, a participant may elect to remain in the Plan, receive a lump sum distribution equal to the participant's vested interest in his or her account, receive partial withdrawals or installments or roll their account into another plan.

CARES Act

On March 27, 2020 President Trump signed into law the "Coronavirus Aid, Relief, and Economic Security (CARES) Act." The CARES Act, among other things, included several relief provisions available to tax-qualified retirement plans and their participants. Plan management evaluated the relief provisions available to plan participants under the CARES Act and implemented the following provisions for 2020:

- Emergency coronavirus distributions up to \$100,000
- Loan repayments suspension and extension of loan term up to one year
- Suspension of required minimum distributions for 2020

Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

FRESH ENCOUNTER, INC. UNION 401(K) PLAN

Notes to Financial Statements

December 31, 2020 and 2019

Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value) as determined by the investment trustee of the Plan, Standard Insurance Company.

Purchases and sales of securities are recorded on the settlement-date basis. However, differences between settlement-date and trade-date are immaterial. Interest and dividends are recorded on the accrual basis.

Plan participants may choose investments at their discretion from those offered by the Plan.

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance plus accrued interest. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded

Payment of Benefits

Benefits are recorded when paid.

Plan Administrative Fees

Plan administrative services fees are paid by the Plan or by the sponsor. Administrative services consist primarily of payments to third-party service providers for investment advisory, recordkeeping, and audit services. Expenses paid by the Plan are reported on the statement of changes in net assets available for benefits as administrative fees.

Commitments

Net assets available for benefits at December 31, 2020 and 2019 include approximately \$-0- and \$654, respectively, allocated to the account of a participant who had requested a distribution from the Plan prior to such date. This amount was paid to the participant within the first month subsequent to each year end.

Information Prepared and Certified by the Trustee

The Plan Administrator has elected the method of compliance permitted by Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under this election, the Plan Administrator has obtained a certification from the trustee, Standard Insurance Company, that the information provided to the Plan Administrator by the trustee is complete and accurate. Accordingly, no audit procedures have been performed with respect to information certified by the trustee.

FRESH ENCOUNTER, INC. UNION 401(K) PLAN

Notes to Financial Statements

December 31, 2020 and 2019

Fair Value Measurements

U.S. GAAP established a fair value hierarchy that prioritizes the inputs to measure the fair value of the assets or liabilities being measured. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or to value the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date. Level 1 inputs provide the most reliable measure of fair value as of the measurement date.
- Level 2 Inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active or inputs other than quoted prices that are observable for the asset or liability.
- Level 3 Inputs are significant unobservable inputs for the asset or liability.

FRESH ENCOUNTER, INC. UNION 401(K) PLAN

Notes to Financial Statements

December 31, 2020 and 2019

Fair Value Measurements (continued)

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Separate investment accounts: Valued at the unit value based on the net assets of the underlying pool of securities.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's net assets at fair value as of December 31, 2020 and 2019. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Separate investment accounts	\$ -	\$ 6,120,666	\$ -	\$ 6,120,666
Total assets at fair value	\$ -	\$ 6,120,666	\$ -	\$ 6,120,666

Assets at Fair Value as of December 31, 2019				
	Level 1	Level 2	Level 3	Total
Separate investment accounts	\$ -	\$ 5,594,291	\$ -	\$ 5,594,291
Total assets at fair value	\$ -	\$ 5,594,291	\$ -	\$ 5,594,291

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investment Contract with Insurance Company

The Plan has a traditional fully benefit-responsive investment contract with Standard Insurance Company totaling \$698,798 and \$708,344 at December 31, 2020 and 2019, respectively. Standard Insurance Company maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Standard Insurance Company is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting.

FRESH ENCOUNTER, INC. UNION 401(K) PLAN

Notes to Financial Statements

December 31, 2020 and 2019

Investment Contract with Insurance Company (continued)

The contract meets the fully benefit-responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measurement for fully benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value as reported by Standard Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The contract has certain restrictions that impact the ability to collect the full contract value. Examples of these events would include (but would not be limited to) termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Plan management believes that the occurrence of events that would cause the plan to transact at less than contract value is not probable.

Standard Insurance Company may terminate the contract with 30 days advance written notice to the contract owner for reasonable cause, which includes the contract owner's failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets of at least \$25,000, plan disqualification, and failure to adopt the plan in a reasonable period of time. Upon termination by Standard Insurance Company, a market value adjustment may apply.

Plan Termination

Although it has not expressed an intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Tax Status

This Plan is a prototype non-standardized 401(k) profit-sharing plan of Standard Insurance Company. Standard Insurance Company has been informed by the Internal Revenue Service that this Plan is acceptable under Section 401 of the Internal Revenue Code and that a company that adopts this plan will be considered to have a plan qualified under Code Section 401(a) provided all terms of the Plan are followed.

The Company believes that the Plan is currently being operated in compliance with the applicable sections of the Internal Revenue Code and that the Plan and related trust are qualified and tax exempt as of the financial statement date.

FRESH ENCOUNTER, INC. UNION 401(K) PLAN

Notes to Financial Statements

December 31, 2020 and 2019

Tax Status (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020 and 2019, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Party-In-Interest Transactions

All Plan investments are offered through and managed by Standard Insurance Company, the Trustee, therefore these transactions qualify as party-in-interest. As described in the summary of significant accounting policies note to the financial statements, the Plan paid certain expenses related to plan administration to various service providers. These transactions are party in interest transactions under ERISA.
