RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Knighted Ventures, LLC 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was established effective January 1, 2016 and covers all employees of Knighted Ventures LLC, Elevated, LLC, and Knighted Services, Inc. (the Employers). Employees become eligible to participate in the Plan after attaining a minimum age of 21 years old and two months of service to be eligible for employer matching contributions, and one year of service to be eligible for profit sharing contributions. Enrollment is effective the first day of each calendar month of the plan year coinciding with or following satisfaction of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2020, the Plan was amended to expand the provisions related to hardship distributions in accordance with the Bipartisan Budget Act of 2018 and any subsequent guidance promulgated by the Internal Revenue Service (IRS). In 2021, the Plan was further amended to include the employees of four affiliated companies of the Employers.

Coronavirus Aid Relief and Economic Security Act

In response to the COVID-19 pandemic, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES" Act) was enacted on March 27, 2020. The CARES Act, among other benefits, provides certain relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the Plan agreement. The Plan Administrator has adopted relief provisions included in the CARES Act related to hardship distributions, temporary suspension of the required minimum distributions, and participant loan deferment. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Contributions

Participants may contribute up to 100 percent of their pretax annual compensation as defined in the Plan, subject to certain limitations as prescribed by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions or rollovers from other qualified defined benefit or defined contribution plans. Participants direct both the investment of their contributions and Employers' matching contributions into various investment options offered by the Plan.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Contributions (continued)

The Employers may elect to make discretionary matching and profit-sharing contributions, subject to certain limitations, to the Plan in an amount determined by the Employers. For the year ended December 31, 2020, the Employers made a discretionary matching contribution equal to 25 percent of the participants' contribution up to 4 percent of eligible salary. To be eligible for the Employers' matching contributions, the participants must have satisfied the eligibility requirements mentioned above. For the year ended December 31, 2020, the Employers did not make any discretionary profit sharing contributions to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Employers' contributions, as well as allocations of the plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if applicable. Allocations are based on participants' earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to the lesser of $50,000 reduced by the highest outstanding loan balance in their accounts during the prior 12-month period, or 50 percent of their vested account balance. Loan terms range from 1 to 5 years, or up to 20 years for the purchase of a primary residence. The loans are secured by the respective participant's vested account balance and bear interest at the Wall Street Journal prime rate plus 1.0 percent. Principal and interest are paid ratably through bi-weekly payroll deductions.

Withdrawals

The government places certain restrictions on withdrawals in order to retain the special tax-saving benefits associated with the Plan. The Plan allows withdrawals at retirement, disability, separation of service, or upon death. Other withdrawals are available only in cases of immediate and heavy financial hardship, subject to IRS regulations. A participant's right to make deferrals will be suspended for six months after receipt of a hardship withdrawal.

Vesting

Participants are immediately vested in their contributions plus accumulated earnings thereon. Employers' contributions plus accumulated earnings thereon are based on a graded schedule whereby a participant is 100 percent vested after 5 years of credited service. A participant also becomes 100 percent vested upon reaching retirement age, death, permanent disability or termination of the Plan by the Employers.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Benefit Payments

Upon termination of service due to retirement or permanent disability, a participant may elect to receive cash in one lump-sum payment or in installments equal to the value of the participant's vested interest in his or her account. In the event of a participant's death, payment of the vested value of the participant's account is made to his or her beneficiary in one lump-sum payment or in installments.

Forfeited Amounts

Forfeited nonvested accounts are generally used to reduce plan expenses and/or offset future Employers' contributions. For the year ended December 31, 2020, the Plan used approximately $2,000 from such accounts to reduce the Employers' matching contributions. As of December 31, 2020, there were approximately $4,000 forfeited nonvested accounts included in plan assets. As of December 31, 2019, there were no remaining forfeited nonvested accounts included in plan assets.

Plan Termination

Although they have not expressed any intent to do so, the Employers have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, partial termination occurs when employee turnover reaches or exceeds 20 percent by the end of the year. In the event of a Plan termination or partial termination, participants will become 100 percent vested in their Employers' contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Investment and Valuation Techniques

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Net appreciation and depreciation in fair value of investments includes realized and unrealized gains and losses on investments sold or held during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income from investments is recorded on the cash basis, which approximates the accrual method of accounting. Dividends are recorded on the ex-dividend date.

There have been no changes in methodologies used at December 31, 2020 and 2019.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest from loans. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

Expenses

Non-investment costs, primarily accounting and administrative expenses of the Plan, are paid for by the Employers, which are parties-in-interest. These expenses, which are not reflected in the accompanying financial statements, constitute exempt party-in-interest transactions. Investment advisory services and certain administrative fees are paid by the Plan or charged against plan investment activities and are included in the statement of changes in net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3 - FAIR VALUE MEASUREMENTS

Fair value measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active and inactive markets, inputs other than quoted prices that are observable for the asset or liability for substantially the full term of the financial instrument, and inputs that are derived from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 3 - FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The Plan holds investments of $3,547,578 and $2,561,042 in participation units held in pooled separate accounts through sub-accounts of an insurance company as of December 31, 2020 and 2019, respectively. The pooled separate accounts are valued, as a practical expedient, based on the net asset value (NAV) reported by the insurance company, which approximates fair value of the investments. The investments are redeemable at the NAV under agreements with the insurance company. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Investments that are measured at fair value using the NAV (or its equivalent) practical expedient have not been categorized in the fair value hierarchy.

NOTE 4 - INFORMATION CERTIFIED BY CUSTODIAN (unaudited)

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting Disclosure under the ERISA. Accordingly, John Hancock Life Insurance Company, the custodian of the Plan (Custodian), has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying financial statements and supplemental schedule. The following is a summary of the information prepared and certified by the Custodian and furnished to the plan administrator as of December 31, 2020 and 2019, and for the year ended December 31, 2020:

- Investments and notes receivable from participants as indicated on the statements of net assets available for benefits and Note 3;
- Investment income and interest income on notes receivable and information as indicated on the statement of changes in net assets available for benefits; and
- Investments and participant loans as listed in the accompanying supplemental schedule of assets (held at end of year).

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are interests in pooled separate accounts managed by the Custodian. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services and certain administrative costs approximated $7,000 for the year ended December 31, 2020.

NOTE 6 - TAX STATUS

The Plan was formed using a pre-approved format by the IRS for qualification under Section 401(a). This format last received approval by the IRS on May 7, 2015. The Plan has been amended since its original formation. However, the Employers believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believe the Plan is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - EXCESS CONTRIBUTIONS PAYABLE

As of December 31, 2019, payables are recorded for amounts refundable by the Plan to participants for contributions made in excess of amounts allowed by the IRS.

NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Schedule H of Form 5500:

Excess contributions payable	-	2,036
Net assets available for benefits per Schedule H of Form 5500	$ 3,658,390	$ 2,605,064

The following is a reconciliation of net increase to the Plan per the financial statements to Schedule H of Form 5500 for the year ended December 31, 2020:

Net increase in net assets available for benefits per the financial statements	$ 1,055,362
Excess contributions payable - prior year	(2,036)
Plan net increase per Schedule H of Form 5500	$ 1,053,326

NOTE 9 - NONEXEMPT TRANSACTIONS

For the year ended December 31, 2020, participant contributions approximating $3,000 in aggregate, were withheld from participants' pay, but were not remitted to the Plan within the time frame required by the DOL under the Plan asset rules. The Employer intends to reimburse the Plan for lost earnings of approximately $11 in 2021.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization. The COVID-19 pandemic has affected, and may continue to affect, the market price of Plan assets. While the potential economic impact brought by, and the duration of, COVID-19 may be difficult to assess or predict, a widespread pandemic could result in significant disruption of global financial markets. The extent to which COVID-19 impacts the financial markets will depend on future developments that are highly uncertain and cannot be predicted.

NOTE 11 - SUBSEQUENT EVENTS

The date to which events occurring after December 31, 2020 have been evaluated for possible adjustment to the financial statements or disclosure is October 14, 2021, the date on which the financial statements were issued.
