PALEOWEST 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2020

NOTE A - DESCRIPTION OF PLAN

The following brief description of the PaleoWest 401(k) Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all eligible employees of PaleoWest, LLC ("the Plan Sponsor"). Employees become eligible to contribute to the Plan after six consecutive months of employment following their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In March 2020, the World Health Organization declared the novel coronavirus (COVID-19) outbreak a global pandemic. The impact of the COVID-19 global pandemic continues to evolve, and its future effects on the Plan's statements of net assets available for plan benefits and statements of changes in net assets available for plan benefits remain uncertain.

In March 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law. The Plan elected to implement certain provisions of the CARES Act that are available to tax qualified retirement plans and their participants. These provisions include, among other things, permitting special COVID-19 related distributions of up to \$100,000, increasing the maximum amount of Plan loans to participants to \$100,000 for loans made prior to September 23, 2020, deferring payments on certain Plan loans through December 31, 2020, and suspending required minimum distributions for the year ended December 31, 2020.

Contributions

Each year, participants may contribute any combination of pre-tax elective deferrals or Roth elective deferrals from eligible earnings, as defined by the Plan, up to regulatory maximums. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company will make a safe harbor matching contributions of 100% of elective deferrals up to 3% and 50% of the salary deferrals between 3% and 5% of the of eligible compensation. The safe harbor matching contribution is 100% vested. In addition to employer matching contributions, the Company may make optional contributions for any Plan year equal to a uniform percentage of a participant's salary deferrals, at its discretion. No discretionary contributions were made for the year ended December 31, 2020.

Participant Accounts

A separate account is maintained for each Plan participant. Each participant's account is credited with the participant's contributions, Company's contributions, and plan earnings (losses). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and non-elective safe harbor contributions plus actual earnings thereon. The vested percentage attributable to profit sharing and matching contributions is determined by the following schedule.

PALEOWEST 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting (Continued)

Profit Sharing & Matching Contributions Vesting Schedule	
<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

The Plan defines a year of service as 1,000 hours of service during a plan year. Participants become 100% vested when they are employed on or after the normal retirement age or if they die or become disabled.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive a lump-sum amount equal to the value of a participant's vested interest in his or her account. Participants with account balances greater than \$5,000 may defer receipt of their distributions until they are required by law to receive minimum required distributions. If the participants' vested account balance is \$5,000 or less, payment must be made in a lump-sum distribution.

If an active participant has attained age fifty-nine and one-half (59½), they may elect to withdraw all or a portion of their account while still employed by the Company.

For the year ended December 31, 2020, the Plan elected to implement certain provisions of the CARES Act which include, among other things, special distributions of up to \$100,000 for participants affected by COVID-19.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, reduced by the highest outstanding balance of all other loans from the Plan during the one-year period ending the day before the new loan is executed. Note terms ranges may not exceed five years, unless for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear a fixed interest rate at 1% above the prime rate at the time the loan is issued. Principal and interest are paid ratably through payroll deductions over the course of the loan.

PALEOWEST 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest.

Date of Management's Review

Subsequent events were evaluated through October 11, 2021 which is the date the financial statements were available to be issued.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative functions are performed by employees of the Company who receive no compensation from the Plan. The Company also pays certain administrative expenses of the Plan.

NOTE C – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority.

PALEOWEST 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE C – FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The money market fund is the Charles Schwab Money Market Deposit Account. Valuation of this fund's units occur daily. Unit values are determined by dividing the value of the fund's net assets by the total number of participants' units outstanding on the valuation date. The Charles Schwab Money Market Deposit Account seeks to maintain a constant net asset value of \$1 per unit; however, there can be no guarantee that this fund will meet this goal.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020 and 2019:

	Quoted Prices in Active Markets For Identical Assets (Level 1)	Total

NOTE D - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN

Plan assets are held by the trustee, Charles Schwab Trust Bank, in a general asset fund. All securities' values, appreciation, gains, losses, and allocation of investment earnings to participants are certified by Charles Schwab Trust Bank. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

NOTE E - INTERNAL REVENUE SERVICE STATUS

The Plan operates under a prototype plan document. Under the Internal Revenue Service's determination letter program, an employer who adopts a word-for-word approved document is not required to request a determination letter to confirm that the Plan meets the requirements of the Internal Revenue Code ("IRC"). The Internal Revenue Service ("IRS") has reviewed and approved the prototype document that this Plan operates under. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

PALEOWEST 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE E - INTERNAL REVENUE SERVICE STATUS (CONTINUED)

U.S. generally accepted accounting principles requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE G - RELATED PARTY TRANSACTIONS

Certain administration costs paid to the trustee and recordkeeper are considered party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA. Fees paid by the Plan to the trustee and recordkeeper for administrative expenses were \$14,278 for the year ended December 31, 2020.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market rate, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2020 and 2019

	<u>2020</u>	<u>2019</u>

Plus: Prior year employer contribution receivable	<u>106,014</u>
Net increase in Plan assets per the Form 5500	<u><u>\$ 762,557</u></u>

NOTE J - PROHIBITED TRANSACTIONS

During 2019, the Company inadvertently failed to remit participant contributions within the required timeframe as stated by the Department of Labor (DOL). The Company identified 1 instance for a total of \$411 in which participant contributions were remitted to the Plan in violation of DOL regulations. The DOL considers late deposits to be nonexempt prohibited transactions. During the year ending December 31, 2020, the Plan corrected the 2020 delinquent contributions and remitted lost earnings to the Plan.
