INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
HCMC Legal, Inc. Employee Stock Ownership Plan

Opinion

We have audited the financial statements of HCMC Legal, Inc. Employee Stock Ownership Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets (deficit) available for benefits as of December 31, 2020 and 2019, and the related statements of changes in net assets (deficit) available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets (deficit) available for benefits of HCMC Legal, Inc. Employee Stock Ownership Plan as of December 31, 2020 and 2019, and the changes in its net assets (deficit) available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Substantial Doubt About the Plan's Ability to Continue as a Going Concern

The accompanying financial statements have been prepared assuming that the Plan will continue as a going concern. As discussed in Note 3 to the financial statements, there is doubt about the Plan Sponsor's ability to continue as a going concern. Plan managements evaluation of the events and conditions and Plan management's plans regarding those matters are also described in Note 3. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNL).

Management's Responsibility for the Financial Statements (Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

CITRINCOOPERMAN®

Supplemental Information Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, line 4i - schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1. DESCRIPTION OF PLAN

HCMC Legal, Inc. (the "Sponsor" or "Company") established the HCMC Legal, Inc. Employee Stock Ownership Plan (the "Plan" or "ESOP") effective as of August 19, 2011. The Plan operates as an employee stock ownership plan and is designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986 ("IRC"), as amended, and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Participants should refer to the Plan agreement for complete information.

The Plan purchased 46,000,000 shares of the Sponsor's common stock (constituting all of the Sponsor's common stock) in exchange for a note payable to the Sponsor (the "Note") (see Note 10), and held the stock in a trust established by Wilmington Trust Retirement Institutional Services Company ("Wilmington"). Effective April 16, 2020, the Plan entered into a new trust agreement with GreatBanc Trust Company (the "Trustee") to act as the successor trustee of the trust. The Note will be repaid over a period of 20 years by periodic Sponsor contributions.

The Note is collateralized by the unallocated shares of the Sponsor's stock. Accordingly, the financial statements of the Plan as of and for the years ended December 31, 2020 and 2019, present separately the assets and liabilities and changes therein pertaining to:

a) The accounts of employees with vested rights in allocated stock (allocated), and

b) Stock not yet allocated to employees (unallocated).

Eligibility

The Plan is a defined contribution plan covering employees of the Sponsor. To be eligible to participate, the Plan requires an employee to have attained the age of 21 and to have worked at least 1,000 hours during their first anniversary year from their hire date to the anniversary of that hire date or to have worked at least 1,000 hours during the current Plan year. Employees whose employment is governed under a collective bargaining agreement, employees who are non-resident aliens who do not receive earned income, certain executives, and employees of affiliated companies are not eligible to participate. Participants are not permitted to make any contributions to the Plan.

Employer Contributions

The Sponsor is obligated to make contributions in cash to the Plan that, when aggregated with the Plan's dividend income, at least equal the amount necessary to enable the Plan to make its regularly scheduled payments of principal and interest due on the Note. The Sponsor can contribute stock to the Plan either by a direct contribution of shares, a contribution of cash to purchase shares, or through the release of shares as a result of payment made on the Note.

Participant Accounts

The Plan's third-party administrator maintains an individual account for each Plan participant. Each individual account is credited with the Sponsor's allocation and is charged administrative fees for specific participant-requested services. Allocations are based on a percentage of a participant's total eligible compensation multiplied by the number of shares released.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

A participant is 100% vested after six years of credited service as follows:

Years of Service, as Defined	Vesting Interest
Less than 2	0%
2 but less than 3	20%

A participant's account shall become 100% vested and nonforfeitable upon the participant's attainment of his or her normal retirement date while employed by the Sponsor. Upon death or disability while employed by the Sponsor, a participant will be entitled to receive his or her vested account balance. Effective November 1, 2020, the Plan was amended whereby all participants will have a 100% vested interest in their own account.

Payment of Benefits

No distributions are permitted from the Plan to satisfy benefits consisting of financed shares acquired through the Note until such Note is repaid in full, unless the termination of service arises from death, disability or retirement, or the attainment of age 70½. Up to the date that these financial statements were available to be issued, any distributions to terminated participants would have been paid over time in accordance with the Plan document. However, as of the date of these financial statements were available to be issued, the Plan will no longer permit distributions unrelated to the settlement distributions as discussed in Note 6.

Voting Rights

Each participant is entitled to exercise voting rights attributable to the shares allocated to his or her account and is notified by the Trustee prior to the time that such rights are to be exercised. The Trustee is permitted to vote any allocated share for which instructions have not been given by a participant. The Trustee is required, however, to vote any unallocated shares on behalf of the collective best interest of Plan participants and beneficiaries.

Put Option

Under federal income tax regulations, the employer stock that is held by the Plan and its participants and is not readily tradable on an established market, or is subject to trading limitations, must include a put option. The put option is a right to demand that the Sponsor buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the fair market value of the stock. The Sponsor can pay for the purchase with interest, at a reasonable rate, over a period of five years. The purpose of the put option is to ensure that the participant ultimately has the ability to obtain cash.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Plan Termination

The Sponsor reserves the right to terminate the Plan at any time, subject to Plan provisions. Upon such termination of the Plan, the interest of each participant in the trust fund becomes fully vested and non-forfeitable and will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan terms and the IRC. Upon termination of the Plan, the Trustee shall direct the Plan to pay all liabilities and expenses of the trust fund and to sell shares of financed stock to the extent it determines such sale to be necessary in order to repay the Note.

Forfeited Accounts

Upon termination of employment of a participant or former participant, the portion of the balance credited to his or her account which is not vested at the date of termination shall be forfeited. The Plan administrator may elect to use all or any portion of the forfeiture account to pay administrative expenses incurred by the Plan. The portion of the forfeiture account that is not used to pay administrative expenses will be used first to restore previous forfeitures of participants' accounts and/or to restore missing participants' accounts. The portion of the forfeiture account that is not used to pay administrative expenses and is not used to satisfy the provisions of the previous sentence will then be allocated to the account of each benefiting participant in the ratio that each benefiting participant's compensation bears to the total compensation of all benefiting participants. During the year ended December 31, 2019, 73,812.5675 shares were forfeited. There were no forfeitures for the year ended December 31, 2020.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements were prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at estimated fair value. Fair value is determined by an annual independent appraisal (see Note 8).

Dividend income is accrued on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Plan Expenses

Substantially all administrative expenses are paid by the Sponsor. For the year ended December 31, 2020, the Plan incurred approximately $116,000 in legal and professional fees related to the U.S. Department of Labor (the "DOL") settlement discussed in Note 5. These legal fees were paid by the Plan from the settlement fees received by the Plan in June 2020. As of December 31, 2019, the Company accrued for approximately $65,000 in legal fees related the DOL settlement which were eventually paid by the Sponsor during the year ended December 31, 2020.

Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Subsequent Events

In accordance with FASB ASC 855, *Subsequent Events*, the Company has evaluated subsequent events through October 14, 2021, the date on which these financial statements were available to be issued. Except as disclosed in Notes 5 and 6, there were no material subsequent events that required recognition or additional disclosure in these financial statements.

NOTE 3. GOING CONCERN

The accompanying financial statements have been prepared on the going concern basis of accounting which assumes the Plan will continue to operate as a going concern. The Plan Sponsor has outstanding debt under a term loan and revolver, which was extended and will mature in December 2021. In addition the Plan Sponsor had other subordinated loans that expired in August 2021. There is an uncertainty if these debts would be renewed at the time of the issuance of these financial statements. If they are not renewed, the Plan Sponsor would not have adequate resources to pay for the outstanding debts. As a result of these conditions there is substantial doubt about the Plan's ability to continue as a going concern for the 12 months following the date of these financial statements were available to be issued. The Plan Sponsor's management is currently exploring and negotiating options for long-term financing; however, although there are no assurances that management will be successful in refinancing the term loan, revolver and subordinated loan on terms and conditions acceptable to the Plan Sponsor or at all, the Plan Sponsor's management believes they will be able to succeed in refinancing the debts noted above.

NOTE 4. RISKS AND UNCERTAINTIES

The Plan's assets consist of the Sponsor's common stock at December 31, 2020 and 2019. This type of investment security is exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets (deficit) available for benefits and the statements of changes in net assets (deficit) available for benefits.

During 2020, the World Health Organization declared COVID-19 to constitute a "Public Health Emergency of International Concern." The pandemic has disrupted economic markets and the financial impact, duration and spread of the COVID-19 virus are uncertain at this time. The financial performance of the Plan's investments may be impacted by the market's response to the uncertainty of the situation; however, the duration of disruption and related financial impact cannot be reasonably estimated at this time.

NOTE 5. TAX STATUS

The Plan has received an opinion letter from the Internal Revenue Service ("IRS") dated November 5, 2015, which states that the Plan satisfies the applicable provisions of the IRC. Prior to November 5, 2015, the Plan's application for exempt tax status was pending with the IRS, but the Sponsor's management believed that the Plan and trust were designed and being operated in compliance with the applicable requirements of the IRC for the period from January 1, 2015 to November 5, 2015.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. The Plan is currently under an audit by federal taxing authorities regarding the initial pricing of the shares at the inception of the Plan.

NOTE 6. DOL EXAMINATION

The Plan was undergoing an examination by the DOL in connection with the ESOP. On August 21, 2017, the DOL filed a complaint alleging ERISA violations in the U.S. District Court for the Southern District of New York. The complaint names as defendants Wilmington and the ESOP. The complaint alleged that Wilmington, acting as trustee of the ESOP, failed to fulfill its fiduciary duties under ERISA. The complaint named the ESOP as a defendant "pursuant to Rule 19 (a) of the Federal Rules of Civil Procedure, solely to assure that complete relief can be granted." No legal claims have been asserted by any party against the ESOP. As such, the DOL had agreed that the ESOP need not respond to any allegations in the complaint.

On May 19, 2020, Wilmington entered into a settlement agreement with the DOL whereby Wilmington paid $7,158,339 to the ESOP in June 2020. The funds were unrestricted on how they should be used by the ESOP. The Plan Sponsor hired a third-party fiduciary to determine an allocation methodology to determine each participant's pro-rata share of the allocation. The Plan Sponsor has used the settlement proceeds to cover professional expenses incurred related to the settlement. The total amount of settlement proceeds to be allocated to participants amounted to $7,042,109. As of December 31, 2020, no funds have been allocated to participants. In February 2021, the Plan distributed a total of $3,173,808 of the participant-allocated settlement amounts during the first distribution window. In July 2021, the Plan distributed a total of $1,174,476 to participants during the second distribution window. The remaining amounts will be held in the Plan until in it is liquidated. The Plan Sponsor has not made a decision to opt for a third distribution window at the time these financial statements were available to be issued.

NOTE 7. OTHER INVESTMENT INFORMATION

The following tables summarize investment information regarding the Plan as of December 31, 2020 and 2019, and for the years then ended, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by the Trustee and furnished to the Plan administrator.

Investment in the Sponsor's common stock, at estimated fair value, is summarized as follows as of December 31, 2020 and 2019:

	2020			2019		
	Allocated	Unallocated	Total	Allocated	Unallocated	Total
Number of common shares	23,000,000	23,000,000	46,000,000	20,700,000	25,300,000	46,000,000
Cost	$ 23,000,000	$ 23,000,000	$ 46,000,000	$ 20,700,000	$ 25,300,000	$ 46,000,000
Estimated fair value	$ 460,000	$ 460,000	$ 920,000	$ 207,000	$ 253,000	$ 460,000

Investment income (loss) consisted of the following for the years ended December 31, 2020 and 2019:

	2020	2019
Net unrealized appreciation (depreciation) in fair value of investment	$ 460,000	$ (259,440)

NOTE 8. FAIR VALUE MEASUREMENTS

Assets and liabilities measured at fair value are based on one or more of three valuation techniques identified in the tables below. The valuation techniques are as follows:

(a) *Market approach*. Prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities;

(b) *Cost approach*. Amount that would be required to replace the service capacity of an asset (replacement cost); and

(c) *Income approach*. Techniques to convert future amounts to a single present amount based on market expectations (including present value techniques, option-pricing and excess earnings models).

The following tables summarize the Plan's assets measured at fair value on a recurring basis, categorized by U.S. GAAP's valuation hierarchy as of December 31, 2020 and 2019:

Description	Level 1	Level 2	Level 3	Total at December 31, 2020	Valuation Technique
Investment in the Sponsor's common stock	$ -	$ -	$ 920,000	$ 920,000	(c)

Description	Level 1	Level 2	Level 3	Total at December 31, 2019	Valuation Technique
Investment in the Sponsor's common stock	$ -	$ -	$ 460,000	$ 460,000	(c)

During the years ended December 31, 2020 and 2019, there were no transfers between levels of the fair value hierarchy.

The following table sets forth a summary of the changes in the estimated fair value of the Plan's investment classified by the Plan within Level 3 of the fair value hierarchy for the years ended December 31, 2020 and 2019:

	2020	2019
Estimated fair value - beginning	$ 460,000	$ 719,440
Net unrealized appreciation (depreciation) in estimated fair value of investment	460,000	(259,440)
Estimated fair value - ending	$ 920,000	$ 460,000

The estimated fair value of the investment in the Sponsor's common stock at December 31, 2020 and 2019, was determined by annual independent appraisals. There have been no changes in the methodologies used at December 31, 2020 and 2019.

The appraisals are based upon a combination of the market and income valuation techniques (discounted cash flow model) consistent with prior years. At December 31, 2020 and 2019, most emphasis was placed on the discounted cash flow models. The appraiser takes into account historical and projected cash flow and net income, return on assets, return on equity, market comparables, and fair value of the Sponsor's assets and liabilities. Plan management has concluded that a market participant would also recognize a discount for lack of marketability.

NOTE 8. FAIR VALUE MEASUREMENTS (CONTINUED)

Plan management accumulates the data for the appraiser from the audited financial statements of the Sponsor. The appraiser prepares a preliminary report which Plan management, along with the Trustee, reviews in detail, discusses and approves.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes the significant unobservable inputs used in the discounted cash flow model in the appraisal of the Sponsor's common stock as of December 31, 2020:

Unobservable Inputs	Range of Inputs
Discount rate	23.5%
Terminal growth rate	3.0% - 4.0%
Compound annual growth rate of revenue	0.0 - 12.5%
Term	5 years

NOTE 9. ADMINISTRATION OF PLAN ASSETS AND EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Plan's assets, consisting of the Sponsor's common stock at December 31, 2020 and 2019, are held in safekeeping by the Trustee of the Plan.

Sponsor contributions are held and managed by the Trustee. The Trustee also administers the payment of interest and principal on the Note, which is reimbursed to the Trustee through the contributions as determined by the Sponsor.

Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan. Substantially all administrative expenses of the Plan are paid by the Sponsor.

NOTE 10. NOTE PAYABLE

In 2011, the Plan entered into a $46,000,000 term note with the Sponsor. The proceeds of the Note were used to purchase 46,000,000 shares of the Sponsor's common stock. Unallocated shares collateralize borrowings under the Note. The agreement provides that the Note be repaid over 20 years. The Note bears interest at 3.86% per annum.

Future minimum principal payments for the remaining term of the Note at December 31, 2020, are as follows:

Year ending December 31:	Amount
2021	$ 2,234,773
2022	2,321,035
2023	2,410,627
2024	2,501,595
2025	2,600,239
Thereafter	14,585,462
	$ 26,653,731
