Pon North America Inc. Defined Contribution Plan

Notes to Financial Statements

December 31, 2020 and 2019

Note 1: Description of the Plan

The following description of the Pon North America Defined Contribution Plan (the Plan) provides only general information. Participants should refer to the *Plan Document* for a more complete description of the Plan's provisions, which is available from Plan management.

General

The Plan is a defined contribution plan covering all eligible employees of Pon North America, Inc. and adopting controlled group members, as defined in the Plan Document (collectively, the Company), who have at least three months of service. The adopting controlled group members include W&O Supply, Inc.; Equipment Depot Kentucky, Inc.; Valve Automation and Control of San Diego; Pon Material Handling NA, Inc.; A-T Controls, Inc.; AVC-Paltex Corporation; PVI Holdings, Inc.; Setpoint Integrated Solutions, Inc. (formerly known as DMC Carter Chambers, Inc.); Pon North America, Inc.; Equipment Depot Pennsylvania, Inc.; Equipment Depot Ohio, Inc.; Equipment Depot, Ltd.; Equipment Depot of Illinois, Inc.; FOCUS Bicycles USA, Inc., The Hiller Companies, Inc., Louisiana Valve Source, LLC, Engine Monitor, Inc., American Fire Equipment Sales and Services, Inc., and Advanced Safety Systems, Inc.

Effective January 1, 2019, the Systems Management Group LLC 401(k) Profit Sharing Plan and Trust merged into the Plan.

In April 2019, Pon North America, Inc. the parent company of Pon Material Handling NA, Inc. (PMH), a U.S. material handling equipment dealer operating as Equipment Depot, entered into an agreement with Mitsubishi Logisnext Americas, Inc. (MLA), to sell PMH to MLA. On July 1, 2019, PML was sold to MLA. Plan Assets under the PMH were transferred out of the Plan as a result, assets and participant loan amounting to \$81,259,779 were transferred out of the Plan. Effective October 5, 2020, the Company and PMH finalized the plan transfer started in July 2019 when all terminated participants from Equipment Depot were transferred from the Plan to the Equipment Depot Defined Contribution Plan, and as a result, assets amounting to \$15,188,803 were transferred out of the Plan.

Effective January 1, 2020, American Fire Technologies, Inc. 401(k) Profit Sharing Plan merged into the Plan and as a result, assets and participant loan amounting to \$2,310,105 were transferred into the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation after 3 months of entry service, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants automatically have 3 percent of their annual compensation contributed as a pretax contribution each payroll period, unless they elect not to contribute or to contribute an alternate amount. The Plan also allows Roth elective deferrals, wherein participants can designate a portion of their elective deferral contributions as after-tax Roth elective deferral contributions. In addition, participants may also contribute amounts representing distributions

Notes to Financial Statements

from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Effective January 1, 2020, the Company increased its match contributions from 50 percent of the first 6 percent to 8 percent of base compensation that a participant contributes to the Plan. The Company does not match employee catch-up contributions. Additional discretionary contributions may be allocated to participants active on the last day of the plan year and with at least 1,000 hours of service in the plan years. During 2020, none of the adopting controlled group members elected to contribute discretionary contributions, on behalf of their participants, to the Plan. Contributions are subject to certain limitations.

Plan fees

All participants will pay the same annual fee of \$78 for administrative plan expenses, regardless of individual investment elections or account balances. This fee will be deducted from participants' accounts on a quarterly basis, which will be shown clearly on each quarterly statement.

Participant Accounts

Each participant account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service as follows:

1 year or less	0%
2 years	40%
3 years	60%
4 years	80%
5 years or more	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by Plan management. Principal and interest is paid ratably through payroll deductions. Special COVID-19 in-service loan limits and loan repayment provisions have been adopted by the Plan in 2020, as permitted by the CARES Act.

Payment of Benefits

Upon separation of service due to death, disability, retirement or termination of employment, a participant may elect to receive either a lump-sum amount or installments equal to the value of the participant's vested interest in his or her account. From April 10, 2020 through December 31, 2020, in accordance with the Coronavirus Aid, Relief, and Economic Security (CARES) Act, Participants could

Pon North America Inc. Defined Contribution Plan

take coronavirus distributions from the Plan of up to an aggregate amount of \$100,000 if the participant or his or her spouse or dependent was diagnosed with the virus or with COVID-19 or if the Participant experienced adverse financial consequences due to the virus or COVID-19 under the circumstances set forth in the CARES Act. In addition, in accordance with the CARES act, required minimum distributions from the Plan for 2020 were waived.

Forfeited Accounts

The non-vested balance in a participant's account is forfeited upon termination of service. Forfeitures may be used to pay Plan expenses and/or to reduce future Company contributions. At December 31, 2020 and 2019, forfeited non-vested accounts totaled \$1,032,791 and \$873,607, respectively. During 2020, Company contributions were reduced by \$226,697 from forfeited non-vested accounts.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (US GAAP).

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation include the Plan's gains and losses on investments bought and sold as well as held during the year, and expenses related to the Plan's investment portfolio.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2020

Pon North America Inc. Defined Contribution Plan

Notes to Financial Statements

December 31, 2020 and 2019

and 2019. If a participant ceases to make loan repayments and Plan management deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits paid directly to participants are recorded when paid.

Pandemic

In March 2020, the World Health Organization classified the COVID-19 outbreak as a global pandemic, adversely affecting global economic activity and financial markets resulting in significant volatility during 2020. Although there have been signs of an improvement to the economy during 2020 and into 2021, uncertainty remains about the impact the pandemic may have on the economy and financial markets.

Note 3: Investments and Investment Income

Information related to investments as of December 31, 2020 and 2019 and related investment gain for the year ended December 31, 2020 were certified by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Custodian), as permitted by 29 CFR 2520.103-8 of the Department of Labor rules under ERISA.

Note 4: Fair Value Measurements

FASB ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in an active market for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- quoted prices for similar assets and liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Pon North America Inc. Defined Contribution Plan

Notes to Financial Statements

December 31, 2020 and 2019

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Registered Investment Company or Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective Trust Fund: The Principal Stable Value Z Fund (SVF), held in a collective trust fund, invests in conventional and synthetic guaranteed investment contracts issued by life insurance companies, banks and other financial institutions with excess cash invested in cash equivalents. Investments in the SVF are reported at fair value, as determined by the issuer or the manager of the fund, based on the fair value of the underlying investments, using NAV as a practical expedient. NAV is based on the value of the underlying investment assets owned by the fund, minus its liabilities. This practical expedient is not used when it is determined to be probable that the account will sell the investment for an amount different than the reported NAV.

Pooled Separate Accounts: Pooled separate accounts (PSAs) are privately managed through investment companies and are not publicly quoted. PSAs are comprised, primarily, of shares of registered investment companies held through sub-accounts of an insurance company. Investments in PSAs are reported at fair value, as determined by the issuer or the manager of the fund, based on the fair value of the underlying investments, using NAV as a practical expedient. NAV is based on the value of the underlying investment assets held through sub-accounts of a separate account of an insurance company. This practical expedient is not used when it is determined to be probable that the account will sell the investment for an amount different than the reported NAV. The Plan has concluded that the NAVs reported by the investment companies approximate the fair value of the investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements

December 31, 2020 and 2019

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020 and 2019:

	2020	2019
Level 1:		
Registered investment company or mutual funds	\$ 74,209,648	\$ 70,261,489

Pooled separate accounts	45,051,431	43,482,129

Total Investments, at fair value	\$ 128,554,477	\$ 123,221,399

Note 5: NAV per Share

The following table sets forth a summary of the Plan's investments with a reported NAV as of December 31, 2020 and 2019:

	2020	2019	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Common/collective trust fund	\$ 9,293,398	\$ 9,477,781	None	Daily	None	None
Pooled separate accounts	\$45,051,431	\$43,482,129	None	Daily	Restrictions on completing fund transfers for 30 days	None

Note 6: Party-In-Interest Transactions

Certain plan investments are managed by Principal Trust Company, the custodian of the Plan. Therefore, these transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

Note 7: Risks and Uncertainties

The Plan invests in various investment securities that are exposed to various risks such as interest rates, market and credit risks. Market values of investments may decline for a number of reasons, including changes in prevailing market and interest rates, increases in defaults and credit rating downgrades. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that some changes could materially affect participant account balances and the assets reported in the statement of net assets available for benefits.

Pon North America Inc. Defined Contribution Plan

Notes to Financial Statements

December 31, 2020 and 2019

Note 8: Plan Tax Status

Effective October 1, 2012, the Plan adopted a non-standardized prototype defined contribution profit sharing plan with Internal Revenue Code Section 401(k) Cash or Deferred Arrangement (CODA) which received a favorable opinion letter from the Internal Revenue Service dated March 31, 2014. The Plan was originally effective January 1, 2001. The Plan has been amended since the date of the last amendment covered by the above-mentioned determination letter. However, Plan management believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

US GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9: Delinquent Participants Contributions

During the year 2020, the Company determined that, in a few instances, employee deferrals and loan repayment aggregating \$8,008 and \$14,037, respectively, had not been remitted to the Plan in a timely manner, in accordance with Department of Labor (DOL) regulations. Although these remittances were made, they fell outside the normal processing time the Company allows. The Company is in the process of calculating the lost earnings and will deposit these funds into the Plan in 2021 plan year. The funds will be allocated to impacted participant accounts. No late remittances were corrected in 2020. In June of 2021, \$10,159 of the late contribution for 2018 were corrected.

Note 10: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the changes in net assets before transfer per the financial statements to the net income per Form 5500 for the year ended December 31, 2020:

Net increase before transfer per the financial statement	\$ 18,202,497
Employer's 2019 contribution receivables	78,896
Participants' 2019 contribution receivables	190,999
Net increase before transfer per Form 5500	<u>\$ 18,472,392</u>

Note 11: Subsequent Event

In preparing the accompanying financial statements, Plan management has reviewed all known events that have occurred after December 31, 2020, and through October 13, 2021 which is the date the financial statements were available to be issued, for inclusion in the financial statements and footnotes.

Plan Sponsor: PON NORTH AMERICA, INC.

EIN/PN: 13-3921166

Plan: Pon North America Inc. Defined Contribution Plan

Schedule H, Line 3a – Form of IQPA Opinion

The 2020 Form 5500 instructions state that “Unmodified” should be checked “if Independent qualified public accountant (IQPA) has performed an ERISA section 103(a)(3)(C) audit pursuant to 29 CFR 2520.103-8 or 29 CFR 2520.103-12 or both, and had no modifications” pursuant to SAS 136. However, the effective date of SAS 136 has been delayed to periods ending after December 15, 2021, per SAS 141. IQPA performed a limited-scope audit pursuant to DOL Regulation 2520.103-8 under audit standards in place prior to the effective date of SAS 136, and therefore the “Disclaimer” has been checked on the 2020 5500 Schedule H. Refer to the “Basis for Disclaimer of Opinion” section of the auditor’s report for more information.
