NESTLÉ PUERTO RICO EMPLOYEE RETIREMENT PLAN

Notes to Financial Statements

December 31, 2020 and 2019

(1) Description of the Plan

The following description of the Nestlé Puerto Rico Employee Retirement Plan (the Plan) is provided for general information only. Participants should refer to the Plan document for more complete information.

(a) General

The Plan is a defined contribution plan covering substantially all employees of Nestlé Puerto Rico, Inc. (the Company, Plan Administrator and Plan Sponsor).

The Plan was established in July 1990, and has been amended thereafter, to assist employees in providing security for their retirement by the adoption of a retirement savings program. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Employees may elect to become participants in the Plan after meeting the eligibility requirements set forth in the Plan document. Employees will be automatically enrolled in the Plan at a contribution rate of 1% of eligible compensation unless they opt-out or make a different election.

(b) Administration

The Plan is administered by a Savings Plan Committee appointed by the Company and had UBS Trust Company of Puerto Rico as trustee through August 31, 2020. Effective September 1, 2020, BPAS Trust Company of Puerto Rico was appointed to the role of directed trustee (the Trustee).

The Plan requires that participants select the investment funds into which their accounts are invested. The participants were able to select from 18 investment funds and 15 investment funds for the years ended December 31, 2020 and 2019, respectively.

(c) Contributions

The maximum allowable pretax contributions permitted by the Puerto Rico Internal Revenue Code of 2011 amounts to \$15,000 for the year ended December 31, 2020. The Company makes matching contributions to the Plan equal to 60% of the participants' contributions up to a maximum of 6% of the participants' compensation.

The Plan allows employees age 50 and older during the calendar year to elect to make up to an additional \$1,500 catch-up contribution during the year ended December 31, 2020. Catch-up contribution amounts are not eligible for Company matching contributions.

(d) Participant Account Balances and Vesting

Participant contributions are credited to accounts established for each participant and, along with related investment gains and losses, are fully vested and nonforfeitable.

Contributions by the Company are credited to the participant's account and, along with related investment gains and losses, become vested based upon a participant's years of service with the Company.

NESTLÉ PUERTO RICO EMPLOYEE RETIREMENT PLAN

Notes to Financial Statements

December 31, 2020 and 2019

Participants become vested in the Company's contributions, in accordance with the following schedule:

<u>Years of service</u>	<u>Vested percentage</u>	
Less than 1	—	%
1	—	
2	20	
3	40	
4	60	
5	80	
6 or more	100	

Forfeitures represent the nonvested portion of the Company's matching contributions plus earnings thereon, which are not distributable to participants who terminate employment before they are 100% vested. The amounts forfeited from a participant may be used to reduce the Plan's administrative expenses or to reduce the Company matching contributions. At December 31, 2020 and 2019, the Plan's forfeited account balances totaled \$31,412 and \$26,496, respectively.

(e) *Payment of Benefits*

On termination of service due to death, disability, retirement, or termination of employment a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his/her account, or installment payments over a period of at least 5 years and not to exceed the lifetime of the participant or his/her beneficiary. The Plan also provides for certain withdrawals during employment. Participant contributions may be withdrawn upon the attainment of age 59 ½ or, in the case of hardship, subject to limitations as defined in the Plan document. Withdrawal of rollover amounts and Company's contributions are also provided for, subject to, limitations set forth in the Plan document.

(f) *Administrative Expenses*

Expenses of administering the Plan are funded by either the Company or the Plan, as agreed upon in the Plan document, subject to limitations under ERISA. Each participant's account is charged with an amount of administrative expenses, according to the applicable administrative service agreement.

(2) *Summary of Significant Accounting Policies*

(a) *Basis of Accounting*

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

(b) *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, and changes therein, and to disclose contingent assets and liabilities. Actual results could differ from these estimates.

NESTLÉ PUERTO RICO EMPLOYEE RETIREMENT PLAN

Notes to Financial Statements

December 31, 2020 and 2019

(c) Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices of units held at the end of the year are used to value mutual fund investments. All investment allocations are participant-directed.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(d) Fair Value Measurements

The Plan follows the provisions of Accounting Standards Codification (ASC) Topic (820), *Fair Value Measurement*, for fair value measurement of financial assets and financial liabilities and for fair value measurement of nonfinancial items that are recognized or disclosed at fair value in the financial statements on a recurring basis. ASC Topic 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC Topic 820 also establishes a framework for measuring fair value and expands disclosures about fair value measurements (note 4).

(e) Payment of Benefits

Benefit payments to participants are recorded upon distribution of assets from the Plan.

(f) Risks and Uncertainties

Participants may direct investment of their account balances to various types of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

(g) Recently Issued Accounting Standards

In August 2018 the Financial Accounting Standards Board (FASB) issued ASU 2018-13, *Fair Value Measurement (Topic 820) Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*. ASU 2018-13 improves the disclosure requirements for fair value measurements. The guidance was effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. The Plan adopted the guidance beginning with the year ended December 31, 2020, and as a result there were no changes to the financial statements and the related disclosures.

(3) Information Certified by the Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520. 103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2020 and 2019, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2020, was obtained or

derived from information provided to the Plan administrator and certified as complete and accurate by the Trustee of the Plan.

(4) Fair Value Measurements

The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible. The Plan determines fair value based on assumptions that market participants would use in pricing an asset or a liability in the principal or most advantageous market. The fair value framework requires the categorization of assets and liabilities into three levels based upon the assumptions (inputs) used to price the assets or liabilities. Level 1 provides the most reliable measure of fair value, whereas Level 3 generally requires significant judgment. The three levels are defined as follows:

Level 1 – Assets or liabilities that are valued based on quoted prices in active markets that are accessible at measurement date

Level 2 – Assets or liabilities that are valued based upon inputs, other than those included in Level 1; based on quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in inactive markets, or financial instruments for which all significant inputs are observable, either directly or indirectly

Level 3 – Assets or liabilities that are based on unobservable inputs, including the reporting entity's own analysis of the underlying economic data that market participants would factor into the pricing of the asset or liability

The following tables present the Plan's assets measured at fair value on a recurring basis at December 31, 2020 and 2019 as follows:

December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,072,158	—	—	9,072,158
Total investments at fair value	\$ 9,072,158	—	—	9,072,158

December 31, 2019				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,169,679	—	—	8,169,679
Total investments at fair value	\$ 8,169,679	—	—	8,169,679

(5) Related Party and Party In Interest Transactions

UBS and Benefit Plans Administrative Services, Inc., or its affiliates provide trustee, custodial, investment management, and record-keeping services to the Plan and, accordingly, are considered parties in interest.

Certain administrative expenses of the Plan are paid and absorbed by the Company. Such expenses include accounting, legal, investment management, trust and record-keeping fees, and other fees of administering the Plan.

(6) Plan Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their participant accounts.

(7) Tax Status

The Puerto Rico Department of the Treasury has determined and informed the Plan's trustee under a letter dated April 2, 2014 that the prototype plan is designed in accordance with the applicable sections of the 2011 PR Code. However, as per the 2011 PR Code, a separate determination letter is required for any sponsor that adopts the prototype plan. The Puerto Rico Treasury Department has determined and informed the Plan's trustee, by a determination letter dated January 27, 2021, relating to the aforementioned amendments adopted by the Plan indicating that the Plan and related trust are designed in accordance with the Internal Revenue Code.

Once qualified, the Plan is required to operate in conformity with the Puerto Rico Code to maintain its qualification. The plan administrator has indicated that it will take the necessary steps, if any, to bring the Plan's operations into compliance with the PRIRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan and has concluded there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) Subsequent Events

Effective April 2021, the Company went through a restructuring in which the Company was dissolved effective June 30, 2021, and merged into SWIRL Corp. As a result of this restructuring, the Plan was amended and restated effective July 1, 2021 with the following changes, (a) the Plan Sponsor changed to SWIRL Corp.; (b) the Plan Sponsor's Employer Identification Number changed to 66-0720233; (c) the Plan's name was changed to Nestlé Professional Employees Retirement Plan; and (d) service with the Company will be considered for eligibility and vesting purposes.

The Plan has evaluated subsequent events through October 14, 2021, the date these financial statements were available for issuance, and other than the matter disclosed above have concluded that no events occurred that would require an adjustment or additional disclosure to the financial statements.
