UFCW MEMBERS, LOCAL UNIONS, AND MULTI-EMPLOYER 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2020

Note 1 – Description of Plan

The following description of the UFCW Members, Local Unions, and Multi-Employer 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan which local unions affiliated with the United Food and Commercial Workers International Union, AFL CIO CLC can adopt by signing a Local Union Participation Agreement. Employers who are signatory to a collective bargaining agreement or other written agreement with a participating local union can join the Plan by completing a Participation Agreement with the Plan. Unless otherwise specified in the collective bargaining agreement, the employees covered by the participation agreement must have at least three (3) months of service and are age eighteen (18) or older to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each payroll period, participants may contribute in whole percentages or whole dollar amounts up to 100% compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans and certain IRAs. Participants direct the investment of their contribution into various investment options offered by the Plan. The Plan currently offers various mutual funds and an insurance investment contract as investment options for participants (See Note 3). Each employer will contribute to the trust fund on behalf of its participants who are covered by a collective bargaining agreement with the Unions the amount required by the collective bargaining agreement. Contributions are subject to certain statutory limitations.

Certain participant contributions in 2020 were paid after the time frame required by the Department of Labor. The delinquent contributions were remitted to the Plan throughout 2020 and the related lost earnings will be remitted to the Plan in November 2021.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s matching, negotiated and discretionary contribution and (b) Plan earnings (losses), and charged with an allocation of administrative expenses paid by the plan. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions and the company’s contributions plus actual earnings thereon.

See Independent Auditors’ Report.

UFCW MEMBERS, LOCAL UNIONS, AND MULTI-EMPLOYER 401(k) PLAN**NOTES TO THE FINANCIAL STATEMENTS**

December 31, 2020

Note 1 – Description of Plan (Continued)Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, subject to the Plan provisions. Loans will be permitted only to participants who are active employees or on an employer-approved leave of absence. Loan transactions are treated as a receivable by the Plan. Loan terms range from one to five years or for a reasonable period of time that may exceed five years for the purchase or rehabilitation of a principal residence. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement or termination of service due to other reasons, a participant may elect to receive a single lump-sum payment or partial withdrawals equal to the value of the participant's vested interest in his or her account.

Forfeited Accounts

At December 31, 2020 and 2019, forfeited nonvested accounts totaled \$4,095 and \$4,001, respectively. The forfeitures were the result of nonvested employer contributions that were merged into the Plan in a prior year. These accounts will be used to reduce future administrative expenses.

Trustee to Trustee Transfer

In connection with the negotiation of a successor collective bargaining group between Local 227 of the United Food and Commercial Workers and Keystone Foods-Equity Group Kentucky Division LLC, a wholly-owned subsidiary of Tyson Foods, the Board of Trustees of the UFCW Members, Local Unions, and Multi-Employer 401(k) Trust Fund spun off the Keystone Foods-Equity Group Kentucky Division LLC to the Tyson Foods, Inc. Retirement Savings Plan on July 1, 2020. The assets were transferred in an amount equal to the sum of the account balances for the affected participants.

Coronavirus Aid, Relief and Economic Security Act ("CARES Act")

In March of 2020, the U.S. government passed legislation to help address the financial hardships Americans were suffering due to the global novel coronavirus pandemic ("COVID-19" or "the virus"). As a result of this legislation, new provisions were adopted. The withdrawal and increased loan limit features allowed under this new legislation are outlined below. Under the CARES Act, only a "qualifying individual" is eligible for the enhanced withdrawal and loan opportunities.

UFCW MEMBERS, LOCAL UNIONS, AND MULTI-EMPLOYER 401(k) PLAN**NOTES TO THE FINANCIAL STATEMENTS**

December 31, 2020

Note 1 – Description of Plan (Continued)

A “qualifying individual” is (i) a participant (or his or her spouse or dependent) who is diagnosed using a CDC-approved COVID-19 test; or (ii) a participant who experiences adverse financial consequences as a result of being quarantined, furloughed, laid off, subjected to reduced work hours, or unable to work due to a lack of child care, in all cases due to the virus. The Plan may rely on a participant’s certification that one or more of the above conditions is satisfied.

Under the CARES Act, qualifying individuals in the Plan were eligible to withdraw up to \$100,000 from available sources in one or more distributions without incurring the 10% early distribution penalty tax that would otherwise generally apply to payments made prior to age 59 ½. Qualifying individuals were able to repay the funds within three years to any eligible retirement plan to which a rollover contribution can be made, and the federal table income could be spread ratably over three years. This opportunity expired on December 30, 2020.

Qualifying individuals were also eligible to take loans up to 100% of their vested balance from available sources limited to a maximum of \$100,000, less the highest outstanding loan balances over the prior 12 months. Qualifying individuals could also defer their current or new loan payments for due dates falling on the date of enactment through December 31, 2020 by one year. This opportunity expired on September 23, 2020, 180 days after enactment of the CARES Act.

Note 2 – Summary of Significant Accounting PoliciesDate of Management’s Review

Subsequent events were evaluated through October 15, 2021, which is the date the financial statements were available to be issued.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (“GAAP”) requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Cash and Cash Equivalents

The Plan considers all temporary cash investments purchased with a maturity of three months or less to be cash equivalents.

See Independent Auditors’ Report.

December 31, 2020

Note 2 – Summary of Significant Accounting Policies (Continued)Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances. As of December 31, 2020 and 2019, no allowance for credit losses has been recorded. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan provides for various investment options which may invest in any combination of stock and mutual funds. Such investments are exposed to various risks, such as interest rates, market and credit risks. Due to the level of risk associated with certain investments and the level of uncertainties related to changes in their value, it is at least reasonably possible that changes in risks in the near term could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

Note 3 – Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the period presented.

See Independent Auditors' Report.

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2020

Note 3 – Fair Value Measurements (Continued)

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020 and 2019:

		Fair Value Measurements at the End of the Reporting Period Using:	
<u>Description</u>	<u>Fair Value 12/31/20</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Other Observable Inputs (Level 2)</u>
Mutual Funds	<u>\$ 21,608,076</u>	<u>\$ 21,608,076</u>	<u>\$ -</u>

		Fair Value Measurements at the End of the Reporting Period Using:	
<u>Description</u>	<u>Fair Value 12/31/19</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Other Observable Inputs (Level 2)</u>
Mutual Funds	<u>\$ 22,427,692</u>	<u>\$ 22,427,692</u>	<u>\$ -</u>

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2020, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2020, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

UFCW MEMBERS, LOCAL UNIONS, AND MULTI-EMPLOYER 401(k) PLAN**NOTES TO THE FINANCIAL STATEMENTS**

December 31, 2020

Note 4 – Guaranteed Investment Contract with Insurance Company

In 2004, the Plan entered into a benefit-responsive investment contract with Metropolitan Life Insurance Company (MetLife). MetLife maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by MetLife, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2020 and 2019, was \$1,454,404 and \$1,219,141, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0 percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with MetLife. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTES TO THE FINANCIAL STATEMENTS

Note 5 – Tax Status

The Plan has been restated effective January 1, 2015. The Internal Revenue Service has determined and informed the Company by a letter dated December 23, 2015 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

Note 6 – Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2020, net appreciation in fair value of investments, and dividends for the year ended December 31, 2020 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Personal Trust Company, FSB (the trustee of the Plan).

Benefits paid to participants per the financial statements	\$ 3,454,803

Less: Amounts allocated to withdrawing participants at December 31, 2019	<u>-</u>
Benefits paid to participants per Schedule H of Form 5500	<u>\$ 3,496,099</u>

Amounts allocated to withdrawing participants are recorded on Schedule H of Form 5500 for benefit claims that have been processed and approved for payment prior to December 31 but not yet paid as of that date.

Note 8 – Related Party Transactions

Both accounting standards and ERISA require that transactions involving related parties (referred to as parties in interest, under ERISA) be reflected in footnotes to the financial statements. ERISA generally prohibits transactions between a plan and a party in interest. But there are exemptions which permit certain transactions with parties in interest, such as the provision of accounting and legal services. Fees paid by the Plan amounted to \$286,314 for the year ended December 31, 2020. Below is a listing of those providing services to the Plan during 2020:

Corporate Plan Administrators, Inc.	Third Party Administrator
Fiduciary Firewall Consulting	Fiduciary Consulting

Although they have not expressed any intent to do so, the Plan may be discontinued at any time by the Board of Trustees, but only upon condition that it will be impossible for any part of the trust fund to be used for purposes other than the exclusive benefit of participants. In the event of Plan termination, participants are 100% vested in their accounts.
