Independent Auditors' Report

Plan Participants and Plan Administrator
Fives Retirement Savings Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Fives Retirement Savings Plan, formerly Fives 401(k) Plan, (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company and Reliance Trust Company, the trustee and custodian, respectively, of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Fidelity Management Trust Company holds the Plan's investment assets as of December 31, 2020, and executed investment transactions for the year then ended, and that Reliance Trust Company held the Plan's investment assets as of December 31, 2019. The plan administrator has obtained certifications from the trustee and custodian as of December 31, 2020 and 2019, respectively, and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee and custodian is complete and accurate.

Because of the inadequacies in the records for prior periods for both Fives Bronx and Fives Lund, we were unable to obtain sufficient appropriate audit evidence with respect to individual participant account balances transferred in from those entities' respective plans.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedules as outlined in the Table of Contents as of or for the year ended December 31, 2020, are required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee and custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Fives Retirement Savings Plan, formerly the Fives 401(k) Plan, (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of the following related employers: Fives Cinetic Corporation, Fives Landis Corporation (Landis), Fives Intralogistics Corporation, Fives ST Corporation, Fives Inc., Fives Dyag Corporation, Fives Cryo, Inc., Fives Solios Corporation, and, effective January 1, 2020, Fives Bronx, Inc., Fives Lund, LLC, Fives Machining Systems, Inc., Fives Giddings & Lewis, LLC, Fives North American Combustion, Inc., and North American Construction Services, Ltd (collectively, the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan administrator oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the plan administrator.

SECURE and CARES Acts

The Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) became law on December 20, 2019. The SECURE Act contains both mandatory and optional features. The Plan is being administered to comply with the SECURE Act's mandatory provisions relating to required minimum distributions. No optional features of the SECURE Act were adopted by the Plan. On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The CARES Act provided a substantial stimulus and assistance package intended to address the impact of the COVID-19 pandemic. The Plan has implemented provisions of the CARES Act related to distributions, loans, and required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service (IRS) guidance.

Plan Merger

During 2018, Fives Inc. plan management elected to consolidate all Fives North American benefit plans. This resulted in a single, consolidated plan sponsored by Fives Inc., with an effective date of January 1, 2020. As part of this consolidation, the Plan name was changed to the Fives Retirement Savings Plan, and Fidelity Management Trust Company (Fidelity) was named trustee of the new consolidated plan.

As part of the merger of the plans and transfer of all net assets to Fidelity, plan management instituted a blackout period under which any and all activity relating to employee or employer contributions, distributions, loan activity, investment election changes, and deferral percentage changes were suspended for participants under the Plan. The blackout period began at market close on December 24, 2019, and ended at market open on January 22, 2020. Plan assets were valued as of market close on December 31, 2019, and transferred to Fidelity.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Plan Merger (continued)

The remaining investments at fair value of \$317,061 at December 31, 2019, represented dividends received on December 31, 2019, that were subsequently transferred to Fidelity. Upon transfer, certain plan investment balances were transferred to the same investment option via an “in-kind transfer” while other investments were liquidated and reinvested under the Plan’s default investment option, the T. Rowe Price Retirement Fund with the target retirement date closest to the participant’s normal retirement age.

The other Fives North American benefit plans executed transfers of plan assets to the Plan on December 31, 2019. Plan assets were received by Fidelity in January 2020, resulting in a receivable from the prior plans at December 31, 2019.

Cash in Transit

Due to the change in custodial, recordkeeping, and trustee services effective January 1, 2020, Reliance Trust Company (Reliance), the prior custodian, executed a transfer of Plan assets to Fidelity, the trustee, on December 31, 2019. Plan assets were received by Fidelity in January 2020, resulting in a deposit in-transit on December 31, 2019, representing the cash value of the Plan assets transferred between the prior custodian and the trustee.

Contributions

Effective January 1, 2020, participants may make voluntary pre-tax and Roth contributions each year, up to 75% of their eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan includes an auto-enrollment provision whereby all newly eligible employees and active participants who have elected a deferral rate of 0% as of the first day of January, are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their pre-tax deferral rate set at 6% of eligible compensation and their contributions invested in a designated target date fund unless changed by the participant. The Company may, at its discretion, make matching contributions. Matching contributions, as determined by each employer, were made for 2020 except for the period from April 1, 2020 through June 30, 2020, as a result of the COVID-19 pandemic. The Company may also authorize discretionary profit sharing contributions to the Plan for the related year, as determined by each employer. These contributions are funded in the year subsequent to their authorization. There were no discretionary profit sharing contributions authorized for 2020 other than as noted below for Landis.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Contributions (continued)

The Plan provides that Landis may make a discretionary employer contribution for the employees who were employed prior to June 12, 2006, and had completed five years of service as of that date. Discretionary employer contributions of \$294,464 were made to the Plan for eligible Landis participants for 2020. The contribution is calculated as a percentage of compensation and the percentage is based on years of service as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 5	0%
5 - 9	1%
10 - 14	2%
15 - 19	3%
20 or more	4%

Contributions are subject to certain IRS limitations.

Participant Accounts

A separate account is maintained for each participant. Each participant's account is credited with the participant's contributions, rollover contributions, allocations of the Company's contributions, and Plan earnings or losses as defined by the Plan agreement. Allocations of the Company's profit sharing contribution are given only to participants employed at the end of the Plan year who have completed at least 1,000 hours of service during the Plan year, and are based on participants' compensation for the Plan year relating to the contribution. Plan earnings or losses are allocated daily based on each participant's account balance. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Effective January 1, 2020, participants are immediately vested in the Company's contributions to their accounts. Vesting in the Company's contribution portion of their accounts prior to January 1, 2020, is based on years of continuous service, as dictated in the plan document for the respective Fives North American benefit plan from which the participant's balance was transferred.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow money within certain limits from their individual accounts. The notes are secured by the balance in the participant's account. Such notes bear interest at a reasonable rate commensurate with current interest rates charged for loans made under similar circumstances by persons in the business of lending money as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions. The Plan permitted participants to request a delay of note repayments that occurred between March 27, 2020, and December 31, 2020, in accordance with the CARES Act. If a delay was granted, the participant's note receivable was reamortized and any interest accrued during the period of the delay was included in the principal balance.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments subject to lifetime required minimum distributions. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If the participant's account balance is less than \$5,000, the plan administrator directs the trustee to make a lump-sum distribution. Distributions of a participant's employee deferrals and rollover contributions may be authorized at any time by the plan administrator under certain hardship conditions. During 2020, the Plan also permitted participants to take penalty-free distributions of up to the lesser of \$100,000 or 100% of their vested balances for qualifying coronavirus-related reasons, in accordance with the CARES Act. The ability to request coronavirus-related distributions under the CARES Act ceased as of December 31, 2020. Participants receiving such distributions may recontribute the funds to an eligible retirement plan within 3 years without regard to annual contribution limits.

Forfeited Accounts

Forfeited nonvested accounts are used to reduce future employer contributions or to reduce administrative expenses. At December 31, 2020 and 2019, forfeited nonvested accounts totaled \$72,583 and \$39,683, respectively. During 2020, \$141,869 was used to reduce employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

New Accounting Pronouncement

During 2020, the Plan adopted Accounting Standards Update (ASU) No. 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*. The adoption of this ASU did not have an impact on the Plan due to the nature of the Plan's current investments.

Use of Accounting Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value by Fidelity and Reliance, the trustee and custodian of the Plan, as of December 31, 2020 and 2019, respectively. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustee, and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Assets of the Plan are held in separate accounts of a trust administered by Fidelity and Reliance as of December 31, 2020 and 2019, respectively, representing investments in mutual funds, a stable value collective trust fund, and a money market mutual fund.

Investments of participants' contributions and the Company's contributions into these investments are at the direction of each participant.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded at December 31, 2020 and 2019. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

The Plan's administrative expenses are paid either by the Plan or the Company as provided by the Plan agreement. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Income Taxes

In accordance with GAAP, the plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability for any significant uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2020 and 2019, and for the year ended December 31, 2020, the Plan did not have a liability for unrecognized tax benefits.

Subsequent Events

Plan management has evaluated subsequent events through October 13, 2021, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIAN

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator has elected to restrict the scope of the auditor's examination with regard to statements or information prepared and certified by Fidelity and Reliance, the trustee and custodian, respectively.

Fidelity has certified as to the completeness and accuracy of the investments it holds, changes in net assets arising from investment activity, and the schedule of assets held at end of year as of December 31, 2020, and for the year ended December 31, 2020.

Reliance has certified as to the completeness and accuracy of the investments it held at December 31, 2019.

NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access
- Level 2 Other significant observable inputs including: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means
- Level 3 Inputs are significant and unobservable (including the Plan's own assumptions used to determine value)

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2020 and 2019.

Money market and mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. These funds held by the Plan are deemed to be actively traded.

Stable value collective trust fund: A stable value fund that is comprised primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the collective trust fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS (Continued)

Assets measured at fair value by level, within the fair value hierarchy, are comprised of the following at December 31, 2020:

Description	Level 1	Level 2	Level 3	Total
Money market mutual fund	\$ 49,341	\$ -	\$ -	\$ 49,341
Mutual funds	271,851,846	-	-	271,851,846
Total assets in the fair value hierarchy	271,901,187	-	-	271,901,187
Investments measured at NAV		-	-	30,285,606
Investments at fair value	<u>\$ 271,901,187</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 302,186,793</u>

Assets measured at fair value at December 31, 2019, are comprised of Level 1 mutual funds totaling \$317,061.

The Plan did not hold any Level 3 assets during the year.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, such transactions qualify as party-in-interest transactions.

Effective January 1, 2020, Fidelity provides certain administrative services to the Plan pursuant to a Master Plan Service Agreement (MSA) between the Company and Fidelity. Fidelity receives revenue from mutual fund service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan.

If the revenue received by Fidelity from such mutual fund service providers exceeds the amount owed under the MSA, Fidelity remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants and included in other income on the accompanying statement of changes in net assets available for benefits. The Plan or the Company may make a payment to Fidelity for administrative expenses not covered by revenue sharing.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTES TO THE FINANCIAL STATEMENTS

7. TAX STATUS

The Plan has adopted a volume submitter plan provided by Fidelity Management and Research Co. Fidelity Management and Research Co. has received an opinion letter dated March 31, 2014, from the IRS stating that the volume submitter plan is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, as well as heightened market risk and volatility associated with the COVID-19 pandemic, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
