# INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor
Sihle Insurance Group, Inc. Savings Plan
Altamonte Springs, Florida

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Sihle Insurance Group, Inc. Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sihle Insurance Group, Inc. Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2020 and 2019, and for the year ended December 31, 2020, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sihle Insurance Group, Inc. Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sihle Insurance Group, Inc. Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sihle Insurance Group, Inc. Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule of schedule of assets (held at end of year) as of December 31, 2020 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTE 1 - DESCRIPTION OF PLAN

The following description of the Sihle Insurance Group, Inc. Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the plan's provisions.

### General

The Plan is a defined contribution plan covering all employees of Sihle Insurance Group, Inc. (the "Company" or "Employer"). The Plan was established in January 1996 and most recently amended and restated on October 1, 2018. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Plan has contracted with Great-West Trust Company, LLC ("Great-West") to act as custodian, and record-keeper under the Plan. The plan administrator and trustee are responsible for the oversight of the Plan.

### Eligibility

Employees of Sihle Insurance Group, Inc. are eligible to participate in the deferral and matching component of the Plan after completion of six months of service, as defined by the Plan.

### Contributions

Subject to certain limitations, under the Internal Revenue Code ("IRC") Section 401(k), participants may contribute up to 100% of their annual compensation, as defined in the Plan, as pre-tax or Roth contributions, subject to 2020 annual limits of $19,500 and an additional $6,500 for catch-up contributions for participants who are age 50 or older. Participants may also rollover amounts representing distributions from other qualified retirement plans. The Plan also contains an automatic enrollment feature. Employees will be notified approximately 30 days prior to the date of the first automatic deferral. Automatic deferrals are withheld at a rate of 2% of eligible compensation for that pay period. Employees may stop or change the automatic contribution by following the instructions provided in the notice. Deferral contributions made automatically are treated the same under the Plan as deferrals made under each participant's own election. The Employer may make a discretionary contribution up to 2% of each participant eligible compensation, as determined each year by the Employer. The Employer made discretionary contributions totaling $38,198 and $91,370 for the years ended December 31, 2020 and 2019, respectively.

## NOTE 1 - DESCRIPTION OF PLAN (*Continued*)

### Participant Accounts

Plan participants are offered a choice of various investment options and allowed to change their investment options daily. Each participant's account is credited and/or reduced by the participant's elective deferral contributions and distributions, the Company's contributions, and an allocation of the Plan's investment earnings/losses and investment fees and any administrative expenses paid out of the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account balance.

### Investment Options

The participants direct the investment of their account balance and may select from various investment options maintained by the plan trustee. Participants may change their investment option selections on any business day, as defined by the Plan.

### Forfeited Accounts

Forfeitures occur when a participant terminates employment and has not fully vested in a portion of the Company's contribution amounts. Forfeitures may be used to reduce future employer matching contributions. As of December 31, 2020 and 2019, there were forfeited non-vested accounts totaling $45,903 and $26,437, respectively. The Company used $1,819 and $8,733 of forfeitures to reduce employer contributions for the plan years ended December 31, 2020 and 2019, respectively.

### Vesting

Participants are immediately vested in their elective contributions, as well as any rollover contributions, plus or minus actual earnings or losses thereon. Vesting in the remainder of their account (employer contributions) is based on years of credited service (as defined by the Plan) as follows:

| Completed Years of Service | Percent Vested |
|---|---|
| One | 25% |
| Two | 50% |
| Three | 75% |
| Four | 100% |

## NOTE 1 - DESCRIPTION OF PLAN (*Continued*)

### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balances. A participant may not have more than two outstanding notes at any time. The notes are secured by the balance in the participant's account and bear interest at a rate that is consistent with the current market upon issuance. The maximum note repayment period is five years, unless the note is for the purchase of a primary residence in which case the repayment schedule may be for a longer term. Principal and interest are paid ratably through payroll deductions.

### Payment of Benefits

Upon termination of employment by reason other than disability or death, a participant is entitled to their entire account balance, which includes all of the vested employer's contributions allocated to the participant's account and all gains or losses attributable thereto. If a participant terminates employment due to disability or death, the participant becomes fully vested and is entitled to their entire account balance as described above. Terminated participants may elect to receive a distribution of their vested benefits in a lump sum or in installments to satisfy required minimum distribution rules under the Plan. Participants should refer to the plan document for a full description of the distribution methods offered by the Plan. The Plan allows for in-service distributions upon attaining age 59 ½, and hardship distributions, as defined by the Plan.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Basis of Presentation

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*Continued*)

### Notes Receivable from Participants

Principal and interest payments with respect to the notes are credited solely to the account of the borrowing participant from which the note was made. Participant notes receivable are measured at their unpaid principal balances plus any accrued interest, which approximates fair value. Delinquent notes are reclassified as distributions based upon the terms of the plan document.

### Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts, as contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions and reinvested income, less any withdrawals, plus accrued interest (see Note 5).

### Plan Expenses

Certain expenses incurred in the administration of the plan are paid by the Plan sponsor. Expenses such as loan processing and investment transaction fees are charged directly to the participant's account. For the year ended December 31, 2020, administrative expenses incurred by the Plan totaled $13,364.

### Payment of Benefits

Benefits are recorded when paid.

### Recently Adopted Accounting Standard

In July 2019, the AICPA Auditing Standards Board issued AICPA Statement on Auditing Standards No. 136, Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA (SAS No. 136).

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*Continued*)

### Recently Adopted Accounting Standard (*Continued*)

This new standard prescribes certain new performance requirements for ERISA plan financial statement audits and changes the form and content of the related auditor's report to improve audit quality and enhance the communicative value and transparency of the auditor's report.

The update includes new requirements in all phases of an audit of ERISA plan financial statements including engagement acceptance, risk assessment and response, communication with those charged with governance, performance procedures, and reporting.

### Subsequent Events

Plan management has evaluated subsequent events and transactions that occurred after December 31, 2020 up to the date that the financial statements were available to be issued.

COVID-19 has adversely affected, and may continue to adversely affect, economic activity globally, nationally and locally. Following the COVID-19 outbreak, the values of certain investment securities have declined. These economic and market conditions and other effects of the COVID-19 outbreak may continue to adversely affect the Plan. The extent of the adverse impact of the COVID-19 outbreak on the Plan participants' account balances and the amounts reported in the 2019 statement of net assets available for benefits cannot be predicted at this time.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress. The CARES Act contains several provisions that temporarily impact retirement plan sponsors and their participants, such as the waiver of required minimum distributions, a new hardship withdrawal option, increased loan limits, and a loan repayment pause option. The Plan has adopted certain relief provisions included in the CARES Act and continues to evaluate other provisions.

## NOTE 3 – CERTIFICATION OF INVESTMENT INFORMATION

Great-West holds the Plan's investments and execute all investment transactions. All investments and participant notes receivable information disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2020 and 2019, and net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2020, was obtained or derived from the information supplied to the plan administrator and certified as complete and accurate by the plan custodian.

## NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, are described as follows:

Level 1: Quoted market prices in active markets for identical assets or liabilities.

Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3: Unobservable inputs that are not corroborated by market data.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

**Mutual Funds:** Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Investments described above are deemed to be Level 1 investments and are measured at fair value on a recurring basis.

## NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

In 2016 the Plan entered into a traditional fully benefit-responsive group annuity contract with an insurance company, named the Key Guaranteed Portfolio Fund. The insurance company maintains the contributions in a general account, which is credited with earnings and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

## NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT *(Continued)*

This contract meets the fully benefit-responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligation may be affected by future economic and regulatory developments.

Certain events limit the Plan's ability to transact at contract value with the insurance company. Such events include the following: (1) amendments to the plan documents, including complete or partial plan termination or merger with another plan, (2) changes to the Plan's prohibition on competing investments options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers ad also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle for an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

## NOTE 6 - TAX STATUS

The Plan adopted a volume submitter plan which has received an opinion letter from the Internal Revenue Service dated March 31, 2014, indicating that the Plan is designed in accordance with Section 401 of the Internal Revenue Code ("IRC"). The Plan has been restated and amended since receiving the opinion letter. The plan administrator believes that the adopted and amended Plan is in compliance with the applicable requirements by IRC Section 401, and therefore, believes the Plan is qualified and the related trust is tax exempt.

## NOTE 7 - PLAN TERMINATION

The plan sponsor intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its Board of Directors. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100 percent vested and non-forfeitable. All participants shall receive a total distribution of their accounts as described in the Plan.

## NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## NOTE 9 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer, and certain others. The Plan holds investments managed by Great-West, the Plan custodian, which qualify as party-in-interest investments. The Plan's payments of custodial fees to Great-West and audit fees qualify as party-in-interest transactions Notes receivable from participants also reflect party-in-interest transactions.

## NOTE 10 - RECONCILIATION TO FORM 5500
