DANAHER CORPORATION & SUBSIDIARIES PUERTO RICO SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2020 AND 2019
AND FOR THE YEAR ENDED DECEMBER 31, 2020

NOTE 1. DESCRIPTION OF THE PLAN

General

The Danaher Corporation & Subsidiaries Puerto Rico Savings Plan (the "Plan") is a defined contribution plan established for eligible full-time and part-time union employees of Danaher Corporation and its subsidiaries (the "Company") residing in Puerto Rico, effective December 24, 2010. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Danaher Corporation is the plan sponsor (the "Plan Sponsor"). Plan participants should refer to the formal legal documents of the Plan and the Summary Plan Description for a more complete description of the Plan's provisions and a full explanation of all limitations, adjustments and special cases in the Plan. Significant provisions related to contributions, benefit payments, and investments are provided below.

The Plan is administered by the Danaher Benefits Committee (the "Plan Administrator"). The Plan has designated Benefit Plans Administrative Services, Inc. ("BPAS") as trustee and recordkeeper. The BPAS Master Prototype Defined Contribution Cash or Deferred Arrangement Profit Sharing Plan ("Master Trust") establishes a single trust to hold and invest assets of the Plan and other eligible tax-qualified defined contribution plans maintained by the Plan Sponsor. As of December 31, 2020 and 2019, the Plan's interest in the net assets of the Master Trust was 100%, and thus the Master Trust disclosures are omitted from the Plan's reporting.

In April 2020, the Plan adopted Special Disaster Distribution provisions made available by PR Treasury Circular Letter No. 20-23 and certain loan relief provisions available under the CARES Act for participants impacted by Coronavirus, specifically, allowing related distributions and loan deferments throughout the remainder of 2020. The Special Disaster Distribution provisions allowed Plan participants to withdraw up to $100,000 due to adverse financial consequences from COVID-19. CARES Act loan deferments allowed impacted participants to freeze their 401(k) loan repayments through the remainder of 2020, with loans being re-amortized, and loan repayments restarting in 2021.

Contributions

Eligible participants may contribute up to 75% of their compensation (subject to annual maximums). Employee contributions and the earnings or losses thereon are fully vested at all times. Employees are eligible for Company contributions upon completion of one year of service, per the terms of the applicable collective bargaining agreement. For more details on specific union groups, refer to the formal legal documents of the Plan.

The Company's unilateral and matching contributions are determined at the discretion of the Plan Sponsor unless otherwise required by the terms of the collective bargaining agreement applicable to each participant. Generally participants become fully vested with respect to the employer contributions upon completion of three years of service, attainment of age 65, death or complete disability. The unilateral contributions are discretionary and are equal to 2% of an employee's eligible compensation. Such contributions were made for the 2020 plan year. The Company makes employer matching contributions equal to 100% of the first 3% of a participant's contributions for the year, plus 50% of the next 2% deferred.

Benefit Payments

Participants who attain normal retirement age shall be entitled to payment of the balance in their account. Participants who remain employed after attainment of normal retirement age shall continue to participate under the same terms and conditions as applied prior to reaching normal retirement age. The beneficiary or beneficiaries of deceased participants shall be entitled to payment of the participants' account balance within a reasonable period of time after the participants' death.

Upon participants' termination of employment for reasons other than as specified above, participants are entitled to payment of their vested account balance. The Plan, as instructed by the Plan Sponsor, may request to have involuntary lump sum distributions paid to terminated participants with a balance less than $5,000. Barring any instruction from the Plan Sponsor, all terminated participants must voluntarily request a distribution of their account, regardless of account balance.

Eligible participants may request a withdrawal of all or a portion of their vested account while still working for the Company in accordance with procedures established by the Plan Administrator, subject to certain limitations and tax penalties. Different withdrawal rules apply to different Plan accounts.

Notes Receivable from Participants

Eligible participants may receive a loan from the Plan in accordance with the policy established by the Plan Sponsor. Any such loan or loans shall not exceed the lesser of 50% of the participant's vested account balance or $50,000 reduced by the participant's highest outstanding loan balance from the Plan during the one-year period ending on the day before the loan is made. The Plan Administrator shall establish the maximum maturity period that will be permitted to prevent the loan from being treated as a distribution. Plan provisions require that all loans must be paid back within 60 months. The Plan Administrator may require loan payments to be made through payroll deductions.

Participant Accounts

Each participant account is credited with the participant's contributions, any employer matching and unilateral contributions, and an allocation of Plan earnings or losses, and is charged quarterly with administrative expense and recordkeeping fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Plan Sponsor, as provided by the Plan's provisions. Administrative expenses paid by the Plan include recordkeeping and trustee fees. Expenses relating to purchases, sales or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. All other administrative expenses of the Plan are paid by the Plan Sponsor.

Unallocated Accounts

As of December 31, 2020 and 2019, unallocated non-vested accounts, including forfeited amounts, totaled $1,006 and $485, respectively. These amounts will be used to reduce future employer contributions and to pay administrative expenses.

Termination of the Plan

Although the Company, as the Plan Sponsor, has not expressed an intention to do so, the Plan may be terminated at any time. In the event of termination of the Plan, the account balances of participants as of the date of termination shall immediately become nonforfeitable.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and judgments that affect the reported amounts of assets, liabilities and changes therein, and the related disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

Investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus ("COVID-19") as a pandemic, the effects of which have caused significant volatility in U.S. and international financial markets. There remains significant uncertainty regarding its potential impact on the U.S. and international economies and, as such, the Plan is unable to determine the extent to which the financial position or results of operations of the Plan may be affected by this pandemic. We recognize market volatility is a potential concern going forward and will continue to evaluate the appropriateness of Plan investment options, including performance and risk metrics relative to market benchmarks and industry best practices.

Notes Receivable from Participants

Notes receivable from eligible participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. If participants cease to make loan repayments and have reached a distributable event, the loan balance is reduced and a benefit payment is recorded.

Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. The income of each fund is reinvested in that fund. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants as of December 31, 2020 and 2019 and interest income, dividends and the Plan's interest in the Master Trust's net investment income for the year ended December 31, 2020 was obtained or derived from information provided to the Plan Administrator and certified as complete and accurate by Hand Benefits & Trust Company, an affiliate of BPAS, the trustee of the Plan's investments. This information has not been audited by independent accountants.

NOTE 3. FAIR VALUE MEASUREMENTS

Accounting standards define fair value based on an exit price model, establish a framework for measuring fair value where the assets and liabilities are required to be carried at fair value and provide for certain disclosures related to the valuation methods used within a valuation hierarchy as established within the accounting standards. This hierarchy prioritizes the inputs into three broad levels as follows. Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities. Level 2 inputs are quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets in markets that are not active, or other observable characteristics for the asset or liability, including interest rates, yield curves and credit risks, or inputs that are derived principally from, or corroborated by, observable market data through correlation. Level 3 inputs are unobservable inputs based on the Plan's assumptions. A financial asset or liability's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

The fair values of the Plan's investments as of December 31, 2020, by asset category, were as follows:

	Quoted Prices in Active Market (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Money market funds	$ 3,912,995	$ —	$ —	$ 3,912,995
Mutual funds	22,553,483	—	—	22,553,483
Company common stock	980,765	—	—	980,765
	$ 27,447,243	$ —	$ —	27,447,243

The fair values of the Plan's investments as of December 31, 2019, by asset category, were as follows:

	Quoted Prices in Active Market (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Money market funds	$ 3,308,066	$ —	$ —	$ 3,308,066
Mutual funds	20,999,263	—	—	20,999,263
Company common stock	492,615	—	—	492,615
	$ 24,799,944	$ —	$ —	24,799,944

Following is a description of the valuation techniques and inputs used for each major class of assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2020 and 2019.

Money market funds, mutual funds and company common stock are valued at the quoted closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes the valuation methods are appropriate and consistent with the methods used by other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4. TAX STATUS OF THE PLAN

The Plan received a determination letter from the Commonwealth of Puerto Rico Department of Treasury ("Puerto Rico DOT") dated April 2, 2014, stating that the Plan is qualified under Section 1081.01 of the Internal Revenue Code for a New Puerto Rico (the "Code") and, therefore, the related trust is exempt from taxation. Subsequent to the issuance of this determination letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Sponsor believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the Puerto Rico DOT. Plan management has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of the Plan for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

NOTE 5. RELATED PARTY TRANSACTIONS AND PARTIES IN INTEREST TRANSACTIONS

As of December 31, 2020 and 2019, the Plan invested in 4,415 and 3,210 shares, respectively, of Danaher Corporation common stock as part of the Danaher Corporation Stock Fund ("Danaher Common Stock"). During the year ended December 31, 2020, the Plan received $2,592 of cash dividends on shares of Danaher Common Stock.

Notes receivable from participants and payment of fees to BPAS are considered party-in-interest transactions.

NOTE 6. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The participant loans in the Form 5500 only include loans that are active or deemed loans with post-default payments remitted during the year. The difference represents a reconciling item.
