(1) DESCRIPTION OF PLAN

The following description of Capital Region Gaming, LLC Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan is sponsored by Capital Region Gaming, LLC and its affiliated companies ("Company").

GENERAL

The Plan is a defined contribution plan covering all employees of the Company except for leased employees, interns and non-resident aliens who do not receive U.S. source income. Employees in connection with an acquisition or merger may have a delay becoming eligible. The minimum age requirement is 18 and employees are eligible upon completing six months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan began operating in October, 2016 and is a safe harbor plan.

CERTIFICATION

The Plan custodian is Fidelity Management Trust Company. The Plan custodian has certified to the accuracy of the investment transactions, recognition of income, expenses, and assets held as of December 31, 2020 and 2019.

CONTRIBUTIONS

Each year, participants may contribute a percentage of pretax annual compensation, as defined in the Plan, subject to certain regulatory limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company contributes 100% of the participant's contributions up to 3% of compensation followed by a 50% match of the next 2% of compensation. These matching contributions are discretionary and can be changed at any time by the Plan Administrator.

FUNDING POLICY

The Company funds both employee and Company contributions in cash on a weekly basis.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, if any, and, (b) plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their own contributions and allocated earnings. Participants are also immediately vested in the Company matching contributions and allocated earnings.

PAYMENT OF BENEFITS

Upon death, disability or retirement, or termination of service, a participant may receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in a series of equal installments. If the vested benefit does not exceed $ 5,000, then payment may be distributed in a lump-sum. Benefits are recorded when paid.

(1) DESCRIPTION OF PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS
Participants may borrow from their fund accounts a minimum of $ 1,000 and up to a maximum of $ 50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 5.25% to 7.25%, which are commensurate with local prevailing rates as determined by the Plan administrator when the loan was originated. Principal and interest is paid ratably through systematic payroll deductions over a period not to exceed five years.

FORFEITURES
Although participants are immediately vested in all employer and employee contributions plus earnings forfeitures may occur if checks disbursed to terminated employees are not cashed within 6 months of disbursement. Forfeitures may be used to pay plan expenses and employer contributions. Forfeited amounts are included in a money market account totaling $ -0- and $ -0- at December 31, 2020 and 2019, respectively.

INVESTMENT POLICY
Upon enrollment in the Plan, a participant may direct employee and Company contributions into various pooled separate investment options. Participants may change their investment options at any time.

HARDSHIP DISTRIBUTION
Under certain circumstances, a participant may qualify for certain hardship distributions if a participant has an immediate and significant financial need, subject to certain usage requirements and other conditions. The participant may receive a lump sum payment equal to the vested amount of the participant's account balance.

BASIS OF ACCOUNTING
The financial statements of the plan are prepared on the accrual basis of accounting.

BENEFITS OF TERMINATED PARTICIPANTS
Participants who have terminated employment with the Company may elect to receive distributions of vested benefits under various alternatives available under the Plan. Net assets available for benefits include $ 2,894,854, which is allocated to such terminated participants.

PLAN ADMINISTRATIVE EXPENSES
The Company is responsible for the administrative expenses related to the operation of the Plan with the exception of certain expenses directly attributable to a particular participant which are allocated to and paid from the participant's account. The Company absorbs the cost of the annual plan audit and other outside professional services, if any.

DATE OF MANAGEMENT'S REVIEW
In accordance with generally accepted accounting principles, the Plan evaluates events or transactions that occur subsequent to year-end for potential recognition or disclosure in the financial statements through the date on which the financial statements are available to be issued. The financial statements were approved by management and available to be issued on October 8, 2021. See note 12 – Subsequent Events.

ESTIMATES
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

INVESTMENT VALUATION AND INCOME RECOGNITION
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note (3) for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan records its contributions on the accrual basis in accordance with the participant deferral and Company matching specifications under the Plan.

NOTES RECEIVABLE FROM PARTICIPANTS
Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

(3) FAIR VALUE MEASUREMENTS

Generally accepted accounting principles provide a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(4) FAIR VALUE DISCLOSURE

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020 and 2019:

	2020	2019
Investments at fair value measurements:		
Mutual Funds - Level 1:		
Money market	$ 142,358	$ 60,304
Bond	26,417	15,427
Asset allocation	406	2,275

Lifecycle	7,362,798	6,169,367
Total investments at fair value	$ 8,120,966	$ 6,784,050

(5) TAX STATUS AND PLAN AMENDMENTS

The Plan operates under the Defined Contribution Volume Submitter Plan and Trust Basic Plan Document. The Internal Revenue Service has determined by letter dated March 31, 2014 that this plan is designed in accordance with applicable sections of the Internal Revenue Code.

The plan was last amended and restated effective December 4, 2017. The various changes and amendments are included in these notes to the financial statements. The plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

(6) UNCERTAIN TAX POSITIONS

Management has determined that the Plan does not have any uncertain tax positions and associated unrecognized benefits that materially impact the financial statements or related disclosures.

Since tax matters are subject to some degree of uncertainty, there can be no assurance that the Plan's tax returns will not be challenged by the taxing authorities and that the Plan or its trustees will not be subject to additional tax, penalties, and interest as a result of such a challenge. Generally, tax returns remain open for three years for an income tax examination.

(7) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue the Plan subject to the provisions of ERISA. In the event of Plan termination, participants remain 100 percent vested in their accounts.

(8) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(9) PARTY IN INTEREST

Certain Plan investments are managed by Fidelity Management Trust Company, the trustee of the Plan. Therefore, these transactions qualify as party in interest transactions. Participant loans are also considered to be party in interest. The party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

October 8, 2021

To the Audit Committee of
Capital Region Gaming, LLC Plan
1 Rush St., Schenectady, NY 12305

We have conducted a DOL limited-scope audit of the financial statements of Capital Region Gaming, LLC Plan for the year ended December 31, 2020 and have issued our report thereon dated October 8, 2021. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedules as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated January 13, 2021. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Capital Region Gaming, LLC Plan are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2020. We noted no transactions entered into by the plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no significant estimates affecting the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of Audit Committee of Capital Region Gaming, LLC Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Staff Ciampino & Company PC
