NOTE 1 DESCRIPTION OF PLAN

The following description of the Crenlo Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

Effective September 28, 2011, Crenlo Cab Products, Inc. (the Employer) adopted a prototype nonstandardized profit sharing plan and formed the Crenlo Retirement Savings Plan. The assets of the Plan were previously held under the Dover Corporation Retirement Savings Plan and were transferred into this Plan on September 28, 2011.

The Plan is a defined contribution plan that allows participants to defer receiving some of their compensation until their retirement and, in the event of death, receipt by their beneficiaries. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Plan has been amended throughout the years to comply with tax legislation and most recently amended effective January 1, 2020. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 31, 2019, the Plan was amended to allow Genesis Attachments, LLC (Genesis) as a participating employer under the Plan's provisions. On February 1, 2019, assets totaling $8,033,918 were transferred into the Plan from the Paladin Retirement Savings Plan for the participating Genesis employees. Genesis was removed as a participating employer effective May 16, 2019.

Effective January 1, 2020, the Plan was amended to add Workhorse Cabs, LLC as a participating employer under the Plan's provisions. As a result of a voluntary rollover project, there were rollover contributions totaling $3,680,986 from employees of Workhorse Cabs, LLC during the year ended December 31, 2020. Of this total, $343,905 represent a rollover of notes receivable from participants.

Eligibility

All employees of the Employer, excluding nonresident aliens and part-time employees with less than 1,000 hours of service, are eligible to contribute to the Plan immediately on the date in which the employee attains age 18. Employees that meet these eligibility requirements are also eligible to receive Employer matching and discretionary nonelective contributions.

Automatic Enrollment

The Plan has an automatic enrollment feature for eligible employees at a 6% pre-tax contribution rate unless the employee elects to formally opt-out within 30 days or elect to contribute at a higher or lower rate.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions

Each year, participants may elect to contribute to the Plan, through regular payroll deductions, up to 50% of eligible compensation, as defined by the Plan, subject to limitations imposed by the IRC. Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax and after-tax contributions to the Plan. Participants may also roll over amounts representing distributions from other qualified employee benefit or defined contribution plans. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan allows for a fixed per-payroll matching contribution (basic Employer matching contribution). The basic Employer matching contribution is a fixed 50% of the first 4% of a participant's compensation that they contribute to the Plan. The basic Employer matching contribution for employees of the participating employer are equal to 30% of elective deferrals not to exceed 6% of the participant's compensation per payroll period. Effective January 1, 2020, the basic Employer matching contribution formula for participating employers was amended to be the same for all participants at a fixed 50% of the first 4% of a participant's compensation that they contribute to the Plan.

At the discretion of Plan management, an additional year-end Employer matching contribution may be made to the Plan on behalf of contributing participants employed on the last day of the Plan year (year-end Employer matching contribution). The Employer did not make a discretionary year-end Employer matching contribution for the years ended December 31, 2020 and 2019.

The Employer may also elect to contribute a discretionary nonelective profit sharing contribution to the Plan for participants who have satisfied the eligibility requirements specified above. Such contributions are allocated in proportion to the compensation of participants who are employed on the last day of the Plan year whether or not they have deferred any of their compensation into the Plan. The Employer did not make a discretionary nonelective Employer contribution for the years ended December 31, 2020 and 2019.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's matching contribution, an allocation of the Employer's profit sharing contribution, if any, and forfeitures and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

The Plan permits participants to direct the investment of their accounts into their choice of a variety of funds. Each participant has the option of directing their contributions into any of the investment accounts.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting (Continued)

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested in matching contributions after one year of credited service.

A participant is 20% vested in discretionary nonelective contributions after two years of credited service and increases 20% for an additional credited year until 100% vested after six years of service. As the Plan was formed by an asset transfer from another plan, all participants carried over their vesting percentage from that plan. Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death, or permanent disability.

Benefit Payments

Upon termination of service due to death, retirement on or after normal retirement age, or other reasons, a participant may elect to receive the value of the vested interest in their account.

Distributions from the Plan are generally made in the form of single lump sum payments, although the Plan allows installment distribution payments in the case of fully vested terminated participants who have reached age 55. The Plan's provisions also provide for in-service withdrawals or withdrawals in the event of financial hardship, as defined by the Plan.

Notes Receivable from Participants

A participant may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at the current prime rate plus 1%, or such other rates prescribed by the Employer. Note terms range from one to five years, or longer for the purchase of a primary residence. Principal and interest are paid ratably through payroll deductions. A participant may have up to two notes outstanding at one time.

Forfeited Accounts

Forfeited nonvested accounts are used to reduce Employer matching contributions and to pay administrative expenses. Forfeited nonvested accounts as of December 31, 2020 and 2019 totaled $51,682 and $46,333, respectively. There were $22,073 and $15,031 of forfeitures used to reduce Employer matching contributions during the years ended December 31, 2020 and 2019, respectively. There were $111 and $100 of forfeitures used to pay administrative expenses during the years ended December 31, 2020 and 2019, respectively.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

CARES Act

In April 2020, certain provisions under the CARES Act relating to participant distributions and participant loans were enacted. The CARES Act allows for utilization of these provisions immediately but requires formal adoption of the amendment no later than the last day of the plan year beginning on or after January 1, 2022.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. Delinquent participant loans, if any, are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments

Benefit payments are recorded when paid.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments as well as investment and trustee advisory fees are charged directly to the participant's account and are included in administrative expenses.

Subsequent Events

The Plan has evaluated subsequent events through October 13, 2021, the date the financial statements were available to be issued.

During 2021, the Plan changed service providers from Wells Fargo Bank, N.A. to Principal Trust Company and as a result all assets in the Plan were transferred to Principal Trust Company.

NOTE 3 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 3 FAIR VALUE OF INVESTMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2020 and 2019.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds: Valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 45,709,408	$ -	$ -	$ 45,709,408
Collective Trust Funds	-	6,633,050	-	6,633,050
Total Investments at Fair Value	$ 45,709,408	$ 6,633,050	$ -	$ 52,342,458

	2019			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 35,527,932	$ -	$ -	$ 35,527,932
Collective Trust Funds	-	9,882,447	-	9,882,447
Total Investments at Fair Value	$ 35,527,932	$ 9,882,447	$ -	$ 45,410,379

NOTE 4 CERTIFICATION OF INVESTMENT INFORMATION

Wells Fargo Bank, N.A., the trustee of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2020 and 2019, the statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2020.

NOTE 5 PLAN TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Employer by a letter dated March 31, 2014, that the Plan and related Trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related Trust is tax-exempt.

U.S. GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts. Any unallocated assets of the Plan would be allocated to participant accounts and distributed in such manner as the Employer may determine.

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Wells Fargo Bank, N.A., the trustee of the Plan. Therefore, these investments qualify as party-in-interest transactions. The Plan paid administrative expenses to the trustee and other service providers totaling $138,614 and $140,054 for the years ended December 31, 2020 and 2019, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Form 5500 as of December 31:

	2020	2019
Net Assets Available for Benefits per the Financial Statements	$ 53,556,244	$ 46,352,442
Deemed Distributions of Defaulted Loans	(60,569)	(31,491)
Fair Value Adjustment for Collective Trust Funds	175,823	-
Net Assets Available for Benefits per Form 5500	$ 53,671,498	$ 46,320,951

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to Form 5500 for the years ended December 31:

	2020	2019
Net Increase Prior to Transfer In in Net Assets Available for Benefits per Financial Statements	$ 7,203,802	$ 3,374,472
Net Change in Deemed Distributions of Defaulted Loans	(29,078)	(8,056)
Net Change in Fair Value Adjustment for Collective Trust Funds	175,823	-
Net Increase Prior to Transfer In in Net Assets Available for Benefits per Form 5500	$ 7,350,547	$ 3,366,416

NOTE 10 NONEXEMPT TRANSACTIONS

The Employer failed to remit employee deferral contributions and loan repayments for certain payroll periods within the timeframe prescribed by the DOL. These are deemed prohibited transactions in accordance with ERISA and the IRC. The Employer intends to correct the prohibited transaction and deposit the lost earnings to the Plan.

NOTE 11 CORONAVIRUS

The coronavirus pandemic effects on the economy and financial markets in the future is uncertain. Subsequent changes in interest rates and volatility in financial markets could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits. Because of the uncertainty, Plan management is unable to estimate the total impact the pandemic will have.
