NOTES TO THE FINANCIAL STATEMENTS

December 31, 2020 and 2019

CHEESEMAN, LLC 401(k) PLAN

NOTE 1 – DESCRIPTION OF PLAN AND SIGNIFICANT ACCOUNTING POLICIES

The following description of the Cheeseman, LLC (the Employer) 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Employer and employees of Dove Investments, Inc. and Zumstein Land Development, Inc. To be eligible, these individuals must have completed 60 days of service and are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Controlled Group of Entities

The Plan is a single-employer plan involving a controlled group of entities whose employees are participants in the Plan. The following employers are members of the controlled group: Cheeseman, LLC, Dove Investments, Inc. and Zumstein Land Development, Inc.

Plan Administration

The Plan is administered by a written plan and trust agreement and the trustees of that agreement are responsible for management of the Plan's assets. All other matters regarding the operation of the Plan are the responsibility of the Administrator. The Administrator of the Plan is Cheeseman, LLC.

Contributions

Each year, participants may contribute up to 60% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 before the close of the taxable year are permitted to make catch-up contributions to the Plan. Employer contributions consist of a matching contribution equal to a percentage of the amount of the salary reduction elected by the employee. Participants direct the investments of all contributions into various investment options offered by the Plan. The Plan currently offers 27 mutual funds and one money market fund as investment options. Contributions are subject to certain limitations. Contributions from employees and the employer are recorded in the period in which the employer makes the payroll deductions from participant earnings. The employer, at its discretion, can also make profit-sharing contributions to the Plan. There were no such contributions to the Plan for the years ended December 31, 2020 and 2019.

Vesting

Participants are immediately and fully (100%) vested in the total contributions and actual earnings thereon allocated to their “elective deferral account.”

Participants are also immediately vested in all Employer contributions.

Investment Valuation and Income Recognition

At December 31, 2020 and 2019, the Plan's investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold, as well as held during the years.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the participant's vested interest in his or her account and bear interest that range from 3.25% to 5.5%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through weekly payroll deductions.

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2020 and 2019

CHEESEMAN, LLC 401(k) PLAN

NOTE 1 – DESCRIPTION OF PLAN AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. Interest income is recorded when received. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2020 and 2019, no allowance for credit losses has been recorded. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance.

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) allowed plan sponsors to amend their defined contribution plans to allow for coronavirus-related loans to qualified individuals. For those plans that were amended to allow for these loans, the maximum loan amount available to qualified individuals for loans made from March 27, 2020 to September 22, 2020 was increased to the lesser of \$100,000 or 100% of the individual's vested benefit in the Plan. The Plan sponsor did not adopt this amendment.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant is to receive a lump-sum amount equal to the value of the participant's vested account balance upon participant or beneficiary's request. The Plan provides for hardship withdrawals for specific purposes outlined in the Plan Summary. The Plan also provides for pre-retirement, in-service distributions to those participants who have reached age 59 1/2. If the participant meets this age requirement, a withdrawal in a lump-sum up to 100% of the vested interest in all available accounts is permitted. Benefits are recorded when paid. At December 31, 2020 and 2019, there were no benefits processed and approved for payment, but not paid.

Participant Accounts

The Plan maintains participant-directed investment accounts for each participant containing the participant's contributions, employer contributions and net earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Investment Rollovers

Participants are allowed to transfer or rollover funds into the plan from other qualified or 401(k) plans.

Forfeitures

Forfeitures are based on a vesting schedule specified in the Plan's adoption agreement. The employer has chosen to allow all employer contributions to vest immediately after receipt by the Plan. Therefore, there are no forfeitures of the company match for 2020 or 2019.

Operating Expenses

Administrative maintenance fees and other related charges are billed to and paid by the Plan, except for asset charges, which are charged against and deducted from participant accounts from their contract assets. Accordingly, only those administrative costs billed to the Plan are reflected as expenses in the Plan's financial statements.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America. Investments held by a defined contribution plan are required to be reported at fair value.

Use of Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of certain assets, liabilities, and disclosures. Accordingly, the actual amounts could differ from those estimates.

NOTE 3 – FAIR VALUE MEASUREMENT

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

- *Level 1 Fair Value Measurements-* The fair value of money market is valued at the closing price reported. The fair value of mutual funds is based on the quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2020:				
Money market accounts	\$ 341,078	\$ 341,078	\$ -	\$ -
Mutual funds	12,285,197	12,285,197	-	-
Total	<u>\$ 12,626,275</u>	<u>\$ 12,626,275</u>	<u>\$ -</u>	<u>\$ -</u>
December 31, 2019:

NOTE 4 – PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Fidelity Investments. Fidelity Management Trust Company is the trustee as defined by the plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the plan for investment management services were \$10,143 in 2020

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

NOTE 6 - TAX STATUS

The trustees adopted a prototype standardized profit sharing plan with a deferral arrangement which received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the prototype plan's opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

The annual returns/reports of employee benefit plan for years before 2017 are no longer subject to examination by the Internal Revenue Service.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 – SPONSOR'S COVID RESPONSE

In March 2020, the World Health Organization declared the outbreak of a novel strain of Coronavirus (COVID-19) as a pandemic which resulted in a wide-spread shut-down of all non-essential businesses in Ohio. Although the Plan's sponsor was considered to be an essential business and could continue its operations, many of its customers were non-essential, and they ceased operations for a period of weeks in the Spring of 2020. Although this had some effect on the sponsor's operations, the effect was not significant for the sponsor nor its employees.

NOTE 9 – SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 15, 2021, the date the financial statements were available to be issued. The Plan has determined that no events have occurred that would warrant adjustment to amounts reported in these statements as of the issue date.
