Independent Auditor's Report

The Plan Administrator
Avaap USA, LLC 401k
Edison, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements

We have performed an audit of the financial statements of Avaap USA, LLC 401k (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2020 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2020 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2020, and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2020 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report

- The amounts and disclosures in the accompanying 2020 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying 2020 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2020 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2020 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2020 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2020 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2020 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2020 Supplemental Schedule(s) Required by ERISA

The 2020 supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2020 is presented for purposes of additional analysis and is not a required part of the 2020 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2020 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 financial statements or to the 2020 financial statements themselves, and other additional

procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2019 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2019. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 8, 2020, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2019 financial statement, and (b) the form and content of the information included in the 2019 financial statement other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

1. Description of the Plan

The following brief description of the Avaap USA, LLC 401k (the Plan) provides only general information. Participants should refer to the Plan documents for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Avaap USA, LLC (the Company or Employer) who have satisfied the Plan's eligibility requirements. The Plan was effective January 1, 2012 and was amended and restated as of January 1, 2020. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Reliance Trust Company is the Trustee of the Plan; Automatic Data Processing, Inc. (ADP) is the recordkeeper for the Plan.

On June 30, 2019, the Company acquired Navigator Management Partners. Effective January 2, 2020, the Navigator Management Partners, LLC 401(k) Profit Sharing Plan (the Navigator Plan) was merged with and into the Plan, and the former participants of the Navigator Plan became eligible to participate in the Plan. As a result of the merger, net assets of the Navigator Plan were transferred to the plan as of the effective date in the amount of \$25,666,437, and consisted of investments of \$25,505,840 and notes receivable from participants of \$160,597. The net assets transferred due to merger are included in the statement of changes in net assets available for benefits as of December 31, 2020. All benefits accrued under the Navigator Plan were incorporated into the Plan for use solely with respect to the funds transferred from the Navigator Plan to the extent required by law.

Eligibility

An employee is eligible to participate in the Plan on the first day of the month once the employee has reached the age of 21 and has completed one month of service.

Contributions

Participants may elect to defer up to 90% of eligible compensation in the Plan. Contributions may be made to the Plan on a pre-tax and/or after-tax Roth salary deferral. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified retirement plans (rollover). Contributions are subject to certain annual limitations, as imposed by the Internal Revenue Code (IRC).

Prior to January 1, 2020, each year, the Company could decide to make a matching and/or non-elective contribution to the Plan. These contributions were determined at the sole discretion of the Company. For the Plan year 2019, the Company elected to match 1% of eligible compensation, up to \$275,000 for all eligible participants. Effective January 1, 2020, the Company will make a Matching Contribution equal to 50.0% of the participant's contribution up to a maximum of 6% of the participant's compensation. The Company made matching contributions of \$1,332,547 for the year ended December 31, 2020.

Avaap USA, LLC 401k
Notes to Financial Statements

Participants' Accounts

Each participant's account is credited with the participant's contributions, Company matching, and non-elective contributions, if any, as well as an allocation of Plan earnings and losses. Participant accounts are charged for withdrawals and certain administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their salary deferral and rollover contributions, plus actual earnings thereon. Prior to January 1, 2020, the company matching contributions and non-elective contributions vest in accordance with the following schedule:

Years of Service for Vesting	Vesting (%)
Less than 2	-
At least 2, but less than 3	20
At least 3, but less than 4	40
At least 4, but less than 5	60
At least 5, but less than 6	80
6 or more	100

Effective January 1, 2020, the Company matching contributions and non-elective contributions vest in accordance with the following schedule:

Years of Service for Vesting	Vesting (%)
Less than 1	-
At least 1, but less than 2	50
At least 2 or more	100

Forfeitures

Upon termination of employment, participants forfeit their nonvested balances. Forfeiture allocations may be used to pay administrative expenses or to reduce Company contributions, in accordance with the Plan document. Unallocated forfeiture balances totaled \$21,885 and \$20,529 as of December 31, 2020 and 2019, respectively. Forfeitures in the amount of \$30,847 were used during 2020 to reduce the Company's matching contributions for the 2020 Plan year.

Payment of Benefits

Participants are eligible to receive distributions from their accounts at normal retirement age, disability, death, or termination of employment. Participants who leave the Company can receive their vested benefits in a single lump-sum payment or have the payment paid as a direct rollover to an individual retirement account or individual retirement annuity (IRA) or to another employer's tax-qualified plan. If participants are eligible to establish a Roth IRA, they may also elect a direct rollover of the non-Roth portion of their vested benefit to a Roth IRA.

Avaap USA, LLC 401k

Notes to Financial Statements

Participants are eligible to make hardship withdrawals from their deferred contributions in the event of certain financial hardships. Following a hardship withdrawal, participants are not allowed to contribute to the Plan for a period of six months.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000, reduced by their highest outstanding loan balance during the previous 12 months, or 50% of their vested account balance. The terms of the loans range from one to five years and may be longer for the purchase of a principal residence but not to exceed 30 years. The loans are collateralized by the vested account balance and bear interest at a rate 2% above the prime rate, as defined at the time of the loan. Principal and interest is paid ratably through payroll deductions.

Investment Options

Participants may direct their contributions to any of the various investment options available to the Plan. Participants may change their investment options at any time.

Administrative Expenses and Other Income

Certain administrative expenses of the Plan are paid directly by the Company and are excluded from these financial statements. These include legal and audit fees. Other administrative expenses, such as investment management, consulting, recordkeeping, and individual participant transaction fees, are paid for by the Plan.

An ERISA Budget Account (EBA) is maintained by ADP, LLC, which may be used to pay Plan expenses. Asset-based payments are calculated based upon an average daily balance of the investments for the month. During the year ended December 31, 2020, the Plan received \$50,445 from the EBA and utilized \$42,227 to pay certain Plan expenses. Such amounts are reflected as other income and included in administrative expense, respectively, in the accompanying statement of changes in net assets available for benefits.

CARES Act

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to the plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000.
- Increase the available loan amount, as described below, to the lesser of \$100,000 or 100% of the participant's vested account balance.
- Extend the period for loan repayments, if applicable, up to one year.
- Suspended required minimum required distributions for 2020.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the investment advisor and Reliance Trust. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions, based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2020 or 2019.

Recently Adopted Accounting Pronouncement

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-13, Fair Value Measurements Topic (820), *Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*. ASU No. 2018-13 eliminates certain disclosures including the disclosure related to transfers between Level 1 and 2 investments, the valuation policies for Level 3 measurements and, for nonpublic entities, the change in the Level 3 investments' unrealized gains and losses included in earnings. This ASU also amends certain disclosures including disclosing purchases, sales, and transfers for Level 3 investments instead of the Level 3 roll-forward. Management has adopted ASU 2018-13 for the 2020 Plan year. The adoption of this ASU did not have a material impact on the financial statements.

Avaap USA, LLC 401k

Notes to Financial Statements

3. Risks and Uncertainties

The Plan provides various investment options that are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

On January 30, 2020, the World Health Organization (WHO) announced a global health emergency because of a new strain of coronavirus (the COVID-19 outbreak) and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and contributed to volatility in financial markets. Since the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that could be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted market prices in active markets for identical assets or liabilities at the measurement date.

Level 2 - Inputs to the valuation methodology include: quoted market prices of investments for similar assets or liabilities in active markets; quoted prices for the identified or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Valuation is based on inputs that are unobservable and significant to the fair value measurement and reflect management's best estimate of what market participants would use as fair value.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value, as well as the general classification of such items pursuant within the fair value hierarchy. There have been no changes in the valuation methodologies of these items held at December 31, 2020 and 2019.

Avaap USA, LLC 401k

Notes to Financial Statements

Mutual Funds - Mutual funds are valued at the daily closing price, as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are actively traded.

Common Collective Trusts - The common collective trusts (CCTs) are stated at fair value using the NAV practical expedient. The NAV of the CCTs is determined using the market price of the underlying securities and the contract value of investment contracts held by the CCTs, as determined by the trustee of the CCTs. There are no restrictions on the redemption of this investment and no unfunded commitments.

Self-Directed Brokerage Account - The plan allows for the participants to invest in mutual funds, ETFs, individual equities, and fixed income investments. These investments are valued at unadjusted quoted market prices.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value:

December 31, 2020

	Level 1	Total
Mutual funds	\$ 16,934,800	\$ 16,934,800
Self-directed brokerage account	623,933	623,933
Total, in the fair value hierarchy	\$ 17,558,733	17,558,733
Common collective trusts*		22,340,323
Total Investments, at fair value		\$ 39,899,056

December 31, 2019

	Level 1	Total
Mutual funds	\$ 4,655,659	\$ 4,655,659
Common collective trusts*		2,886,234
Total Investments, at fair value		\$ 7,541,893

* Investments measured at fair value using the NAV per share (or its equivalent) practical expedient are not categorized in the fair value hierarchy. The fair value amounts presented in the preceding tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Avaap USA, LLC 401k

Notes to Financial Statements

The Plan had no financial assets that were measured at fair value on a nonrecurring basis at December 31, 2020 and 2019. There are no Plan liabilities recorded at fair value at December 31, 2020 and 2019. There were no transfers between levels during 2020 and 2019.

5. Information Certified by the Trustee

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2020 and 2019.
- Interest and dividends, net appreciation in fair value of investments, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2020.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2020, as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

6. Related-Party and Party-in-Interest Transactions

Notes receivable from participants and revenue sharing related to the EBA also qualify as party-in-interest transactions. Such transactions are permitted under the Plan and are exempt from the prohibition of party-in-interest transactions.

7. Tax Status

The Plan has adopted the ADP, LLC Prototype Non-Standardized Profit Sharing Plan with a cash or deferred arrangement. The Internal Revenue Service (IRS) determined and informed ADP, LLC by letter dated July 8, 2014 that the Plan is designed in accordance with the applicable sections of the IRC. Accordingly, the Plan is permitted to rely on the opinion letter. The Plan has since been amended and restated. The Company believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any open tax periods.

Avaap USA, LLC 401k

Notes to Financial Statements

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, each participant will become 100% vested and the net assets of the Plan will be distributed, as prescribed by ERISA.

9. Subsequent Events

Effective June 30, 2021, the Company sold certain assets of its Infor business unit, resulting in a partial plan termination of the Plan. As a result of the partial plan termination, employees of the Infor business unit who were Plan participants became fully vested in their respective account balances effective June 30, 2021.

Plan management has evaluated subsequent events through October 14, 2021, the date the financial statements were available to be issued and has determined the Plan had no other material subsequent events that require disclosure.
