Independent Auditors Report

To the Plan Administrator and Management
Advantage Management Group 401(k) Savings Plan
Southfield, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements

We have performed an audit of the financial statements of Advantage Management Group 401(k) Savings Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (“2020 financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2020 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA (“ERISA Section 103(a)(3)(C) audit”). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (“qualified institution”), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2020, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2020 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the 2020 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2020 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (“GAAP”); and
- the certified investment information in the accompanying 2020 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2020 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the 2020 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2020 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2020 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2020 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2020 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2020 Supplemental Schedule Required by ERISA

The 2020 supplemental schedule, Schedule H, Line 4i - Schedule of Assets as of December 31, 2020, is presented for purposes of additional analysis and is not a required part of the 2020 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2020 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 financial statements or to the 2020 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2019 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2019 and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 15, 2020, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2019 financial statements, and (b) the form and content of the information included in the 2019 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator and Management
Advantage Management Group 401(k) Savings Plan
Southfield, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements

We have performed an audit of the financial statements of Advantage Management Group 401(k) Savings Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (“2020 financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2020 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA (“ERISA Section 103(a)(3)(C) audit”). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (“qualified institution”), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2020, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2020 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the 2020 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2020 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (“GAAP”); and
- the certified investment information in the accompanying 2020 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2020 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the 2020 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2020 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2020 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2020 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2020 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2020 Supplemental Schedule Required by ERISA

The 2020 supplemental schedule, Schedule H, Line 4i - Schedule of Assets as of December 31, 2020, is presented for purposes of additional analysis and is not a required part of the 2020 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2020 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 financial statements or to the 2020 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2019 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2019 and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 15, 2020, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2019 financial statements, and (b) the form and content of the information included in the 2019 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Advantage Management Group 401(k) Savings Plan

Notes to Financial Statements

1. Description of Plan

The following description of the Advantage Management Group 401(k) Savings Plan ("Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was adopted effective January 1, 2009. The Plan is a defined contribution plan covering eligible participants. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan was amended and restated on March 1, 2020.

Advantage Management Group, Inc. (the "Company") sponsors the Plan. Participating affiliates through common ownership of the Plan include Advantage Management Group, Inc., Advantage Management Group-LTC, Inc., Rhema Battle Creek Operating, LLC, Rhema Southgate Operating, LLC, Rhema WTLC Operating, LLC, Rhema Northwest Operating, LLC, Rhema Armada Operating, LLC, Rhema Armada Village Operating, LLC, Rhema Warren Operating, LLC, Rhema Belmont Operating, LLC, Rhema Redford Operating, LLC, Rhema Redford Village Operating, LLC, and Rhema Roseville Operating LLC.

Trustee and Administration of the Plan

The trustee of the Plan is Charles Schwab Trust Bank ("Charles Schwab"). In February 2020, the assets of the Plan were transferred from Ascensus Trust Company ("Ascensus") to Wells Fargo Bank, N.A. ("Wells Fargo"). In November 2020, the assets of the Plan were then transferred to Charles Schwab. The recordkeeper of the Plan is USI Consulting Group ("USI"). In March 2020, the Plan transitioned from its former recordkeeper Ascensus. The Company has given Charles Schwab the authority to hold the assets of the Plan and to invest, control and disburse all assets of the Plan in accordance with the Plan document.

Eligibility

Employees who have provided six months of service and are age 18 or older are eligible to participate in the Plan. Eligible participants may enter the Plan on the first day of the month following the completion of eligibility requirements.

Contributions

Contributions to the Plan include (i) salary reduction contributions authorized by participants, (ii) participant rollovers from other plans, and (iii) employer matching contributions. The Company did not make employer matching contributions in 2020 or 2019.

Advantage Management Group 401(k) Savings Plan

Notes to Financial Statements

Participants may elect to contribute a percentage of their eligible compensation to the Plan each year, subject to the limitations, as defined in the Plan document. Such contributions are excluded from the participant's taxable income for federal income tax purposes until received as a withdrawal or distribution from the Plan. Eligible employees may elect to be enrolled in the Plan. Participants are permitted to make elective participant compensation deferral contributions in an amount up to 90 percent of eligible compensation, subject to Internal Revenue Service ("IRS") limitations, not to exceed \$19,500 and \$19,000 in 2020 and 2019, respectively. All employees who are eligible to make salary deductions under this Plan and who have attained age 50 before the close of the Plan year are eligible to make catch-up contributions in accordance with the Plan document, and subject to IRS limitations, which were limited to \$6,500 and \$6,000 in 2020 and 2019, respectively. Participants may also contribute amounts representing distributions from other qualified plans (rollover). The Plan also offers a Roth 401(k) deferral option.

Vesting

Participants are fully vested in their individual deferral and rollover contributions and the allocated earnings thereon.

Employer matching contributions are subject to a separate vesting schedule as provided below:

<i>Vesting Service (in years)</i>	<i>Vesting Percentage</i>
Less than 1	-%
2	20
3	40
4	60
5	80
6	100

Participants become fully vested in the event of death, total and permanent disability and Plan termination.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer matching contributions, and an allocation of earnings, expenses, and gains and losses attributable thereto. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. The loans are secured by the balance of the Participant's account and bear interest at prime rate plus 1.0%. Interest rates ranged from 4.25% to 7.50% at December 31, 2020. Principal and interest are paid ratably through payroll deductions or as a lump sum for the outstanding loan balance. Participants may have a maximum of one loan outstanding at one time, and loan terms may not exceed five years, unless it is for the purchase of a primary residence. In these instances, the loan term may not exceed 30 years.

Advantage Management Group 401(k) Savings Plan

Notes to Financial Statements

Forfeited Accounts

If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are first used to pay administrative expenses and then to reduce employer contributions. There were no forfeitures used by the Plan for the years ended December 31, 2020 and 2019. There were no forfeitures remaining in the Plan as of December 31, 2020 and 2019.

Benefits

On termination of service with the Company (including termination of service due to death, disability, or retirement), a participant may generally elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants who reach the age of 59½ may withdraw any of the funds they have contributed.

Participants are also eligible to make hardship withdrawals in the event of certain financial hardships, in accordance with provisions specified in the Plan.

CARES Act

On March 27, 2020, President Trump signed into law the "Coronavirus Aid, Relief, and Economic Security ("CARES") Act". The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Suspended required minimum distributions for 2020

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Advantage Management Group 401(k) Savings Plan

Notes to Financial Statements

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in the administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance. Any accrued but unpaid interest is de minimis. No allowance for credit losses had been recorded as of December 31, 2020 or 2019. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Return of Excess Contributions

The Plan failed a non-discrimination testing for the year ended December 31, 2020. Excess contributions amounting to \$7,973 as of December 31, 2020, is recorded as a liability in the accompanying Statements of Net Assets Available for Benefits and as deduction on the Statements of Changes in Net Assets Available for Benefits. The Plan reimbursed these excess contributions to its participants during 2021.

Subsequent Events

Subsequent events have been evaluated through October 15, 2021, which is the date the financial statements were available to be issued. There were no other subsequent events impacting the Plan which require recognition or disclosure in the financial statements, except as follows:

The Plan was amended and restated on January 1, 2021.

In October 2021, the Company's shareholders entered into an agreement for the Company's sale to an unrelated party.

Notes to Financial Statements

3. Information Certified by Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments as shown in the Statements of Net Assets Available for Benefits as of December 31, 2020.
- Investment income as shown in the Statement of Changes in Net Assets Available for Benefits for the period from September 30, 2020 to December 31, 2020.
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2020, as shown on the ERISA-required supplemental schedule.

Additionally, Wells Fargo, a qualified institution, has certified that the following investment information included in the accompanying financial statements is complete and accurate:

- Investment income as shown in the Statements of Changes in Net Assets Available for Benefits for the period from February 1, 2020 to September 29, 2020.

Accordingly, Ascensus, a qualified institution, has certified that the following investment information included in the accompanying financial statements is complete and accurate:

- Investments as shown in the Statements of Net Assets Available for Benefits as of December 31, 2019.
- Investment income as shown in the Statement of Changes in Net Assets Available for Benefits for the period from January 1, 2020 to January 31, 2020 and for the year ended December 31, 2019.

At the request of the Plan administrator, the Plan's independent auditor did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

4. Fair Value Measurements

Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Advantage Management Group 401(k) Savings Plan

Notes to Financial Statements

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets.
- quoted prices for identical or similar assets or liabilities in inactive markets.
- inputs other than quoted prices that are observable for the asset or liability.
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2020 or 2019.

Mutual Funds - Valued at quoted market prices in an active market, which represent the net asset value ("NAV") of shares held by the Plan at year-end. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund - Shares held in the money market fund invest in a variety of money market instruments to seek current income are comprised of high-quality dollar-denominated debt securities with individual maturities of 13 month or less and an average maturity of 75 days or less. The composition of securities is structured to maintain a value of \$1 per share and are classified as Level 1 since it is in the active market.

Collective Investment Trusts ("CIT") - Valued at the net asset value ("NAV") of units of a collective trust fund. The NAV, as provided by the trustee of the CIT, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Advantage Management Group 401(k) Savings Plan

Notes to Financial Statements

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31:

	Investment Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,781,263	\$ -	\$ -	\$ 1,781,263
Short term investments	445	-	-	445
Investments at NAV^(a)				15,254
Total	\$ 1,781,708	\$ -	\$ -	\$ 1,796,962
	Investment Assets at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,646,696	\$ -	\$ -	\$ 1,646,696
Money market	219,030	-	-	219,030
Total	\$ 1,865,726	\$ -	\$ -	\$ 1,865,726

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items present in the Statements of Net Assets Available for Benefits.

5. Income Tax Status

The Plan uses a pre-approved plan document sponsored by USI. USI received an opinion letter from the IRS, dated June 30, 2020, which states that the pre-approved plan document, as then designed, satisfies the applicable provisions of the Internal Revenue Code ("IRC"). The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since the date of the opinion letter, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

Advantage Management Group 401(k) Savings Plan

Notes to Financial Statements

6. Related Party and Party-in-Interest Transactions

Fees incurred by the Plan for the investment management services are included in net appreciation in investments on the Statements of Changes in Net Assets Available for Benefits. The Plan paid certain expenses related to the Plan's operations to service providers and the Company pays certain Plan expenses. These transactions qualify as party-in-interest transactions. In addition, notes receivable from participants also qualify as party-in-interest transactions.

7. Risk and Uncertainties

The Plan's investments substantially consist of mutual funds composed of stocks and bonds. These investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near-term and long-term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spread globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve. This pandemic has adversely affected global economic activity and contributed to volatility in financial markets. Since the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

8. Standard Stable Asset Funds

The Standard Stable Asset Fund is available through a rider to Standard Insurance Company's group annuity contract. As such, it is an insurance contract whose key features are:

- 1) Contract value represents contributions made, less withdrawals and administrative expenses, plus interest credited. Daily liquidity at contract value is available for participant contributions and withdrawals.
- 2) The Standard Stable Asset Fund's contract value is a general liability against Standard Insurance Company on the Plan's behalf.
- 3) There are no particular segregated or identifiable assets of Standard Insurance Company ascribed to The Standard Stable Asset Fund.

Within a retirement plan, contract value is an appropriate measurement for The Standard Stable Asset Fund for reporting and financial statement purposes, and that contract value approximates fair value.

Advantage Management Group 401(k) Savings Plan

Notes to Financial Statements

Contract value is guaranteed by the full faith and credit of Standard Insurance Company; there are no wrap contracts supporting the liquidity of the fund. Crediting rates for The Standard Stable Asset Fund are set by Standard Insurance Company using a process similar to that used by banks or other insurance companies for similar products. The crediting rate is declared in advance and is reset quarterly. The declared crediting rate will never be below 1%. Management approval is required for all crediting rates.

The Standard Stable Asset Fund provides participants with liquidity at contract value for daily transactions including transfers between funds.

Certain events may limit the ability of the Plan to transact at contract value. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply.

Standard Insurance Company may terminate the contract with 30 days advance written notice to the contract owner for reasonable cause, which includes the contract owner's failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets of at least \$25,000, plan disqualification, and failure to adopt the Plan in a reasonable period of time. Upon termination by Standard Insurance Company, a market value adjustment or other withdrawal restrictions may apply. The Plan sponsor may choose to pay the market value adjustment directly, if applicable, so that participants' contract values are not affected.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of Net Assets Available for Benefits from the financial statements to the Form 5500:

<i>December 31,</i>	2020	2019
Net Assets Available for Benefits , per the financial statements	\$ 2,091,971	\$ 1,885,719
Adjustment for return of excess contributions as of December 31, 2020	7,973	-
Net Assets , per Form 5500	\$ 2,099,944	\$ 1,885,719

The following is a reconciliation of the Net Increase in Net Assets Available for Benefits, per the financial statements to the Form 5500:

<i>December 31,</i>	2020	2019
Net Increase in Net Assets Available for Benefits , per the financial statements	\$ 206,252	\$ 355,447
Return of excess contributions as of December 31, 2020	7,973	-
Contributions receivable as of December 31, 2018	-	746
Net Income , per Form 5500	\$ 214,225	\$ 356,193

Advantage Management Group 401(k) Savings Plan

Notes to Financial Statements

10. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

11. Nonexempt Transactions

For one participant loan, the loan terms did not satisfy the limits on the duration of the loan under IRC Section 72(p)(2)(B). The outstanding balance of the loan will be re-amortized over a remaining period that does not extend beyond five years from the date of the original loan and the Plan sponsor has paid any additional unpaid interest. Unpaid interest of \$324 was paid by the Plan sponsor in 2019. In addition, the Plan sponsor requested the Plan be permitted to report as a deemed distribution in the year of correction instead of the year of failure.

For three participant loans, the loan terms satisfied the requirements of IRC Section 72(p)(2), but defaults occurred because loan payments were not made in accordance with the terms of the loans. The Plan Sponsor requested relief for the three defaulted loans.

These corrections were submitted through the Voluntary Correction Program and the corrective actions were accepted by the Internal Revenue Service.

12. Operational Failure

The Plan document was amended and restated on March 1, 2020 to allow participants to take out only one hardship distribution during a Plan year. One participant took out one hardship distribution in February 2020 and another one in April 2020, creating an Operational Failure. The failure was discovered in 2020. The Plan Sponsor corrected the failure through a corrective retroactive plan amendment under the Self-Correction Program ("SCP") portion of the Employee Plans Compliance Resolution System ("EPCRS").

13. Transfer to Other Trustee

Rehma Therapy II, LLC elected to no longer be a participating employer in the Advantage Management 401(k) Plan effective June 2019. As of this date, all Plan assets of the employees of Rehma Therapy II, LLC, totaling \$33,942 were transferred out of the Plan.
