Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Charles Schwab Trust Bank ("Charles Schwab"), except for comparing such information with the related information included in the 2020 financial statements. We have been informed by the plan administrator that Charles Schwab holds the Plan's investment assets and executes investment transactions. The financial statements of the Plan as of and for the year ended December 31, 2019 were audited by other auditors whose report dated January 27, 2021 disclaimed an opinion on those statements. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the other auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Charles Schwab Bank. Their report indicated that (a) because of the significance of the information that they did not audit, they were unable to, and did not, express an opinion on the financial statements taken as a whole and (b) the form and content of the information included in the financial statements other than that derived from the information certified by Charles Schwab Bank, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

(1) Description of plan

The following description of the DASCO HME, LLC Retirement Savings Plan (the "Plan"), formerly known as the DASCO Home Medical Equipment, Inc. Retirement Savings Plan, provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a multi-employer defined contribution plan which was adopted on January 1, 2019 to provide retirement benefits for employees of DASCO HME, LLC (the "Plan Sponsor"). The Plan covers substantially all employees who are age eighteen or older and have completed three months of service ("participants"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

As of January 1, 2020, participating Employers included DASCO Home, LLC (formerly known as DASCO Home Medical Equipment, Inc.), Union Hospital Home Medical Equipment LLC, Reid Home Medical Equipment LLC, Wayne Home Medical Equipment LLC, Pleasant Valley Home Medical Equipment LLC, Alliance Ltd., Central Ohio Home Medical Equipment LLC, Ohio Valley Home Medical Equipment, LLC and Mountain Health Home Medical Equipment LLC. The adoption of these employers into the Plan accounted for \$2,234,867 of plan transfer in at January 1, 2019.

Effective November 20, 2020, DASCO - CAMC Home Medical Equipment, LLC was adopted into the plan as a participating employer. DASCO - Christ Home Medical Equipment, LLC was adopted in the plan as a participating employer effective April 20, 2020.

Effective April 30, 2020, DASCO - Ohio Valley Medical Equipment, LLC ceased its participation in the Plan. Contributions and any forfeitures relating to such contributions made under this plan were allocated to all participants of the employer.

(b) Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC") and can be made after-tax in the form of a Roth 401(k) contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participant contributions are permitted up to 100% of compensation subject to certain IRC limitations, and participants may choose to suspend elections at any time. Participants who are age 50 by the end of the Plan year are eligible to make additional catch-up contributions to the Plan.

DASCO HME, LLC RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

December 31, 2020 and 2019

The Plan Sponsor make safe harbor matching contributions as an amount equal to 100% of each participant's elective deferrals up to 3% of eligible compensation, and 50%, of the next 2%, of a participant's elective deferrals. For the years ended December 31, 2020 and December 31, 2019, the Plan Sponsor made total safe harbor matching contributions of \$280,336 and \$233,579, respectively. The Plan allows for discretionary matching and profit sharing contributions. The Company did not elect to make any discretionary matching or profit sharing contributions for the years ended December 31, 2020 and December 31, 2019. Plan Sponsor and participant contributions may not exceed the maximum amount allowable for federal income tax purposes.

(c) Participant accounts

Each participant's account is credited (charged) with the participant's and Plan Sponsor contributions, investment earnings (losses), and administrative expenses. Allocations are based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are immediately vested in their elective salary deferral and safe harbor matching contributions plus actual earnings (losses) thereon. Vesting in the Company's profit sharing contribution portion of their accounts plus actual earnings thereon is based on years on continuous service. A participant is 20% vested after two years of service and vesting increases 20% each year until the participant is fully vested after six years of credited service.

(e) Investment options

Participants may direct contributions in any of the investment funds offered by the Plan. Participants may change their investment options at any time.

(f) Participant notes receivable

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The participant notes receivable are secured by the balances in the respective participants' account and bear interest at fixed rates ranging from 4.50% to 7.00%, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid through payroll deductions.

DASCO HME, LLC RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

December 31, 2020 and 2019

(g) Payment of benefits

On termination of service due to death, permanent disability, or retirement, a participant may elect to receive a lump-sum payment equal to his or her entire account balance. For termination of service due to other reasons, a participant is entitled to receive only the vested interest in his or her account as a lump-sum distribution.

(h) Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the processing of distributions and administrative fees are charged directly to the applicable participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

(i) Plan changes

Effective November 17, 2020, the Plan amended certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect the operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service ("IRS") guidance.

Effective November 20, 2020, the Plan's name changed to DASCO HME, LLC Retirement Savings Plan from DASCO Home Medical Equipment, Inc. Retirement Savings Plan.

(j) Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

DASCO HME, LLC RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

December 31, 2020 and 2019

(b) Investment valuation and income recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by Charles Schwab. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Participant notes receivable

Participant notes receivable are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the plan document.

(d) Payment of benefits

Benefits are recorded when paid.

(e) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(f) Events occurring after reporting date

The Plan Sponsor has evaluated events and transactions that occurred between December 31, 2020 and October 15, 2021, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

Certain information reported and disclosed in the accompanying financial statements and supplemental schedule, including the fair value of investments held and cash at December 31, 2020 and 2019, and net appreciation in fair value of investments, dividend and interest for the year ended December 31, 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab.

(4) Fair value measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2020 and December 31, 2019.

- (i) *Mutual funds*: Valued based on the funds' reported closing NAV of shares held by the Plan as of the last business day of the plan year. The mutual funds are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(5) Income tax status

The Plan Sponsor adopted a volume submitter profit sharing plan, which received a favorable opinion letter from the Internal Revenue Service ("IRS") on March 31, 2014, which stated that the volume submitter plan was designed in accordance with the applicable sections of the IRC. The Plan itself has not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. However, the plan administrator believes that the adopted volume submitter plan was designed and was being operated in compliance with the applicable requirements of the IRC and was therefore, qualified and exempt from taxation.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) Risks and uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
