INDEPENDENT AUDITORS' REPORT

To the Plan Trustees of
Pantherx Specialty, LLC Savings Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Pantherx Specialty, LLC Savings Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Massachusetts Mutual Life Insurance Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements, referred to in the first paragraph.

Other Matter – Supplemental Schedule

The supplemental schedule of Schedule of Assets (Held at End of Year), for the year ended December 31, 2020, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2019 Financial Statements

The financial statements of the Plan as of December 31, 2019, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Massachusetts Mutual Life Insurance Company, the custodian of the Plan. Their report, dated October 2, 2020, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PANTHERX SPECIALTY, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Pantherx Specialty, LLC Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a safe harbor contributory defined contribution plan covering all full-time employees of Pantherx Specialty, LLC (the "Company") except for those employees as defined in the Plan document, who are 21 years of age or older and have completed one year of service, as defined in the Plan Document. Effective October 1, 2018, all full-time employees of Summit Access Solutions, LLC, doing business as RareMed Solutions, became eligible to participate in the Plan upon meeting the eligibility requirements. Also, effective October 1, 2018, all employees are eligible to participate in the Plan after one month of service, as defined in the Plan document. An eligible participant becomes a participant of the Plan on the first day of the Plan year quarter coinciding with or next following the date the eligibility requirements were met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is a Sungard Business Systems, LLC Volume Submitted Profit Sharing Plan with Cash or Deferred Arrangement ("CODA").

On December 20, 2019, the Setting Every Community Up for Retirement Enhancement (the "SECURE") Act was signed into legislation. The SECURE Act expands retirement access to both employers and employees by changing the rules with respect to required minimum distributions, among others. The SECURE Act includes both required and optional provisions, some of which became effective immediately, and others with various effective dates beginning after December 31, 2019. The required provisions of the SECURE Act that were effective immediately or beginning no later than January 1, 2020 or for plan years beginning after December 31, 2019 were operationalized accordingly. Any optional features within the SECURE Act are currently being assessed but have not been implemented to date.

Effective December 28, 2020, the Plan was amended and restated whereas the Company changed to Summit Access Solutions, LLC, doing business as RareMed Solutions, with an updated tax identification number.

Contributions - Participants may contribute up to the lesser of the annual limitation (\$19,500 and \$19,000 for 2020 and 2019, respectively), or 100% of their eligible compensation as defined in the Plan document and subject to certain limitations as defined within the Internal Revenue Code ("IRC"). Participants may elect to have all or a portion of their elective deferrals be Roth elective deferrals. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company matches a safe harbor contribution of the participants' contributions equal to 100% of the first 4% of the participant's eligible compensation, as defined in the Plan document. The Plan also provides for a discretionary qualified nonelective contribution by providing a percentage of each participant's eligible compensation, as defined in the Plan document. The Company did not elect to make a discretionary qualified nonelective contribution during 2020 and 2019.

PANTHERX SPECIALTY, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

All participants who have attained age 50 before the close of the Plan year are eligible to make additional elective deferrals in accordance with, and subject to the limitations of IRC Section 414(v). The maximum additional elective deferral for 2020 and 2019 is limited to \$6,500 and \$6,000, respectively.

The annual addition (which includes employee and employer contributions) that may be contributed or allocated to a participant's account under the Plan for any limitation year shall not exceed the lesser of \$57,000 and \$56,000 for 2020 and 2019, respectively, as adjusted for increases in the cost of living under IRC Code Section 415(d), or 100% of the participant's compensation within the meaning of IRC Code Section 415(c)(3), for the limitation year.

Participant Accounts - Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contributions, (b) Plan income and losses, and (c) administrative expenses. Earnings, losses and expenses are allocated to the participant's accounts balances, as defined in the Plan document.

Investment Options - Participants may invest their voluntary contributions, rollover contributions and the Company's contributions, plus actual earnings thereon into any of the investment options maintained by Massachusetts Mutual Life Insurance Company ("Mass Mutual" and/or the "Custodian"). The participants may change their investment elections for new contributions and existing balances daily.

Vesting - Participants are immediately vested in their voluntary contributions, rollover contributions, and the employer contributions, plus actual earnings thereon.

Payment of Benefits - A participant who has attained age 59 ½ or has become disabled may receive a distribution from the Plan. The Plan may also make a distribution upon termination of service or death. Upon termination of service, if the participant's account balance is \$5,000 or less, and the participant does not elect a direct rollover of their account balance, payment will automatically be made as a lump-sum payment, less applicable withholding tax. If the participant's account exceeds \$5,000, the participant may elect to either (a) receive an immediate lump-sum payment, less applicable withholding tax (b) leave the account balance in the Plan until such time as the participant decides to withdraw the account balance, or (c) request a direct rollover. If the participant is a 5% owner, the Plan is required to make a distribution of the participant's account balance on the required beginning date, which is April 1 following the year in which the 5% owner attains the age 70½. For all other participants, the required beginning date is April 1 following the year in which the participant attains the age of 70½ or terminates employment with the employer, if later. Effective January 1, 2020, the SECURE Act allows the age for requiring participants to begin taking mandatory distributions to increase to 72 years of age.

Notes Receivable from Participants - The Plan does not permit notes to be made to participants.

Plan Administrative Expenses - Expenses incurred by the Plan administrator and Custodian for their services and costs in administering the Plan may be paid by the Plan or the Company. Transaction charges (such as benefit payment transactions) are paid by the participant by reducing the balances of those participants initiating the transactions.

PANTHERX SPECIALTY, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting - The accounts of the Plan are maintained on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of additions and deductions in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investments - Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investment contracts are measured at contract value. Contract value is the amount that participants would receive if they were to initiate permitted transactions under terms of the Plan.

Net Appreciation in Fair Value of Investments - The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation in the fair value of its investments, which consist of the realized gains and losses from sales of investments and unrealized appreciation on those investments. The net change in unrealized appreciation in the fair value of investments is determined by the change in fair value from the beginning of the year to the end of the year, or from date of purchase to the end of the year.

Income Recognition - Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date.

New Accounting Pronouncements - During 2020 and 2019, various new Accounting Standard Updates (ASUs) were issued by the Financial Accounting Standards Board (FASB). The Plan Administrator of the Plan has determined, based on their review, that no new accounting pronouncements that were issued are applicable to the Plan. As new accounting pronouncements are released, management will assess if they are applicable, and if they are applicable, their effect will be included in the notes to the financial statements.

3. INVESTMENTS (UNAUDITED)

At December 31, 2020 and 2019, the Plan's cash, investments and executed transactions therein were held by the Custodian. The following is a summary of the Plan's financial information that is included in the financial statements and supplemental schedule based on information certified by the Custodian as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$696,936 and \$353,936 during the years ended December 31, 2020 and 2019, respectively.

PANTHERX SPECIALTY, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

The Plan's independent auditors did not perform auditing procedures with respect to investments which were certified by the Custodian at December 31, 2020 and 2019, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Pooled separate accounts are presented at net asset value. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it were determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

PANTHERX SPECIALTY, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

The Plan's investments at fair value, within the fair value hierarchy, are as follows as of December 31, 2020 and 2019.

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2020</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes the investment for which fair value is measured using the net asset value per share practical expedient as of December 31, 2020 and 2019.

5. GROUP ANNUITY CONTRACT WITH MASS MUTUAL LIFE INSURANCE COMPANY

Mass Mutual maintains a traditional fully benefit-responsive guaranteed investment contract. Mass Mutual maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

PANTHERX SPECIALTY, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The crediting rate is reviewed on an annual basis for resetting.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Mass Mutual, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the contract is \$83,582 and \$43,927 at December 31, 2020 and 2019, respectively.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

Either party to the Group Annuity Contract may terminate the contract with at least 90 days advance written notice to the other party. The contract termination date shall be any business day on or after the expiration of the 90-day notification period.

If the parties fail to determine a mutually agreeable contract termination date, the contract termination date will be the 90th business day after the date written notice of contract termination is received at the Company's administrative office, or the 90th business day after the Company mails notice of contract termination to the Group Contract holder's last known address.

The Group Contract holder shall name the payee to whom the Company is to transfer the Plan assets and hereby instructs the Company to deduct any outstanding charges and fees remaining unpaid on the contract termination date from the amount transferred to the payee. If the Group Contract holder fails to name a payee to receive the Plan assets within 90 business days of the contract termination date, the Company will pay such Plan assets to the named Plan trustee so long as the named Plan trustee agrees to accept them.

The average yields earned by the guaranteed investment contract with Mass Mutual based on actual earnings were 1.55% as of December 31, 2020 and approximately 1.35% as of December 31, 2019.

PANTHERX SPECIALTY, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

7. TAX STATUS

Although the Plan has not requested determination from the Internal Revenue Service ("IRS") as to the Plan's tax exempt status, the restated volume submitter plan from which the Plan was drafted has received a favorable determination letter from the IRS dated March 31, 2014. The Plan has been amended since receiving its determination letter. The plan administrator believes that the Plan is designed to operate in accordance with all applicable provisions of the IRC. Therefore, the plan administrator believes that the Plan is qualified and that the related trust is exempt from taxation under the IRC.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Company has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020 and 2019, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Custodian as defined by the Plan document. Transactions with the Custodian qualify as party-in-interest transactions. Direct fees paid by the Plan for custodian and recordkeeping services were \$2,540 and \$1,350 for the year ended December 31, 2020 and 2019.

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, the accounts of all participants will become fully vested and non-forfeitable, and assets will be allocated to each participant based on his/her respective account balances after payment of all final liquidation or termination expenses, pursuant to the directions of the plan administrator.
