Note 1 - Description of the Plan

The following description of the Rallye Motors 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established on January 1, 1995 and restated on December 12, 2017 and December 1, 2020, is a defined contribution profit sharing plan covering all eligible employees of Rallye Motors LLC and its affiliates (collectively the “Employer” or “Sponsor”) who are age 20 or older and have completed 60 days of service with the Sponsor.

Employers in the Plan:

Rallye Roslyn LLC
Rallye Westbury LLC
Rallye Motors Glen Cove LLC
Rallye Motors LLC

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and Section 401(k) of the Internal Revenue Code (“IRC”).

The Sponsor is the Plan administrator. The trustee of the Plan is Capital Bank and Trust Company (the “Trustee”). The recordkeeper of the Plan is Capital Group Retirement Plan Services. Certain employees of the Sponsor act as the Plan administrator.

Contributions

Each year, participants may voluntarily contribute from 2% up to 40% of eligible annual compensation, as defined by the Plan, provided that such contributions do not exceed the limitations under the IRC for 2020 of $19,500 plus a maximum of $6,500 in catch-up contributions for participants who have attained age 50 before the end of the Plan year. Highly compensated employees are subject to additional limits set forth in the IRC. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation for the first year, with incremental increases of 1% until contributions reach a maximum of 10%. Their contributions are invested in a designated balanced fund until changed by the participant.

Note 1 - Description of the Plan (cont'd.)

Contributions (cont'd.)

The Sponsor may make discretionary nonelective contributions in an amount to be determined by the Sponsor and allocated to participants based on the ratio of the eligible compensation to the total eligible compensation paid to all eligible participants. Such contributions are invested as directed by the participant. No such additional contributions were made during the year ended December 31, 2020. Participants are eligible for discretionary contributions upon completion of 1,000 hours of service in a consecutive twelve-month period beginning on the date of hire.

Participant Accounts

Each participant account is credited with the participant's contributions and rollover contributions and an allocation of employer contributions, if any, as well as allocations of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants shall have a vested percentage in the Sponsor's nonelective contributions according to a graded vesting schedule based on years of service as follows:

Years of Service	Percent Vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

In addition, participants become 100% vested with respect to the Sponsor's contributions upon death, disability or attaining their 65th birthday while, in each case, in the employment of the Sponsor.

Note 1 - Description of the Plan (cont'd.)

Notes Receivable from Participants

In response to the financial effects of COVID-19, the U.S. Congress approved the Coronavirus Aid, Relief, and Economic Security ("CARES") on March 27, 2020. Certain of the CARES Act's provisions increase the maximum loan amount participants may borrow from the lesser of $50,000 or 50% of the value of the participant's vested balance to the lesser of $100,000 or 100% of the vested balance, delay loan payments for one year, allow hardship withdrawals related to COVID-19 of up to $100,000 that can be redeposited to a qualified plan within three years without tax penalty, and allow for certain other benefits. The CARES act does not require formal amendment to the Plan document until the last day of the Plan year beginning on or after January 1, 2022 as long as the Plan operates within the revised limits.

As the Plan adopted the relaxed rules, participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $100,000 or 100% of their vested account. The loans are secured by the balance in the participant's account and bear interest at one percentage point above the prime rate, as defined by the Plan. The interest rate is determined as of the date of origination and is fixed for the loan term. Principal and interest is paid ratably through monthly payroll deductions over a period not to exceed five years, unless the funds are used to acquire a principal residence, in which case the maximum repayment period is fifteen years.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or beneficiary is entitled to receive an amount equal to the value of the participant's vested interest in his or her account as a lump-sum distribution, or in installment distributions over a specified period not to exceed the life expectancy of the participant or beneficiary. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan also allows certain withdrawals at age 59½ and hardship withdrawals.

Forfeitures/Asset Holding Accounts

Participant forfeitures attributable to Sponsor nonelective or matching contributions may be used only to reduce nonelective contributions. At December 31, 2020 and 2019, there were no forfeited account balances.

At December 31, 2020 and 2019, asset holding accounts totaled $98,944 and $60,651, respectively. These accounts include funds held for unclaimed property to be disbursed to terminated participants, and compensation recapture deposits to be used to pay future adviser fees and other administrative expenses of the Plan or to be reallocated to participant accounts. See Note 6.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. Delinquent notes receivable from participants are reclassified as distributions once the participant is no longer employed by the Sponsor. Interest rates on loans outstanding at December 31, 2020 range from 4.25% to 10.00%.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Certain administrative expenses of maintaining the Plan are paid directly by the Plan and charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation or depreciation in fair value of investments. Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan.

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability at December 31, 2019, with a corresponding reduction to contributions. The Plan distributed the 2019 excess contributions to the applicable participants prior to March 15, 2020. There were no excess contributions payable at December 31, 2020.

Note 3 - Information Prepared and Certified by the Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Capital Bank and Trust Company, the trustee of the Plan, at December 31, 2020 and 2019 and for the year ended December 31, 2020. This information has not been audited by the independent auditors.

	2020	2019
Investments at fair value:		
Mutual funds	$ 52,854,440	$ 52,152,630
Stable value collective trust fund	5,037,573	3,335,210
	$ 57,892,013	$ 55,487,840
Notes receivable from participants	$ 766,876	$ 1,022,098
Investment income:		
Net appreciation in fair value of investments	$ 6,682,297	
Dividend and interest income	1,704,430	
Other income	77,027	
	$ 8,463,754	
Interest income on notes receivable from participants	$ 39,085	

Note 4 - Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement,* are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trust fund: Valued at the NAV of units of the bank collective trust and composed primarily of fully benefit-responsive investment contracts. The NAV is used as a practical expedient to fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Note 4 - Fair Value Measurement (cont'd.)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2020 and 2019. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. For the year ended December 31, 2020, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

	Assets at Fair Value at December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 52,854,440	$ -	$ -	$ 52,854,440
Stable value collective trust fund (a)				5,037,573
Total investments at fair value				$ 57,892,013

	Assets at Fair Value at December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 52,152,630	$ -	$ -	$ 52,152,630
Stable value collective trust fund (a)				3,335,210
Total investments at fair value				$ 55,487,840

(a) In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at NAV per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 4 - Fair Value Measurement (cont'd.)

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2020 and 2019. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	As of December 31, 2020			
	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Stable Value Collective Trust Fund	$ 5,037,573	n/a	Daily	12 Months

	As of December 31, 2019			
	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Stable Value Collective Trust Fund	$ 3,335,210	n/a	Daily	12 Months

Note 5 - Receivable from Plan Sponsor

In 2019, the Plan accrued $930 as a receivable from the Sponsor related to employer matching contributions, which is to compensate participants for missed deferrals during the year ended December 31, 2019. The amount was paid in 2020.

In addition to the issue described above, management of the Sponsor became aware of contributions that may be payable to the Plan in the near future relating to a miscalculation of participants' elective deferrals on participants' bonuses and similar compensation. The financial statements do not reflect any accrual or adjustment for this potential contribution. On December 1, 2020, the Plan was restated to exclude participants' bonuses and similar compensation from eligible annual compensation for participant elective deferrals.

Note 6 - Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by American Funds, an affiliate of Capital Bank and Trust Company, the Trustee. Therefore, fees paid to this entity qualify as party-in-interest transactions.

American Funds receives revenue from mutual fund and collective trust fund service providers for services American Funds provides to the funds. This revenue is used to offset certain amounts owed to American Funds for its administrative services to the Plan. If the revenue received by American Funds from such mutual fund or collective trust fund service providers exceeds the amount owed, American Funds remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2020, there were excess amounts of approximately $77,000 which is included in other income in the statement of changes in net assets available for benefits. The Plan or Plan Sponsor may make a payment to American Funds for administrative expenses not covered by revenue sharing.

Notes receivable from participants also qualify as party-in-interest transactions.

Note 7 - Tax Status

The Plan has adopted the American Funds Distributors, Inc. prototype non-standardized profit sharing plan. Accordingly, the Plan is permitted to rely on American Funds Distributors, Inc.'s opinion letters. The Internal Revenue Service has determined and informed American Funds Distributors, Inc. by letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified and the related trust is exempt.

U.S. GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan and recognize a tax benefit only if it is more likely than not that the tax position would be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that at December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset), or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2017.

Note 8 - Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10 - Subsequent Events

The Plan administrator has evaluated all events or transactions that occurred after December 31, 2020 through October 15, 2021, which is the date that the financial statements were available to be issued. During this period, there were no material subsequent events requiring disclosure.
