(a) GENERAL

The Plan is a defined contribution 401(k) and profit sharing plan which covers all employees of Health-Ade LLC (the Company) excluding union employees, non-resident aliens, leased employees, interns, and consultants. Employees will be eligible to participate in the Plan upon completion of 3 months of service. Employees who were employed by the Company on or prior to January 1, 2020 are also eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was initially effective on January 1, 2020.

(b) CONTRIBUTIONS

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan agreement, up to a maximum of $19,500 in 2020. Participants who have attained age 50 by the Plan year-end may also make catch-up contributions of $6,500 in 2020. The Company may make a discretionary match 100% of each participant’s contribution up to 3% of the participant’s qualified compensation. The Company’s discretionary matching contribution for the year ended December 31, 2020, was $262,465.

In addition, for each Plan year, the Company may contribute and allocate to the account of each eligible employee a discretionary profit sharing amount to be determined from year to year. The Company did not make a profit sharing contribution for the year ended December 31, 2020.

Non-elective employer contributions may be permitted at the discretion of the Company only to those eligible participants who are non-highly compensated employees. Contributions will be made to meet either the ADP Test or the ACP Test. No such contributions were made for the year ended December 31, 2020.

(c) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the Company’s matching, profit sharing, safe harbor contributions and an allocation of Plan earnings. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant’s account balance.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

(d) VESTING

Participants are immediately vested in their elective contributions and employer matching contributions plus actual earnings thereon. Vesting in employer profit-sharing contributions is 33% after completion of one year of continuous service and increases by 33% for each year thereafter. A participant is 100% vested after three years of continuous service.

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow up to 50% of their vested account balance subject to a minimum amount of $1,000 and a maximum of $50,000. No more than two loans are to be outstanding at any one time. Notes receivable from participants bear interest at a rate which is comparable to commercial lending institutions. Interest rates on outstanding notes receivable from participants at December 31, 2020, ranged from 4.25% to 6.50%. Notes receivable from participants are secured by the participant's vested interest in the Plan. Principal and interest are paid through payroll deductions. General loans must be repaid within five years, and loans to acquire a personal residence must be repaid within ten years.

(f) PAYMENT OF BENEFITS

Upon termination of service, a participant may elect to receive a single lump-sum payment of the vested balance of his or her account or installment payments for a period not to exceed life expectancy. Benefits are recorded when paid. There are no benefit claims for participants separated from service that have not been paid as of December 31, 2020.

(g) FORFEITURES

Forfeitures of terminated participants' non-vested accounts are applied first to Plan administrative expenses and are then used to reduce employer contributions for the Plan year. Any remaining forfeitures will be allocated to qualifying contributing participants. During the year ended December 31, 2020, there were $4,284 of forfeitures applied to administrative expenses. No amounts were used to reduce employer contributions. There were no available forfeitures at December 31, 2020.

(h) ADMINISTRATIVE EXPENSES

The Plan is charged with the administrative expenses incurred. Transaction charges are paid by the participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan's management to make estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported revenues and expenses during the reporting period. The actual results could differ from those estimates.

(c) RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments, including mutual funds. Investment instruments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment instruments, it is reasonably possible that changes in the values of investment instruments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

(d) INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(f) SUBSEQUENT EVENTS

The Plan has evaluated events and transactions occurring subsequent to the statement of net assets available for benefits date of December 31, 2020, for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through October 13, 2021, the date these financial statements were available to be issued.

NOTE 3 - INVESTMENTS

The Plan's funds are maintained by Ascensus Trust Company (Ascensus), the trustee of the Plan, as of December 31, 2020. The funds are credited with actual earnings on the underlying investments and charged for Plan withdrawals. The Plan's funds in the financial statements as of December 31, 2020 are the values as reported to the Plan by Ascensus.

The following information included in the accompanying financial statements and the supplementary schedule was obtained from the data that has been prepared and certified as complete and accurate by Ascensus:

- Investment accounts and notes receivable from participants as shown in the statement of net assets available for benefits as of December 31, 2020.
- Net appreciation in fair value of investments, dividend income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2020.
- Supplementary schedule of assets (held at end of the year)

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the statement of net assets available for benefits and statement of changes in net assets available for benefits and the supplementary schedule of assets (held at end of the year).

Upon enrollment in the Plan, participants may direct contributions to any of the investment options maintained by the trustee. Participants may change their investment options at their discretion.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan adopted the fair value accounting standard for those assets that are re-measured and reported at fair value at each reporting period. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements. This standard applies to fair value measurements already required or permitted by existing standards.

The three levels of the fair value hierarchy under the standard are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis at December 31, 2020, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

		Fair Value Measurements Using		
	Year Ended December 31	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2020:				
Mutual Funds	$ 2,437,373	$ 2,437,373	$ -	$ -
TOTAL INVESTMENTS IN FAIR VALUE HIERARCHY	2,437,373	2,437,373	-	-
Investments Measured at Net Assets Value(a) - Common Collective Trust	17,329	-	-	-
TOTAL INVESTMENTS AT FAIR VALUE	$ 2,454,702	$ 2,437,373	$ -	$ -

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2020.

- **Mutual Funds:** Valued at the closing price reported on the active market on which the funds are traded.

- **Common Collective Trust (CCT):** Valued at the net asset value (NAV) of shares held by the Plan at year-end. The CCT is designed to provide safety and preservation of principal and accumulated interest for participant-initiated transactions. There are no unfunded commitments or redemption restrictions

Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 - CORRECTIVE DISTRIBUTION PAYABLE

During the year ended December 31, 2020, the Plan was required to return excess deferral contributions to certain participants to satisfy relevant non-discrimination provisions of the Plan. As of December 31, 2020, excess deferral contributions due to certain participants amounted to $73,329. These excess deferral contributions were accrued as accounts payable at December 31, 2020.

NOTE 6 - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated January 1, 2018, that the prototype adopted by the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain investment instruments are managed by Ascensus. Ascensus is a trustee defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

NOTE 8 - COVID-19

In March 2020, an outbreak of a novel strain of coronavirus (COVID-19) surfaced in the United States and throughout the world. This COVID-19 outbreak has caused business disruption which may negatively impact the Plan's financial results. The disruption is expected to be temporary, however there is considerable uncertainty around the breadth and duration of business disruptions related to COVID-19, as well as its impact on the U.S. and international economies. The related financial impact and duration of this disruption cannot be reasonably estimated at this time.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (continued)

Distributions are recorded on the Form 5500 when paid.

NOTE 10 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested and the assets will be allocated to each participant's account in the proportion that each account balance bears to the total of all account balances.
