Note 1—Description of the Plan

The following description of the Ingersoll-Rand Industrial U.S., Inc. (the "Company" or "Plan Sponsor") Employee Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan with a 401(k) feature generally covering eligible employees of the Company, as defined in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan was established January 1, 2020.

On February 29, 2020, a related party company completed its Reverse Morris Trust transaction (the "Transaction") with Gardner Denver Holdings, Inc. ("Gardner Denver") whereby the related party company separated its former Industrial segment ("Ingersoll Rand Industrial") through a pro-rata distribution to shareholders of record as of February 24, 2020. Ingersoll Rand Industrial became a wholly-owned subsidiary of Gardner Denver and changed its name to Ingersoll Rand Industrial U.S., Inc. To simplify the administrative burden of separation and continued plan administration, the related party company and Gardner Denver agreed to separate the conveying employees prior to the close of the transaction into a newly formed plan, Ingersoll-Rand Industrial U.S., Inc. Employee Savings Plan. As such, effective January 1, 2020, participant's balances in the amount of $895,289,012 were transferred to the Plan.

The Plan accepted a spin-off of account balances with respect to employees and former employees in the industrial business segment from the Ingersoll-Rand Company Employee Savings Plan and the Ingersoll-Rand Company Employee Savings Plan for Bargained Employees ("Prior Savings Plans").

On March 27, 2020, Congress signed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"). The CARES Act took immediate effect and contains several provisions that temporarily impact qualified plans, including a new hardship withdrawal option and a loan payment pause option. The Company incorporated these provisions into the Plan effective March 27, 2020.

Plan Termination – The Plan Sponsor elected to terminate the Plan effective December 31, 2020 (the "termination date"), with an asset transfer date of December 31, 2020. The Plan entered into a definitive agreement to merge into the Ingersoll Rand Retirement Savings Plan ("IR Plan"), formerly known as the Gardner Denver, Inc. Retirement Savings Plan on January 1, 2021, with all participant accounts being liquidated on December 31, 2020.

All participant account balances are 100% vested as of the termination date. The investments held by the participants in the Plan are to be liquidated and the participants' distribution options included rolling the proceeds to another qualified employer plan (including the IR Plan), an individual retirement account, or receiving a direct taxable distribution. If the participants did not make an election by the termination date, their accounts are automatically rolled over to their account in the IR Plan. All participant accounts were fully liquidated and distributed by the termination date.

Administration – The Plan Sponsor has designated certain employees, who serve without additional compensation, to administer the Plan. The Plan administrator has the overall responsibility and authority as the named fiduciary to manage and control the operations and administration of the Plan and may designate one or more individuals to perform those responsibilities.

Note 1—Description of the Plan (continued)

The Benefits Administration Committee administered the Plan and is responsible for carrying out the provisions thereof on behalf of the Company. The Benefits Design Committee approves recommended design changes to the Plan. The Plan requires that the Ingersoll-Rand Stock Fund (later the IR-plc stock fund) be an investment option under the Plan. The other investment options available under the Plan from time to time are selected by the Benefits Investment Committee. The Benefits Investment Committee monitors the investment options offered in the Plan. Participants direct investments among the Plan's investment options. The Plan intends to meet the requirement and regulations of ERISA Section 404(c).

Eligibility – Salaried or hourly non-union employees classified as temporary or seasonal (including interns) are eligible to participate starting the first of the month immediately following the six-month anniversary of such employee's date of hire, provided the employee is employed on such date.

The current default investment is the applicable target retirement date fund corresponding to the employee's target retirement date based off date of birth. The employee has 30 days to opt out of auto-enrollment or to change their contribution percentage and investment election. Payroll deductions, consequently, do not begin until such period has expired. Each year, participants may contribute up to 50% (in whole percentages) of their eligible compensation, as defined in the Plan and subject to applicable Internal Revenue Code ("IRC") limits. Participants may use before or after-tax dollars, or a combination of both for elective contributions. For this same group, participants hired on or after January 21, 2015 will receive matching contributions to the Plan equal to 50% of the contributions made by participating employees, up to a maximum employer contribution of 3% of the participants' eligible compensation and a non-matching contribution of 2% of the participants' eligible compensation. Participants may use before or after-tax dollars, or a combination of both for elective contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Note 2—Summary of significant accounting policies

Basis of Accounting – The accompanying financial statements have been prepared using the accrual method of accounting in accordance with the accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Note 2—Summary of significant accounting policies (continued)

General administrative fees are deducted quarterly from Plan accounts and are included in these financial statements. Expenses of the funds related to the investment and reinvestment of assets are included in the cost of the related investments. Participant directed transaction expenses such as loan fees, withdrawal fees, and fees related to investments in the brokerage accounts are paid by the participant and are included in these financial statements.

Certain investment management fees and expenses charged to the Plan are deducted from income earned on a daily basis and are not separately reflected. Consequently, certain investment management fees and operating expenses are reflected as a reduction of investment returns or an increase to investment losses for such investments in the form of an expense ratio.

The Trustee has certified to the completeness and accuracy of the following data included in the accompanying financial statements.

- Cash, non-interest bearing, as shown on the statement of assets available for benefits as of December 31, 2020.
- Net appreciation in fair value of investments, interest and dividend income, other income, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2020.

Note 4—Party-in-interest transactions

The IRS has determined and informed the Company by a favorable determination letter dated July 20, 2020, that the Plan and related trust are qualified in accordance with applicable sections of the IRC to be exempt from U.S. federal income tax.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize tax liability (or assets) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.
