Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2020 Financial Statements

We have performed an audit of the financial statements of Omni Ophthalmic Management Consultants 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2020 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2020 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2020, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2020 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2020 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2020 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2020 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2020 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2020 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2020 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2020 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2020 Supplemental Schedules Required by ERISA

The 2020 supplemental schedules of Schedule H (Form 5500), Line 4a – Schedule of Delinquent Participant Contributions and Schedule H (Form 5500), 4i – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the 2020 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2020 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020

financial statements or to the 2020 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agree to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on the 2019 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2019. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institutions. Our audit report, dated October 15, 2020, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2019 financial statements, and (b) the form and content of the information included in the 2019 financial statements other than that derived from the information certified by the qualified institutions were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

1. Description of the Plan

The following description of the Omni Ophthalmic Management Consultants 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Omni Ophthalmic Management Consultants LLC (the Company or the Employer). The following employers have adopted the Plan: Omni Eye Surgery of New York; New Jersey Center for Cornea & Refractive Surgery; Essex Specialized Surgical Institute; Delaware Valley Vision Associates Group Practice, LLC; TLC Management (Delaware Valley), LLC and Ludwick Eye Center. Thus, when reference is made to the Company, it will include all employers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective October 1, 2020, the Ludwick Eye Center 401(k) merged into the Plan. All employee assets were transferred from Ludwick Eye Center 401(k) Plan (Ludwick 401(k) Plan), due to acquisitions, into the Plan for an aggregated total of \$2,431,979. All benefits accrued under the Ludwick 401(k) Plan were incorporated into the Plan to the extent required by law. The transfer of the assets is reflected in the statement of changes in net assets.

CARES Act

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000 for qualified individuals.
- Increased Plan loan limits, as described below, to qualified individuals to the lesser of \$100,000 or 100% of the participant's vested account balance.
- Suspension of Plan loan repayments to qualified individuals, up to one year.
- Waiver of all required minimum distributions for all participants.

Plan Administration

Effective September 1, 2020, John Hancock Trust Company LLC (John Hancock) replaced Transamerica Life Insurance Company Inc. (Transamerica) as the Plan's combined custodian and recordkeeper (collectively, "Custodians").

Eligibility

All employees that attained the age of 21 and are not excluded employees, as defined in the Plan document, are eligible to participate in the Plan following the completion of three months of service. To be eligible for participation in the Employer components of the Plan, employees must have completed at least six months of service, as defined, in the Plan document.

Omni Ophthalmic Management Consultants

401(k) Profit Sharing Plan

Notes to Financial Statements

Contributions

Each year, participants may contribute to the Plan by either a percentage or fixed-dollar amount from eligible compensation, as defined in the Plan document. Eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rates set at 3% of eligible compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$6,000 for 2020. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). The Company may make discretionary matching and profit-sharing contributions to the Plan. For the period from January 1, 2020 through March 6, 2020, the Company made matching contributions equal to 50% of the 6% of eligible compensation that a participant contributes to the Plan. The matching contributions were eliminated for the rest of the plan year. For the Plan year ended December 31, 2020, the Company made \$146,148 in matching contributions to the Plan. The Company did not make a discretionary profit-sharing contribution for the 2020 Plan year. Contributions are subject to maximum annual limitations as imposed by the Internal Revenue Code (the Code).

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with contributions and investment earnings and is charged with investment earnings, withdrawals, and an allocation of expenses paid out of the Plan. Allocations are based on participant earnings, account balances, and specific-participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their deferral, catch-up and rollover contributions. The Employer's matching and profit-sharing contributions are vested as follows:

Years of Service	Vested (%)
Less than 2	-
2	20
3	40
4	60
5	80
6	100

Investment Options

All of the Plan's investment options are fully participant directed. Participants may direct the investment of their account balances into any of the Plan's available investment options.

Payment of Benefits

A participant is eligible to receive a distribution of their vested account balance under the following circumstances: (a) retirement, (b) termination of employment, (c) disability, and (d) death. A

Omni Ophthalmic Management Consultants 401(k) Profit Sharing Plan

Notes to Financial Statements

participant is also eligible for in-service withdrawals. Types of in-service withdrawals available under the Plan are withdrawals after attaining 59½ years of age and hardship withdrawals.

Cash Outs of Accounts and Consent to Distribution

If the participant stops working for the Plan sponsor and the value of a participant's vested interest in their account is \$5,000 or less, the participant's account will be "cashed out" by distributing the participant's vested interest by a single-sum payment or by direct rollover to an Individual Retirement Account (IRA) or other eligible retirement plan as soon as reasonably practicable following the date the participant's employment terminates. The participant's account will be cashed out even if the participant does not consent to the distribution. If the value of the participant's vested interest is more than \$5,000, distribution of the account balance cannot be made before the participant's normal retirement date without the participant's written consent.

Forfeitures

Forfeited balances of terminated participants' nonvested accounts are used to reduce future Employer contributions and/or offset Plan administrative expenses. At December 31, 2020 and 2019, forfeited nonvested accounts amounted to \$0 and \$14,680, respectively. For the year ended December 31, 2020, \$16,300 in forfeitures were used to pay plan expenses.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. For 2020, participants may borrow from their fund accounts up to 100% of their vested account balances, not to exceed \$100,000. Loans are repaid within a period not to exceed five years, except for the purchase of a primary residence, which may be repaid over a reasonable period of time. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 2%, as determined on the origination date of the loan. Principal and interest are paid ratably through payroll deductions. For the loans outstanding at December 31, 2020 and 2019, the interest rate range was 4.75% to 7.50%. There were deemed distributions for the years ended December 31, 2020 and 2019 of \$64,919 and \$14,783, respectively, which are included within distributions to participants and beneficiaries in the statement of changes in net assets available for benefits.

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of the Plan's financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Omni Ophthalmic Management Consultants 401(k) Profit Sharing Plan

Notes to Financial Statements

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for the fully benefit responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 5 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains or losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distribution fees are charged directly to each participant's account and are included in administrative expenses. Investment-related expenses are included in the net appreciation of fair value of investments.

Recent Accounting Pronouncement

Effective January 1, 2020, the Plan adopted Accounting Standards Update 2018-13, Fair Value Measurement (Topic 820), which modifies the disclosure requirements on fair value measurements in Topic 820. The guidance did not have a significant impact on the Plan's financial statements.

3. Risks and Uncertainties

The Plan provides for investments in various investment securities that, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term, and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

COVID-19

On January 30, 2020, the World Health Organization (WHO) announced a global health emergency because of a new strain of coronavirus (the COVID-19 outbreak) and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

Notes to Financial Statements

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and contributed to volatility in financial markets. Since the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, cannot be determined at this time.

4. Information Certified by Transamerica and John Hancock

The Company has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform, and they did not perform, auditing procedures with respect to this information, except for comparing such information certified by Transamerica and John Hancock to the related information included in the financial statements and supplemental schedules. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2020 and 2019, and net appreciation in fair value of investments and interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2020, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Transamerica and John Hancock.

5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under ASU 2018-13 are described as follows:

Level 1 - This level consists of inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - This level consists of inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - This level consists of inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Omni Ophthalmic Management Consultants

401(k) Profit Sharing Plan

Notes to Financial Statements

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used as of December 31, 2020 and 2019.

Mutual Funds

Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end. The Plan uses quoted market prices to determine fair value and classifies such item in Level 1 when available.

Common/Collective Trust (CCT)

The CCT is valued based on the value of the units owned by the Plan. Unit value is used as a practical expedient and is based on the fair value of the underlying assets of the fund derived from inputs principally from or corroborated by observable market data by correlation or other means. The Plan's investment in the CCT can be redeemed immediately at the current unit value per share. The Plan's investments in the CCT accounts may be redeemed daily. There are no redemption fees or notice periods and no unfunded commitments.

The valuation methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In accordance with ASU 2015-07, investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value.

December 31, 2020

	Assets at Fair Value				Total
	Level 1	Level 2	Level 3		
Mutual funds	\$ 12,838,287	\$ -	\$ -	\$ 12,838,287	
Common/collective trust*				12,057,404	
Total Investments, at fair value	\$ 12,838,287	\$ -	\$ -	\$ 24,895,691	

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The Plan had no financial assets that were measured at fair value on a nonrecurring basis during the years ended December 31, 2020 and 2019.

6. Fully Benefit-Responsive Stable Value Option

The Plan entered into a fully benefit-responsive investment contract with Transamerica. Transamerica maintains the contributions in a general account. The Transamerica Stable Value Option investment choices are backed by the general account of Transamerica or Transamerica Financial Life Insurance Company. While Transamerica declares rates periodically and back the principal and interest of these investment choices, any guarantees are subject to the claims-paying ability of Transamerica or Transamerica Financial Life Insurance Company. The investment choice is not guaranteed by the Federal Deposit Insurance Corporation (FDIC) or any other government agency. Although Plan participants generally may withdraw assets from the Stable Value Option investment choice without restrictions, Transamerica may impose a hold period at the contract level in the event of a full-contract discontinuance or partial-contract discontinuance.

This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Stable Value Option, as a deposit liability of Transamerica with no underlying assets, would have no direct investments on behalf of the Plan. The assets are based on the general unallocated account of Transamerica and the risk of investment is based on their insurance ratings. The average yield earned is equal to the average yield earned by the Plan adjusted to reflect the actual interest rate credited to Plan participants.

Since the Stable Value Option investment choice is an obligation of Transamerica, the occurrence of an event that limits the ability of the investment to transact at contract value between Transamerica and a participant holding the investment is not probable.

In addition, certain events allow Transamerica to terminate the contract with the Plan and settle at an amount different from contract value. Such event included: (1) the Plan is changed so as to significantly affect our obligations under the contract; or (2) the contract can no longer be treated as a pension plan contract, as that term is defined under the Code, and we determine that it is not practical to continue the provision of benefits under the contract; or (3) the Plan is terminated; or (4) the Trustee of the Plan (Contractholder) fails to comply with the requirements under the contract, or (5) the Contractholder, except by unintentional omission, fails to give Transamerica the information Transamerica needs under the contract; or (6) the Contractholder, except by unintentional omission, fails to furnish Transamerica with a copy of any amendments to the Plan, or annual report records; or (7) the sum of the contract account values at any time equals \$20,000 or less.

7. Party-in-Interest Transactions

A majority of the investments of the Plan are shares of funds managed by the Custodians. The Custodians are also the recordkeepers as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Notes receivable from participants and revenue sharing income also qualify as exempt party-in-interest transactions. Fees paid by the Plan for the

Notes to Financial Statements

investment management services are included in administrative expenses in the accompanying statement of changes in net assets available for benefits.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

9. Tax Status

The Plan has adopted Sungard Business Systems LLC's volume submitter profit-sharing plan with Cash or Deferred Arrangement (CODA). Accordingly, the Plan is permitted to rely on the opinion letter dated March 31, 2014 from the Internal Revenue Service (IRS), which stated that the volume submitter profit-sharing plan was designed in accordance with the applicable sections of the Code. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualifications. The Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. Late Remittances

During the Plan years ended December 31, 2020 and 2019, employee withholdings in the amount of \$740 and \$21,138, respectively, were not remitted within the appropriate time period by the Employer. These transactions constitute prohibited transactions, as defined by ERISA. The Plan is taking the appropriate steps to correct the situation and is implementing procedures to monitor that all future remittances are done within the prescribed time period.

11. Subsequent Events

Subsequent events have been evaluated through October 15, 2021, the date the financial statements were available to be issued. Other than events noted below, there were no other subsequent events identified requiring disclosure or adjustment to the financial statements.
