INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Nanak's Landscaping, LLC Retirement Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Nanak's Landscaping, LLC Retirement Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Massachusetts Mutual Life Insurance Company ("MassMutual"), the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements. Accordingly, we do not express an opinion on the financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedules

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2020, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Other Matter—2019 Financial Statements

The financial statements of the Plan as of December 31, 2019, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by MassMutual, the trustee of the Plan. Their report, dated October 12, 2020, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2020 financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF PLAN

The following description of the Nanak's Landscaping, LLC Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Nanak's Landscaping, LLC (the "Company", "Employer" or "Plan Sponsor") who have completed one year of service, defined as 12 consecutive months during which an employee completes 1,000 hours of service, and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan's custodian is Massachusetts Mutual Life Insurance Company ("Mass Mutual"). The Plan's trustee and third-party administrator is The Fiduciary Studio ("TPA" or "Trustee").

Elective Deferrals and Contributions

Each year, participants may elect to have the Company contribute a portion of their total eligible annual compensation to the Plan ("elective deferrals"). For any calendar year, a participant's elective deferrals may not exceed a specific dollar amount [$19,500 and if over 50 years of age, the participant may contribute an additional $6,500 in 2020 as determined by the Internal Revenue Service ("IRS")]. On a monthly basis, the Company contributes a safe harbor matching contribution equal to 100% of the first 3%, and 50% of the next 2% of gross compensation that a participant contributes to the Plan.

Participant Accounts

Each participant's account is credited with the participant's elective deferrals and allocations of safe harbor matching contributions and Plan earnings and losses, and charged with an allocation of administrative expenses if the expenses are not paid by the Company. Allocations are based on participant earnings or account balances, as defined by the Plan documents. Safe harbor matching contributions are allocated based on participant contributions and participant compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All Plan investments are participant directed.

Investment Options

Upon enrollment in the Plan, a participant may direct elective deferrals and safe harbor matching contributions in any of the investment options offered by the Plan. Participants may change their investment options at their discretion.

Vesting

Participants are immediately vested in their elective contributions and safe harbor matching contributions, plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their Plan accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. There are no restrictions on the number of loans a Participant may have outstanding at any time. Loan terms range from one to five years, unless the purpose of the loan is to acquire the primary residence of the Participant, in which case the term may exceed five years, but in no event shall it exceed the usual repayment period required by commercial lenders for similar loans. Participant loans are secured by a maximum of 50% of the non-forfeitable balance in the participant's account and bear interest at the Prime rate, plus 2%. Interest rates on participant loans outstanding at December 31, 2020 ranged from 4.50% to 7.50%. Principal and interest are paid ratably through payroll deductions.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest_ in his or her account or installment payments over a specified period of time, not to exceed the participant's life expectancy or the joint life expectancy of the participant and the participant's beneficiary. The normal retirement age is 65 years. A participant may also receive a distribution if they experience undue financial hardship as further defined in the Plan agreement and in accordance with the Internal Revenue Code ("IRC").

Expenses Paid by the Plan Sponsor

Administrative Plan related expenses, such as trustee and professional fees, amounting to $8,390 were paid by the Company in 2020.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP") for employee benefit plans.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the reported amounts of additions and deductions. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements of the Plan. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's net gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest and related fees. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor as disclosed in Note A and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions to participants are charged directly to participant's accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan provides for investment options in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Management Review of Subsequent Events

The Plan's Management has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through October 15, 2021, the date when the financial statements were available to be issued.

NOTE C – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan's administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Massachusetts Mutual Life Insurance Company, the trustee of the Plan, has certified the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2020 and the related investment activity (net appreciation in fair value of investments, interest and dividends, and interest income from notes receivable from participants) reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2020 and the information reflected on the supplementary schedule of assets (held at end of year) as of December 31, 2020.

NOTE D – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy in accordance with GAAP are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE D – FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Pooled Separate Accounts: Valued at the quoted net asset value ("NAV") of shares held by the Plan at year-end. The net asset value is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the pooled separate accounts will sell the investment for an amount different than the reported NAV.

In accordance with Codification Topic 820-10, all of the Plan's investments, which are measured at fair value using the NAV per share (or its equivalent) as a practical expedient are not required to be classified in the fair value hierarchy.

NOTE E – FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV

The following table summarizes investments measured at fair value based on NAV per share, as a practical expedient, as of December 31, 2020 and 2019:

December 30, 2020	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Bond	$ 204,783	N/A	Daily	None
Asset Allocation/Balanced	196,116	N/A	Daily	None
Large Cap	513,074	N/A	Daily	None
Mid Cap	73,300	N/A	Daily	None
Small Cap	53,020	N/A	Daily	None
International/Global	159,394	N/A	Daily	None
Specialty	834	N/A	Daily	None
	$ 1,200,521			

December 30, 2019	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Bond	$ 321,885	N/A	Daily	None
Asset Allocation/Balanced	151,290	N/A	Daily	None
Large Cap	529,757	N/A	Daily	None
Mid Cap	78,201	N/A	Daily	None
Small Cap	61,665	N/A	Daily	None
International/Global	174,984	N/A	Daily	None
Specialty	462	N/A	Daily	None
	$ 1,318,244			

The following summarizes the major categorization for the investments held by the Plan based on their nature and risk for the preceding table at December 31, 2020 and 2019:

Bond - Primarily invests in fixed income and debt securities.

Asset Allocation/Balanced - Invests in growth funds, growth-and-income funds, balanced funds and fixed income funds, depending on the target date of the related fund.

Large Cap - Primarily invests in publicly traded equity securities, which includes the S&P 500 Index fund, common stocks of U.S. companies, and established companies listed on the New York Stock Exchange.

Mid Cap - Invests in equity securities of mid-size companies based in the U.S.

NOTE E – FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV (CONTINUED)

Small Cap - Primarily invests in securities in the Russell 2000, or in other financial instruments that are components of or have economic characteristics similar to the securities included in the Russell 2000.

International/Global - Primarily invests in domestic and international equity securities, with a substantial portion of assets invested in countries that have developing or emerging markets.

Specialty - Primarily invests in equity securities of real estate investment trusts and real estate companies.

NOTE F – GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan has a traditional fully benefit-responsive guaranteed investment contract with Mass Mutual totaling approximately $45,500 for 2020 and $97,000 for 2019. Mass Mutual maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged to participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The crediting rate is reviewed on a quarterly basis for resetting. The declared interest rate as of December 31, 2020 and 2019 was 1.65% and 1.55%, respectively. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Mass Mutual, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE G – TAX STATUS

The Plan is based on a prototype non-standardized profit-sharing plan document. The sponsor of the prototype document has received a favorable determination letter from the Internal Revenue Service ("IRS") dated March 31, 2014, stating that the form of the Plan is qualified under Section 401 of the Code. The Company has chosen to rely on the IRS determination letter issued to the sponsor of the prototype document as evidence that the form of the Plan is tax qualified. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and is tax-exempt.

GAAP requires plan management to evaluate uncertain tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the Plan's financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examination for years prior to 2017.

NOTE H – PARTY IN INTEREST TRANSACTIONS

Fees incurred by the Plan and paid to Mass Mutual for investment management services are included in net appreciation in fair value of investments. Additionally, fees incurred by the Plan and paid to Mass Mutual related to loan and distribution transactions are included in administrative expenses. Mass Mutual is the custodian of the Plan and therefore, these transactions qualify as party-in-interest.

NOTE I – CONCENTRATIONS

As of December 31, 2020, two of the Plan's investment options held approximately 21% of the Plan's total investments. As of December 31, 2019, one of the Plan's investment options held approximately 14% of the Plan's total investments.

NOTE J – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balance, including employer contributions.

NOTE K – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE L – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2020, to Form 5500:
