It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Contributions

Participants may contribute up to 90% of their salary on a pretax and after-tax (Roth) basis, but no more than the amount permitted by law. In addition, the Company makes matching contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions, up to $6,500 and $6,000 for the years ended December 31, 2020 and 2019, respectively. The Company matches 100% of participant's elective contribution to the Plan up to 5% of eligible compensation.

The Company may make a nonelective employer contribution to the Plan, although it is not required to do so. The nonelective contribution will be allocated (or divided among) participants eligible to share in the contribution for the plan year, based on a formula of participant compensation divided by the total compensation of all participants eligible to share in the nonelective contribution. No such contributions were made during 2020.

At the discretion of the plan administrator, eligible participants may be permitted to deposit into the Plan distribution received from other retirement plans and certain IRAs.

(c) Participant Accounts

An individual participant's account is comprised of the participant's elective deferred contributions, employer contributions, applicable fund earnings, investment fees and administrative expenses, and unrealized fair market value adjustments. Unrealized fair market value adjustments are based on quoted market prices as of the last business day of each year. Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are immediately 100% vested in their voluntary contributions, and rollover contributions, plus actual earnings thereon.

(continued)

NOTE 1 - DESCRIPTION OF PLAN (Continued)

The vested percentage in a participant's account attributable to the employer nonelective contribution portion of his or her account is determined under the following schedule and is based on vesting years of service, as follows:

Vesting Schedule

Years of Service	Percentage
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

A participant will always be 100% vested if he or she is employed on or after his or her normal retirement age, which is 65.

(e) Investment Options

The Plan trustees determine and approve the investment options set up for the Plan. Upon enrollment in the Plan, a participant can direct contributions into various offered investment options. The custodian of the Plan is Capital Bank and Trust Company ("Capital Bank"). The custodian invests monies according to participant directions.

(f) Payment of Benefits

On termination of service due to death, disability, or retirement, a participant is eligible to receive a single lump-sum amount equal to the value of his or her vested account balance. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

(g) Notes Receivables from Participants

Participants may borrow from their vested fund accounts. Loans must be for a minimum of $1,000 up to a maximum amount which is equal to the lesser of $50,000 or 50% of the participant's vested account balance. A participant is limited to having one loan outstanding at any time. The loans are secured by the balances in the participants' accounts and bear interest at the prime rate, plus 1%, at the beginning of the loan terms (rates on existing loans range from 4.25% to 6.50% for the year ended December 31, 2020, and 6.00% to 6.50% for the year ended December 31, 2019). Loans must be repaid by payroll deductions over a minimum period of one year, not to exceed five years, except when the loan is used for the purchase of a primary residence, in which case the repayment period cannot exceed 30 years.

(continued)

NOTE 1 - DESCRIPTION OF PLAN (Continued)

(h) Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(i) Forfeited Accounts

Forfeited amounts may be used to reduce plan administrative expenses or to reduce employer contributions. For the year ended December 31, 2020, forfeitures in the amount of $274 were used to reduce the employer contributions. There were unapplied forfeiture credits in the amounts of $2,926 and $294 at December 31, 2020 and 2019, respectively.

(j) Administrative Expenses

The Plan is administered by the Company. Administrative expenses are paid by the Plan and the Company. Certain administrative fees are incurred by Participants such as loan issuance fees, distribution fees, termination fees and withdrawal fees.

(k) COVID-19

On January 30, 2020 the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and greatly contributed to significant deterioration and instability in financial markets. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

On March 27, 2020, the "Coronavirus Aid, Relief, and Economic Security (CARES) Act" was signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distribution up to $100,000,
- Extend the period for loan repayments, if applicable, up to one year, and
- Suspended required minimum distribution for 2020.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The accounting and reporting policies of the Plan conform to accounting principles generally accepted in the United States of America ("GAAP"). The financial statements of the Plan are prepared on the accrual basis of accounting and complies with the Accounting Standards Codification ("ASC") of the Financial Accounting Standards Board ("FASB").

(b) Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend rate. Net appreciation and depreciation include the Plan's gains and losses on investments bought and sold, as well as held, during the year. See Note 7 for discussion of fair value measurements.

(c) Payment of Benefits and Other Costs

Benefits are recorded when paid. Administrative expenses are primarily comprised of record keeping fees. These expenses are paid directly by the Plan. Other expenses related to the Plan are paid directly by the Company.

(d) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

(e) Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of plan assets and liabilities and disclosure of contingencies, if any, at the date of the financial statements, and the reported amounts of additions to and reductions from net assets available for plan benefits during the reporting periods. Actual results could differ from those estimates.

(f) Subsequent Events

The Plan has evaluated subsequent events after December 31, 2020 through October 15, 2021, the date that the financial statements were available to be issued.

NOTE 3 – INVESTMENTS CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Capital Bank and Trust Company, the trustee of the Plan has certified the completeness and accuracy of all investments and related investment activity and notes receivable from participants in the accompanying statements of net assets available for benefits as of December 31, 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2020, and the accompanying supplemental schedule, Schedule of Assets (Held at End of Year) - Schedule H, Line 4(i) as of December 31, 2020.

NOTE 4 - INVESTMENTS

The following table represents the fair value of investments. The information for the years ended December 31, 2020 and 2019 was obtained from data that has been prepared and certified to as complete and accurate by Capital Bank and Trust, the custodian for year ended December 31, 2020 and Reliance Trust Company, the custodian for year ended December 31, 2019. The following table represents the Plan's investments by type for the years ended December 31, 2020 and 2019:

	2020	2019
Investments at fair value:		
Money market funds	$ 6,631	$ -
Mutual funds	2,567,721	2,068,825
Common collective trusts	-	65,249
Total investments at fair value	$ 2,574,352	$ 2,134,074

For the years ended December 31, 2020 and 2019, notes receivable from participants were $57,987 and $9,368, respectively.

During the year ended December 31, 2020, the Plan's investments (including investments bought, sold, and held during the year) appreciated in fair value by $90,512.

During the year ended December 31, 2020, the Plan received interest and dividend income of $105,947.

NOTE 5 - INCOME TAX STATUS

The Plan adopted a Capital Group Retirement Plan Services volume submitter plan (VSP). The Internal Revenue Service (IRS) has determined and informed Capital Group Retirement Plan Services, by a letter dated June 30, 2020 that the VSP and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the determination letter was received. However, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently operating in compliance with the applicable requirements of the IRC.

GAAP require plan management to evaluate tax positions taken by the plan and recognize a tax liability or asset if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset, or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan received recordkeeping services from ADP, LLC from the period from January 1, 2020 to September 30, 2020 and from Capital Group Retirement Plan Services from October 1, 2020 to December 31, 2020. Fees paid by the Plan for the services amounted to $16,694 for the year ended December 31, 2020.

NOTE 7 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure value. Based on the observability of the inputs used in the valuation techniques, the Plan is required to provide the following information according to the fair value hierarchy. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

- Level 1 - Valuation is based upon quoted prices for identical instruments traded in active markets.

- Level 2 - Valuation is based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market.

- Level 3 - Unobservable inputs supported by little or no market activity for financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determinant for fair value requires significant management judgment or estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

- Mutual funds - Valued at the closing price reported in the active market in which the individual security is traded.

- Common collective trusts – Common collective trusts that are valued at the net asset value (NAV) of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

(continued)

NOTE 7 - FAIR VALUE MEASUREMENTS (Continued)

The following tables summarize the Plan's investments as of December 31, 2020 and 2019, based on the inputs used to value them:

	Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Money market funds	$ 6,631	$ -	$ -	$ 6,631
Mutual funds	2,567,721	-	-	2,567,721
Total assets in fair value hierarchy	2,574,352	-	-	2,574,352
	$ 2,574,352	$ -	$ -	$ 2,574,352

	Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 2,068,825	$ -	$ -	$ 2,068,825
Total assets in fair value hierarchy	2,068,825	-	-	2,068,825
Investments measured at net asset value	-	-	-	65,249
	$ 2,068,825	$ -	$ -	$ 2,134,074

In accordance with ASC SubTopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the accompanying statements of net assets available for benefits.

The pricing methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There were no transfers between Levels 1 and 2 during the years ended December 31, 2020 and 2019.

(continued)

NOTE 7 - FAIR VALUE MEASUREMENTS (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2019. There were no investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2020. There are no participant redemption restrictions for these investments. The redemption notice period is applicable only to the Plan.

December 31, 2019	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trusts:				
Invesco Stable Asset Fund - ADPZ Class	$ 65,249	N/A	Daily	24 months

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan did not meet the fidelity bond requirement under ERISA for the year ended December 31, 2020. To meet the ERISA fidelity bond requirement, the Plan is required to have a bond that is at least equal to the lesser of 10% of the funds handled or $500,000. As of the issuance date of these financial statements, the Plan Sponsor was in the process of obtaining a fidelity bond that would meet the ERISA fidelity bond requirements.

NOTE 9 - RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the accompanying 2020 and 2019 financial statements to Schedule H of Form 5500 as of December 31:

The following is a reconciliation of increase in net assets per the financial statements to the Form 5500 filed for the year ended December 31, 2020:

Increase in net assets available for benefits per the financial statements	$ 486,079
Add, prior year participant contribution receivable	7,485

Less, current year employer contribution receivable	(14,812)
Increase in net assets available for benefits per Form 5500	$ 488,897

NOTE 10 – SUBSEQUENT EVENTS

On August 2, 2021, the Plan amended the plan documents to allow collective bargaining (union) employees to contribute to the Plan via elective deferrals without employer matching.
