INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Dattner Architects 401(k) Retirement Savings Plan

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Dattner Architects 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2020, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNL).

Opinion (Continued)

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental schedule H, line 4i - assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

CITRINCOOPERMAN®

Supplemental Information Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Dattner Architects 401(k) Retirement Savings Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Dattner Architects 401(k) Retirement Savings Plan (the "Plan") as of December 31, 2019, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2019 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2019, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statement. Accordingly, we do not express an opinion on the 2019 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2019 Financial Statement

The form and content of the information included in the 2019 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of Dattner Architects 401(k) Retirement Savings Plan (the "Plan") provides only general information. For a more complete description of the Plan's provisions, refer to the Plan document.

General

The Plan is a defined contribution plan established on January 1, 1996, covering all eligible employees of Dattner Architects D.P.C. (the "Plan Sponsor" or the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is administered by the Company and the Administrative Committee is responsible for oversight of the Plan. Fidelity Management Trust Company (the "Trustee") serves as the trustee to the Plan.

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act and the Setting Every Community Up for Retirement Enhancement Act of 2019, which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. With the exception of suspending required minimum distributions, the optional features within these acts are currently being assessed but have not been implemented to date. Written amendments to the Plan to reflect the operational changes implemented will be adopted at a later date in accordance with applicable law and Internal Revenue Service ("IRS") guidance.

Eligibility

Employees who have attained the age of 21 years or older and have completed at least six months of service during the Plan year, as defined in the Plan document, are eligible to participate in the Plan.

Contributions

Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan document. Participants may also make rollover contributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan Sponsor provides safe harbor matching contributions which match 100% of the first 3% of the eligible participants' compensation and 50% of the next 2% of the eligible participants' compensation up to a maximum of 4% of the employee's eligible compensation. For the year ended December 31, 2020, matching contributions were $322,006.

The Plan Sponsor, at its sole discretion, may also make a profit-sharing contribution for employees who have completed 1,000 hours of service during the Plan year and are employed on the last day of the Plan year. For the year ended December 31, 2020, there were no profit-sharing contributions.

Participants' Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of a) $50,000, or b) 50% of the participant's vested account balance. A participant may have up to two loans outstanding at any given time. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with market rates for similar loans. Participant loans must generally be fully repaid within five years, unless the loan was for the purchase of a primary residence or a leave of absence from employment. At December 31, 2020, interest rates on outstanding loans ranged from 4.50% - 6.50%, maturing on various dates through May 2026.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of service as follows:

Years of Service Completed	Vesting Percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participant Distributions

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the participant's vested interest in his or her account or annual installments over a period of not more than their assumed life expectancy as determined at the time of distribution. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

Forfeitures are retained in the Plan and may first be used to pay administrative expenses. Any remaining amounts will be used to reduce future employer contributions payable under the Plan. At December 31, 2020 and 2019, the nonvested accounts totaled $12,600 and $14,811, respectively. For the year ended December 31, 2020, $2,250 from forfeited nonvested accounts was utilized to reduce administrative expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements were prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements

Financial Accounting Standards Board ("FASB") issued Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, which establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

> Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
>
> Level 2 - inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
>
> Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are netted against "Net appreciation in fair value of investments."

Payment of Benefits

Benefits are recorded when paid to Plan participants.

Subsequent Events

In accordance with FASB ASC 855, *Subsequent Events*, the Company has evaluated subsequent events through October 14, 2021, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

3. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

COVID-19

During 2020, the World Health Organization declared COVID-19 to constitute a "Public Health Emergency of International Concern." The pandemic has disrupted economic markets and the financial impact, duration and spread of COVID-19 virus are uncertain at this time. The financial performance of the Plan's investments may be impacted by the market's response to the uncertainty of the situation; however, the duration of disruption and related financial impact cannot be reasonably estimated at this time.

4. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer discretionary contribution and be entitled to the entire amount of their account balance.

5. TAX STATUS

The Plan uses a prototype plan document sponsored by the Trustee, which received an opinion letter from the IRS dated March 31, 2014, stating that the prototype document satisfied the provisions of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believes the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

5. TAX STATUS (CONTINUED)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

6. INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The following tables summarize investment and other asset information regarding the Plan as of December 31, 2020 and 2019, and for the year ended December 31 2020, included in the Plan's financial statements and supplemental schedule, that were prepared by or derived from information prepared by the Trustee and furnished to the Plan administrator. The Plan administrator has obtained a certification from the Trustee that such information is complete and accurate.

	2020	2019
Investments:		
Registered investment companies	$ 15,969,003	$ 13,038,306
Cash equivalent	538,180	495,541
Total investments	16,507,183	13,533,847
Notes receivable from participants	35,035	46,217
Total certified assets	$ 16,542,218	$ 13,580,064
Net appreciation in fair value of investments	$ 1,684,795	
Dividend and interest income	$ 759,567	
Interest income on notes receivable from participants	$ 2,394	

7. PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Additionally, certain Plan expenses are paid directly by the Company.

Certain Plan investment options consist of shares of registered investment companies managed by an affiliate of the Trustee. Accordingly, these transactions qualify as party-in-interest transactions.

8. FAIR VALUE MEASUREMENTS

The following tables summarize the Plan's investments measured at fair value on a recurring basis, categorized by U.S. GAAP's valuation hierarchy at December 31, 2020 and 2019:

Description	Fair Value at December 31, 2020	Level 1	Level 2	Level 3
Investments in fair value hierarchy:				
Registered investment companies	$ 15,969,003	$ 15,969,003	$ -	$ -
Cash equivalent	538,180	538,180	-	-
Total investments at fair value	$ 16,507,183	$ 16,507,183	$ -	$ -

Description	Fair Value at December 31, 2019	Level 1	Level 2	Level 3
Investments in fair value hierarchy:				
Registered investment companies	$ 13,038,306	$ 13,038,306	$ -	$ -
Cash equivalent	495,541	495,541	-	-
Total investments at fair value	$ 13,533,847	$ 13,533,847	$ -	$ -

In determining fair value, the fair value hierarchy prioritizes the inputs to valuation methods and techniques used to measure fair value. Valuation techniques should maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used for the years ended December 31, 2020 and 2019.

The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2020 and 2019.

Registered investment companies: are valued at quoted market prices, which represent the net asset value of the securities held in such funds and are classified as Level 1 investments as they are deemed to be actively traded.

Cash equivalents: are primarily invested in money market funds and highly liquid U.S. government securities. The cash funds are valued at the per unit amounts reported daily by such funds, which approximate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits reflected in the financial statements to the Plan's Form 5500 at December 31, 2020 and 2019:

	2020	2019
Net assets available for benefits per the financial statements	$ 16,566,399	$ 13,597,793
Less: current-year employer contributions receivables	24,181	17,729
Net assets available for benefits per Form 5500	$ 16,542,218	$ 13,580,064

The following is a reconciliation of changes in net assets available for benefits reflected in the financial statements to the Plan's Form 5500 for the year ended December 31, 2020:

Increase in net assets per the financial statements	$ 2,968,606
Add: prior-year employer contributions receivables	17,729
Less: current-year employee contributions receivables	24,181
Increase in net assets per Form 5500	$ 2,962,154
