ROYAL COACH LINES, INC. 401(k) PLAN- UNION
NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF PLAN:

The following description of the Royal Coach Lines, Inc. 401(k) Plan- Union (formerly Royal Coach Lines Inc 401(k) Profit Sharing Plan and Trust) (the "Plan") provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Royal Coach Lines, Inc (formerly Royal Coach Lines Inc) (the "Company") who have completed one year of service and attained the age of twenty-one. Effective July 1, 2020 the Plan was amended to cover substantially all employees of the Plan who have attained age 21 and completed eleven consecutive months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Upon meeting eligibility requirements participants may contribute up to 80% of their plan compensation on a pre-tax basis, subject to Internal Revenue Code ("IRC") limitations. Participants who are at least age 50 may make an additional pre-tax "catch-up" contribution subject to IRC limitations. Participants may also contribute funds from another qualified plan ("rollover contributions"), subject to certain requirements.

The Company contributes 10 percent of pretax compensation that a participant contributes to the Plan. The Company may also elect to make a discretionary profit sharing contribution for employees who have at least 500 hours of service and that are employed on the last day of the plan year. For the plan year ended December 31, 2020, the Company did not elect to make a profit sharing contribution.

Participant Accounts

Each participant's account is credited or charged with contributions, investment income, and administrative expenses. Investment income, including realized and unrealized gains and losses, and expenses are allocated to participants' accounts based on each participant's account balance within each fund. Participants determine the percentage in which contributions are to be invested in each fund. Participants may change their investment options as set forth in the plan document. The benefit to which a participant is entitled is equal to the value of the participant's vested interest in their account.

ROYAL COACH LINES, INC. 401(k) PLAN- UNION
NOTES TO FINANCIAL STATEMENTS

Vesting

Participants are fully vested in that portion of their account which represents their contributions and the income earned thereon. Participants become 100% vested in the Company's discretionary contributions and earnings thereon upon death, total and permanent disability, or attainment of normal retirement age. Otherwise, a participant's interest in the Company's contributions and earnings thereon vests according to the following schedule:

<u>Completed Years of Service</u>	<u>Percent Vested</u>
1 year	0%
2 years	0%
3 or more years	100%

Forfeitures

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account represents a forfeiture, as defined by the Plan. Forfeited balances are first used to restore re-employed participants' accounts. Any remaining forfeitures may be used to pay plan expenses or to reduce company contributions. During 2020, \$421 of forfeitures were used to reduce company contributions and no forfeitures were used to pay plan expenses. Unallocated forfeitures at December 31, 2020 and 2019 were \$0 and \$3, respectively.

Unallocated Assets

The Plan holds assets in an expense reimbursement account which received contributions as a result of a revenue sharing agreement with Automatic Data Processing. During 2020, contributions to the account totaled \$1,169, which is included in net appreciation in fair value of investments in the statement of changes in net assets available for benefits. Funds in the account are used to pay qualified plan expenses. During 2020, \$1,169 of unallocated assets were used to pay qualified plan expenses. Total unapplied unallocated assets were \$0 as of December 31, 2020 and 2019.

Distribution of Benefits

Benefits may be distributed to participants upon termination of employment by reason of retirement, disability, death or other separation from service. Distributions under the Plan may be made in lump sums, partial or installment payments, or annuities.

A participant may also request a withdrawal upon attainment of age 59 ½, or from rollover funds at any time. A participant may request an in-service withdrawal upon demonstration by the participant to the Benefit Administration Committee that the participant is suffering from "hardship", as defined in the plan document.

ROYAL COACH LINES, INC. 401(k) PLAN- UNION
NOTES TO FINANCIAL STATEMENTS

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. Loans must bear a reasonable rate of interest. All loans must be repaid within five years unless the proceeds are used to acquire a principal residence, in which case a longer repayment period is allowed. No more than one loan may be outstanding at any time. Principal and interest is generally paid ratably through payroll deductions each pay period.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

ROYAL COACH LINES, INC. 401(k) PLAN- UNION
NOTES TO FINANCIAL STATEMENTS

Expenses of the Plan

Substantially all of the administrative expenses incurred by the Plan are paid by the Company. Certain participant transactions fees and administration fees are paid through the Plan. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

C. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used by the Plan. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

D. PARTIES-IN-INTEREST:

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, loans to participants and the management of investments held by the trustee and custodian is considered party-in-interest transactions.

E. TAX STATUS:

The Internal Revenue Service ("IRS") has determined and informed the sponsor of the prototype plan document adopted by the Company by a letter dated July 8, 2014 that the prototype plan document and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

ROYAL COACH LINES, INC. 401(k) PLAN- UNION
NOTES TO FINANCIAL STATEMENTS

F. COMPLIANCE AND ERISA:

The plan administrator has elected the method of compliance permitted under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, no auditing procedures with respect to the information certified by Reliance Trust Company, the trustee of the Plan through June 30, 2020 and Mid Atlantic Trust Company, the custodian of the Plan effective July 1, 2020, were performed by the independent auditors except for comparing the information to the financial statements and supplemental schedule. The trustee and custodian have certified as to the completeness and accuracy of the investments held by the Plan as of December 31, 2020 and 2019, the investment earnings and other investment-related transactions of the Plan for the year then ended, and the information contained in the Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2020.

G. PLAN TERMINATION:

Although the Plan was established with the intention that it will continue indefinitely, the Company retains the right to discontinue its contributions at any time or to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, all participants will become 100% vested in their accounts.

H. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The specific impact of the COVID-19 global pandemic on the Plan's investment securities is not readily determinable as of the date of these financial statements. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

I. SUBSEQUENT EVENTS:

The Company has evaluated subsequent events through October 15, 2021, the date these financial statements were available for issuance.

ROYAL COACH LINES, INC. 401(k) PLAN- UNION
NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF PLAN:

The following description of the Royal Coach Lines, Inc. 401(k) Plan- Union (formerly Royal Coach Lines Inc 401(k) Profit Sharing Plan and Trust) (the "Plan") provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Royal Coach Lines, Inc (formerly Royal Coach Lines Inc) (the "Company") who have completed one year of service and attained the age of twenty-one. Effective July 1, 2020 the Plan was amended to cover substantially all employees of the Plan who have attained age 21 and completed eleven consecutive months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Upon meeting eligibility requirements participants may contribute up to 80% of their plan compensation on a pre-tax basis, subject to Internal Revenue Code ("IRC") limitations. Participants who are at least age 50 may make an additional pre-tax "catch-up" contribution subject to IRC limitations. Participants may also contribute funds from another qualified plan ("rollover contributions"), subject to certain requirements.

The Company contributes 10 percent of pretax compensation that a participant contributes to the Plan. The Company may also elect to make a discretionary profit sharing contribution for employees who have at least 500 hours of service and that are employed on the last day of the plan year. For the plan year ended December 31, 2020, the Company did not elect to make a profit sharing contribution.

Participant Accounts

Each participant's account is credited or charged with contributions, investment income, and administrative expenses. Investment income, including realized and unrealized gains and losses, and expenses are allocated to participants' accounts based on each participant's account balance within each fund. Participants determine the percentage in which contributions are to be invested in each fund. Participants may change their investment options as set forth in the plan document. The benefit to which a participant is entitled is equal to the value of the participant's vested interest in their account.

ROYAL COACH LINES, INC. 401(k) PLAN- UNION
NOTES TO FINANCIAL STATEMENTS

Vesting

Participants are fully vested in that portion of their account which represents their contributions and the income earned thereon. Participants become 100% vested in the Company's discretionary contributions and earnings thereon upon death, total and permanent disability, or attainment of normal retirement age. Otherwise, a participant's interest in the Company's contributions and earnings thereon vests according to the following schedule:

<u>Completed Years of Service</u>	<u>Percent Vested</u>
1 year	0%
2 years	0%
3 or more years	100%

Forfeitures

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account represents a forfeiture, as defined by the Plan. Forfeited balances are first used to restore re-employed participants' accounts. Any remaining forfeitures may be used to pay plan expenses or to reduce company contributions. During 2020, \$421 of forfeitures were used to reduce company contributions and no forfeitures were used to pay plan expenses. Unallocated forfeitures at December 31, 2020 and 2019 were \$0 and \$3, respectively.

Unallocated Assets

The Plan holds assets in an expense reimbursement account which received contributions as a result of a revenue sharing agreement with Automatic Data Processing. During 2020, contributions to the account totaled \$1,169, which is included in net appreciation in fair value of investments in the statement of changes in net assets available for benefits. Funds in the account are used to pay qualified plan expenses. During 2020, \$1,169 of unallocated assets were used to pay qualified plan expenses. Total unapplied unallocated assets were \$0 as of December 31, 2020 and 2019.

Distribution of Benefits

Benefits may be distributed to participants upon termination of employment by reason of retirement, disability, death or other separation from service. Distributions under the Plan may be made in lump sums, partial or installment payments, or annuities.

A participant may also request a withdrawal upon attainment of age 59 ½, or from rollover funds at any time. A participant may request an in-service withdrawal upon demonstration by the participant to the Benefit Administration Committee that the participant is suffering from "hardship", as defined in the plan document.

ROYAL COACH LINES, INC. 401(k) PLAN- UNION
NOTES TO FINANCIAL STATEMENTS

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. Loans must bear a reasonable rate of interest. All loans must be repaid within five years unless the proceeds are used to acquire a principal residence, in which case a longer repayment period is allowed. No more than one loan may be outstanding at any time. Principal and interest is generally paid ratably through payroll deductions each pay period.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

ROYAL COACH LINES, INC. 401(k) PLAN- UNION
NOTES TO FINANCIAL STATEMENTS

Expenses of the Plan

Substantially all of the administrative expenses incurred by the Plan are paid by the Company. Certain participant transactions fees and administration fees are paid through the Plan. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

C. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used by the Plan. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

ROYAL COACH LINES, INC. 401(k) PLAN- UNION
NOTES TO FINANCIAL STATEMENTS

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Mutual funds	\$ 749,732	\$ 749,732	\$ -	\$ -
Total investments in the fair value hierarchy	\$ 749,732	\$ 749,732	\$ -	\$ -

D. PARTIES-IN-INTEREST:

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, loans to participants and the management of investments held by the trustee and custodian is considered party-in-interest transactions.

E. TAX STATUS:

The Internal Revenue Service ("IRS") has determined and informed the sponsor of the prototype plan document adopted by the Company by a letter dated July 8, 2014 that the prototype plan document and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. COMPLIANCE AND ERISA:

The plan administrator has elected the method of compliance permitted under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, no auditing procedures with respect to the information certified by Reliance Trust Company, the trustee of the Plan through June 30, 2020 and Mid Atlantic Trust Company, the custodian of the Plan effective July 1, 2020, were performed by the independent auditors except for comparing the information to the financial statements and supplemental schedule. The trustee and custodian have certified as to the completeness and accuracy of the investments held by the Plan as of December 31, 2020 and 2019, the investment earnings and other investment-related transactions of the Plan for the year then ended, and the information contained in the Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2020.

G. PLAN TERMINATION:

Although the Plan was established with the intention that it will continue indefinitely, the Company retains the right to discontinue its contributions at any time or to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, all participants will become 100% vested in their accounts.

H. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
