REPORT OF INDEPENDENT AUDITORS

To the 401(K) Advisory Board and Plan Administrator of
National Design Mart 401(k) & Profit Sharing Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of National Design Mart 401(k) & Profit Sharing Plan (the “Plan”), which comprise the statements of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the custodian holds the Plan’s investment assets and executes investment transactions. The plan administrator has obtained certification from the custodian as of December 31, 2020 and 2019, and for the year ended December 31, 2020, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2020 financial statements referred to in the first paragraph.

Other Matter

The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions as of and for the year ended December 31, 2020 are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Other Matter – 2019 Financial Statements

The financial statements of the Plan as of December 31, 2019, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by John Hancock Life Insurance Company, the custodian of the Plan. Their report, dated October 15, 2020, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NATIONAL DESIGN MART 401(K) & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of National Design Mart 401(k) & Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General: The Plan was adopted by National Carpet Mill Outlet dba National Design Mart effective January 1, 2019. The Plan is a defined contribution plan covering all eligible employees of National Carpet Mill Outlet Inc. and National Granite Luxuries, LLP (the collective "Companies"). Union employees, non-resident aliens, and leased employees are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan's assets consist of a group annuity contract (the "Contract") issued through John Hancock Life Insurance Company (U.S.A.) ("John Hancock"), custodian of the Plan's assets. Through the Contract, contributions made into the Plan are invested in pooled separate accounts with sub accounts which invest solely in underlying mutual funds. Amounts allocated to the pooled separate accounts are credited to a participant's account in the form of accumulation units.

Eligibility: To be eligible, employees must attain the age of 21 and have completed one year of service, as defined in the Plan. Leased employees, non-resident aliens and Union employees are excluded from eligibility.

Contributions: Participants may make voluntary pre-tax and after-tax (Roth) contributions not to exceed the lower of 100% of their compensation, as defined, or the limit as determined by the Internal Revenue Service ("IRS"). Participants who have attained age 50 before the end of the Plan year are eligible to make pre-tax and Roth catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans (rollover). The Plan requires the Plan Sponsor to make a safe-harbor matching contribution. The safe-harbor matching contribution is calculated using 100% of the first 3% that the participant elects to defer, and 50% of the next 2% that the participant elects to defer. In addition, the Company may make profit sharing contributions to the Plan solely at the discretion of the Plan Committee. There were no discretionary profit-sharing contributions authorized for 2020. Contributions are subject to certain IRS limitations.

Participant accounts: A separate account is maintained for each participant. Each participant's account is credited with the participant's voluntary contributions, rollover contributions, the Company's safe-harbor matching contributions, an allocation of the Company discretionary profit-sharing contributions, and Plan earnings or losses as defined by the Plan agreement. Participants who were employed as of the last day of the Plan year and who have completed at least 1,000 hours of service during the Plan year, are eligible for Company discretionary profit-sharing contributions. Plan earnings or losses are allocated daily based on each participant's balance. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on the number of participants in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account, as defined.

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings or losses thereon. Participants are also immediately vested in the safe harbor matching contributions plus actual earnings or losses thereon. Vesting in the Company's profit-sharing contribution portion of their accounts is based on years of continuous service. A participant's employer profit-sharing contributions are on a six-year graded vesting with 100% vesting after six years of credited service.

Payment of benefits: On termination of service, a participant may elect to receive a lump-sum amount equal to the vested portion of his or her account. In-service distributions of vested balances are not allowed. Involuntary distributions of amounts less than \$5,000 are permitted under the Plan.

In-service hardship withdrawals of employee contributions are permitted upon proof, to the satisfaction of the Plan Administrator, of an immediate and heavy financial need.

Notes receivable from participants: The Plan does not allow for loans to participants.

Forfeited accounts: Forfeited nonvested accounts are to be used to reduce future employer contributions or may be used to pay administrative expenses of the Plan. There were no forfeited nonvested accounts at December 31, 2020 or 2019, and no forfeited nonvested accounts were used during the year ended December 31, 2020.

Administrative expenses: The Plan's administrative expenses are paid either by the Plan or the Company as provided by the Plan agreement. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation: The financial statements have been prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value using methodologies described in Note 4. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments, including gains and losses, are recorded on a trade-date basis. Interest income is recorded when earned, dividends are recorded on the ex-dividend date and capital gain distributions are included in dividend income. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit payments: Benefit payments to participants are recorded when paid.

Subsequent events: In preparing these financial statements, Plan management has evaluated events and transactions for potential recognition or disclosure through October 15, 2021, the date the financial statements were available to be issued.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

John Hancock, the custodian, holds the Plan's investments and executes investment transactions.

The following information, included in the accompanying financial statements and supplemental schedule, was obtained from data that has been prepared and certified as complete and accurate by the custodian:

	2020	2019
Investments, at fair value	\$ 638,618	\$ 250,505
Additions to net assets:		
Net appreciation in fair value of investments	\$ 83,301	

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Pooled separate accounts: Valued at the net asset value (“NAV”) of the underlying investments held by each account, minus its liabilities, and then divided by the number of units outstanding. The NAV, as reported to the Plan, is used as a practical expedient to estimate fair value. The pooled separate accounts do not have finite lives, unfunded commitments relating to those types of investments or significant restrictions on redemptions.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2020 and 2019:

Investments measured at net asset value:	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts (a)	\$ -	\$ -	\$ -	\$ 638,618
Investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 638,618</u>

Investments measured at net asset value:	Assets at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts (a)	\$ -	\$ -	\$ -	\$ 250,505
Investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 250,505</u>

- (a) Certain investments that are measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

There were no level 3 assets and no transactions between levels 1 and 2 in 2020 and 2019.

NOTE 5 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

The World Health Organization declared the Coronavirus Disease 2019 (COVID-19) outbreak a pandemic in March 2020. The COVID-19 pandemic has adversely affected global economic activity including significant deterioration and instability in financial markets. As a result, the fair value of the Plan's investments experienced significant volatility during 2020 and may continue to do so in the future. The full extent of the future impact of COVID-19 on the fair value of the investments held by the Plan and the Company's operations is uncertain. A prolonged COVID-19 pandemic could have a material adverse impact on the Plan's net assets available for benefits and the Company's operations and financial condition.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in all employer contributions.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Plan investments as of December 31, 2020 and 2019 are units of participation in pooled separate accounts that are managed by affiliates of John Hancock, the Plan's custodian. Therefore, these transactions qualify as party-in-interest transactions.

NOTE 8 – PROHIBITED TRANSACTIONS

During 2020 and 2019, the Company failed to remit certain participant contributions to the Plan on a timely basis, as defined by the Department of Labor's Rules and Regulations under ERISA. Such contributions totaled \$174,708 and \$131,876 during 2020 and 2019 respectively, and are included in the Schedule of Delinquent Participant Contributions. The late remittances in 2020 and 2019 were remitted to the Plan by the end of each of the respective years. Accordingly, there is no participant contribution receivable related to these contributions. Lost earnings related to the late remittances, which totaled \$2,297 were credited to participant accounts in August 2021, and thus the delinquent deposits have been fully corrected as of that date.

NOTE 9 – INCOME TAX STATUS

The Plan has adopted a volume submitter plan document on which the Internal Revenue Service has issued an opinion letter dated March 31, 2014 that stated that the volume submitter document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The volume submitter document has been amended since issuance of the most recent opinion letter. The Plan has not requested an individual determination letter from the Internal Revenue Service. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and intends to take corrective action for any identified deficiencies. Therefore, the plan administrator believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

In April 2020, the Plan received a notice of pending review from the U.S. Department of Labor ("DOL") and, in April 2021, the Plan was notified by the DOL of certain operational violations occurring during 2020 and 2019. Such violations, which related primarily to timely remittance of contributions and failure to properly satisfy the plan's fidelity bonding requirements were corrected in August 2021. As such, the plan's fidelity bond was increased to the appropriate level and lost earnings on late contributions during 2020 and 2019 were calculated and remitted to the plan during 2021 (see Note 8).

The Plan sponsor remitted the 2020 and 2019 late participant contributions by each of the respected year ends and the related lost earnings were calculated and remitted in August 2021. lost earnings, which totaled \$2,297 were not considered material to the plan as a whole and are not included in the accompanying statements of net assets available for benefits.
