Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the benefit obligations and net assets available for benefits of the Valley Detroit Diesel Allison Employee Benefit Trust as of December 31, 2020 and 2019, and the changes in benefit obligations and net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the included in the financial statements have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1. Description of the Plan and Summary of Significant Accounting Policies

The following description of the Valley Detroit Diesel Allison Employee Benefit Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Valley Power Systems, Inc., (the "Company") adopted the Valley Detroit Diesel Allison Employee Benefit Trust which qualifies as a welfare benefit plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan covers the domestic employees of Valley Power Systems, Inc. and its subsidiaries (collectively known as the "Companies" or "Employer").

Eligibility

Employees became eligible to participate in the Plan as of the first day of the month following 60 days of employment if scheduled to work at least 30 hours per week. Coverage under the Plan generally extends to the employee's legal spouse, their domestic partner, children until age 26, and physically or mentally disabled children not capable of self-support.

Qualified beneficiaries may continue health benefits as mandated under the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

Benefits

The Plan provides health benefits (medical, prescription, dental, vision, long-term disability, accidental death, dismemberment, and short-term disability), and life insurance benefits covering eligible employees of the Companies and their dependents. Benefits are provided through insurance premiums and a self-insured trust (the "Trust") which is funded by the Companies and employee contributions.

Funding Policy

The Companies make monthly estimated contributions to provide sufficient funds for insurance premiums and benefit payments. The employees make voluntary contributions to the Plan for a portion of the total premiums for their own coverage and, if they desire, coverage for their dependents, which are funded concurrent with each pay period.

Note 1. Description of the Plan and Summary of Significant Accounting Policies (continued)

Benefit obligations and net increase in benefit obligations

Plan liabilities for claims incurred but not reported are estimated by the Plan's contract administrator. The Plan has accrued and included in benefit obligations $16,003 and $21,564 as of December 31, 2020 and 2019, respectively, for anticipated incurred but not reported or processed claims. It is the Companies' policy to fund the Plan as claims become payable.

At December 31, 2020 and 2019, benefit obligations consist of the following:

	December 31,	
	2020	**2019**
Benefit claims payable	$ 16,003	$ 21,564
Insurance premiums payable	20,990	35,834
	$ 36,993	$ 57,398

For the years ending December 31, 2020 and 2019, the net change in benefit obligations consist of the following:

	Years Ending December 31,	
	2020	**2019**
Benefit claims payable	$ (5,561)	$ (8,340)
Insurance premiums payable	(14,844)	(2,920)
	$ (20,405)	$ (11,260)

Plan Administrative Expenses

The Company provides or pays for certain accounting, legal, administrative and management services without charge to the Plan.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America and presents the benefit obligations and net assets available for benefits and changes in those obligations and assets.

Note 1. Description of the Plan and Summary of Significant Accounting Policies (continued)

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits over benefit obligations during the reporting period. Actual results could differ from those estimates.

Subsequent Events

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of benefit obligations and net assets available for benefits, including the estimates inherent in the process of preparing the financial statements.

The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before the financial statements are available to be issued.

The Company has evaluated all events subsequent to December 31, 2020, the date of the statement of benefit obligations and net assets available for benefits, through the date of the Independent Auditor's Report, the date which the financial statements were available for issuance.

Note 2. Plan Termination

Although it has not expressed any intent to do so, the Companies have the right under the Plan to terminate the Plan subject to the provisions of ERISA. Upon termination, the Companies will continue to fund and administrate the Plan until all Plan liabilities have been funded.

Note 3. Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of claims expense per the financial statements to the Form 5500:

	Year Ended December 31, 2020
Claim expense per financial statements	
Dental claims	$ 100,260
Less: Decrease in benefit claims payable	(5,561)
Benefit payments directly to participants per Form 5500	$ 94,699

Note 3. Reconciliation of Financial Statements to the Form 5500 (continued)

The following is a reconciliation of insurance premiums expense per the financial statements to the Form 5500:

	Year Ended December 31, 2020
Insurance premiums expense per financial statements	$ 1,533,989
Less: Decrease in insurance premiums payable	(14,844)
Benefit payments to insurance carriers per Form 5500	$ 1,519,145

Note 4. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter that the Plan is qualified, and the Trust established under the Plan is tax-exempt under the appropriate sections of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's tax returns generally remain open for Federal tax audits for three years from the filing date.
